Operational - WasteExpo 2023			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>This is my first national conference on solid waste. This will provide me an opportunity to meet and network with other professionals in the solid waste industry. The conference allow me to see other solutions to the smarttruck technology that we will be piloting this year. It will allow me to learn what other providers are doing in htis areas and what new solutions are on the horizon.</p>
