Educational - MAGIC GIS Consortium				
How does this travel apply to your job? How will this add value to the City of Lawrence?				
<p>The Mid-America GIS Consortium is a symposium held every 2 years which brings in several GIS users from multiple states. This event should be a good opportunity to further my knowledge in this field and learn new ways of applying said knowledge in my current position. The \$125 Experience Builder course should be useful in learning the ins and outs of the software to help me to design and create better web apps and dashboards in the future</p>

How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>The MAGIC GIS Consortium is a regional GIS/Geospatial conference held every 2 years. It consists of several GIS users across multiple states. The conference is a good educational and networking event for the region. This year, I am teaching a 1/2 day seminar on GIS in the afternoon of 4/15. The conference attendance and teaching session are part of my GISP upkeep requirements. Because I taught a workshop, my Registration Fee was reduced.</p>

Purpose of Travel			
Educational - MidAmerica GIS Consortium (MAGIC) Symposium			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
This bi-annual symposium brings together GIS professionals from 9 Midwestern states for three days of learning and networking opportunities. Meeting colleagues who do my job for other agencies gives me the opportunity to learn new methods and get project ideas that can benefit the City upon my return. I can also meet with many GIS-related vendors to learn more about their products and services without setting up multiple sales calls and meetings during normal work hours.
