Educational - Educational - Innovate			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>Innovate is a great training opportunity for City Works. City Works is the new asset management system the City of Lawrence is switching to from Lucity. The trainings will allow better understanding of the everyday use and technical use of City Works. The training will be a good opportunity to learn special functions of the software to be able to train staff on how to use it once implemented within the City of Lawrence.</p>

Purpose of Travel			
Educational - Cityworks Innovate Conference			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>This Cityworks user conference is an educational user conference which allows staff to attend educational user sessions to learn about how the software is configured and used. This is great for networking with other users and support staff of the software, as well as 3rd party vendors who support integrations with Cityworks and ESRI software products.</p>
