| Purpose of Travel <div style="text-align: center;">- Command and Control of Incident operations</div> | | | |
| How does this travel apply to your job? How will this add value to the City of Lawrence? Course Description: "In this 6-day course, fire officers are introduced to the Incident Command System (ICS) and they study proper command techniques for control and extinguishment of fires ranging from small, residential structures to multioccupancy, commercial complexes." This course will improve my knowledge and skill set with utilizing the ICS system and managing different types of incidents. This course covers many topics that are pertinent to my current status, and it will also help with my growth for the future. | | | |
