How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>The annual WEFTECH Conference is an excellent opportunity to learn about new developments in the water and wastewater industry, as well as recent advances in equipment and controls. The conference also provides updates on regulations and offers a chance to network with peers, share successes, and discuss solutions to the many challenges in our industry. Additionally, there will be a presentation on the first 5 years of operation at the Wakarusa WWTP, and it would be beneficial for our group to have representation at this event.</p>
