How does this travel apply to your job? How will this add value to the City of Lawrence? Attending the Medical Directors Conference is an opportunity to continue to learn about the most current evidence based medicine related to pre-hospital care delivery. The opportunity to network with physicians and like-minded clinical providers from not only national agencies but those from abroad is an opportunity obtained at this conference.

How does this travel apply to your job? How will this add value to the City of Lawrence?			
The City of Lawrence laboratory is certified under the NELAC TNI standard. As a Water Quality Lab Tech, this training will help me to better understand the certifying body for the lab as well as staying abreast of updates to the standard for the future. Valuable training gained from this event will be shared with Lab Tech's and well as management staff.
