Each year, the City of Lawrence compiles information on the firms receiving property tax abatements in order to assess the effectiveness of program goals, including making good investments and providing quality wages and jobs for the community. This information is required by City Code which states that businesses receiving property tax abatements must provide certain information until their property tax abatement expires.

The report also includes information on other active incentive programs currently sponsored by the City, including Industrial Revenue Bonds (IRB), Neighborhood Revitalization Areas (NRA), Tax Increment Financing districts (TIF), Transportation Development Districts (TDD), and other support programs.

The annual report contains information on active programs for the report year. Historical information is included in the Appendices. Below is a summary of this year's report highlights:

#### **Property Tax Abatements:**

Four (4) Lawrence companies had active property tax abatements in 2016: Amarr Garage Doors, Grandstand Sportswear and Glassware (Screen-It Graphics), Sunlite Science & Technology, and Rock Chalk Park (KU facility portion). All met their compliance measures as per performance agreements signed with the City.<sup>1</sup>

<sup>&</sup>lt;sup>1</sup> KU would normally receive a 100% property tax abatement on their property for the duration of ownership. However, given the structure of the Rock Chalk Park project with KU Athletics entering into a long term lease with a private developer to construct the facilities, an automatic property tax exemption was not possible. A property tax abatement was utilized to assist KU in pursuing this project. Due to the unique nature of the project and its primary benefits related to assisting KU Athletics and drawing visitors from outside the community rather than job creation, no job creation performance or wage requirements were imposed.

#### Investments-

 For companies receiving a property tax abatement, real property investment totaled \$10.3 million in 2016 as compared to \$6 million projected. Real property investment to date was \$9,183,997 for Grandstand and \$1,158,155 for Sunlite. Amarr did not receive a real property tax abatement and their investment numbers are not included.

Real Property Investment						
Company	<b>Total Projected</b> (in 2016 dollars)	Total 2016	Comparison (Projected to Actual)			
Amarr	n/a	n/a	n/a			
Grandstand	\$4,890,000	\$9,183,997	188%			
Sunlite	\$1,130,000	\$1,158,155	102%			
Total (2016)	\$6,020,000	\$10,342,152	172%			

 Personal property investment totaled \$9,700,000 in 2016 as compared to \$9,400,000 projected. Personal property investment to date for Amarr was \$9,700,000. Grandstand and Sunlite did not receive personal property tax abatements on personal property through the City as this was automatically exempted through state law and their investment numbers are not included.<sup>2</sup>

Personal Property Investment						
Company         Total Projected (in 2016 dollars)         Total 2016         Comparison (Projected to Actual)						
Amarr	\$9,400,000	\$9,700,000	103%			
Grandstand	n/a	n/a	n/a			
Sunlite	n/a	n/a	n/a			
Total (2016)	\$9,400,000	\$9,700,000	103%			

<sup>&</sup>lt;sup>2</sup> The State of Kansas exempted commercial personal property purchased July 1, 2006 and after from taxation.

#### Employment-

Amarr projected 40 net new positions and realized 183, Grandstand projected 86 net new positions and realized 189, and Sunlite projected 16 and met 9 full-time positions in 2016.

Full-Time Employment						
Company         Total Projected         Total 2016         Comparison (Projected to Actual)						
Amarr <sup>3</sup>	40	183	458%			
Grandstand	86	189	220%			
Sunlite	16	9 4	56%			
Total (2016) 142 372 262%						

<sup>&</sup>lt;sup>3</sup> The number of jobs projected from abatement was 40, as per COTA orders (Docket *#* 2010-5589-EDX, received 8-12-2010) granting the tax abatement on personal property. According to the COTA orders, "Applicant is using the subject property for manufacturing articles of commerce and its expansion has resulted in or will result in the creation of 40 new positions." During the year prior to submission of the COTA application (2009), Amarr had a total full-time workforce of 499. From the COTA orders, the company projected 40 net new full-time positions would be added during the abatement period for a total of 539 full-time jobs (499 + 40 = 539). In 2016, Amarr reported 722 actual, full-time positions and had realized 183 net new full-time positions (722-539 = 183).

<sup>&</sup>lt;sup>4</sup> FTE count does not include the company owner, who works full-time at the company, but has elected to not take a salary.

#### Full-Time Wages—

All the companies receiving property tax abatements either met or exceeded required wage levels during 2016. As a whole, the companies achieved an average annual wage of \$39,802 for full-time positions in 2016 compared with just over \$32,094 (inflation adjusted) as originally projected. This is \$8,480 higher than the average full-time, private sector wage in Lawrence (\$31,322 per year) and \$13,594 higher than the annual 2016 wage floor rate of \$26,208. Average 2016 full-time wages was \$39,004 for Amarr, \$40,206 for Grandstand, and \$40,196 for Sunlite.

Average Wage Comparison						
CompanyTotal Projected (in 2016 dollars)Total 2016Comparison (Projected to Actual)						
Amarr	\$32,770	\$39,004	119%			
Grandstand	\$31,512	\$40,206	128%			
Sunlite \$32,000 \$40,196 126%						
Total (2016)	\$32,094	\$39,802	124%			

Wage C			
2016 Wage Comparison	Wage Difference		
Lawrence Avg. Private Wage	\$15.06	\$31,322	\$8,480
Lawrence Wage Floor	\$12.60	\$26,208	\$13,594
Company Average Wage	\$19.14	\$39,802	

#### Tax Generation—

Based on the portion of property receiving an abatement, the companies receiving a property tax abatement for economic development purposes paid a combined \$194,837 in property taxes out of a total \$341,955 due in 2016 (\$147,117 abated).<sup>5</sup> Amarr paid a total of \$120,134 in personal property tax out of \$146,666 due (\$26,533 abated); Grandstand paid a total of \$53,526 in real property tax out of \$152,933 due (\$99,407 abated); and Sunlite paid a total of \$21,178 in real property tax out of \$42,356 due (\$21,178 abated).

2016 Tax Generation (on portion of property receiving an abatement)						
Company	Taxes Paid	Tax Abated	Total Taxes	Abated % of Total		
Amarr	\$120,134	\$26,533	\$146,666	18%		
Grandstand	\$53,526	\$99,407	\$152,933	65%		
Sunlite	\$21,178	\$21,178	\$42,356	50%		
Total	\$194,837	\$147,117	\$341,955	43%		

<sup>&</sup>lt;sup>5</sup> Rock Chalk Park was not subject to economic development measures due to the unique nature of the project and taxes are not reported for that project. KU would normally receive a 100% property tax abatement on their property for the duration of ownership. However, given the deal structure of the Rock Chalk Park project with KU Athletics entering into a long term lease with a private developer to construct the facilities, an automatic property tax exemption was not possible. A property tax abatement was utilized to assist KU in pursuing this project. Due to the unique nature of the project and its primary benefits related to assisting KU Athletics and drawing visitors from outside the community rather than job creation, no job creation performance or wage requirements were imposed.

#### Industrial Revenue Bonds (IRB):

Nine (9) companies had Industrial Revenue Bonds (IRB) in 2016. The majority of the authorized IRBs were not affiliated with a property tax abatement, but rather were utilized to obtain a sales tax exemption on construction materials for the project. It should be noted that IRBs are backed by private sources, with no obligation on the part of the City for repayment of principal or interest.

2016 Industrial Revenue Bonds (IRB)						
Company	Date of Issue	lssuing Ord. #	Year Matures	Amount Authorized	Project	
Bowersock: Series 2011B & 2011C	2010/2011	8607 & 8620	2037	\$27,000,000	Hydro-Electric Facility	
Rock Chalk Park	Oct. 2013	8862	2023	\$40,000,000	Commercial Recreational Facility	
1101 Indiana Street (HERE KS)*	Nov. 2014	9053	2017	\$76,000,000	Mixed-Use, Retail and Student Housing	
100 East 9th Street LLC (888 New Hampshire, North Project): Series 2015*	Mar. 2015	9093	2017	\$23,000,000	Mixed-Use Commercial/Residential	
Dwayne Peaslee Technical Training Center, Inc.: Series 2015*	May 2015	9111	2017	\$1,600,000	Technical Training Center	
800 New Hampshire: Series 2016*	April 2016	9210	2018	\$7,800,00	Mixed-Use Commercial/Multi-Family Residential	
Pioneer Ridge*	Feb. 2016	9184	2018	\$14,500,000	Commercial, Independent Living Facility	
826 Pennsylvania Street*	Dec. 2016	9316	2018	\$3,200,000	Mixed-Use Commercial/Multi-Family Residential	
Dwayne Peaslee Technical Training Center, Inc.: Series 2016*	Dec. 2016	9321	2019	\$2,000,000	Technical Training Center	

\* Stand-Alone IRB used for a sales tax exemption on construction materials

#### Neighborhood Revitalization Areas (NRA):

Five (5) companies received NRA rebates in 2016. Rebates were not yet due for the 1101

Indiana Street and 826 Pennsylvania Street NRAs.<sup>6</sup>

2016 NRA Distributions				
Neighborhood Revitalization Areas	Amount			
720 E 9th Street	\$13,537			
1040 Vermont Street	\$29,568			
810/812 Pennsylvania Street	\$26,286			
1106 Rhode Island Street	\$11,037			
900 Delaware Street	\$29,876			
NRA Total	\$110,304			

These five NRAs generated an average of 18.6% more real property tax revenues as compared to property tax revenues that would have been realized if the properties were left in original condition. Overall (for all years in which a NRA rebate was given), the five NRA revitalized properties generated an average of 12.8% more real property tax revenues as compared to property tax revenues that would have been realized if the properties were left in original condition.

Tax Revenue Comparison: All NRAs						
NRA	Base	Retained	% Gain (Loss)			
720 E 9th St	\$12,949	\$14,052	8.5%			
1040 Vermont St	\$27,514	\$29,748	8.1%			
810/812 Pennsylvania St	\$3,870	\$5,723	47.9%			
900 Delaware St	\$1,171	\$2,879	145.8%			
1106 Rhode Island St	\$1,160	\$2,920	151.8%			
Total	\$46,664	\$55,321	18.6%			
	Unimproved Property	Improved Property	Return			

<sup>6</sup> Distribution details are shown in Appendix B.

#### Tax Increment Financing Districts (TIF):

The City currently has three (3) TIF districts: Downtown 2000, Oread, and 9<sup>th</sup> & New Hampshire (includes 900 New Hampshire and 888 New Hampshire).<sup>7</sup>

2016 TIF Distribution		
Tax Increment Financing	Amount	
901 New Hampshire Street (Downtown 2000 District)	\$28,085	
The Oread TIF*		
TIF Sales Tax	\$63,493	
TIF Property Tax	\$283,002	
900 New Hampshire TIF (South Project)**		
TIF Sales Tax	\$116,652	\$122,791 total generated in 2016
TIF Property Tax	\$297,330	\$312,979 total generated in 2016
888 New Hampshire TIF (North Project)		
TIF Sales Tax (under construction in 2016)	n/a	
TIF Property Tax (under construction in 2016)	n/a	
TIF Total	\$788,562	

\* For 2016, not all distributions collected had been reimbursed due to a contractual dispute. \*\*City retains 5%, up to \$900,000 for "Arts Common" project.

 $<sup>^{\</sup>rm 7}$  Distribution details are shown in Appendix B.

- The Downtown 2000 Redevelopment TIF District was created to support the development of the parking garage at 10<sup>th</sup> and New Hampshire and other cultural, commercial, office, and apartment developments. At the end of 2016, approximately \$2.77M remained outstanding on the bond debt (originally \$8.6M).<sup>8</sup>
- The Oread TIF District was created to help fund public improvements supporting the multilevel lodging, hospitality, and business venue at 12<sup>th</sup> and Oread. Public improvements to streets and infrastructure, including a parking garage, were financed initially by the developer and are reimbursed annually through both TIF and TDD revenues generated within the district. In 2016, the District generated \$346,495 in reimbursable sales and property tax TIF revenues.<sup>9</sup>
- The 9<sup>th</sup> & New Hampshire TIF District was created in 2012 and includes two project areas:
   900 New Hampshire (South Project) and 888 New Hampshire (North Project).
  - In 2016, 900 New Hampshire (South Project) generated \$435,771 in reimbursable sales and property tax TIF revenues, \$413,982 of which was reimbursed back to the property owner.<sup>10</sup>
  - At the end of 2016, 888 New Hampshire (North Project) was finishing construction and had not received any TIF reimbursements.

<sup>&</sup>lt;sup>8</sup> The Downtown 2000 TIF does not pay out to private entities except for a ~\$28,085/year reimbursement that was authorized via agreement. This amount is shown as the 901 New Hampshire Street TIF refund.

<sup>&</sup>lt;sup>9</sup> For 2016, not all distributions collected had been reimbursed due to a contractual dispute.

 $<sup>^{\</sup>rm 10}$  The City retains 5%, up to \$900,000, for the Arts Common project.

#### Transportation Development Districts (TDD):

Currently, the City has three (3) authorized TDD districts: The Oread TDD District, Free-State/Bauer Farms TDD District, and the 9<sup>th</sup> & New Hampshire TDD District.<sup>11</sup> In all TDD districts, public improvements are financed initially by the developer and are reimbursed annually via a one percent (1%) transportation district sales tax on retail or taxable services occurring within the district.

2016 TDD Distribu		
Transportation Development District	Amount	
Oread: TDD Sales Tax, State Distributions to City*	\$32,831	
Bauer Farms: TDD Sales Tax	\$245,863	
9th & New Hampshire TDD**		
900 New Hampshire (South Project)	\$0	\$49,424 generated in 2016
888 New Hampshire (North Project)	n/a	
TDD Total	\$278,695	

\* For 2016, not all distributions collected had been reimbursed due to a contractual dispute. \*\*City retains first \$850,000 in TDD as contribution toward City parking garage at 10th & New Hampshire.

<sup>&</sup>lt;sup>11</sup> Distribution details are shown in Appendix B.

- In 2016, the Oread TDD District (located at W. 12<sup>th</sup> Street & Oread Avenue) generated
   \$32,831 in TDD reimbursable revenue.<sup>12</sup>
- In 2016, the Free-State (Bauer Farm) TDD District (located at West 6<sup>th</sup> Street and Wakarusa Drive) generated \$245,863 in TDD reimbursable revenue.
- The 9<sup>th</sup> & New Hampshire TDD District was created in 2014 and includes two project areas: 900 New Hampshire (South Project) and 888 New Hampshire (North Project).
  - In 2016, 900 New Hampshire (South Project) generated \$49,434 in TDD reimbursable revenue. The City retains the first \$850,000 of TDD Revenue as contribution toward City parking garage at 10th & New Hampshire. As of December 31, 2016, the City has retained the entire amount of distributed TDD tax revenue (2015 = \$21,622; 2016 = \$49,434; Total to Date = \$71,056).
  - At the end of 2016, 888 New Hampshire (North Project) was finishing construction and had not received any TDD reimbursements.

<sup>&</sup>lt;sup>12</sup> For 2016, not all distributions collected had been reimbursed due to a contractual dispute.

#### Other Economic Development Programs (Direct-Support):

The City also participates in direct-support programs to help initiate and support economic development within the community. The programs supported in 2016 include:

2016 Direct Support Programs							
Support Program	Description	Type of Assistance					
Economic Development Services	BTBC	Capital Investment & Operations					
Economic Development Services	EDC/Chamber and KU-SBDC	Operations					
Development Grant	1106 Rhode Island Street Improvements	Grant					
Relocation Assistance	Integrated Animal Health	Rent Subsidy					
Workforce Training	Peaslee Technical Training Center	Operations					
Affordable Housing	Cedarwood Sr. Cottages	Grant					

 Economic Development Services—The City, along with other community stakeholders, provides support for the Bioscience & Technology Business Center (BTBC). City support to the BTBC in 2016 totaled \$393,790 for various economic development services and facilities.

City support for economic development services provided by the Lawrence Chamber of Commerce and KU Small Business Development Center totaled \$220,000 in 2016.

 Development Grant—The City authorized up to \$26,100 in development assistance, primarily in the form of rebated fees, to aid the rehabilitation of historic structures and revitalization at 1106 Rhode Island Street. By the end of 2016, all of the grant had been reimbursed.

- *Relocation Assistance*—Based out of Queensland, Australia, Integrated Animal Health (IAH) is a privately owned and funded company that uses patented technology to help increase the absorption of medicine in animals, either given orally or through the skin. To help establish IAH's global headquarters in Lawrence, the City and Douglas County agreed to share equally in providing a 3-year lease subsidy for space at the BTBC main facility and provide a \$100,000 forgivable loan. The first full measurement year for calculating compliance was June 1, 2015-May 31, 2016. During this measurement period, IAH met compliance, resulting in one-third of the loan forgiven (\$33,333.10). Also during this period, the City and County contributed \$22,266 each toward the lease subsidy.
- Workforce Training—Aimed at helping fill the skills gap in the local workforce, the Peaslee Technical Training Center opened August of 2015 with an enrollment of 150 students. Three semesters later, the Center had attracted 300 students. For 2016, the City and County provided operational assistance of \$100,000 each. In addition, the City waived a \$1,000 IRB application fee for additional expansion of the Center.
- Affordable Housing—To assist in the development of Tenants to Homeowners' 14-unit, senior living townhouse project, the City provided neighborhood infrastructure and improvements during the construction period valued at approximately \$102,000. The project was completed at the end of 2016 and had twelve seniors living in the one and two bedroom cottages.

### Introduction

The City of Lawrence provides multiple support programs for economic development opportunities designed to enhance the local economy and quality of life. As these programs involve public funding for current and future community assets, projects are viewed as an investment in which the City analyzes the risks and returns, selecting economic projects that best balance the goal of growing the local economy with the required amount of investment. The City has the below active economic development programs and projects.

2016 Major Economic Development Support Programs								
Incentive Program	Description	Location	Map #

### Introduction

#### **Overview**

Property tax abatements are authorized by the State of Kansas to allow municipalities and other taxing jurisdictions to reduce property taxes for a limited period of time in order to spur additional investment within a community. Currently, the state automatically grants a property tax abatement on personal property (i.e. machinery and equipment), purchased July 1, 2006 and after, that is used for commercial purposes. A property tax abatement on real property applies only to land and building(s).

Each year, the City of Lawrence compiles information on the firms receiving property tax abatements in order to assess the effectiveness of the abatements at providing investments, quality jobs and good wages for the community. This information is required by City policy which requires businesses receiving property tax abatements to provide certain information until their property tax abatement expires. The information presented in this section provides profile and performance information for the companies currently receiving property tax abatements.

2016 Tax Abatements: Active								
Company	Start <sup>1</sup>	Expires <sup>2</sup>	Maximum Investment Amount Subject to Abatement <sup>3</sup>	Abatement %	Ord/Res	COTA Docket #		
Amarr Garage Doors, Inc.	2010	2019	\$9,400,000 personal property	55% personal property	O-8497	2010-5589-EDX		
3840 Greenway Circle LLC/Screen-It Graphics (Grandstand)	2012	2021	\$4,990,000 real property <sup>4</sup>	65% on real property	R-6948	2012-9459-EDX		
Sunlite Science & Technology, Inc.	2014	2023	\$2,300,000 real property <sup>5</sup>	50% on real property	R-7042	2013-5409-EDX		
Rock Chalk Park <sup>6</sup>	2014	2023	\$40,000,000	100% on real property	R-7014	2014-7320-IRBX		

For information on matured and non-initiated property tax abatements, see Appendix C, page C-1.

<sup>&</sup>lt;sup>1</sup> Exemption from ad valorem taxation starts with the taxes levied in the calendar year shown.

 $<sup>^{\</sup>rm 2}$  Exemption from ad valorem taxation expires with the taxes levied in the calendar year shown.

<sup>&</sup>lt;sup>3</sup> Amounts that appear in the City Ordinance authorizing the abatement.

<sup>&</sup>lt;sup>4</sup> Estimated cumulative capital investment over 10-year term as per agreement dated October, 11, 2011 between City, 3840 Greenway Circle LLC, and Screen-It Graphics of Lawrence, Inc.

<sup>&</sup>lt;sup>5</sup> Estimated cumulative capital investment over 10-year term as per agreement dated August 30, 2013 between City and Sunlite Science & Technology, Inc.

<sup>&</sup>lt;sup>6</sup> KU would normally receive a 100% property tax abatement on their property for the duration of ownership. However, given the structure of the project with KU Athletics entering into a long term lease with a private developer to construct the facilities, an automatic property tax exemption was not possible. A property tax abatement was utilized to assist KU in pursuing this project. Due to the unique nature of the project and its primary benefits related to assisting KU Athletics and drawing visitors from outside the community rather than job creation, no job creation performance requirements were imposed.

#### **Company Profiles**

#### Amarr Garage Doors

Amarr was established in 1951 by the Brenner family in Winston-Salem, NC, and has grown to have sales in excess of \$300 million, 1,200 employees, and 76 locations in the United States, Mexico, and Canada. They are one of the world's leading

designers, manufacturers, and distributors of door access systems for residential garages, warehouses, commercial buildings, shopping malls and other commercial applications. Amarr has over 17 products to offer residential customers as well a wide array of commercial doors

such as sectional steel doors and rolling steel doors. Designs are inspired by some of America's leading brands and sold by over 3,000 professional independent garage door dealers worldwide. Amarr produces garage doors in two locations: Lawrence, Kansas and North Carolina. The company came to Lawrence in 1989 as the first occupant of East Hills Business Park and currently produces the majority of their garage doors at this location. Amarr provides jobs for over 600 people, making it one of the largest private employers in the City.

Grandstand Sportswear & Glassware (Screen-It Graphics)

Based in Lawrence, Kansas, Grandstand is a custom screen printer specializing in sportswear, glassware and promotional items. Beginning operations as an apparel

company with seven employees in 1988, this local business has experienced rapid expansion, now selling products throughout the U.S., Canada, and Australia.

Company growth necessitated a move in late 2011/early 2012 from its Lawrence location at

2920 Haskell, where it occupied 30,000 square feet of space, to its new 155,000 square foot building in East Hills Business Park. The move into the larger facility gives the company the opportunity to grow and expand as it continues to respond to increasing market demand.

#### Sunlite Sciene & Technology

Sunlite Science & Technology, Inc. designs and manufactures high-efficiency LED lighting fixtures for residential and commercial uses. This home-grown company has been headquartered out of Lawrence, Kansas since 1997 and was the first graduate from the Lawrence Bioscience and Technology Business Center (BTBC) incubator. In 2013, the

Topeka Pocket Park Lighting

company purchased the property at 4811 Quail Quest Place in order to consolidate business operations and grow to the next business phase.

Sunlite provides innovative products both locally and nationally. In 2016, a Sunlite research and technology proposal was one of 134 SBIR Phase II General proposals (out of 323 total) selected by NASA to support the development of technologies in

Lighting for Lydia's Restaurant, Kansas City, MO the areas of aeronautics, science, human exploration and operations, and space technology. Proposals were selected according to their

Lighting for Dragon Ceiling Exhibit, Nelson-Atkins Museum, Kansas City, MO

technical merit and feasibility, in addition to the experience, qualifications and facilities of the submitting business.

#### **Abatement Performance**

The table below compares projected investment, employment and wage milestones<sup>7</sup> to actual achievement for each of the companies receiving a property tax abatement during 2016.

2016 Tax Abatement Performance by Company										
Amarr Garage Doors, Inc.	Projected	Actual	Comparison (Projected to Actual)							
Real Property Investment	n/a	n/a	n/a							
Personal Property Investment	\$9,400,000	\$9,700,000	103%							
Full-Time Employees 8	40	183	458%							
Average Wages (2016 Dollars)	\$32,770	\$39,004	119%							

Continued

<sup>&</sup>lt;sup>7</sup> Each firm was required to provide projections of real property investments, personal property investments, new jobs and wages for those jobs in order to do a cost-benefit analysis. The cost-benefit analysis is required by state law in order for the Kansas Court of Tax Appeals (COTA) to grant a tax abatement.

<sup>&</sup>lt;sup>8</sup> The number of jobs projected to be added during the abatement period was 40, as per the Kansas Court of Tax Appeals orders (COTA Docket # 2010-5589-EDX, received 8-12-2010) granting the tax abatement on personal property. According to the COTA orders,

<sup>&</sup>quot;Applicant is using the subject property for manufacturing articles of commerce and its expansion has resulted in or will result in the creation of 40 new positions."

During the year prior to submission of the COTA application (2009), Amarr had a total full-time workforce of 499. From the COTA orders, the company projected 40 net new full-time positions would be added during the abatement period for a total of 539 full-time jobs (499 + 40 = 539). In 2016, Amarr reported 722 actual, full-time positions and had realized 183 net new full-time positions (722-539 = 183).

2016 Tax Abatement Performance by Company									
Grandstand/Screen-It Graphics	Projected	Actual	Comparison (Projected to Actual)						
Real Property Investment	\$4,890,000	\$9,183,997	188%						
Personal Property Investment	n/a	n/a	n/a						
Full-Time Employment <sup>9</sup>	86	189	220%						
Average Wages (2016 Dollars)	\$31,512	\$40,206	128%						
Sunlite Science & Technology	Projected	Actual	<b>Comparison</b> (Projected to Actual)						
Real Property Investment	\$1,130,000	\$1,158,155	102%						
Personal Property Investment	n/a	n/a	n/a						
Full-Time Employment <sup>10</sup>	16	<b>9</b> <sup>11</sup>	56%						
Average Wages (2016 Dollars)	\$32,000	\$40,196	126%						

<sup>&</sup>lt;sup>9</sup> Pre-abatement employment as of December 31, 2010 was 40 full-time positions. Per the agreement between the City and Screen-It Graphics of Lawrence, Inc./3840 Greenway Circle LLC, employment for purposes of abatement compliance is measured for the year proceeding the current tax abatement calendar year. For example, for the 2013 calendar year, employment is measured from January-December 2012.

<sup>&</sup>lt;sup>10</sup> Pre-abatement employment as of December 31, 2013 was 5 full-time positions.

<sup>&</sup>lt;sup>11</sup> FTE count does not include the company owner, who works full-time at the company, but has elected to not take a salary.

#### Performance Summary

2016 Tax Abatement Summary									
Total Projected         Total Actual         Comparison (F to Actual									
Real Property Investment	\$6,020,000	\$10,342,152	172%						
Personal Property Investment	\$9,400,000	\$9,700,000	103%						
Full-Time Employees	142	381	268%						
Average Wages (2016 Dollars)	\$32,094	\$39,802	124%						

#### **Real Property Investment**

Overall, the companies receiving property tax abatements in 2016 achieved one hundred seventy-two percent (172%) of the projected amount for real property investments. Real property investment totaled approximately \$10.3 million, with company investments ranging from over \$1.15 million (Sunlite) to approximately \$9.2 million (Grandstand). Amarr did not receive a property tax abatement on real property and those investment amounts were not included.

#### Personal Property Investment

Overall, the companies receiving property tax abatements in 2016 achieved one hundred three percent (103%) of the projected amount for personal property investments. Personal property investment totaled approximately \$9.7 million. Grandstand and Sunlite did not receive a personal property tax abatement and those amounts were not included.

#### Job Creation:

All of the companies receiving a property tax abatement in 2016 met employment compliance as per their performance agreement. Amarr Garage Doors exceeded projected employment by four hundred fifty-eight percent (458%), Grandstand exceeded projected employment by two hundred twenty percent (220%). Sunlite achieved fifty-six percent (56%) of their projected employment for the 2016 abatement year.<sup>12</sup> Overall, the three companies receiving a property tax abatement during 2016 met two hundred sixty-eight (268%) of new, full-time job projections.

#### Wages:

Employee pay is an important element for both the quality of life and for promoting other businesses indirectly. Adjusting for inflation, average wages from the companies receiving property tax abatements is approximately \$39,802 per year. This wage is about \$8,480 higher than the average private sector wage in Lawrence.<sup>13</sup> This wage is also substantially above the 2016 community wage floor rate (\$12.60 per hour wage floor rate as compared to \$19.14 per hour average wage rate paid by abatement companies.)

All three companies met or exceeded wage expectations. Overall wages averaged one hundred twenty-four percent (124%) of projections. (Again, the projections provided in the application have been adjusted for inflation.)

<sup>&</sup>lt;sup>12</sup> FTE count does not included the company owner, who works full-time at the company, but has elected to not take a salary.

<sup>&</sup>lt;sup>13</sup> Kansas Department of Labor, Kansas Labor Information Center, Average Private Sector Wage in Lawrence, KS (by Industry), Quarterly Census of Employment and Wages, \$31,322, data released 2016.

#### **Employment Summary**

Each year, a questionnaire is sent to property tax abatement companies requesting employment information such as the number of full-time and/or part-time jobs, the hourly or annual wage for each position, and 6-digit Standard Occupation Code (SOC)<sup>14</sup> for each job category. Employment information is then compared to targets as specified within the company's performance agreement.

2016 Employment Summary					
Amarr Garage Doors, Inc.					
Total Employment	745				
Total Full-Time Employment	722				
% of Full-Time Jobs meeting or exceeding mean wage	98%				
Average Full-Time Wage	\$18.75				
Grandstand/Screen-It Graphics					
Total Employment	189				
Total Full-Time Employment	189				
% of Full-Time Jobs meeting or exceeding mean wage	128%				
Average Full-Time Wage	\$19.33				
Sunlite Science & Technology					
Total Employment	10				
Total Full-Time Employment	<b>9</b> 15				
% of Full-Time Jobs meeting or exceeding mean wage	133%				
Average Full-Time Wage	\$19.33				

<sup>&</sup>lt;sup>14</sup> The community average wage used was the 6-digit SOC Code mean wage as reported in the 2016 Edition of the Kansas Wage Survey for the Lawrence Metropolitan Statistical Area (MSA). Whenever a 6-digit SOC Code mean wage was not available for Lawrence, the 2016 Edition 6-digit SOC Code mean wage for the state of Kansas was used. Due to confidentiality, companies were not required to provide wage data on job categories with only one employee. For purposes of calculating the company average wage, jobs indicated as below the average wage were estimated at 10% less than the SOC community average wage for that job category. Jobs indicated as above the average wage were estimated at 3% more than the SOC Community average wage for that job category.

<sup>&</sup>lt;sup>15</sup> FTE count does not include the company owner, who works full-time at the company, but has elected to not take a salary.

#### **Employment History**

In addition to 2016 employment, the below table presents historical employment records over the past five years for the companies receiving a property tax abatement:

	2012-2016 Employment History (year-end)																	
Company	Pr Abate	-	Proje fro Abate	m	To Estim Jo	nated	20	12	20	13	20	14	20	15	20	16	2016 Ove Estimate	
	FT	PT	FT	PT	FT	PT	FT	PT	FT	PT	FT	PT	FT	PT	FT	PT	FT	PT
Amarr (2009) <sup>16</sup>	499	0	40	0	539	0	477	4	624	16	697	36	696	15	722	23	183	23
Grandstand/Screen- ot Graphics <sup>17</sup>	40	0	46	0	86	0	45	0	71	0	97	0	186	0	189	0	103	0
Sunlite Science & Technology <sup>18</sup>	5	0	11	0	16	0	n/a	n/a	n/a	n/a	6	0	11	0	9 <sup>19</sup>	0	(7)	0
Total	544	0	97	0	641	0		-							911	23	279	23

<sup>16</sup> The number of jobs projected to be added during the abatement period was 40, as per the Kansas Court of Tax Appeals orders (COTA Docket # 2010-5589-EDX, received 8-12-2010) granting the tax abatement on personal property. According to the COTA orders,
"Applicant is using the subject property for manufacturing articles of commerce and its expansion has resulted in or will result in the creation of 40 new positions." During the year prior to submission of the COTA application (2009), Amarr had a total full-time workforce of 499. From the COTA orders, the company projected 40 net new full-time positions would be added during the abatement period for a total of 539 full-time jobs (499 + 40 = 539). In 2016, Amarr reported 722 actual, full-time positions and had realized 183 net new full-time positions (722-539 = 183).

<sup>17</sup> Pre-abatement employment as of December 31, 2010 was 40 full-time positions. Per the agreement between the City and Screen-It Graphics of Lawrence, Inc./3840 Greenway Circle LLC, employment for purposes of abatement compliance is measured for the year preceding the current tax abatement calendar year. For example, for the 2013 calendar year, employment is measured from January-December 2012.

<sup>18</sup> Pre-abatement employment as of December 31, 2013 was 5 full-time positions.

<sup>19</sup> FTE count does not include the company owner, who works full-time at the company, but has elected to not take a salary.

#### **Abatement Compliance Summary**

In order to annually qualify for a property tax abatement, each company is subject to provisions as specified within a performance agreement signed with the City and the property tax abatement policy that was in place at the time of agreement signing. Grandstand and Sunlite, are subject to the May 2010 property tax abatement policy requirements. City agreements for the Amarr property tax abatement were signed prior to the commencement of the 2010 economic development policy. However, Amarr has substantially met their compliance targets for 2016 based on their performance agreement and referenced property tax abatement policy.

Current policy is based on the below compliance schedule:

Compliance Schedule						
Blended Range %	Amount of Incentive to be Received					
90-100%	100%					
80-89%	85%					
70-79%	75%					
Below 70%	0%					

Grandstand was subject to the below performance provisions for 2016.<sup>20</sup> The company met substantial compliance and was eligible for one hundred percent (100%) of their 2016 property tax abatement amount.

	2016 Grandstand Compliance Summary											
Compliance Category	Description	Target	Actual	% Compliance (Actual/Target)	Weight	Overall Compliance						
Capital Investment	Cumulative Capital Investment (as of Dec 31, 2015)	\$4,890,000	\$9,183,997	188%	0.25	46.95%						
Job Creation	Full-Time Employment (FTEs)	86	189	220%	0.25	54.94%						
Wages	2016 Wage Floor (\$12.60/hr.) <sup>21</sup>	100% of Employees paid above wage floor	97%	97%	0.125	12.13%						
	Average Company Hourly Wage	\$15.15	\$19.33	128%	0.125	15.95%						
Health Benefits	Employer Provided Health Care Coverage (minimum of 70% employer paid premium) <sup>22</sup>	100%	100%	100%	0.25	25.00%						

Blended Compliance % 155%

Eligible Incentive % 100%

<sup>&</sup>lt;sup>20</sup> Note that as per the performance agreement between Grandstand and the City, the measurement period for job creation was specified as January 1 through December 31 of the immediately preceding year. Under mutual agreement, the City and Grandstand agreed to a clarification of the measurement period that would align it to the year taxes are being levied/abated. For example, the measurement period for taxes levied in 2016 will be January 1, 2016 through December 31, 2016. This does not change targets or total job creation numbers, but rather makes compliance calculation and reporting more efficient and straightforward for both the City and Grandstand.

<sup>&</sup>lt;sup>21</sup> As per agreement (dated 10-11-11, Section 5c), Grandstand shall maintain a wage structure for its FTEs such that 100% of its regular fulltime employees are paid above the annual wage floor. Wages for employees serving their initial training period of 90 days will not be included in this calculation.

<sup>&</sup>lt;sup>22</sup> As per agreement (dated 10-11-11, Section 5d), Grandstand shall provide a minimum of 70% of the premiums for an employer-sponsored health insurance policy for covered employees (or provide employees with a wage which is \$1.50/hr. above the wage floor). Grandstand submitted a letter stating that the company paid 100% of the healthcare premium for all covered employees in 2016. (See Appendix E.)

Sunlite was subject to the below performance provisions for 2016. The company met substantial compliance and was eligible for one hundred percent (100%) of their 2016 property tax abatement amount.

2016 Sunlite Compliance Summary							
Compliance Category	Description	Target	Actual	% Compliance (Actual/Target)	Weight	Overall Compliance	
Capital Investment	Cumulative Capital Investment (as of Dec 31, 2016)	\$1,130,000	\$1,158,155	102%	0.25	25.62%	
Job Creation	Full-Time Employment (FTEs)	16	923	56%	0.25	14.06%	
Wages	Wage Floor (\$12.60/hr) <sup>24</sup>	100% of Employees paid above wage floor	100%	100%	0.125	12.50%	
	Average Company Hourly Wage	\$15.38	\$19.33	126%	0.125	15.70%	
Health Benefits	Employer Provided Health Care Coverage (minimum of 70% employer paid premium) <sup>25</sup>	100%	80%	100%	0.25	25.00%	

Blended Compliance % 93%

Eligible Incentive % 100%

<sup>&</sup>lt;sup>23</sup> FTE count does not include the company owner, who works full-time at the company, but has elected to not take a salary.

<sup>&</sup>lt;sup>24</sup> As per performance agreement (dated 8-30-13, Section 4-C), Sunlite shall maintain a wage structure for its FTEs such that 100% of its regular full-time employees are paid above the annual wage floor. Wages for employees serving their initial training period of 90 days will not be included in this calculation.

<sup>&</sup>lt;sup>25</sup> As per performance agreement (dated 8-30-13, Section 4-D), Sunlite shall provide a minimum of 70% of the premiums for an employersponsored health insurance policy for covered employees (or provide employees with a wage which is \$1.50/hr. above the wage floor).

Amarr signed their performance agreement before the 2010 policy was in place and is not subject to the same provisions as indicated in the current policy. However, Amarr substantially met 2016 compliance measures per their performance agreement and is eligible for one hundred percent (100%) of their annual incentive amount. Performance measures for Amarr, in light of current standards, are shown below for comparison.

2016 Amarr Compliance Summary							
Compliance Category	Description	Target	Actual	% Compliance (Actual/Target)	Weight	Overall Compliance	
Capital Investment	Personal Property	\$9,400,000	\$9,700,000	103%	0.25	25.80%	
Job Creation	Full-Time Employment <sup>26</sup>	40	183	458%	0.25	114.38%	
Wages	Wage Floor <sup>27</sup>	100% of Employees	100.00%	100%	0.125	12.50%	
	Average Company Hourly Wage 28	\$15.75	\$18.75	119%	0.125	14.88%	
Health Benefits	Employer Health Care Coverage <sup>29</sup>	100%	100.00%	100%	0.25	25.00%	

Blended Compliance % 193%

Eligible Incentive % 100%

<sup>26</sup> Amarr was originally granted a fifty-five percent (55%) tax abatement on real and personal property via Ordinance 8470 (adopted 10-27-2009). Requirements under the performance agreement (signed 12-17-2003), referenced by Ordinance 8470 states "The approval of the tax abatement by the governing body of the City was in reliance upon the application submitted by Amarr. Specifically, the application and the approved tax abatement provided that Amarr would 1) construct a facility, new construction and modification to existing facility in the capital amount of \$7,700,000; 2) expend \$9,400,000 in the purchase of new machinery and equipment; and 3) employ eighty (80) full-time employees as the result of the project." Ordinance 8497 (authorized 4-6-2010) later repealed Ordinance 8470, and specified a fifty-five (55%) tax abatement on personal property only. In association, with this tax abatement, the COTA application submitted June 28, 2010 specified "The applicant is using the subject property exclusively for manufacturing articles of commerce and its expansion has resulted in or will result in the creation of 40 new positions."

<sup>27</sup> 2016 Wage floor is \$12.60/hour. The wage floor hourly wage is adjusted annually based upon an annual wage equal to one hundred thirty percent (130% of the Federal poverty threshold for a family of three, as established by the U.S. Department of Health and Human Services.

<sup>28</sup> \$18.75 represents Amarr's average wage for all full-time employees. Community average wages are provide by occupation through the Kansas Department of Labor, 2016 Edition Wage Survey. Amarr had 98% of all full-time positions that met or exceeded the community average wage.

<sup>29</sup> Ordinance 7706 states that the company shall make available to covered employees, an employer-sponsored health insurance policy, pursuant to employer guidelines, in which case the employer provides a minimum of seventy percent (70%) of the cost of such policy. Amarr submitted a letter stating that the company is self-insured and paid 71% of all healthcare expenses in 2016. (See Appendix E.)

#### **Additional Community Benefits**

Businesses provide many important benefits to the communities in which they reside. In addition to direct job creation and generation of wages, companies increase purchases within the local economy, contribute to the local tax base and bring capital into the community. They also generate a substantial social impact, including providing training and benefits to the work force, supporting community organizations, and employing environmental stewardship.

#### Local Expenditures & Non-Local Sales

A key objective of economic development is to bring new money into the community, and then have that money stay in the community. Firms bring new money to the community when they sell products to other geographic markets. The money then remains in the community to the extent that it is distributed in wages to local residents, paid in dividends to local owners and shareholders, or spent locally. The below table shows the share of sales made outside of Lawrence and the local expenditures made directly by the firms.

Almost all local revenue generated by products sold by the three companies is imported into the community from outside sales. Local expenditures were low, ranging from 3-14 percent (3%-14%), a likely result of the nature of manufacturing production at these facilities. (e.g. These companies create products using materials that are not produced locally, requiring larger expenditures from outside the community.)

2016 Local Expenditures & Outside Sales					
Company	Expenditures Spent Within Lawrence	Sales Generated Outside Lawrence			
Amarr Garage Doors Inc.	5%	99%			
Grandstand/Screen-It Graphics	3%	99%			
Sunlite Science & Technology	14%	92%			

#### **Property Tax Generation**

Since none of the three companies received a one hundred percent (100%) property tax abatement, all of the abated property are currently generating some level of property taxes.<sup>30</sup>

2016 Tax Generation (on portion of property receiving an abatement)							
Company & Abatement %	Total Tax Potential	Abated Tax Amount	State Exemption <sup>31</sup>	Taxes Paid (or to be paid) by Property Owner			
Amarr Garage Doors, Inc.							
Personal (55%) 32	\$146,666	\$26,450	\$83	\$120,134			
Grandstand/Screen-It Graphics							
Real (65%)	\$152,933	\$99,407	n/a	\$53,526			
Sunlite Science & Technology							
Real (50%)	\$42,356	\$21,178	n/a	\$21,178			
Total	\$341,955	\$147,035	\$83	\$194,837			

Source: Douglas County

<sup>&</sup>lt;sup>30</sup> The amounts shown for real property values are only for the portion of real property that received the abatement and may not reflect values for the entire parcel.

<sup>&</sup>lt;sup>31</sup> The state granted an additional exemption for personal property items listed that are valued for \$1,500 or less. This is not a part of the EDX exemption. The amount shown under "Abated Tax Amount" for Amarr Garage Door reflects the abated taxes attributable to the EDX. The amount under "Taxes Paid..." reflects the actual tax bill.

<sup>&</sup>lt;sup>32</sup> Personal property amount may not reflect the percentage of abatement, as some personal property is not included in the exemption. The State of Kansas exempted commercial personal property purchased July 1, 2006 and after from taxation. However, personal property purchased prior to that date is still taxed at a depreciated rate. Each company is required to submit an annual claim for a personal property tax abatement, listing out the equipment, value and date purchased. The County then determines the amount of personal property exempted and taxes due.

### Social Impacts

Companies also contribute to the community by providing career enhancement for their employees and by giving to local charities. The three firms receiving abatements in 2016 have obtained substantial achievements in the areas of the environment, community engagement, and environmental practices.

### Amarr Garage Doors, Inc.

#### Environment

Amarr participates in recycling programs that include steel, aluminum, cardboard, pallets, and paper. Over sixty-five percent (65%) of Amarr's Finished Good Product is manufactured from recycled steel.

#### Community Engagement

Amarr is committed to being the best corporate citizen possible and has contributed to the following organizations: Member of the Lawrence Chamber of Commerce, Tenants to Homeowners, United Way, Habitat for Humanity, Just Foods, Stroke Detention Plus, Lawrence Memorial Hospital (Breast Cancer "Pink It Up" and Catch a Break campaigns), Truity Credit Union, Meritrust Credit Union, Lawrence Parks and Recreation, Prompt Care, Lawrence Vein Center, Willow Domestic Violence Center, GaDugi Safe Center, Recovery and Hope Network, Independence, Inc, Catholic Charities, and Headquarters Counseling Center. Amarr also sponsors Softball and Basketball teams.

Amarr partners with Lawrence High School and Free State High School to encourage and educate students about Amarr and careers in manufacturing (LEAP Partners).

Amarr Team Members facilitated professional skills training through Junior Achievement at the College and Career Center in Lawrence. Amarr assisted with the grant process to bring the Peaslee Technical Center to the Lawrence area and donated garage doors to the both the Center and College and Career Center.

### Job Training/Benefits

During the course of the year, Amarr continually offered a wide range of training, including new employee orientation, harassment training, safety training, leadership skills, on-the-job machinery equipment operation instruction, and many other general training for Amarr Team Members.

### Grandstand (Screen-It Graphics), Inc.

#### Environment

During 2016, Grandstand continued to employ an aggressive environmental program to reduce, reuse, and recycle as much waste as possible. The company has an over/under policy with customers, which reduces scrap glass output substantially every year. The company worked closely with their suppliers to put branding on their boxes to allow Grandstand to ship out in the same boxes the product arrived in. Currently, Grandstand is able to cover ninety-eight percent (98%) of outbound shipping in reused boxes. The company continues to recycle scrap glass, corrugate, office paper, aluminum, and plastic waste.

#### Community Engagement

Grandstand sponsored the following local organizations in 2016: Arthritis Foundation, Boys & Girls Club of Lawrence, Ballard Community Services, Corpus Christi Catholic Church, Douglas County CASA, Emerald Gems Foundation, Free State High School, Lawrence Art Center, Lawrence Chamber of Commerce, Festival of Trees, Habitat for Humanity, Humane Society, Lawrence area schools, March of Dimes, University of Kansas, and Van Go, Inc. The company also adopted several local families and provided a number of gifts for Christmas.

#### Job Training/Benefits

The company hired and trained 60 new employees during 2016. Grandstand completed various safety trainings for all applicable employees and several employees attended continuing education for their respective fields.

### Sunlite Science & Technology, Inc.

#### Environment

Sunlite installed 45 pcs of 6.5W LED security light fixtures along the side of their building to replace the six 175W HID outdoor lights. Total power consumption was reduced from 1,050W to 292W.

In 2016, Sunlite released their UV LED exposure unit and UV LED curing unit for flexography printing. Compared to the traditional mercury UV curing unit, Sunlite's UV LED does not contain mercury, does not produce ozone, consumes less energy, and reduces odors and noises at customers' working space.

#### Community Engagement

Over the past year, Sunlite donated and supported Douglas County Special Olympics, Free State High School Robotics Team, and Just Food of Douglas County. In addition, the company supported Civil, Environmental, and Architectural Engineering Departments by providing Smart-Controlled Light System to professors to teach lighting design courses. The system features five groups of individually controlled RGB lights, color temperature changing lights, dimming can lights arranged in a circular and other patterns, and decorative pendant lights. Sunlight supported the KU Architecture Department by donating to its prototype senior housing unit featuring high-tech devices such as dehydration sensing toilets and fall-detecting motion sensors. Sunlite provided space for Free State High School Homecoming Parade Assembly and is a sponsor of the KU Lied Center.

### Job Training/Benefits

The company provided on-site and on the job training for all employees. Sunlite also provides job training to a KU student intern.

# Industrial Revenue Bonds

K.S.A. 12-1740 permits cities to issue Industrial Revenue Bonds (IRB) for the purpose of paying the costs of purchasing, acquiring, constructing or equipping facilities for "agricultural, commercial, hospital, industrial, natural resources, recreational development and manufacturing purposes". IRBs can be beneficial in obtaining a sales tax exemption on project construction materials, machinery and equipment and may also support favorable rate financing.

Nine (9) companies had Industrial Revenue Bonds in 2016, the majority of which were not affiliated with a tax abatement, but rather utilized for a sales tax exemption on project construction materials. The table below details the date of issue as well as the maturity date. Note that outstanding IRBs are payable solely from private sources and not backed by the City. In addition, those companies that had IRBs issued after 1995 are required to provide arbitrage and secondary disclosures.

2016 IRBs: Outstanding							
Company	Date of Issue	lssuing Ord. #	Year Matures	Amount Authorized	Project

For information on matured and non-initiated IRBs, see Appendix C, page C-2.

Neighborhood Revitalization Areas (NRA) are an economic development tool established by the Kansas Neighborhood Revitalization Act (K.S.A. 12-17,114 et seq.) to promote reinvestment and revitalization of properties, which in turn have a positive economic effect upon a neighborhood and the City in general.

During 2016, the City of Lawrence had seven (7) approved Neighborhood Revitalization Areas:

	2016 NRAs: Active						
NRA	Project	District Established	Ord #	% Rebate	Duration	First NRA Tax Year	
8th and Pennsylvania District	(720 E 9th Street) <sup>1</sup>	Apr. 2007	8093	95%	Based on amount rebated <sup>2</sup>	2011	
1040 Vermont	Treanor Architect's Headquarters	Apr. 2011	8625	Declining <sup>3</sup>	10 years	2013	
810/812 Pennsylvania	Cider Building Art Gallery	Jul. 2012	8753	95%	10 years	2014	
1106 Rhode Island	Hernly Architect's Office	Aug. 2014	9022	85%	10 years	2016	
1101 Indiana	Mixed-Use, Student Housing	Aug. 2014	9021	85%	10 years	2017 4	
900 Delaware	9 Del Lofts	Oct. 2014	9040	95%	15 years	2016	
826 Pennsylvania Street	826 Pennsylvania Street	Nov. 2016	9304	85% County, 50% City and USD	10 years	*	

\*NRA Rebate starts with the first full tax year after project completion.

See Appendix B, page B-2 for NRA distribution information.

<sup>&</sup>lt;sup>1</sup> Although the 8th & Pennsylvania Street NRA district expired in April 2012, the 720 E 9th Street parcel within that District remains eligible for NRA refunds.

<sup>&</sup>lt;sup>2</sup> The 8th & Pennsylvania NRA district allows for up to 20 years of NRA rebates (subject to a capped amount correlating with costs). As per

agreement with the City, rebates are due until the maximum amount of \$324,673.18 has been rebated or 12-31-2032, whichever comes first. <sup>3</sup> Yrs 1-4: 95%, Yrs 5-6: 85%, Yr 7: 70%, Yr 8: 50%, Yr 9:30%, Yr 10:20%.

<sup>&</sup>lt;sup>4</sup> Agreement amended for NRA rebate starts on the first full tax year after project is 100% complete. Project completion is anticipated in 2017.

Five (5) properties were eligible for an NRA rebate for the property taxes levied in 2016: The remaining NRA projects were either under construction or had not commenced construction by the end of the year, and were not eligible for a rebate. Rebate amounts are shown in Appendix B.

### 8<sup>th</sup> & Pennsylvania Street NRA

The 8<sup>th</sup> & Pennsylvania Street NRA was established in 2007, although the only property redeveloped was the parcel located at 720 E 9<sup>th</sup> Street. The district expired in April 2012. However, this parcel remains eligible for NRA refunds.

### 1040 Vermont Street NRA

Treanor Architects received an NRA in order to design and build an 18,000 square foot office to relocate their associates to downtown Lawrence. The project involved renovation of a former car dealership built in 1953, which had also previously housed a grocery store and office supply company.

1040 Vermont Street Before Renovation

The new design reused the back half of the building to create a partial two-story space featuring an open floor plan, reception area, offices, multiple conference rooms, break areas, rooftop garden and recreation space.

1040 Vermont Street After Renovation

building was converted into an art gallery with event space on the lower level and office space on the upper level. The redevelopment opened in 2013 and

### 810/812 Pennsylvania Street NRA

The 810/812 Pennsylvania Street NRA was approved in 2012 to redevelop the historic Cider building as part of an overall renovation of the East Lawrence Historic Neighborhood District. The abandoned

supports art, event, and entrepreneurial needs of the East Lawrence Historic community.

### 1106 Rhode Island Street NRA

The 1106 Rhode Island Street NRA district was established in 2014 to help redevelop the property and its historic structures to productive use. As a vacant, dilapidated, and blighted property, it presented safety, health, environmental, and economic concerns for the community. However, the existing house, large barn, and garage

were contributing structures to the North Rhode Island Street Historic Residential District and it was determined they retained sufficient integrity to be rehabilitated.

Currently, the property is under rehabilitation, converting the on-site, historic structures to productive use and adding new space to enhance the usefulness of the property. 2016 was the first NRA rebate year for the 1106 Rhode Island project.

1101 Indiana Street NRA (HERE KS)

The 1101 Indiana Street NRA was authorized in 2014 to support redevelopment of the property into an upscale, mixed-use, student housing community.

In 2016 a Memorandum of Understanding was executed, redefining project completion.<sup>5</sup> Although a number of units were occupied in

the fall of 2016, the project was not considered complete due to outstanding parking

requirements. HERE KS was responsible for and paid all real property taxes in 2016 (\$259,739) on the project.

<sup>&</sup>lt;sup>5</sup> Paragraph 5: The Neighborhood Revitalization Act Performance Agreement provides that HERE shall not be entitled to receive any incentive under that agreement or the NRA until such time as it substantially completes construction. The parties acknowledge and understand that the term "substantially complete" shall mean that construction is 90% completed and HERE has provided, within its interior warehouse and/or on-site and off-site self parking that meets City Code, for 100% occupancy of the residential and commercial components of the mixed-use redevelopment of the HERE Property. HERE acknowledges and agrees that it shall not be entitled to receive any incentive under the Neighborhood Revitalization Act Performance Agreement or the NRA until the January following the time that it achieves approval by the City for 100% occupancy of the residential and commercial components of the mixed-use redevelopment of the residential and commercial components of the city for 100% occupancy of the residential and commercial components of the mixed-use redevelopment of the term entited and commercial components of the mixed-use redevelopment of the term entited and commercial components of the mixed-use redevelopment of the HERE Property. Nothing in the Memorandum of Understanding shall be construed to extend the term of the NRA

### 900 Delaware Street NRA

Located on the southeast corner of 9<sup>th</sup> Street and Delaware Street, adjacent to the East Lawrence Historic Warehouse District, the 9 Del Lofts project converted vacant land into a multi-family, affordable housing complex. The 900 Delaware NRA was authorized in 2014 to help support the project and add affordable housing to the community. The complex opened in 2015 with 43 apartment units:

18, one-bedroom units; 16, two-bedroom units; and four, three-bedroom units. 2016 was the first NRA rebate year for the 900 Delaware project.

#### 826 Pennsylvania Street NRA

In 2016, the City, County and School district voted to participate in an NRA to support the redevelopment of the property at 826 Pennsylvania Street into a mixed-use commercial and residential project. The project is anticipated to add:

 Over 28,000 square feet of finished commercial and residential space (3 floors + basement)

- 14 residential rental units, two of which will be set aside for affordable housing over a 30-year period
- 33 new on-street angled parking spaces in front of the building
- 11 full-time, permanent positions at an annual average salary of just under \$32,500 to support commercial and residential operations

At the end of 2016, the City and School District authorized a 10-year, 50% NRA rebate and the County authorized a 10-year, 85% rebate to support the project. The first NRA rebate will be for the first full tax year after project completion.

Tax Increment Financing (TIF) Districts are an economic development tool established by the Kansas TIF Act (K.S.A. 12-1770 et seq.) to aid in financing projects for substantial public benefit. Public benefits can include creating jobs or retaining existing employment, eliminating blight, strengthening the employment and economic base of the City, increasing property values and tax revenues, reducing poverty, creating economic stability, upgrading older neighborhoods, facilitating economic self-sufficiency, promoting projects that are of community wide importance, or implementing the Comprehensive Plan and economic development goals of the City.

### The City currently has three (3) active TIF districts:

2016 TIF: Active							
TIF	District Established	District Ord. #	Plan Established	Expires <sup>1</sup>	Plan Ord. #	Estimated Eligible Expenses	
Downtown 2000 Redevelopment (Original 9th and New Hampshire)	Aug. 1999	7127	April 2000	April 2020	7207	\$8,645,000	
The Oread	Feb. 2008	8234	April 2008	April 2028	8253	\$8,500,000 <sup>2</sup>	
9th & New Hampshire: South Project	Aug. 2012	0760	May 2013	May 2032	8865	\$4,000,000 <sup>3</sup>	
9th & New Hampshire: North Project	Aug. 2012	8768	April 2014	April 2034	8971	\$4,750,000 <sup>4</sup>	

See Appendix B, page B-3 for TIF distribution information.

<sup>&</sup>lt;sup>1</sup> The 20-year TIF clock for the reimbursement period starts when the *redevelopment plan* is approved.

<sup>&</sup>lt;sup>2</sup> Amount shown is the maximum reimbursement amount (not including interest) specified in the original development agreement, to be reimbursed from TIF and TDD revenues. As part of a 2017 settlement agreement, the Development Agreement was amended, reducing the maximum from \$11 million to \$8.5 million (not including interest).

<sup>&</sup>lt;sup>3</sup> Amount amended from \$3,500,000 to \$4,000,000 on May 13, 2013. Amount shown is the reimbursement cap without interest. As per the redevelopment agreement, interest is subject to reimbursement from TIF revenues at the Developer's actual interest rate for borrowed funds

<sup>&</sup>lt;sup>4</sup> Amount shown does not include interest. As per the redevelopment agreement, interest is subject to reimbursement from TIF revenues at the Developer's actual interest rate for borrowed funds.

### Downtown 2000 Redevelopment District

The Downtown 2000 Redevelopment TIF District was created to support the development of the parking garage at 10<sup>th</sup> and New Hampshire and other cultural, commercial, office, and apartment developments. At the end of 2016, approximately \$2.77M<sup>5</sup> remained

outstanding on the bond debt (approximately \$8.6M).

In 2012 the 900 New Hampshire parcel was removed from the Downtown 2000 district and is now part of the 9<sup>th</sup> & New Hampshire Redevelopment district. In exchange for removal of this parcel from the Downtown 2000 district, the first \$850,000 of project generated TDD proceeds from the 9<sup>th</sup> & New Hampshire district will be contributed to bond payoffs on the parking garage.

<sup>&</sup>lt;sup>5</sup> At the beginning of 2016, approximately \$3,370,000 remained outstanding on the bond debt. After payments made on 3-1-2016 and 9-1-2016, estimated balance remaining was \$2,765,000.

#### 901 New Hampshire Reimbursements:

In January 2012, the City Commission authorized the City Manager to execute a performance agreement allowing a reimbursement of TIF revenues generated from the original Downtown 2000 Redevelopment District to be paid for developer-paid public improvements made to 901 New Hampshire, a mixed-use retail/office/apartment project located within the district. The agreement calls for a total of \$280,852 to be paid by the City to the Developer over a 10 year period in ten equal, annual installments of \$28,085.20. The first annual reimbursement was for taxes levied in 2012.

### 12<sup>th</sup> and Oread Redevelopment District: 1200 Oread Avenue

Located on top of Mount Oread at the north gate of The University of Kansas, Tthe Oread is a hospitality and business venue with 99 guest rooms/suites, two large banquet rooms, a state of the art audio/video theater, tanning salon/fitness center, and a variety of restaurants.

Public improvements to streets and infrastructure, including a parking garage, were financed initially by the Developer and are reimbursed annually through TIF revenues generated within the district.<sup>6</sup>

After the City retains \$650,000 from TIF/TDD funds, it will disburse the remaining funds according to the amended development agreement (executed April 27, 2017). Under the terms of the amendment, the TIF/TDD reimbursement maximum was reduced from \$11 million to \$8.5 million (excluding interest). In addition, once the developer is reimbursed \$5.7 million (reduced from \$7.1 million) plus interest, TIF revenues available for reimbursements are reduced to 50% of real property tax revenues and 50% of sales tax revenues. TDD reimbursements remain at 100% throughout the duration of the agreement, subject to the reimbursement cap.

<sup>&</sup>lt;sup>6</sup> Reimbursements were subject to a contractual dispute between the City and the developer, which was settled through a Settlement Agreement and Mutual Release dated April 13, 2017. This agreement stipulated that the City would retain \$650,000 plus interest out of retained TIF/TDD revenues to cover the amount the City overpaid Oread Inn, L.C., with interest (\$492,914.86), plus the City's estimated out-of-pocket costs incurred from its investigation of the dispute in 2015 through the start of the court ordered mediation.

### 9<sup>th</sup> & New Hampshire Redevelopment District

Created in 2012, this district includes two project areas: South Project Area and North Project Area. Public infrastructure for both areas is to be funded initially by the developer and reimbursed on a "pay-as-you-go" basis by project generated TIF revenues. In addition, TIF revenues will be split between the City and

Developer to fund both a public "Arts Commons" project and public infrastructure within the district, with five percent (5%) of the proceeds reserved for the "Arts Commons" project (up to a total of \$900,000) and ninety-five percent (95%) of proceeds going to reimburse the Developer for public infrastructure expenses.<sup>7</sup>

The district began generating TIF revenues in 2014 through the South Project (900 New Hampshire). The North Project (888 New Hampshire) was still under construction in 2016, so no TIF revenues were reimbursed for the tax year.

<sup>&</sup>lt;sup>7</sup> As per the South Area Development Agreement, if "Art Common" project does not proceed within 60 months of the date of the filing of the Certificate of Substantial Completion, 5% TIF revenues will go toward reimbursement of the property owner's TIF project expenses. (Certificate filed December 31, 2014. City "Arts Common" project must proceed by December 31, 2019 for City to retain the 5% TIF revenues.)

#### 900 New Hampshire-South Project Area

The South Project Area includes a mixed-use hotel with retail space and hotel lobby on the first floor, underground parking and related public and private infrastructure. The proposed public project is affiliated with the Lawrence Arts Center. This "Arts Commons" space is planned to be a venue for public art exhibitions, theatrical productions, music, film and art-making activities and include green space for children attending the arts-based preschool and other educational programs to work and play outside.

#### 888 New Hampshire-North Project Area

The North Project Area is a mixed-use apartment and banking center with underground parking, water line improvements along New Hampshire Street, and related public and private infrastructure.

Transportation Development Districts (TDD) are an economic development tool established by the Kansas TDD Act (K.S.A. 12-17,140 et seq.) to assist with the development of transportation projects which can benefit a development and the public.

Currently, the City has three (3) authorized TDDs. In all districts, public improvements were financed initially by the developer and are reimbursed annually via a one percent (1%) transportation district sales tax on retail or taxable services occurring within the district.

2016 TDDs: Active					
TDD	Ordinance #, Date Authorized	TDD Sales Tax	TDD Sales Tax Commences	TDD Sales Tax Expires	Estimated Eligible Expenses
The Oread	#8254, April 2008	1%	Oct. 2009	Oct. 2031	\$8,500,000 <sup>1</sup>
Free-State (Bauer Farms)	#8339, October 2008	1%	April 2009	April 2031	\$5,000,000
9th & New Hampshire	#8979, April 2014 <sup>2</sup>	1%	Jan. 2015	Jan. 2037	\$3,000,000 <sup>3</sup>

See Appendix B, page B4 for TDD distribution information.

<sup>&</sup>lt;sup>1</sup> Amount shown is the maximum reimbursement amount (not including interest) specified in the original development agreement, to be reimbursed from TIF and TDD revenues. As part of a 2017 settlement agreement, the Development Agreement was amended, reducing the maximum from \$11 million to \$8.5 million (not including interest).

<sup>&</sup>lt;sup>2</sup> Ordinance 8803 which originally established the TDD district was repealed due to a technicality and replaced with Ordinance 8979.

<sup>&</sup>lt;sup>3</sup> Amount shown is the reimbursement cap without interest. As per the redevelopment agreement, interest is subject to reimbursement at the Developer's actual interest rate for borrowed funds.

#### The Oread TDD

The Oread TDD (located at W. 12<sup>th</sup> Street & Oread Avenue) began generating sales tax revenues in 2009. The project's transportation-related public improvements were financed initially by the Developer and are reimbursed annually through TDD revenues generated within the district.<sup>4</sup>

After the City retains \$650,000 from TIF/TDD funds, it will disburse the remaining funds according to the amended development agreement (executed April 27, 2017). Under the terms of the amendment, the TIF/TDD reimbursement maximum was reduced from \$11 million to \$8.5 million (excluding interest). In addition, once the developer is reimbursed \$5.7 million (reduced from \$7.1 million) plus interest, TIF revenues available for reimbursements are reduced to 50% of real property tax revenues and 50% of sales tax revenues. TDD reimbursements remain at 100% throughout the duration of the agreement, subject to the reimbursement cap.

<sup>&</sup>lt;sup>4</sup> Reimbursements were subject to a contractual dispute between the City and the developer, which was settled through a Settlement Agreement and Mutual Release dated April 13, 2017. This agreement stipulated that the City would retain \$650,000 plus interest out of retained TIF/TDD revenues to cover the amount the City overpaid Oread Inn, L.C., with interest (\$492,914.86), plus the City's estimated out-of-pocket costs incurred from its investigation of the dispute in 2015 through the start of the court ordered mediation.

### Free-State TDD

The Free-State (Bauer Farm) TDD (located at W. 6<sup>th</sup> Street and Wakarusa Drive) began generating sales tax revenues in 2009. At the end of 2016, approximately eighty-two percent (81.9%) of the buildable area within the district was either occupied or under construction.

**9<sup>th</sup> & New Hampshire TDD** The 9<sup>th</sup> & New Hampshire TDD was approved in July 2012. The district began generating TDD sales tax in 2015. The first \$850,000 of district TDD revenues will go toward paying back bonds for the 10<sup>th</sup> & New Hampshire parking garage. After reaching that threshold, additional TDD revenues will

reimburse Developer-paid public infrastructure expenses.

### **Economic Development Services**

The City of Lawrence annually contracts with the agencies below to provide services related to economic development in order to foster job growth within the community.

### **Bioscience & Technology Business Center** The BTBC creates, recruits, grows, and retains companies that produce high quality, highpaying jobs by supporting growth of the bioscience and technology industries in Lawrence, Douglas County, and Kansas City. By producing these jobs, the BTBC is able to

increase the local tax base and create wealth in the community. To help its tenant companies grow and succeed, the BTBC provides:

- Customized office and laboratory space
- Access to the BTBC's network of business and industry contacts
- Access to KU resources
- High bandwidth, low latency fiber internet connection
- Business services and support

The BTBC is a unique coalition consisting of the City, Douglas County, University of Kansas, and the local business community via the Lawrence Chamber of Commerce—the first of its kind for Lawrence. As a result

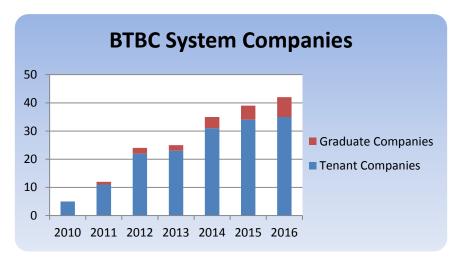

2016 Annual Economic Development Report: Lawrence, Kansas

of this unique partnership, each dollar contributed by the City is leveraged by contributions by the other partners.

	BTBC Facilities					
Facility	Location	Description				
BTBC Main	KU's West Campus	51,400	Office and lab space situated near several prominent KU research buildings.			
BTBC West	15 <sup>th</sup> Street and Wakarusa	17,500	Suited for incubator graduates, tenants with unique space requirements, and companies seeking GMP-ready space.			
BTBC-KUMC	KU Medical Center Campus, KCK	21,000	Office and wet lab space adjacent to the KUMC and the KU Hospital.			

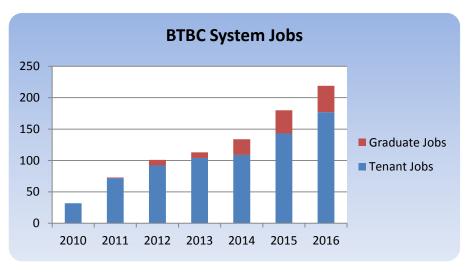

Source: Bioscience & Business Technology Center, data as of December 31, 2016.

### **BTBC Economic Development Metrics**

Source: Bioscience & Business Technology Center, data current as of 12/31/16.

Source: Bioscience & Business Technology Center, data current as of 12/31/16.

Source: Bioscience & Business Technology Center, data current as of 12/31/16.

By locating in Lawrence, the BTBC companies also create an indirect economic benefit to the local economy consisting of money paid to local vendors as well as take-home pay spent by tenant company employees on housing, utilities, food, child care, entertainment, etc. The following chart shows the total direct and indirect economic impact of BTBC companies:

Metric	BTBC Companies	BTBC Graduates	BTBC System Total
Companies	35	7	42
Jobs - Direct	161	58	219
Jobs – Indirect/Induced	106	38	144
Jobs - Total	267	96	363
Annual Payroll	\$16,742,748	\$5,761,152	\$21,784,356

Analysis produced using EMSI Developer Economic Development software

Construction of Phase II, an additional 30,000 square feet of office and lab space, was completed in August of 2014. The BTBC Main Facility has since reached approximately ninetyfour percent (94%) occupancy, which is about two years ahead of projections. The BTBC has begun

planning for Phase III, which will likely include an anchor tenant or tenants. The BTBC's long term goal is the development of a technology park on KU's West Campus.

### **Overview of City Support for BTBC Services**

The City of Lawrence has provided the below funding support for BTBC operations:

Bioscience & Technology Business Center Support					
Year	Capital Investment – Fixed Assets*	Operations	Total		
2006		\$200,000	\$200,000		
2007 <sup>1</sup>		\$192,000	\$192,000		
2008		\$200,000	\$200,000		
2009	\$75,000	\$200,000	\$275,000		
2010	\$75,000	\$200,000	\$275,000		
2011	\$141,540	\$200,000	\$341,540		
2012	\$641,540	\$200,000	\$841,540		
2013	\$641,540	\$200,000	\$841,540		
2014 <sup>2</sup>	\$141,540	\$200,000	\$341,540		
2015	\$196,540	\$200,000	\$396,540		
2016	\$193,790	\$200,000	\$393,790		

Source: City Budget Office, City of Lawrence, Kansas

\*Includes city funding for construction of the \$14.5MM BTBC Main Facility, of which the City has a 25% interest, and bond payments on the BTBC West facility.

 $<sup>^1</sup>$  A  $\,$  4% reduction was imposed on support for all outside agencies in 2007.

<sup>&</sup>lt;sup>2</sup> In addition to operations support, the City and County jointly agreed to split expenses related to the roof replacement for the BTBC West (Expansion) Facility. The City's portion of the expense was \$122,855.40, which was paid in 2014.

### Support for Other Economic Development Services

During 2016, the City provided approximately the same amount of financial support to local agencies for economic development services as in the previous year.

Other Support for Economic Development Services						
Organization	Description	2012	2013	2014	2015	2016
Chamber of Commerce	Economic development marketing services	\$199,500	\$199,500	\$199,500	\$199,500	\$200,000
KU Small Business Development Center	Small business development services	\$20,000	\$20,000	\$20,000	\$20,000	\$20,000
	Total	\$219 500	\$219.500	\$219.500	\$219 500	\$220.000

Source: City Budget Office, City of Lawrence, Kansas

### Economic Development Corporation (EDC)

The Economic Development Corporation of Lawrence & Douglas County contracts with the City of Lawrence and Douglas County for the provision of economic development services throughout all of Douglas County. The EDC's mission to "…*Promote economic development in Lawrence and Douglas County through the retention of existing businesses and industries, the support and expansion of existing and new entrepreneurial business opportunities, and the attraction of new high-wage business and industry,"* goes hand in hand with that of the Chamber of Lawrence, Kansas, with which it shares office space and staff.

In 2015 alone, EDC efforts resulted in the relocation of five new businesses to the community, representing the creation of more than 500 new jobs and more than \$28.6 million in capital investment. In 2016, the EDC shepherded dozens of relocation requests and conducted several site visits with out-of-town businesses. Of these, Lawrence is actively being considered for five projects (four relocations and one local expansion), representing a combined total of more than \$150 million in capital investment and the creation of roughly 560 new jobs.

### **Small Business Support & Services**

The EDC also supports local business growth on a smaller scale through its partnership with the Chamber. Over the course of 2016, the Chamber conducted nearly 50 ribbon cuttings, with 18 of these representing celebrations for wholly new businesses to the community.

#### Metropolitan E-Community Partnership

Another small business support mechanism available through the EDC is the Network Kansas Metropolitan Entrepreneurial Community program. Based on the successful Network Kansas Rural E-Community program, which spurs development in rural communities, the Metro E-Community was launched in early-2016 as one of two pilot programs to promote business growth in urban communities (the other being Wichita).

The Metro E-Community allows the EDC to directly support new and existing business through the creation of a revolving loan program. Qualifying businesses may receive up to \$45,000 in gap financing for start-up capital, business renovations, hiring staff, equipment, and construction.

To qualify for funding, a business must meet just one of five criteria below and file an application for review by the program's finance committee:

- Businesses located in a distressed area (20% + live below poverty level)
- Owned by woman, minority, or someone of disadvantaged status
- Businesses that currently employ or will employ low-income employees
- Businesses whose products/service supports disadvantaged/underserved populations
- · Businesses whose mission is to serve disadvantaged/underserved populations

### **Dwayne Peaslee Technical Training Center**

In addition to the above, the EDC and Chamber have been key partners in the continued development of the Dwayne Peaslee Technical Training Center. Now in its second year, Peaslee Tech represents an integral piece of the workforce development plan of both

organizations. In 2016, the EDC:

- Assisted with new tenant lease negotiation
- Facilitated grants totaling \$475,000
- Assisted with fundraising and development efforts for a new auto lab
- Provided strategic planning and advocacy assistance to Peaslee leadership and board.

### KU-KSBDC (Small Business Development Center)

The KU-KSBDC is one of 17 Centers in Kansas and one of approximately 1100 Centers in the America's SBDC network that provides free and confidential consulting services to entrepreneurs

who are starting and growing small businesses. Staffed by professionals certified in areas such as business continuity planning, business valuation, and exit planning, the center focuses

on providing services for business planning, access to capital,

In 2016, the KU-KSBDC provided almost 2100 hours of one-to-one

consulting and 500 hours of other community engagement. While the Center provides

services throughout a 6 county area, approximately eighty-five

(85%) of measured activity takes place locally.

As part of the cooperative model, economic impact is measured annually by The Docking Institute in cooperation with the Kansas

Small Business Development Center. As reported in April of 2016, KU-KSBDC's services provided the below economic impacts:

2016 KU-KSBDC Economic Impact				
Total client companies	373			
Reported starting business	88			
New access to capital	\$17,470,000			
New revenue generated	\$16,720,000			
Jobs impact	473

### **Shared Infrastructure**

### **Rock Chalk Park**

Opening in the fall of 2014, Rock Chalk Park, is an 89 acre sports campus located at the northwest corner of Rock Chalk Drive and George Williams Way. Rock Chalk Park is home to the 181,000 square foot City recreation center (Sports Pavilion Lawrence) and University of Kansas (KU) athletic facilities.

In 2016, during its second full year of operation, Sports Pavilion Lawrence averaged nearly 50,000 visits monthly.

Additional usage statistics for the recreation center include:

- Over 58,000 people have registered/received key cards for use since opening.
   Lawrence and Douglas County residents using the facility need the free key card to use the facility and assists with determining usage at the center.
- 56% of registered card holders are women, 44% are men.
- The average age for key card holders is 40 years-old.
- The Lawrence zip code that uses the center the most is 66049 with 21,284 users, followed by 66044 with 18,427 users.
- Lawrence Parks and recreation staff estimate that in 2016 Sports Pavilion Lawrence generated over 5 million dollars in economic impact for the City of Lawrence.

Sports Pavilion Lawrence: 2016 Attendance						
	Avg		Estimated Annual			
Year	Monthly Visits	# Key Card Holders	Avg Age	% Female	% Male	Economic Impact
2015	40,000	27,011	40	56.3%	43.7%	\$5,000,000
2016	58,843	29,080	40	56%	44%	\$5,000,000

Source: Kansas Athletics

Traditional economic development tools utilized for the project included a property tax abatement and issuance of industrial revenue bonds for the property containing the KU Athletic facilities.<sup>3</sup> (Refer to Sections 1 and 2 for additional information.) In addition, the City authorized support for the shared infrastructure within the park (e.g. parking, walking trails, all necessary sanitary sewer, potable water, storm sewer, water detention facilities, public and private streets, sidewalk and related improvements) and a rebate of City permit and development fees. By the end of 2015, the City had reimbursed all amounts due for shared infrastructure and development fees.

<sup>&</sup>lt;sup>3</sup> KU would normally receive a 100% property tax abatement on their property for the duration of ownership. However, given the structure of the project with KU Athletics entering into a long term lease with a private developer to construct the facilities, an automatic property tax exemption was not possible. A property tax abatement was utilized to assist KU in pursuing this project. Due to the unique nature of the project and its primary benefits related to assisting KU Athletics and drawing visitors from outside the community rather than job creation, no job creation performance requirements were imposed.

### **Development Grant**

### 1106 Rhode Island Street Historic Rehabilitation

In support of the commercial rehabilitation of historic properties at 1106 Rhode Island Street, the City authorized a development grant estimated at \$26,100 to assist with City fees and permit expenses.

The grant was authorized in July 2014 with the final grant payment made in 2016.

### **Relocation Assistance**

#### Integrated Animal Health Global Headquarters

2920 Becker Drive, BTBC Lawrence

Originally based out of Queensland, Australia, Integrated Animal Health (IAH) is a privately owned and funded company that identifies novel, transformative technologies, tests and commercializes them, before licensing out or putting into global distribution. To aid in establishing IAH's global headquarters in Lawrence, the City and Douglas County agreed to share equally in providing a 3-year lease subsidy for space at the BTBC main facility and a \$100,000 forgivable loan.

- The rent subsidy was contingent on IAH signing a 3-year lease at the BTBC main facility. The lease was executed in April 2015, with the first lease subsidy paid for June 2015 rent.
- The forgivable loan is tied to performance and subject to the below employment targets and compliance schedule. The first full measurement year for calculating compliance on the forgivable loan was June 1, 2015-May 31, 2016.

Job	Job Performance Targets & Loan Forgiveness Schedule					
Year	Measurement Period	Cumulative, Net New Full- Time Jobs	Average Annual Salary	Maximum Amount of Loan to be Forgiven		
1	Jun 2015-May 2016	2	\$113,167	\$33,333.33		
2	Jun 2016-May 2017	5	\$113,167	\$33,333.33		
3	Jun 2017-May 2018	9	\$113,167	\$33,333.34		
Total				\$100,000.00		

Compliance % Schedule			
Year	Maximum Amount of Loan to be Forgiven		
90-100%	100%		
80-89%	85%		
70-79%	75%		
Below 70%	0%		

#### **Compliance Performance: Year 1**

As shown below, IAH met performance requirements as specified in the performance agreement executed May 27, 2015 between the City of Lawrence, Douglas County, and Integrated Animal Health (IAH) for the June 2015-May 2016 measurement period. Consequently, \$33,333.33 of the total loan amount is eligible to be forgiven.

Year 1: IAH Compliance Summary (Period June 2015-May 2016)							
Compliance Category         Description         Target         Actual         % Compliance (Actual/Target)         Weight         Overall Compliance							
Job Creation	Full-Time Employment (FTEs)	2	2.3	115.00%	0.5	57.50%	
Wages         Average Company Annual Salary         \$113,167         \$198,515         175.42%         0.5         87.71%							
					" 0/	4450/	

Blended Compliance % 145%

Eligible Incentive % 100%

The below table summarizes public assistance for IAH, as of the end of the first measurement period.

Integrated Animal Health (Period June 2015-May 2016)				
	City	County		
Forgivable Loan	\$50,000.00	\$50,000.00		
Rent Subsidy	\$22,266.00	\$22,266.00		
Total	\$72,266.00	\$72,266.00		

#### **Company Accomplishments:**

IAH moved its headquarters to Lawrence in 2015, and has now officially moved all the

shareholdings from Australia to the U.S. company, making the Lawrence company the "parent" company.

Over the past year, the IAH has made great strides in establishing its business, adding distribution in ten countries and launching five new products.

Products launched by Integrated Animal Health in the past year

The company added multiple technologies into its portfolio, including two from KU in which the company has been working to test and develop for FDA or USDA approval within the next three years. IAH now has 33 separate technologies in the company's portfolio.

The deer to the right had a clear and massive tick burden (see the scarring), but the ticks began falling off after several weeks on <u>Repellion</u>. This deer carried hundreds of ticks on its ears.

In this photo, you can see a deer in the 40 acre breeding pen that never carried a tick load. Flies are also not present after 3 weeks on the <u>Repellion</u> deer cookie product.

Besides marketable products, the company has near stage and long term projects. One significant near term venture involves a product that naturally repels ticks from deer – deer ticks carry Lyme Disease to humans, so the answer may come from right here in Lawrence and the testing is being done in Kansas. (See images at left.)

IAH's CEO was selected for the Pipeline

Entrepreneur program (one of only 3 in Kansas) and has been elected to the Economic Development Counsel of Lawrence and Douglas County. He is a high profile advocate of Lawrence in the Animal Health Corridor and was recently featured in the Animal Health Corridor newsletter and is a finalist for a newly established "Entrepreneur Board of Advisors Seat".

As with any early stage company, IAH has encountered challenges, including significant delays in European approval of products for sale. (IAH did receive approval for the sale of three products in Europe in July 2016.) The company continues to pursue a major US distributor or partner and is currently in discussions with several. (IAH has five ongoing trials in place with these potential partners.) The company is also challenged with raising a Series B round of funding.

### Workforce Training Support

#### Dwayne Peaslee Technical Training Center (Peaslee Tech)

Located at 2920 Haskell Avenue in Lawrence, Peaslee Tech was established by a consortium of partners, including the Economic Development Corporation of Lawrence and Douglas County, the City of Lawrence, Douglas County, the Chamber, local industry, and private donors. Peaslee Tech's mission is to grow a workforce, rich

A student wires an electrical panel in the Engineering Technology Program course.

with technically skilled individuals, within the Lawrence and Douglas County communities.

The center opened August 2015 with an enrollment of 150 students in credit and noncredit courses. It has now completed three semesters, attracting 300 student enrollments in fall 2016. Technical programs from three area community colleges include Construction Technology, Industrial Engineering Technology, and HVAC Technology. Other courses are regularly offered in technical and business math, reading, writing, and computer literacy. Contracted education providers include Neosho County Community College, Flint Hills Technical College, and Johnson County Community College.

	Workforce Development: Peaslee Technical Training Center					
Year	# Enrolled	Education Provider	Industry Area	Program Name		
		Flint Hills Technical College	Manufacturing	Industrial Engineering Technology		
		Johnson County Community College	Varied	Computer courses, writing courses, math courses		
		Neosho County Community College	Heating/Cooling	HVAC Technology		
2015	150	Neosho County Community College	Construction	Construction Technology		
		Neosho County Community College	Varied	Welding		
		Peaslee Technical Training Center	Career Development	Building My Career (offered Free due to Emprise Bank sponsorship)		
		Peaslee Technical Training Center	Custom Courses	Computer Training, Hydraulics, Accountability		
		Flint Hills Technical College	Manufacturing	Industrial Engineering Technology		
		Johnson County Community College	Varied	Computer courses, writing courses, math courses		
		Neosho County Community College	Heating/Cooling	HVAC Technology		
		Neosho County Community College	Construction	Construction Technology		
2016	300	Neosho County Community College	Varied	Welding and Allied Health		
		Peaslee Technical Training Center	Career Development	Building My Career (offered Free due to Emprise Bank sponsorship)		
		Peaslee Technical Training Center	Custom Courses	Supervision for Front Line Managers, Programmable Logic, OSHA courses, Technical Instructor Training, Entrepreneurial Training		
		Pittsburg State University	Noncredit courses	Technical Instructor Training in technical and instructional areas, and business training		

Peaslee Tech offers custom courses in a wide variety of areas, and have included Supervision for Front Line Managers, Accountability, Hydraulics, Electric Motor Drives, and Programmable Logic Control. These non-credit, short-course offerings are based on industry's expressed needs.

Peaslee Tech offers *Building My Career*, a sequence including four course modules: Financial Literacy, Career Development (teamwork, work ethic, communication, interviewing, resume writing, career pathway decision making), Creative Problem

Solving, and Resolving Workplace Conflicts. These are offered <u>free</u> through a donation by Emprise Bank and support includes all course materials.

The new Belcher Family HVAC Lab was developed in Spring 2016 through a generous gift from the Smitty Belcher Family. This new facility provides students hands-on experience with furnaces, air-conditioners, roof top

units, and more.

Peaslee Tech's plans include the development of an Automotive Technology Training Program, through JCCC. This certificate program will offer high school and community trainees with opportunities

2016 Annual Economic Development Report: Lawrence, Kansas

for entry-level careers. This effort is supported by area car dealers and independent auto-industryrelated shops. A soft opening goal for the program is fall 2017. Other programs under consideration for the future include Electrical Technology,

Plumbing Technology, and Power Plant Technology.

Public support for the Center has included:

	Peaslee Center Support					
Year	Assistance Type	City Amount	County Amount			
	2014 real estate tax refund on property and improvements	\$15,533	\$20,239			
	2015 real estate tax refund on property and improvements	\$11,776	\$15,370			
	One time grant for training center renovations and infrastructure	\$500,000	\$500,000			
2015	City loan for Lawrence Workforce Center renovations	\$143,295	\$143,295

Year	Assistance Type	City Amount	County Amount			
2016	Peaslee Center Operations	\$100,000	\$100,000			
2010	Waiver of IRB application fee	\$1,000				
	Total 2016	\$101,000	\$100,000			

### Affordable Housing Development

Cedarwood Sr. Cottages, 2525 Cedarwood Avenue In support of a 14-unit, senior living townhouse project, Tenants to Homeowners requested and received City assistance to cover a finance gap of up to \$101,975 for development of Cedarwood Senior Cottages. Assistance provided was for neighborhood infrastructure and

improvements, including adding sidewalks, making storm sewer improvements, adding fire hydrants, detention pond assistance, and rebates on service development installation fees.

The \$2.3 million project was under construction in 2015 and was completed at the end of 2016. The one and two bedroom cottages are rented at below fair market rent (\$545-\$795) to eligible seniors who make under 50%, 60% and 80% Median Family Income by household size. By the end of 2016, twelve seniors were able to call Cedarwood Senior Cottages home.

Along with affordable rents, energy efficient systems and smart technology that provides medication reminders and security features, these units have a community garden house, an interior walkway, easy access to conveniences, a telehealth kiosk that can take vitals, an Amazon Echo in each unit that controls a monitoring system, rain gardens and a plan for raised bed gardens to be installed next spring.

The below table is a summary of distribution totals (as of the December 31, 2016) for currently active, pay-as-you-go (PAYGO)<sup>1</sup> economic development programs.

Summary: Distributions by Year						
Incentive Program	2011 Tax Year	2012 Tax Year	2013 Tax Year	2014 Tax Year	2015 Tax Year	2016 Tax Year
Tax Abatement	\$66,248	\$184,224	\$159,464	\$181,318	\$149,197	\$147,035
NRA	\$12,515	\$11,982	\$38,975	\$65,090	\$68,955	\$110,304
TIF (property and sales tax)	\$626,882	\$515,284	\$480,458	\$460,457	\$524,971	\$788,562
TDD (sales tax)	\$156,334	\$196,516	\$182,282	\$182,177	\$231,312	\$278,695
Total	\$861,979	\$908,006	\$861,179	\$889,042	\$974,434	\$1,324,596
Source: City of Lawrence, Kansas						
Reimbursements Less TDD	\$705,644	\$711,490	\$678,896	\$706,865	\$743,122	\$1,045,901

Certain PAYGO programs have restrictions on the type of improvement expenses that are eligible for reimbursement. For example, the TDD program only allows reimbursements to be made on a project's transportation related improvements. (e.g. TDD eligible improvements can be related to a bridge, street, road, highway access road, interchange, intersection, signing, signalization, parking lot, bus stop, station, garage, terminal, hangar, shelter, rest area, dock, wharf, lake or river port, airport, railroad, light rail or other mass transit facility, streetscape or any other transportation related project or infrastructure including, utility relocation; sanitary and storm sewers and lift stations; drainage conduits, channels and levees; street light fixtures, connection and facilities; underground gas, water, heating and electrical services and connections located within or without the public right-of-way; sidewalks and pedestrian underpasses or overpasses; and water main and extensions.)

<sup>&</sup>lt;sup>1</sup> PAYGO programs require the property developer/owner to front expenses for project improvements. Once the project is completed and begins to generate new tax revenues, a portion of project-generated tax revenues is reimbursed back over a specified period of time, to the developer/owner to help offset the costs of improvements.

Data by year is further broken down by project and economic development program, as shown below:

<sup>&</sup>lt;sup>3</sup> The Downtown 2000 TIF does not pay out to private entities except for a ~\$28,085/year reimbursement that was authorized via agreement. This amount is captured in the above table under 901 New Hampshire Street.

<sup>&</sup>lt;sup>4</sup> Reimbursements were subject to a contractual dispute between the City and the developer, which was settled through a Settlement

Agreement and Mutual Release dated April 13, 2017. Refer to footnote 6 in Section 4, page 4-4 for additional details.

<sup>&</sup>lt;sup>5</sup> Represents reimbursement amount to property owner. Total 900 New Hampshire TIF revenues generated in 2016 from sales and property taxes was \$485,205. The City retains 5% for the Arts Common project, up to \$900,000.

<sup>7</sup> The City retains the first \$850,000 of TDD Revenue as contribution toward the City parking garage at 10th & New Hampshire. As of December 31, 2016, the City has retained the entire amount of distributed TDD tax revenue (2015 = \$21,622; 2016 = \$49,434; Total to Date = \$71,056).

2016 Annual Economic Development Report: Lawrence, Kansas

### **NRA Property Taxes**

Five (5) companies received NRA rebates in 2016 (720 E 9<sup>th</sup> Street, 1040 Vermont Street, 810/812 Pennsylvania Street/Cider Building, 900 Delaware Street, 9 Del Lofts, and 1106 Rhode Island Street), generating an average of 18.6% more real property tax revenues as compared to property tax revenues that would have been realized if the properties were left in original condition. Overall (for all years in which a NRA rebate was given), the five NRA revitalized properties generated an average of 12.8% more real property tax revenues as compared to property tax revenues that would have been realized if the properties were left in original condition.

Once the NRA expires, revenues realized by the taxing jurisdictions will be substantially greater than if the property had not been redeveloped. At that time, the incremental value resulting from NRA improvements will be fully on the tax rolls.

#### 2016 Annual Economic Development Report: Lawrence, Kansas

### 9th & New Hampshire South TIF and TDD Reimbursement Splits

	900 New Hampshire District (South Project)									
		Total F	Revenue	Revenue to City			Revenue to Owner			
	TDD Sales Tax	TIF Sales Tax	TIF Property Tax	Total	TDD Sales Tax	TIF Sales Tax	TIF Property Tax	TDD Sales Tax	TIF Sales Tax	TIF Property Tax
2015	\$21,622	\$53,459	\$23,879	\$98,961	\$21,622	\$2,673	\$1,194	\$0	\$50,786	\$22,685
2016	\$49,434	\$122,791	\$312,979	\$485,205	\$49,434	\$6,140	\$15,649	\$0	\$116,652	\$297,330
Total to Date	\$71,056	\$176,250	\$336,858	\$584,166	\$71,056	\$8,813	\$16,843	\$0	\$167,438	\$320,015

Total TDD sales tax distributed within the district was \$49,434 in 2016 (\$71,056 to-date). As per the South Area development agreement, the first \$850,000 of district TDD revenues will go toward paying back bonds for the 10<sup>th</sup> & New Hampshire parking garage. For 2016, the City received \$49,434 in TDD revenue and the owner received no TDD reimbursements.

Total TIF sales tax revenue distributed was \$122,291 (\$176,250 to-date) and total TIF property tax distributed was \$312,979 (\$336,859 to-date) in 2016. As per the South Area development agreement, the City retains five percent (5%) of the TIF revenue, up to \$900,000, to go toward a City "Arts Common" project.<sup>8</sup> The property owner gets ninety-five percent (95%) of the TIF revenue (to reimburse TIF project costs), which amounted to \$116,652 in TIF sales tax (\$167,438 to-date) and \$297,330 in TIF property tax (\$320,015 to-date) in 2016.

2016 Annual Economic Development Report: Lawrence, Kansas

<sup>&</sup>lt;sup>8</sup> As per the South Area Development Agreement, if "Art Common" project does not proceed within 60 months of the date of the filing of the Certificate of Substantial Completion, 5% TIF revenues will go toward reimbursement of the property owner's TIF project expenses. (Certificate filed December 31, 2014. City "Arts Common" project must proceed by December 31, 2019 for City to retain the 5% TIF revenues.)

### **Tax Abatement Amounts**

Three (3) Lawrence companies had active tax abatements in 2016: Amarr Garage Doors, Grandstand Sportswear and Glassware (Screen-It Graphics), and Sunlite Science & Technology. Since none of the three companies received a one hundred percent (100%) tax abatement, all of the abated property are currently generating some level of property taxes.<sup>9</sup>

2016 Tax Generation (on portion of property receiving an abatement)								
Company & Abatement %	Total Tax         Abated Tax         State Exemption 10           %         Potential         Amount         State Exemption 10		Taxes Paid (or to be paid) by Property Owner					
Amarr Garage Doors, Inc.

Grandstand/Screen-It Graphics								
Real (65%)	\$152,933	\$99,407	n/a	\$53,526				
Sunlite Science & Technology								
Real (50%)	\$42,356	\$21,178	n/a	\$21,178				
Total	\$341,955	\$147,035	\$83	\$194,837				

Source: Douglas County

<sup>9</sup> The amounts shown for real property values are only for the portion of real property that received the abatement and may not reflect values for the entire parcel.

<sup>10</sup> The state granted an additional exemption for personal property items listed that are valued for \$1,500 or less. This is not a part of the EDX exemption. The amount shown under "Abated Tax Amount" for Amarr Garage Door reflects the abated taxes attributable to the EDX. The amount under "Taxes Paid..." reflects the actual tax bill.

<sup>11</sup> Personal property amount may not reflect the percentage of abatement, as some personal property is not included in the exemption. The State of Kansas exempted commercial personal property purchased July 1, 2006 and after from taxation. However, personal property purchased prior to that date is still taxed at a depreciated rate. Each company is required to submit an annual claim for a personal property tax abatement, listing out the equipment, value and date purchased. The County then determines the amount of personal property exempted and taxes due.

The following table shows amounts abated by year.

Tax Abatements by Year (2005-2016)														
Company Abatement Start - Ord/Res #			Abated Tax Amounts										Cumulative Total (End of 2016)	
	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	or 2016)

Note: Above does not include personal property that became exempt by State in 2006.

### **Private-Public Investment**

The below table presents the amount of private and public investment made for the projects currently participating in the City's pay-as-you-go (PAYGO) economic development programs. It should be noted that private capital investment represents direct investments and does not include employment or income multiplier effects on the community. Additionally, these are active programs and do not cover projects with expired incentives.

Active Projects: Pay	Public Investment (Major ED Programs) <sup>12</sup>			
Active Projects	rojects Private Capital Incentive Investment (as of 12-2016) Years 2016 Annual Private Years		2016	
Tax Abatements*				
Amarr (Tax Abatement, 2005-2013)	\$9,700,000	10	\$970,000	\$26,450
Grandstand (Tax Abatement, 2011-2013) <sup>13</sup>	\$9,183,997	10	\$918,400	\$99,407
Sunlite (Tax Abatement, 2014-2023) <sup>14</sup>	\$1,158,155	10	\$115,816	\$21,178

\* Public investment is represented by tax abatement value.

### **IRB Sales Tax Exemption Savings**

Estimated sales tax exemption savings for IRB projects completed in 2016 was \$1,164,140. Of that total, the City contributed approximately \$275,086, the County contributed approximately \$46,779, and the State contributed approximately \$842,275. Note sales tax exemption savings are realized throughout project construction. <sup>28</sup>

<sup>28</sup> IRB sales tax exemption on new construction materials (& labor for remodeling projects) is part of a state-exemption program and tracked by the state. The state monitors compliance with this exemption, which is dependent on construction schedules.

<sup>29</sup> Materials expense is estimated at 50% of total project construction costs for new construction projects. The amount for the Peaslee Tech project reflects an estimated sales tax exemption on both labor and construction materials since it was a remodeling project. Project construction cost estimates provided by applicant/property owner.

### Matured or Non-Initiated Property Tax Abatements

Tax Abatement Projects					
Tax Abatement	Description	Description Location			
Menards <sup>1</sup>	50% on real property	Lawrence VenturePark	Approved 2016. Project currently on hold.		
PROSOCO	55% on personal and real property	3741 Greenway circle	Matured end of 2014		
Allen Press	50% on personal and real property	810 E 10th Street	Matured End of 2011		
Reuter Organ	50% on personal and real property	1220 Timberidge Road	Matured End of 2011		
DST Systems	100% existing personal property 50% new personal and	2000 Bluffs Drive	Matured End of 2011		
Berry Plastics <sup>2</sup>	90% real property		Approved 2006. Did not proceed.		
API Foils <sup>3</sup>	55% real property		Approved 2008. Did not proceed.		

<sup>1</sup> To assist Menards, a nationally known home-improvement retailer, in developing a manufacturing campus with multiple production facilities on a little over 90 acres at Lawrence VenturePark, the City authorized an assistance package in 2016 valued at a little over \$2.29 million. The package included a 10-year, 50% property tax abatement (\$1,256,270 est. value); City (\$549,350) and County (\$200,000) grants to assist with defraying partial special assessment expenses, and the former Farmland Industries bulk warehouse building located on the parcel site (appraised at \$285,963).

In exchange, Menards proposed a cash transaction to purchase the land at market value and pay the total of 10 years of special assessments at the time of purchase. Anticipated capital investment for real property improvements was valued at over \$15 million (including land and building), with an estimated 100 new, full-time, permanent positions to be created.

Due to national political concerns, Menards paused the VenturePark campus, along with several other projects located throughout the U.S. As of the end of 2016, the project had not yet proceeded.

<sup>2</sup> In 2006, the City approved a ninety percent (90%) real property tax abatement for Berry Plastics for a three stage expansion at their existing plant. At this stage, two of the three phases have been completed, but there has been no material change to Berry's real property value. Berry has therefore elected not to initiate this abatement yet.

<sup>3</sup> The City Commission approved a fifty-five percent (55%) real property tax abatement for API Foils in 2008. API Foils has not yet begun construction on this project.

### Matured or Non-Initiated IRBs

IRB Projects					
IRB	Description	Location	Status		
DST Systems, Inc: Series 2001	Acquisition & Renovation of Existing Office Building	2000 Bluffs Drive	Matured		
Neuvant House II*	Specialty Healthcare Facility	1216 Biltmore Drive	Matured		
9th & New Hampshire LLC: Series 2012 (South Project)*	Mixed Use Hotel (South Project)	900 New Hampshire Street	Matured		
PROSOCO, Inc: Series 1998A (\$5,800,000) & Series 1998B (\$2,240,000)	Manufacturing Facility	3461 Greenway Circle	Matured		
705 Massachusetts Street*	Eldridge Hotel Expansion	705 Massachusetts Street	Terminated by Applicant 2016		

\* = Stand-alone IRB used for a sales tax exemption on construction materials.

### Matured or Non-Initiated NRAs

NRA Projects					
NRA	Description	Location	Status		
705 Massachusetts Street NRA	Eldridge Hotel Expansion	705 Massachusetts Street	Terminated by Applicant 2016		
1001 Massachusetts Street NRA	Masonic Temple Redevelopment	1001 Massachusetts Street	Authorized in 2011. Did not proceed due to change in use.		

### Other Assistance: Matured, Terminated, or Non-Initiated

To assist Menards, a nationally known home-improvement retailer, in developing a manufacturing campus with multiple production facilities on a little over 90 acres at Lawrence VenturePark, the City authorized an assistance package in 2016 valued at a little over \$2.29 million. The package included a 10-year, 50% property tax abatement (\$1,256,270 est. value); City (\$549,350) and County (\$200,000) grants to assist with defraying partial special assessment expenses, and the former Farmland Industries bulk warehouse building located on the parcel site (appraised at \$285,963).

Menards Public Assistance Package				
Description	Value			
50% Tax Abatement, 10 Years	\$1,256,270			
City Grant (Total grant amount to be divided by 10 and paid in equal, annual installments over 10-year abatement period.)	\$549,350			
County Grant (Total grant amount to be divided by 10 and paid in equal, annual installments over 10-year abatement period.)	\$200,000			
City Bulk Warehouse	\$285,963			
Total package value:	\$2,291,583			

## Matured or Non-Initiated Projects

Other Projects					
Other	Other Description		Status		
Business Expansion	PROSOCO: Special Assessment Forgiveness <sup>4</sup>	3700 Greenway Circle	Completed 2015		
Employee Training Incentives	Argenta <sup>5</sup>	2029 Becker Drive	Terminated 2014		
	East Lawrence Historic Warehouse	Associated with Poehler Building	Phase I Completed in 2012 <sup>6</sup>		
Neighborhood Infrastructure		Associated with Cider Art Gallery Building	Phase II Completed in 2013 <sup>7</sup>		
		Associated with 9 Del Lofts	Phase III Completed in 2015 <sup>8</sup>		

<sup>&</sup>lt;sup>4</sup> To fully accommodate the PROSOCO's 2015 expansion, Douglas County donated the land at Lot F within East Hills Business Park. In conjunction with the land donation, the City Commission authorized forgiveness of special assessments in the amount of \$44,937.81 on the lot.

<sup>&</sup>lt;sup>5</sup> To support their operations in Lawrence, the City of Lawrence partnered with Douglas County to provide a job creation/employee training package totaling \$10,500, to be disbursed over a four year period. In 2012, the City and County each paid \$2,750 of the total to assist with up front expenses, providing support for 2012 and 2013. The company did not certify for 2014 or 2015 and no grant was given for either year.

<sup>&</sup>lt;sup>6</sup> First Phase improvements totaled \$1,051,577 and included: Providing adequate storm water services and improvements to enhance the watersheds ability to manage storm water runoff more effectively and efficiently; Replacing a 100-year old, inadequately sized waterline with the correct capacity line, completing the loop and upgrading to current design standards; Providing Complete Street aspects (e.g. pedestrian lighting, landscaping, sidewalks, and on-street parking).

<sup>&</sup>lt;sup>7</sup> Second Phase improvements total \$695,430 (plus \$22,432 of CID Special Assessments on the City-Owned Parking Lot) and included: 9th Street reconstruction & intersection improvements; Pennsylvania Street reconstruction; 8th Street & Pennsylvania Street parking; Utility and safety improvements.

<sup>&</sup>lt;sup>8</sup> Phase Three improvements total \$270,967 and included: Relocation and connection of sanitary sewer main, water line; Public street improvement plans; 9<sup>th</sup> Street drive extension and 10' public trail installation; Burying of area utility lines.

## **County Programs**

### **County Property Tax Abatement & Infrastructure Assistance**

Berry Plastics, a global manufacturer and marketer of plastic packaging products, is one of the largest private employers in Lawrence with 600 employed at its manufacturing facility located at 2330 Packer Road. In 2011, the company built a 600,000 square foot distribution center just outside of Lawrence at E. 700 Road in Lecompton Township to free up space at the manufacturing facility and consolidate storage operations to one location. The distribution center supports an additional 125 employees, as well as allows the company to continue to grow employment at the local manufacturing facility.

To assist with the establishment of the new distribution center, Douglas County authorized a 10-year, ninety percent (90%) property tax abatement, industrial revenue bond (IRB) financing of up to \$21 million, and contributed \$600,000 in for infrastructure improvements. The tax abatement started with the 2013 tax year and will expire with the 2022 tax year.

## **County Programs**

### **Douglas County E-Community**

Established in 2011 in cooperation with NetWork Kansas, the Douglas County E-Community is comprised of Douglas County, Baldwin City, the City of Eudora, and the City of Lecompton. The program aims to identify and develop resources to assist local entrepreneurs in starting or growing a business within the E-Community.

One of the resources offered by the program is a locally administered revolving loan fund used to provide gap financing to entrepreneurs within the E-Community. The first loan was made in 2012. As of 2016, the County had processed a total of eight (8) loans through the program.

	Douglas County E-Community Revolving Loan Program						
Recipient	Location	Loan Year	Business Description	Loan Amount	Loan Used For	Loan Status	
Wakarusa Brewing	Eudora	2016	Brewery	\$26,800	Purchase of equipment and capital improvements	Open	
Homestead Kitchen and Bakery, LLC	Baldwin City	2016	Bakery/café	\$8,000	Purchase of equipment and capital improvements	Open	
Indie Olive	Eudora	2014	Letterpress & Design Studio	\$25,000	Fund real estate acquisition and building improvements	Open	
Heartland Perma Column	Baldwin City	2013	Concreate Foundation Manufacturing	\$13,500	Purchase forklift and flatbed trailer	Paid off	
Aunt Netters	Lecompton	2013	Restaurant	\$25,000	Renovation of building to open café'	Open	
Amanda's Dance Academy	Eudora	2012	Dance Studio	\$7,000	Expansion into new location	Paid off	
Kansas Belle Dinner Train	Baldwin City	2012	Dinner Train	\$25,000	Relocation of business from Nebraska to Baldwin City.	Open	
The Lodge of Baldwin City	Baldwin City	2012	RV Park	\$25,000	Develop RV park	Open	

### **County Programs**

The following resources are also offered by NetWork Kansas through the E-Community program:

- Priority access to NetWork Kansas opportunities for youth entrepreneurship, networking, funding, high-powered technical assistance for second-stage businesses, and more;
- The opportunity to attend a statewide conference to participate in peer-to-peer discussion with other E-Communities focused on developing strong entrepreneurial environments;
- Materials and support for fostering the E-Community, including marketing materials, training opportunities, leadership team guidance, and more;
- Opportunities to engage with entrepreneurship experts for consulting including Kansas Entrepreneurial Communities Initiative (KECI) representatives and the national economic gardening team.

## **Supplemental Information**

#### Amarr Healthcare Benefits: (Letter dated 2-2-2017)

Amarr is a Self-Insured Company. Below is the breakdown of Medical Expenses – company vs employee.

One Medical Benefit that I have added to our cost is the Expense of having an onsite Medical Clinic available for all 3 shifts. This reduces the out of pocket expense for our team members in that they can make an appointment at the clinic for a variety of treatments at no expense to them. We provide blood draws, basic everyday treatments, and a wide array of treatments that you could get with a regular visit to a physician. This reduces the amount of time an employee has to miss work and sometimes gets employees to seek treatment where if they had to miss work – they may not.

When we add all of this together – the Company paid portion is 71% as you can see from the chart below.

Please let me know if you have further questions.

	2016	
Claims/Fees Paid Claims Reserved for Onsite Health Clinic Net Medical Expenses	3,915,702 504,412 137,595 4,557,709	
Total Employee Premiums Total Company Portion	1,303,164 3,254,545	29% 71% Company

Thank you

Nancy Kelley Mfg Controller / Director of Finance 785-312-6334

## **Supplemental Information**

February 10, 2017

Britt Crum-Cano, Economic Develop Coordinator City of Lawrence – City Manager's Office PO Box 708 Lawrence, Kansas 66044

RE: 2016 Annual Tax Abatement Report Questionnaire - Health Benefits Compliance Category

Dear Ms. Crum-Cano:

This letter is in response to your inquiry related to Grandstand's Employer Provided Health Care Coverage.

Grandstand's health insurance plan offers medical and dental benefits to all employees, who average thirty (30) or more hours per work week, and their dependents. Employees are eligible for health/dental insurance coverage on the first of the month following the successful completion of sixty (60) days of employment.

During the calendar year 2016, Grandstand paid 100% towards the health insurance premium for the employee only coverage.

If you have any further inquiries, please do not hesitate to contact me at 785-312-7009.

Sincerely,

Brandon Petz Chief Financial Officer

3840 Greenway Cir | Lawrence, KS 66046

Horizon 2020, the Comprehensive Plan for Lawrence and Douglas County, identifies three broad, economic development goals: employment growth, income growth, and tax base growth. Below shows economic data for the most recently available year that addresses those goals.

Information on other economic indicators is also included at the end of this section. Note the Lawrence MSA includes all of Douglas County.

### **Employment Growth**

Annual Labor Force, Employment and Unemployment <sup>1</sup> (Lawrence MSA)							
Period	Labor Force	Employed	Unemployed	Unemployment Rate			
2015	65,273	62,862	2,411	3.7%			
2014	64,740	62,080	2,660	4.1%			
2013	63,512	60,443	3,069	4.8%			
2012	63,425	60,164	3,261	5.1%			
2011	63,747	60,141	3,606	5.7%			
2010	64,379	60,574	3,805	5.9%			
2009	63,191	59,579	3,612	5.7%			
2008	61,712	59,114	2,598	4.2%			
2007	62,110	59,692	2,418	3.9%			
2006	62,560	60,180	2,380	3.8%			
2005	63,186	60,679	2,507	4.0%			

<sup>&</sup>lt;sup>1</sup> Source: Labor Market Information Services, Kansas Dept. of Labor in cooperation with BLS, U.S.Dept. of Labor. Annual, not seasonally adjusted Labor Force, Employment and Unemployment data for Lawrence, KS Metropolitan Statistical Area in Multiple Time Periods.

2015 job growth was up 1.3% compared to the previous year, and up 4.5% compared to five and 10 years ago (2011).

Employment Growth (Lawrence MSA)						
Period Change % Change						
1Y (2014-2015)	782	1.3%				
5Y (2011-2015)	2,721	4.5%				
10Y (2006-2015) 2,682 4.5%						

Unemployment has been on a downward trend, steadily declining since 2010. Unemployment dropped 0.40% in 2015 from the previous year, 2% over the past 5 years (since 2011), and minimally over the past 10 years (since 2006).

Unemployment Rate (Lawrence MSA)					
Period Absolute Change					
1Y (2014-2015)	-0.40%				
5Y (2011-2015)	-2.00%				
10Y (2006-2015)	-0.10%

### **Income Growth**

#### Personal Income:

Personal income of an area represents the income received by or on behalf of the persons

residing in that area.

Personal Income & Population <sup>3</sup> (Lawrence MSA)						
Period	Population <sup>4</sup>	Personal income (\$1000s) <sup>5</sup>	Per capita personal income <sup>6</sup>			
2015	118,053	\$4,567,016	\$38,686			
2014	116,463	\$4,301,339	\$36,933			
2013	114,651	\$4,214,096	\$36,756			
2012	113,255	\$4,148,437	\$36,629			
2011	112,415	\$4,090,616	\$36,388			
2010	111,242	\$4,024,786	\$36,180			
2009	110,039	\$4,068,522	\$36,974			
2008	109,010	\$4,062,188	\$37,264			
2007	107,892	\$3,937,391	\$36,494			
2006	107,187	\$3,900,775	\$36,392			

<sup>&</sup>lt;sup>3</sup> Source: Bureau of Economic Bureau of Economic Analysis, U.S. Department of Commerce, Table CA30 Economic Profile for Lawrence, KS (Metropolitan Statistical Area). Note: All dollar estimates are in 2015 inflation adjusted dollars, U.S. City Average, All Urban Consumers CPI.

<sup>&</sup>lt;sup>4</sup> Census Bureau midyear population estimates. Estimates for 2010-2015 reflect county population estimates available as of March 2016.

<sup>&</sup>lt;sup>5</sup> Income that persons receive in return for their provision of labor, land, and capital used in current production as well as other income, such as personal current transfer receipts. In the state and local personal income accounts the personal income of an area represents the income received by or on behalf of the persons residing in that area. It is calculated as the sum of wages and salaries, supplements to wages and salaries, proprietors' income with inventory valuation (IVA) and capital consumption adjustments (CCAdj), rental income of persons with capital consumption adjustment (CCAdj), personal dividend income, personal interest income, and personal current transfer receipts, less contributions for government social insurance plus the adjustment for residence.

<sup>&</sup>lt;sup>6</sup> Per capita personal income = Personal income divided by population.

Over a one year period (2014-2015), personal income grew 6.2% and per capital income increased 4.7%. Over a 5 year period (2011-2015) personal income grew 11.6% and per capital income increased 6.3%. Over a 10 year period (2006-2015) personal income grew 17.1% and per capital income increased 6.3%.

Earnings by place of work	5.8%	11.0%	11.2%			
Avg. earnings/job	4.2%	4.4%	7.5%			

#### Wage & Salary Employment:

Wage and salary employment, also referred to as wage and salary jobs, measures the average annual number of full-time and part-time jobs in each area by place of work. All jobs for which wages and salaries are paid are counted.

Wages & Salary <sup>11</sup> (Lawrence MSA)						
Period	Wage & salary employment <sup>12</sup>	Total wages and salaries <sup>13</sup>	Avg. wages & salaries/job <sup>14</sup>			
2015	55,130	\$1,975,250	\$35,829			
2014	54,448	\$1,896,349	\$34,829			
2013	53,127	\$1,851,807	\$34,856			
2012	51,978	\$1,814,014	\$34,900			
2011	52,117	\$1,804,972	\$34,633			
2010	52,745	\$1,846,664	\$35,011			
2009	53,804	\$1,894,746	\$35,216			
2008	54,356	\$1,871,338	\$34,427			
2007	55,589	\$1,895,474	\$34,098			
2006	55,418	\$1,890,581	\$34,115			

<sup>&</sup>lt;sup>11</sup>Source: Bureau of Economic Bureau of Economic Analysis, U.S. Department of Commerce, Tables CA30 Economic Profile for Lawrence, KS (Metropolitan Statistical Area). Note: All dollar estimates are in 2015 inflation adjusted dollars, U.S. City Average, All Urban Consumers CPI. <sup>12</sup> Wage and salary employment- Wage and salary employment, also referred to as wage and salary jobs, measures the average annual number of full-time and part-time jobs in each area by place of work. All jobs for which wages and salaries are paid are counted. Although compensation paid to jurors, expert legal witnesses, prisoners, and justices of the peace (for marriage fees), is counted in wages and salaries, these activities are not counted as jobs in wage and salary employment. Corporate directorships are counted as self-employment.

<sup>&</sup>lt;sup>13</sup> The remuneration receivable by employees (including corporate officers) from employers for the provision of labor services. Includes commissions, tips, and bonuses; employee gains from exercising stock options; and pay-in-kind. Judicial fees paid to jurors and witnesses are classified as wages and salaries. Measured before deductions, such as social security contributions, union dues, and voluntary employee contributions to defined contribution pension plans.

<sup>&</sup>lt;sup>14</sup> Average wages and salaries per job = Total wages and salaries/ Wage and salary employment.

Total wages and salaries for the Lawrence MSA increased 4.2% over a one year period (2014-2015) with average wages/salaries per job increasing 2.9%. Over a 5 year period (2011-2015), total wages and salaries increased 9.4% with average wages/salaries per job increasing 3.5%. Over a 10 year period (2006-2015), total wages and salaries increased 4.5%, with average wages/salaries per job increasing 5.0%.

Wage & Salary Change

Wage & salary employment	1.3%	5.8%	-0.5%				
Total wages and salaries	4.2%	9.4%	4.5%				
Avg. wages & salaries/job	2.9%	3.5%	5.0%				

### Tax Base Growth

To lighten taxes on home owners, the County assigns a higher assessed value to commercial/industrial property (25% of appraised value) compared to residential property (11.5% of appraised value). While the City welcomes residential development, the use of local incentives is focused on growing the tax base by focusing on commercial and industrial sectors.

The below table shows the annual percentage of commercial/industrial assessed valuation to total for Lawrence and other neighboring communities.

Commercial Real Estate Assessed Valuation (shown as percent of total)							
	2013	2014	2015	2016	2017		
Lawrence	29.81%	29.82%	30.04%	30.31%	30.63%		
Lenexa	48.83%	47.73%	48.12%	49.00%	47.70%		
Manhattan	25.90%	26.10%	26.00%	25.40%	25.50%
