Purpose of Travel			
Educational - Harris Customer Training Conference			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
I want to take advantage of the industry experience available at HCTC to increase my technical know-how, leverage best practices from industry peers and influence the products and solution offerings we use. This event will provide me with the opportunity to network with peers from other utilities. I'll be able to explore products and services to help our organization maximize its software investment and will gain new tips and tricks to bring back to our organization that will help increase productivity and efficiency.
