Media Release-Update 810 Wellington Rd.

Structure Fire

For Immediate Release: Wednesday, April 26, 2017

Media Release

LAWRENCE, KS – The cause of the fire that occurred on Tuesday, April 25, 2017 at 810 Wellington Rd. was classified as accidental due to combustible materials too close to a heating source.

Damages are estimated at \$150,000.

The Lawrence-Douglas County Fire Medical department would like to remind everyone to preplan an escape route in their homes and ensure smoke detectors are operable.
