### How did the travel apply to the job?

Learned strategies on developing trust within an organization and how to motivate to better the organization. Attained a better understanding regarding the radicalization process for domestic and foreign-born extremists.

### How training added value to the City

Identified strategies to develop a culture of trust, and how to motivate with your heart to better the organization. Regarding public safety I gained a better understanding of the radical ideology that exists in the Middle East and its nexus to terrorism and how it affects our country and community.
