Purpose of Travel			
Operational - KSIAAI Fire Investigator Class			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
This travel applies to my job by allowing me to attend a regional fire investigator class that will help certify me as a fire investigator for Lawrence-Douglas County Fire Medical Department. This class will add value to the City of Lawrence by increasing the number of fire investigators tasked with determining origin and cause of structural fires.
