

Moving this Summer?

Donate & Recycle Unwanted...

Clothing & Household Items, Electronics, Non-Perishable Food, Cleaning Supplies & Paint

May and July are peak months for moving out of apartments and homes in Lawrence. Moving can create a lot of waste and a little planning goes a long way toward reducing the amount of waste your move produces.

Please help our community keep reusable goods out of the landfill!

Residential Moving Tips

Got Cardboard?

Use the city-sponsored drop-off bins for large quantities of cardboard boxes. Search our directory to find nearest location to you.

Bulky Item Pickup

Schedule a pickup for bulky items no longer usable (carpet, tires, appliances) by completing the form on our website or calling 832-3032.

Safe Disposal of Household Hazardous Waste (paint, cleaners, pesticides, and more)

Call 832-3030 to schedule a drop-off appointment.

Recyclable Materials Directory

Search for local donation, reuse, and recycling options.

To search the directory, visit: LawrenceRecycles.org

When moving, do not take the city trash and recycling carts with you. Carts belong to the address delivered.

Donation Pick-up: Some larger items may be acceptable for pick-up.

Schedule a pick-up by calling Habitat Restore (856-6920) or Salvation Army (856-1115).

Buy/Sell Reusable Goods: Thrift and consignment stores, garage sales, Craigslist, Freecycle.

Full list and more information available at LawrenceRecycles.org.

Landlords and Property Managers:

Contact 832-3030 for more information and flyers to provide your tenants who are moving out. Save on your trash bill!
