Pinkney Neighbors and Lawrence Residents,

To continue to provide shelter to our unhoused neighbors, the City of Lawrence is building a Pallet Shelter Village. The Village will provide 50 cabins in a support setting with wrap-around services for those experiencing homelessness.

The Village will provide non-congregate shelter to:

- Veterans
- Elderly individuals
- Disabled individuals
- Women fleeing domestic violence without children

Individuals with violent offenses will NOT be allowed in The Village.

Currently, The Village site is under construction to prepare for the installation of the shelters. Installation will begin November 28 and conclude December 2, barring weather or other delays.
