| Educational - Shooting Incident Reconstruction | | | |
| How does this travel apply to your job? How will this add value to the City of Lawrence? | | | |
| <p>I have not had any formal training in Shooting Incident Reconstruction. This course would be beneficial for me to attend as this would be a new skill I could testify to in court cases. It is also an important skill to have because gun related cases/crimes are very common in today's crimes. This course will likely add invaluable resources for the department and will aid in the success of many investigations.</p> | | | |
