

# New City ordinance adds protections for housing vouchers and immigration status

As of June 1, 2023, new provisions within the Lawrence City Code prohibit discrimination in housing on the basis of a person's source of income or immigration status, and provide protections to persons who are survivors of domestic violence, sexual assault, human trafficking, or stalking. The new provisions also prohibit discrimination based on immigration status in public accommodation.

**For more information on the new provisions, please visit:**
