

PROGRAM CLOSED

To all staff,

Following the [initial communication](#) and enrollment period, the City's Childcare / Day Camp Program still has some slots available for children of city employees. We've lifted the application deadline and extended it indefinitely. If you think you can use this service, now is the time to act! You can fill out and submit [the application form](#) online.

City Management has deemed this a high-priority program, one designed to enhance productivity and provide the highest level of support for city employees, our "everyday heroes". Let the City help you and your family during this time to #RiseLawrence and continue providing excellent service to the community! Your participation in this program is highly encouraged.

We have made great efforts to ensure a safe environment for every child. Special activities have been designed around keeping children safe, active, and busy during their time in the program. Some of the activities include, but are not limited to: art/crafts, games, computer lab time, outdoor activities (chalking), scavenger hunts, dance parties, and much more!

Have questions or concerns?
