20	I would use it more but it is so crowded it is no fun. I am retired, but I have lived in Lawrence since 72. Our family used to go regularly. It's way to crowded to enjoy anymore. I'm a homeowner and have paid personal property taxes since 77. Please stop wasting money on unnecessary expenses. If you really wanted this to be a community pool, then build a separate one for daycare centers during a certain time of day, and then open it for public. You need to lower the cost, too.	4/18/2024 11:13 AM

40	A place to gather outdoors with friends where there are no mosquitos!	5/1/2024 8:49 AM
41	I love the peaceful sound of water, the summer atmosphere, and the expanse of the space. Meaning that, the width of the pool (especially including the zero depth area) is designed as a very broad clamshell shape, and the patio areas around it are also broad to wrap around that area (without much constructed in the way to take up that patio space) So, just like a beach it feels very open and peaceful. I do think the pool would benefit from maintaining this pool-to-patio ratio if it expands to take up a larger area. As is, all the chairs and lounging space are easily filled by the public when it's busy and can be hard to find a spot. I love swimming, but I would say laying out next to the pool at the Outdoor Center is just as enjoyable and beneficial as actually being in the water, so shouldn't be underestimated/forgotten about in renovations :) it is, after all, the biggest difference between the Indoor and Outdoor center! Not just the ability to swim, but to enjoy the outdoors in a controlled environment. There are times when I've visited just to be there and de-stress in the sun by the water, without even swimming and still loved the visit.	5/1/2024 8:48 AM

114	That it is outdoors. What I don't like is that it is downtown. An outdoor pool on the west side of town should be considered before 6.1 million dollars are put into renovations for the existing pool. Overcrowding at the downtown pool is also concerning. Oftentimes the pool is so full it is virtually standing room only. Another pool, built on the west side of town, would alleviate over crowding concerns. Downtown parking is also far from ideal. Parking has been, and always will be a problem downtown.	4/23/2024 12:07 PM

799	I personally think that the Outdoor Aquatic center does NOT need a major overhaul. I think money would be better used to fix the things that have to be fixed, and then spend other money on opening up a new facility in a different part of town to cut down on overcrowding. Lawrence is a massive and growing city. We need to be acting on that by building additional facility.	4/14/2024 9:14 AM

878	The different areas/ levels for different aged children- the zero entry, and slides for bigger kids	4/13/2024 6:52 AM
879	I love the morning lap lane hours. I'm one of the people who came at 10:00 every morning to swim laps before the kids get there. Then, I go home, and take my kid there when the main gate opens in the afternoon.	4/13/2024 6:47 AM

885	Zero entry	4/12/2024 11:58 PM
886	I love that it is downtown, in walking/biking distance from my home. I love having adult lap swim time in the morning before it is open to the public and wish it had a few more lanes available for this purpose. I also enjoy being able to relax on the deck after swimming laps and read a book to cool down after exercising. Again, I really appreciate having time to enjoy the pool before it's open to the public. I am a teacher so having this space available during the summers for exercise and enjoyment, free of crowds, is my priority. I don't have young children anymore but I loved being able to have swimming lessons and the open public swim time in the afternoon for my son as a summer pastime that was so close to home.	4/12/2024 11:28 PM

As a senior citizen/grandmother, I'd appreciate steps into the pool for easier entrance and exit rather than the ladders. 71	I know the integration of shallow water for kids into the larger pool is a current trend, but I liked it when there was a separate infant/toddler pool. Then when a baby pooped they didn't have to close the whole pool. I also miss the deeper lap lanes from the previous pool, but that's minor.	4/20/2024 1:26 PM

265	Operating Hours - The pool closes too soon in the evenings, especially for parents commuting home from KC or Topeka.	4/15/2024 12:17 PM
266	Another slide would be nice	4/15/2024 11:39 AM
267	Would be great to have a lazy river, a kids play structure with slides, take a lesson from the Gardner pool and follow that design.	4/15/2024 11:21 AM
268	It would be great if there were more lanes for lap swimming during open hours, and if there were more lifeguards available to have team practice there more during the summer. We NEED the long course practice and we aren't allowed to use indoor for LC.	4/15/2024 11:01 AM
269	swimming lanes should be more secluded so they aren't in the middle of the pool.	4/15/2024 11:01 AM
270	Lazy river needed! Bathrooms are rough/hot- need circulation if not air conditioning, also need more shade structures	4/15/2024 10:57 AM
271	Price is high	4/15/2024 8:04 AM
272	Lower (or free) admission for kids and higher pay and longer hours of operation for lifeguards!	4/15/2024 7:48 AM
273	Fully staff it so the slides are open	4/15/2024 7:28 AM
274	Bigger pool or another pool	4/14/2024 10:33 PM
275	Long course lanes. Same for LIAC - need long course for part of each day from April through July	4/14/2024 7:18 PM
276	Please add a lazy river, More water slides, and a better kids section	4/14/2024 6:25 PM
277	More lay back chairs!	4/14/2024 4:31 PM
278	Later hours for adults	4/14/2024 2:50 PM
279	Better chair and lounging areas with shade.	4/14/2024 2:25 PM

281	Lazy river, toilet bowl slide	4/14/2024 2:00 PM
282	more chairs for all to use; more shady spaces; restaurant	4/14/2024 1:35 PM
283	More swimming lessons, more lounge chairs/cabanas	4/14/2024 1:22 PM
284	Staff that is paid enough to care more thus making it a more safe facility; the restrooms are abhorrent- people urinate in the sinks frequently	4/14/2024 12:52 PM
285	Affordable for lower income families..	4/14/2024 9:34 AM
286	I personally think that the Outdoor Aquatic center does NOT need a major overhaul. I think money would be better used to fix the things that have to be fixed, and then spend other money on opening up a new facility in a different part of town to cut down on overcrowding. Lawrence is a massive and growing city. We need to be acting on that by building additional facility.	4/14/2024 9:14 AM
287	Bigger, more shade, more diving boards,	4/13/2024 10:55 PM
288	Lazy river and more slides	4/13/2024 10:47 PM

295	M	4/13/2024 5:35 PM
296	How about maintaining a normal season and normal hours. We paid a lot for this pool when it was renovated. It's hardly available for use at this point.	4/13/2024 5:01 PM
297	Hours and length of season	4/13/2024 4:34 PM
298	More space for chairs. Lazy river.	4/13/2024 4:34 PM
299	Hours and length of time open. It needs to stay open until Labor Day weekend	4/13/2024 4:03 PM
300	More lap lanes	4/13/2024 3:59 PM
301	be open earlier	4/13/2024 3:29 PM
302	More time for club swimmers	4/13/2024 3:25 PM
303	The zero-depth pool should really be on a separate filtration system that the main part of the pool. Most bio-accidents happen in that area and it forces the entire pool to be closed when it happens. Perhaps a "splash park" type feature could be offered on the Northwest side and have those tied together? It creates a bit of an issue with wheelchair access to be separated. Also, the early closing times are a real detriment. We are unable to get to the pool during the weekday when the pool closes earlier.	4/13/2024 2:46 PM
304	Another pool for the city.	4/13/2024 2:17 PM
305	The hours need to be extended, daily and c the season should be extended also. It's too small for our city	4/13/2024 1:52 PM

309	Expanded grassy areas for laying on towels between swim sessions.	4/13/2024 12:01 PM
310	Need hours extended for lane swimming and exercise to include very early morning. Not fair that swim clubs take precedence	4/13/2024 11:57 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

311	We need a lazy river and more swimming classes for kids on the East side of Lawrence	4/13/2024 11:44 AM
312	Capacity. Sometimes it's too crowded and I don't like to take my kids at peak times	4/13/2024 10:55 AM
313	More diving boards the lines are too long.	4/13/2024 10:39 AM
314	I wish it opened earlier and stayed open later (during the day AND earlier in May and later into September - the weather is still so hot!). I wish it were a little less crowded and scheduling for boys and girls club could be at a different time than right in the middle of the afternoon. I wish there was more green space to lay down our towels...with trees for some shade options!	4/13/2024 10:05 AM
315	Staffing and open dates. It's open for such a short amount of time and closes during the hottest part of the summer. We also need more features like a lazy river, better slides, etc	4/13/2024 9:57 AM
316	A lazy river like the Gardner Edgerton public pool	4/13/2024 9:12 AM
317	More stuff for kids to do	4/13/2024 9:06 AM
318	It is not reasonably priced for a significant portion of the population who benefits from a safe activity	4/13/2024 8:44 AM
319	The hours need to be extended and it needs to become a place where kids WANT to work and get paid well so that it can open earlier and stay open later.	4/13/2024 8:19 AM
320	It's TOO CROWDED	4/13/2024 7:47 AM
321	Longer hours, open more days/months	4/13/2024 7:33 AM
322	It is too crowded. We need another city pool in another location.	4/13/2024 7:31 AM
323	There should really be another pool. There should also be affordable options for summer passes; the cost is way more expensive than other city pool.	4/13/2024 7:27 AM
324	More room to lounge.	4/13/2024 7:23 AM
325	More hours + lanes for swimming laps	4/13/2024 7:07 AM
326	more swimming lessons available. Free lessons for those low income. Many of USD 497s students are on free lunch, and they need an extremely low cost or no cost place to learn how to swim as a basic need	4/13/2024 7:06 AM
327	More lanes for dedicated lap swimming. Last summer when they did away with the morning lap swim time, there were only a few lap lanes, and they were constantly full. My preference would be to commit to the morning "lap swim only" hours (with the WHOLE pool laned), but, if it's open to the entire public all the time, then you need many more lap lanes.	4/13/2024 6:47 AM
328	More grassy areas to lounge, lazy river, extended season + hours	4/13/2024 6:38 AM
329	More accessibility for entering the pool for those that have difficulty using the ladders	4/13/2024 5:43 AM
330	Bathrooms	4/13/2024 4:57 AM
331	Swim lessons	4/12/2024 11:58 PM
332	Space! Too crowded, not enough seating, not enough control by staff	4/12/2024 11:58 PM
333	Updated restrooms	4/12/2024 11:28 PM
334	cleanliness	4/12/2024 11:09 PM
335	It could be open more hours during the summer, not having parks and Rec classes all morning	4/12/2024 10:42 PM
336	It would really nice to have a lazy river, more slides for littles and kids ages 4-7 who can't quite swim independently yet. The seating could be much better and a nicer snack bar. Id love to see a splash pad area or a shallow area with a fun apparatus like splash cove in OP	4/12/2024 10:05 PM
337	I'd love to see more water obstacles near the slides rather than just the lily pads.	4/12/2024 10:04 PM
338	Limited laps for swimming. But the worst thing is the locker rooms.	4/12/2024 9:52 PM
339	Potentially looking at chlorine levels & cleanliness (but not pushing those jobs to the lifeguards). Public safety awareness and checking for understanding prior to entering the facility	4/12/2024 9:48 PM

341	Having another pool in town instead of renovating	4/12/2024 9:28 PM
342	SO MUCH! More loungers, WAY better snack bar with healthy food options. Make it MORE affordable! The admission fee and the snack bar!! Bring back family passes.	4/12/2024 9:05 PM
343	Hours — I would love more lap times	4/12/2024 9:03 PM

346	PRICE LOWERED!!!!	4/12/2024 8:25 PM
347	The bathrooms need more privacy like all stalls even on showers and we need a bigger pool with more equipment and activities for kids and an adult area only	4/12/2024 8:13 PM
348	So busy. Lawrence needs another pool.	4/12/2024 8:12 PM
349	Need a pool on west side of town	4/12/2024 8:04 PM
350	A bigger party room to fit about 40 people.	4/12/2024 6:38 PM
351	Those buckets in the kids area really just make a big part not usable. Few kids might stand there for a bucket drop but it's primarily unused space.	4/12/2024 6:27 PM
352	It is too crowded & almost always dirty. But mostly its way too pricey	4/12/2024 6:19 PM
353	Open more days and hours	4/12/2024 5:49 PM
354	Another water slide or two. More diving boards as well. Maybe a room to reserve for special parties.	4/12/2024 5:48 PM
355	Should be more like Gardner pool! There is no reason a town this big should have such a basic pool. Need easier access at the front.. maybe a computer that scans an online pass.. takes forever to just get in the gate. A lazy river would be nice.	4/12/2024 5:46 PM
356	More lap lanes, updated lane lines that stay in. More mornings and longer season	4/12/2024 5:36 PM
357	OUTDOOR AQUA FITNESS CLASSES, AM adults only lap swim	4/12/2024 5:34 PM

359	Dedicated lap pool	4/12/2024 5:21 PM
360	Locker rooms, more seating, better concessions, fix the stuff in the kids area, more lifeguards, bigger, more parking	4/12/2024 4:15 PM
361	I actually think it's a good balance now.	4/12/2024 1:08 PM
362	Affordability (lower rate for Lawrence residents? A summer family pass?), Longer hours open	4/11/2024 6:05 PM
363	It feels very crowded during peak times. Also better oversight on behavior issues from lifeguards.	4/11/2024 12:34 PM
364	the masters team to be treated better with more ideal prices for time allowed to swim	4/11/2024 7:50 AM
365	Make lane swimming fees the same as recreational swimming	4/10/2024 4:15 PM
366	Cleaner water; too much hair in it and dirt on the bottom.	4/10/2024 4:11 PM
367	Longer hours and season	4/10/2024 3:09 PM
368	We need a lazy river!	4/10/2024 2:20 PM
369	hours. the hours are ridiculous. they need to be longer and therefore more accommodating to families and not just the local daycares that come over. Lifeguard shortage? advertise. being a lifeguard is most high school kid's dream, especially swimmers.	4/10/2024 1:43 PM

381	A 5 meter diving platform would be a major improvement to the diving well	4/9/2024 10:02 AM

386	Being open to the public in the morning, I don't always want to take my kids when it's so hot in the mid afternoon. It also doesn't feel safe- too many teenagers without supervision. It would be nice to have a lazy river.	4/7/2024 10:14 AM
387	Setting aside more time for "adult swim" (or maybe even coming up with some programming specifically for adults) could be nice.	4/7/2024 1:41 AM
388	Changing rooms really need improvements. I water walk and it would be nice if there was a consistent 4 foot to 4 foot 4 inch depth to walk like at the indoor pool.	4/6/2024 11:00 PM

404	Really would love a shade over a small, swimmable area. Some folks have sun issues, skin cancer, fair skin and it's on the rise so a little shade in some small area (while swimming) might be cool. Or a retractable one!	4/5/2024 3:06 PM
405	A deep end to swim in	4/5/2024 3:02 PM

35	If it had a more streamlined view and easy way to Manage multiple small children at once. This pool doesn't feel safe so I usually go to different cities to swim	4/25/2024 9:42 PM
36	We need a second aquatic park in West Lawrence. The one downtown is now surrounded by homeless people that just harass patrons. I'm scared to take my kids downtown most days let alone use the pool. The population out west would easily support another pool	4/23/2024 12:22 PM

57	Away to get away from kids, food trucks, adult only night with alcohol, better hours and longer season	4/19/2024 11:19 AM
58	I used to take my kids to the LOAC but all the kids clubs would bring groups of kids to swim and leave them unattended and I would be left attending to all of their kids because the chaperones were busy flirting with each other. Then the kids would have money to buy nachos and other junk food and then puke in the pool because they were not attended to properly to make good choices. I feel like we spent more time out of the pool than in the pool because they were having to clean it. Then once we got back in the pool, there'd still be puke in the	4/19/2024 10:46 AM

corners. That's when we stopped going. If kids club kids were properly attended to or had special hours that might help. Maybe limit junk food or have the clubs require kids to sit out of the pool for at least 30 minutes after snacks so they would not puke in the pool? A lazy river would be AWESOME.

59	Longer hours, better supervision of young people, more options	4/19/2024 10:40 AM
60	More stuff	4/19/2024 7:55 AM
61	If it was cheaper, or if there were more times where it wasn't overrun with children. It gets so crowded at times that it's not my cup of tea.	4/19/2024 7:49 AM
62	More amenities	4/19/2024 7:43 AM
63	Another pool on the west side of town. It's always way too crowded. We need 2 public pools with a town this large and supposedly "family oriented."	4/19/2024 7:08 AM
64	A splash pad area / shallow water play area for toddlers and younger kids.	4/19/2024 6:27 AM
65	Separate lap swimming lanes	4/19/2024 4:59 AM
66	Better parking, lazy river	4/19/2024 3:08 AM
67	For activities for kids to do. More shade.	4/18/2024 11:42 PM
68	Longer hours and cheaper entry	4/18/2024 10:55 PM
69	More lap swimming, and more fun features	4/18/2024 10:37 PM
70	I would love to use this facility but the hours of operation are ridiculously limited. I dont understand the rationale for renovations if it is never staffed and not open full time to the community.	4/18/2024 10:31 PM
71	Family friendly/not outrageously priced.	4/18/2024 9:37 PM
72	Not Adult friendly, awful parking, pricing is awful.	4/18/2024 9:36 PM
73	Adults-only pool	4/18/2024 9:16 PM
74	Better things for adults, better prices	4/18/2024 9:14 PM
75	More options for adults only	4/18/2024 9:11 PM
76	Longer season, more hours that actually work for kids	4/18/2024 8:56 PM
77	Nothing, it's a money trap for only 2 months of the year.	4/18/2024 8:56 PM
78	A lazy river would be great!	4/18/2024 8:38 PM
79	A bigger facility with more space and fun play areas.	4/18/2024 8:29 PM
80	Staff to run the pool, so you don't have close early. Maybe more for the south east side of town, a pool would be nice, better parking, more seating. As an older citizen sitting on the ground is not appropriate, carrying my chair is difficult. Oh well, I guess getting older you become more aware of things.	4/18/2024 8:11 PM
81	If the pool was open for a longer period of the year and had more package options.	4/18/2024 7:50 PM
82	Lazy river	4/18/2024 7:20 PM
83	Better hours, more amenities for adults.	4/18/2024 7:19 PM
84	Cleanliness, enough seating for families, areas the kids could play that isn't for toddlers, lazy river	4/18/2024 7:13 PM
85	You to not charge as much as a movie ticket to get in way too expensive for what it is.	4/18/2024 6:24 PM
86	Having more adult time	4/18/2024 6:20 PM
87	too hard to find parking when I used to go. Maybe that's changed.	4/18/2024 6:10 PM
88	They haven't done any improvements in many many years . I will use it if I'll see improvement that benefits people of all ages without raising prices .	4/18/2024 5:56 PM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

89	More amenities	4/18/2024 5:12 PM
90	I would use it if parking was directly adjacent to the pool and there were more adults only areas.	4/18/2024 4:51 PM
91	When we visit used to live in Lawrence for 28 years kids all six spent hours everyday at the pools	4/18/2024 3:57 PM
92	More toddler and elementary kid friendly features. Safe environment with teenage and middle schoolers present such as young kid only areas. I have 3 young kids and I am nervous to take them to the pool mostly due to rambunctious older kids and feeling there isn't a truly safe area to keep my young kids. Sprinklers and water features would be very attractive to families like ours.	4/18/2024 3:49 PM
93	Didn't know it existed. Live in Topeka but looks really nice	4/18/2024 3:33 PM
94	Accessibility for use with younger children	4/18/2024 2:48 PM
95	More play equipment and easier access	4/18/2024 2:00 PM
96	Less Kids	4/18/2024 1:59 PM
97	idk	4/18/2024 1:44 PM
98	Updated features, more shaded areas, less open water and more interactive features- slides, spray park features, lazy river.	4/18/2024 1:39 PM
99	More adult only space	4/18/2024 1:30 PM
100	Lazy river	4/18/2024 1:09 PM
101	It is very overcrowded and not enough space for people.	4/18/2024 1:01 PM
102	Better organized layout so there is greater safety and supervision for all children.	4/18/2024 11:53 AM
103	Lazy river	4/18/2024 11:49 AM
104	Something that resembles the aquatic centers in Topeka.	4/18/2024 11:41 AM
105	It would be nice to have "senior" hours one evening a week.	4/18/2024 11:26 AM
106	Parking! The only parking options are horrendous in the summer and I don't trust the lack of safety in the parking garage when it comes to my children. They don't even go to the library anymore due to the people and crime in the area	4/18/2024 11:15 AM
107	More toddler friendly areas	4/18/2024 11:13 AM
108	More fun options like a lazy river, wave pool.	4/18/2024 10:46 AM
109	Some sort of adult swim, or time/date where children aren't allowed to swim/attend	4/18/2024 10:30 AM
110	Less crowding	4/18/2024 10:29 AM
111	Lazy river	4/18/2024 10:24 AM
112	Open longer, slides that accommodate littles also. We go to Jayhawk club bc my small kids can use the slide. It's hard to tell a 5 year old they aren't big enough to do the fun thing. Splash pad is boring to him	4/18/2024 10:04 AM
113	A much larger facility or 2 different ones so it isn't crowded.	4/18/2024 9:59 AM
114	The knowledge that it's safe.	4/18/2024 9:56 AM
115	We are newer to town so we look forward to using it in the future.	4/18/2024 9:53 AM
116	More parking and more things to do especially for young children	4/18/2024 9:47 AM
117	Toddler area, nighttime swimming as I am very allergic to the sun.	4/18/2024 9:30 AM
118	Areas for young children and toddlers	4/18/2024 9:28 AM
119	Adult based features	4/18/2024 9:26 AM
120	More convenient hours, including evenings and extended weekend hours	4/18/2024 9:26 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

121	Parking is the major issue since the parking garage was out in. I feel there also needs to be better seating around the pool. Info came I would be bringing a group of 6 preschool aged children.	4/18/2024 9:20 AM
122	Larger pool with lazy river.	4/18/2024 9:15 AM
123	Features that justify the cost. We have a pool at home, so it would have to be events, attractions or otherwise that would draw us in.	4/18/2024 9:12 AM
124	We haven't used it because we didn't know about it, having recently moved here. So perhaps more advertising?	4/18/2024 9:03 AM
125	Less crowded	4/18/2024 9:02 AM
126	Opening earlier	4/18/2024 8:59 AM
127	More young children activities and swimming classes and more family center and fun additions	4/18/2024 8:58 AM
128	more amenities that I'd use	4/18/2024 8:57 AM
129	Well, not to be a hotbed for the homeless and across the street from a parking garage known for stabbings and muggings for one.	4/18/2024 8:49 AM
130	If it wasn't so crowded	4/18/2024 8:45 AM
131	Adult zone, lazy river	4/18/2024 8:43 AM
132	Open earlier and offer times without boys and girls club	4/18/2024 8:43 AM
133	I have young toddlers, there is not enough play options for small children.	4/18/2024 8:23 AM
134	Better attractions like a lazy river for the adults to enjoy	4/18/2024 8:21 AM
135	Hours are too limited, making it too crowded. Season is too short...needs to be open til Labor Day. Facility improvement would be appreciated.	4/18/2024 8:20 AM
136	I now have a child and now a homeowner in Lawrence so it would be more likely that we would use it now	4/18/2024 8:14 AM
137	Adult friendly options. Quiet hours, adults only.	4/18/2024 8:10 AM
138	Yes	4/18/2024 8:08 AM
139	More features and less violence/chaos.	4/18/2024 7:58 AM
140	More hours of operation. Updated and kid friendly attractions for 3-5 year olds. More seating & chairs.	4/18/2024 7:44 AM
141	Improved price, features and hours	4/18/2024 12:41 AM
142	More kid friendly attractions and easy parking	4/17/2024 11:12 PM
143	More kid friendly. Better parking.	4/17/2024 10:58 PM
144	Earlier hours of operation for my young child. I appreciate that the pool is used for lessons and BGC, but a 1:00 start every day is inconvenient	4/17/2024 10:14 PM
145	More hours, lazy river	4/17/2024 9:55 PM
146	Have a younger child and would like to start using it	4/17/2024 9:50 PM
147	Better security, better location, renovations to kid areas	4/17/2024 9:26 PM
148	Morning accessibility- I can't take my toddler when it's 100° & packed. Salt water pool instead of chlorine.	4/17/2024 9:26 PM
149	Nothing the community can responsibly afford. We don't need to spend 6 million dollars on renovations for a service for 3 months of the years requiring staffing we cannot meet.	4/15/2024 6:00 PM
150	A time for adults to use it without kids around	4/15/2024 1:13 PM
151	Open earlier in the day/ adult only hours or pool	4/15/2024 12:35 PM
152	Possibly	4/15/2024 6:52 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

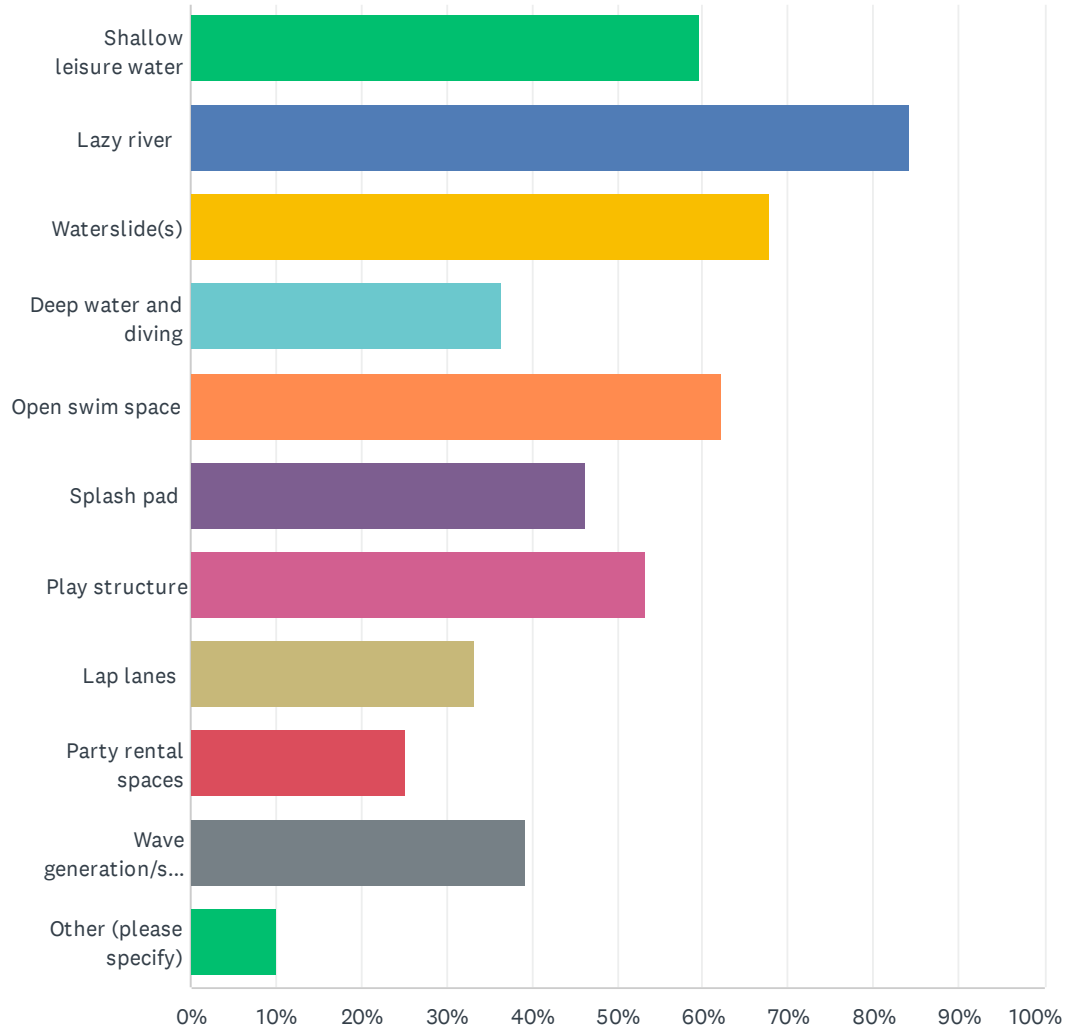

153	I would use it if it wasn't busy	4/14/2024 6:25 PM
154	More options for young children, space - it is always so crowded, more options for enjoyment	4/14/2024 3:25 PM
155	During the summer I take my family (wife and two kids) to aquatic centers outside of town at least three times a month. We'd like to see full renovations including high diving boards, large variety of slides for children and adults, a lazy river, splash pad, wave pool, plus lots of trees, green space, shade. Affordability and long hours of operation would also help justify the trip downtown. Unless the aquatic center exceeds the quality of those other options, we'll continue to travel away from Lawrence.	4/13/2024 8:40 PM
156	Make it More family accessible for littles, needs to be bigger, far too packed most days to enjoy	4/13/2024 6:49 PM
157	It needs to be bigger. It is packed to the brim anytime it's warm enough to use. A lazy river too.	4/13/2024 3:39 PM
158	Longer hours and longer season. More water park style features. Better food options. Published schedule of when large groups will be there so crowded times could be avoided.	4/13/2024 2:11 PM
159	I would love a community adults only pool option/area.	4/13/2024 1:59 PM
160	It is too crowded. I'm nervous to take children there because there are so many people and it doesn't seem safe.	4/13/2024 12:56 PM
161	It's always so crowded, if it felt less crowded we would use it often.	4/13/2024 12:50 PM
162	Repair current one and build new one at Rock Chalk Park. Better roads, better parking, better access. Topeka has at least three pool complexes way better than here.	4/13/2024 9:43 AM
163	Lower admission price, I pay HIGH taxes in Lawrence, believe I shouldn't have to pay these high rates to take my Gkids to the pool. So we stay home, they play in the sprinkler for 10-15 minutes till they decide they have had enough. If Gpa took them to the pool, I'm sure they would talk "him" into ice cream, ect. I would be spending the "same amount" of money as I would now for fees, I guess it's just the principle of it. So we don't even give it a second thought.	4/13/2024 9:14 AM
164	Additional times when it is not extremely overcrowded	4/13/2024 9:10 AM
165	Larger pool, areas for less crowding, entrance ease, and with areas for smaller children	4/13/2024 7:52 AM
166	clean changing rooms. currently they are disgusting. Time set aside for lap swimming especially when indoor pool is closed for cleaning.	4/13/2024 5:55 AM
167	Moved here a year ago and didn't know it was there. Will be very happy to use this Summer	4/13/2024 3:47 AM
168	If it was cheaper	4/13/2024 1:57 AM
169	Cheaper admission. Open for a longer season.	4/13/2024 12:13 AM
170	A lazy river, a daily use pooch plunge area, a swim up bar for adults. A splash area/jungle gym play area with water guns, buckets that collect and dump water. Tall waterslides. Basically a mini Waterpark.	4/12/2024 10:26 PM
171	I would use the aquatic center if there were less people there. Rather than renovate this center I'd prefer the city build a second center so the entire city doesn't have to go to one pool.	4/12/2024 9:48 PM
172	Lazy river feature, lower admission/pool pass prices	4/12/2024 7:46 PM
173	Not much.	4/12/2024 7:04 PM
174	Less expensive ticket prices	4/12/2024 6:43 PM
175	Lower cost, safer environment	4/12/2024 6:25 PM
176	I have small children and would absolutely love to take them to the pool! It is so crowded that it is often difficult to even find a spot (even on grass) to set out stuff. I'd love a much bigger pool or better yet, multiple pools in the area. I grew up in Johnson county and there are example at Tomahawk and in Prairie Village of setups of multiple pools on one campus. Having more space would definitely help us come back to the pool.	4/12/2024 6:16 PM

177	Adding a lazy river. Maybe an adult only zone.	4/12/2024 5:32 PM
178	More space for adults open swim.	4/12/2024 5:22 PM
179	Better hours. More shaded areas	4/10/2024 2:18 PM
180	Larger.	4/10/2024 2:09 PM
181	lower admittance cost	4/10/2024 8:50 AM
182	I don't know; Maybe a pet-friendly area? I'm not a water-person. But I love having it as an amenity for the community.	4/10/2024 8:33 AM
183	Times for adults only.	4/8/2024 4:05 PM
184	More clarity on desired users or offering after hours/kid free programming. I assumed it was a kids only space.	4/8/2024 2:24 PM
185	I am not a pool person but my family uses it.	4/8/2024 9:45 AM
186	No.	4/7/2024 7:42 AM
187	More things to do and more space. A lazy river would be sweet.	4/7/2024 6:09 AM
188	It is not big enough for the number of users	4/6/2024 11:33 PM
189	Better hours, longer season	4/6/2024 7:35 PM
190	Unknown	4/6/2024 2:15 PM
191	More security, more supervision of youth, fewer transients	4/6/2024 1:14 PM
192	I have used the outdoor pool since the 1980's but I stopped after 2021. The pool has become a giant daycare center that is poorly run. The various groups of kids use the pool for a toilet on almost a daily basis. There are roving groups of children just looking for trouble and the staff doesn't seem to care. The staff, including lifeguards, seem to wish they were somewhere else and act accordingly. The season has been shrunk year by year. There is no one keeping order in the lines waiting admission. There is just an atmosphere of anarchy. The last day of the season in 2021 I was almost hit in the head by a skateboard and I was on a lounge chair by the diving well. None of the staff would address the issue. That is why I haven't been back. Fix these problems and extend the season back to the Memorial Day to Labor Day calendar and I might give it another shot.	4/6/2024 12:15 PM
193	Lowered property taxes.	4/6/2024 8:46 AM
194	I used to use the pool until lap lanes were shut down and not allowed anymore. The lap lanes are not kept clear when the pool is open to kids.	4/6/2024 7:48 AM
195	More available seating	4/6/2024 6:54 AM
196	Nothing	4/5/2024 4:31 PM
197	Installation of a Lazy River walk.	4/5/2024 3:52 PM
198	More time for adult swimming	4/5/2024 2:12 PM
199	It should have a longer open season - at least through mid September on weekends	4/4/2024 7:24 PM
200	More reasonable prices	4/4/2024 5:01 PM
201	sensory friendly hours/days and/or morning hours when the volume of people and noise is less. More shaded areas would be good.	4/4/2024 1:51 PM
202	Used it when my children were very young. Grandkids visiting this summer. We plan on using it then.	4/4/2024 1:38 PM
203	Lazy river, New location away from downtown with less traffic	4/4/2024 1:35 PM

43	I feel like the public pool should be able to be used by all. All the things I selected above can happen and you can also build it in a way to host outdoor swim meets. Look at Gage park pool in Topeka. You just don't leave the lane lines and stuff up all the time. Look at cities around us.	4/19/2024 7:11 AM

#	RESPONSES	DATE
1	Nothing comes to mind right now	5/1/2024 10:19 PM
2	Enlarge the whole center's campus to include the variety of water activities for a range of ages; make the locker/shower rooms MUCH better; level the pool depth/floor (it dips, rises, and changes; increase the number of lanes for swimming AND walking laps; make the main pool more accessible (there is no rail in the zero/shallow depth area to get to the rail and walkway in the three to four-foot depth main pool)	5/1/2024 9:09 PM
3	Please consider keeping admission at a reasonable rate.	5/1/2024 8:14 PM
4	The pool gets really crowded in the summer since it's the only public outdoor pool in town. Ideally the renovation would add more water space so visitors aren't so crowded together.	5/1/2024 8:12 PM
5	Please keep the safe closed gating around the pool. This is a great feature for parents with kids who have autism or other special needs who tend to elope easily.	5/1/2024 7:48 PM
6	An adults only section or adults only nights would be awesome	5/1/2024 6:50 PM
7	We honestly have gone to the Eudora pool more often in recent years. Even though it's not as fancy, it's less crowded and easy to park. These things make it much more relaxing.	5/1/2024 6:30 PM
8	I think it should stay open onto September. Last year it seemed like it was not open long enough.	5/1/2024 5:38 PM
9	We love the Aquatic Center and lap swimming there. Mainly would like to see the locker rooms and showers improved and having the pool open later in the summer.	5/1/2024 4:15 PM
10	Increase lap swim access, separate from leisure/walking. Improve comfort and pay for water safety staff, better interaction/engagement between staff & public, more "fun" & humor in loudspeaker users! This should be a place of exciting and fun community shared space. Introducing various aquatic experiences	5/1/2024 2:33 PM
11	We should be able to bring our own food in a cooler to the aquatic center. Why you ask? People need to be able to eat and drink something while at the pool. It's a basic necessity; and there are no healthy options concessions. It's allowed at other water park -- they just don't allow glass bottles (for obvious reasons).	5/1/2024 1:46 PM
12	I think having a large hot tub and a large sauna would be wonderful, especially for evening or adult hours. Maybe have byo or concession adult beverages during evening/after dark hours.	5/1/2024 12:46 PM
13	Stay open later, make more laps lanes available, improve locker rooms.	5/1/2024 12:38 PM
14	If there continues to be a covered area with tables like it has now (which you pretty much walk through as you come into the center) it would be great to split this into several smaller areas. It tends to be dominated by teens and rather loud. Keep a space for them, but create a couple of others, too. And the covered table area always feels a little dirty/sketchy (not related to the teens). Just doesn't feel like a nice space to hang out in.	5/1/2024 12:21 PM
15	Love the pool! Just hope it will stay affordable for all families. Nothing like a pool in the summer when you are a kid!	5/1/2024 12:07 PM
16	I wish there was even more lap-swimming only time because half the time I try to swim during regular hours the pool has to be evacuated for a "contamination issue." This discourages my use of the pool after work.	5/1/2024 11:41 AM
17	More lounge chairs/shaded areas	5/1/2024 11:35 AM

19	The dressing rooms need improving! The showers are awful	5/1/2024 10:11 AM
20	Water aerobics	5/1/2024 9:51 AM
21	If it's going to be 60 dollars minimum, maybe make it worth the money. It's over priced, there isn't enough seating. The food options are outdated. The cost of a membership is ridiculous.	5/1/2024 9:30 AM
22	If you cannot adequately staff/monitor a lazy river, PLEASE do not install one. I don't think I have ever been to a lazy river that has actually allowed me to relax and be lazy due to the number of kids wrestling and running. I have kids and understand that is is a fun place to do those things, but for adults that are trying to relax and enjoy it, it's quite frustrating being bumped into constantly.	5/1/2024 9:27 AM
23	Extend the timings and season	5/1/2024 9:18 AM
24	I think it would be extremely cool if the city was informed of the final ideas/choices for the renovation, and allowed to submit their own renovation designs and concepts to the city; not necessarily for use of course, but just for consideration/food for thought by the contracted team while they work, so that the team can see what Lawrence envisions when they think of the 'new' Outdoor Center. For example, if the Renovation Project decides on 'sunbathing' amenities, a 'lazy river' feature, and a 'sport' program, then with that information, what do the artists, designers, creatives, and families/citizens of Lawrence personally envision it could/should look like? And allowing them to submit their thoughts and ideas, for inspiration, just like the survey feedback :)	5/1/2024 9:08 AM

30	thank you	5/1/2024 8:30 AM
31	I fully support this renovation. A great outdoor aquatic center will be used by the whole community.	4/30/2024 7:42 PM
32	Can you put in more slides please.	4/30/2024 7:42 PM
33	Is it even needed? Reasons for such a major expense have not been shared with the community. I'm not opposed but I'm not in favor of this project without justification.	4/30/2024 4:08 PM
34	As a lap swimmer, I would like expanded hours for lap swimming and better locker room facilities. Given the configuration of the pool, I understand how it would be difficult to expand lap swimming hours. Thus, I would like to see a dedicated lap swimming pool, even if just a few lanes.	4/30/2024 4:04 PM
35	Smaller neighborhood pools or splash pads would be great	4/30/2024 3:52 PM
36	make sure it is affordable for families at all income levels	4/30/2024 3:33 PM
37	N/a	4/30/2024 3:13 PM
38	Mostly I think it needs to be open longer hours for a longer season. Explore Wednesday afternoon usage during the school yr. Open end of April or being of May and stay open through all of August. It'd be nice to find ways to get more use out of it as it only operates for a few months each yr.	4/30/2024 2:41 PM
39	It would be nice if there was an area where parents could work while their kids played. Whether that be a covered area away from the "splash zone" or an indoor space with tables/chairs. It would be nice if the lap swimming was not in the middle of the open space area for the kids. I've seen the lap swimmers get made at kids from crossing perpendicular to the lanes. It would be nice to pay the lifeguards a little more to try and help with the shortage there always seems to be.	4/30/2024 1:53 PM

43	It hasn't been 30 years, I moved here 30 years ago and I remember the renovations. The City is spending money like an unending faucet. Get grants and public donations and stop using your property owners as funding for everything.	4/30/2024 10:34 AM
44	Make the toddler/baby area connected to the splash pad or connected to the adult area.	4/30/2024 10:25 AM
45	So excited to see what the city comes up with I've lived here my whole life I imagine this upgrade will be great!	4/30/2024 10:15 AM
46	City really needs to look into a separate pool on the south side of town since that is where the city will be growing next	4/30/2024 10:07 AM
47	Let taxpayers use the facilities and keep out violent, out of town transients.	4/30/2024 9:29 AM
48	We need a second pool elsewhere in town.	4/30/2024 9:05 AM
49	We would really love to see extended hours.	4/30/2024 9:03 AM
50	UV-C water treatment instead of chemicals	4/30/2024 8:59 AM
51	I don't know if there is away to extend the season a bit. I know that it is difficult to hire staff, but even an extra week on either end of the regular season would be nice.	4/30/2024 8:54 AM
52	I think we need to be smart with our tax payers money. We are already be taxed out.	4/30/2024 8:50 AM
53	You need to focus on families. What would make people stay in Lawrence for aquatic recreation versus driving to a neighboring community.	4/29/2024 9:09 PM
54	Waste of tax payer money for something only open two months.	4/29/2024 7:24 PM
55	Douglas county discounts, better rates for families, more things for kids. Majority of people who go are families and kids. Mirror gardner aquatic center.	4/29/2024 4:37 PM
56	It would be nice to have another indoor aquatic center in town. ?maybe with a retractable roof for outdoor use in the summer time.	4/29/2024 3:33 PM
57	I think a lazy river would draw a lot of people to the pool.	4/29/2024 3:21 PM
58	Avoid too many slides. In the end, kids just want to swim and go off diving boards. Separate toddler area so the pool doesn't have to be shut down.	4/29/2024 3:12 PM
59	Starting blocks to hold swim meets. The city of Lawrence is missing out on easy revenue by not being able to host meets	4/29/2024 2:58 PM
60	If funds are available, possibly expanding the footprint of the aquatic pool area to encompass the entire block (making use of the green space to the north).	4/27/2024 5:41 PM
61	It would be nice if there were some times on weekdays where it was filled to the brim with day camps.	4/26/2024 9:48 AM
62	Utilize the school district swim classes to certify lifeguards..also contact KU to see if they could certify lifeguards to increase the number of lifeguards to be able to keep the pool open for a longer season and evening events	4/25/2024 11:06 PM
63	More seating	4/25/2024 10:23 PM
64	Please look at centers like Gardner, Black Bob Bay, North Topeka. It's great to try something new but it would be even better to have something like that in our own community!	4/25/2024 10:19 PM
65	The cost is much higher than surrounding cities already. How much will it increase!?	4/25/2024 9:44 PM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

68	Allotting 6.1 million dollars to the downtown pool seems short sighted. Two pools would alleviate overcrowding and parking nightmares and likely encourage community members who literally avoid going downtown to enjoy a pool on the west side of town.	4/23/2024 12:16 PM
69	I love the pool.	4/23/2024 12:06 PM

80	Bring back the summer splash pass. It's expensive to go to the pool. There are a lot of families really struggling and it shouldn't cost 30\$ to have an a food swimming.	4/22/2024 3:43 PM
81	Night swim once a week for adults only.	4/22/2024 3:42 PM
82	Add lazy river without removing trees and plants and add more!!!!	4/22/2024 3:26 PM
83	I understand that these projects aren't free and that's why the price keeps increasing each year. However it's become too expensive for low income families. Maybe a reduced fee for families on SNAP benefits like the LPRD does for sports/classes/programs.	4/22/2024 3:22 PM
84	Days when different age groups can swim. Adults High school Jr. High 3-5 grade K-2 grade Babies- pre- school.	4/22/2024 3:22 PM
85	Night time swim- smart. PARENTS ONLY SWIM TIMES NIGHTS. HIGH SCHOOL SWIM DAYS. BOYS AND GIRLS CLUB ONLY SWIM TIMES.	4/22/2024 3:12 PM
86	Night swim would be super smart, teen swim day, New mothers swim day, 8-11 years swim times, Jr. High swim, high school only swim time.	4/22/2024 3:08 PM
87	Large features are expensive to maintain and repair - sticking to universally appealing simpler features like shade, slides and ground sprays will be better over the long term.	4/22/2024 10:01 AM
88	Lazy river!	4/22/2024 7:29 AM
89	Maybe age restricted areas for teens vs younger kids. Free sunscreen would be amazing if there is a grant for something like that the city could get.	4/22/2024 12:15 AM
90	Not allowing the pool to be over run with unsupervised kids from park programs. Kids misbehave because adults out of pool chatting with other supervisors	4/21/2024 10:13 PM
91	Will the pool have to be closed to do this and if so will it be during summer months? Adding an option on the west side, aside from the indoor aquatic center, would be nice. Pool admission is already very expensive for families. We miss the cheaper swim nights and being able to use the South Park wading pool (after my kids were all over age 6). Families need an affordable option, please explore family passes. Honestly my family could buy a family pass to the Eudora pool, spend the gas money the 5-6 times to have the pass pay for itself and it still be cheaper than swimming at the Lawrence pool the same number of times.	4/21/2024 8:20 PM
92	Not enough seating, chairs, shade, activities for smaller children, etc. I want to be able to feel safe enjoying my time in the water as my children do. The water is always very very cold, too cold. Also, LAZY RIVER.	4/21/2024 4:00 PM

104	We appreciate the pool so much, just haven't been able to use it much since we moved here recently but hope to do so this summer. Would love more swim lesson options for babies on up!	4/20/2024 6:39 PM
105	N/A	4/20/2024 3:59 PM
106	Currently the pool is too kid/family focused. The pool needs to be open more and have more staff. The concessions are very lack luster.	4/20/2024 3:11 PM
107	Another thought - would it be in the budget to have a second pool rather than renovate the first? It gets very crowded at the current pool.	4/20/2024 2:08 PM
108	I'm not sure where a lazy river would go if the basic footprint remains the same. Many people seem to like this feature. Of course I'd like longer hours and season, lifeguards permitted, than we've had in past few years.	4/20/2024 1:30 PM
109	I don't think we should be spending money on this when we can't maintain our sidewalks.	4/20/2024 1:07 PM
110	Dedicated baby/toddler area for safety. The hardest part of taking toddlers/babies to the pool is keeping them safe and barriers to keep deep water separated from shallow water would be appreciated.	4/20/2024 12:52 PM
111	I feel like this is the primary source of entertainment for many Lawrence young families. If we want to encourage families to stay in Lawrence, we need to make it more family friendly.	4/20/2024 10:48 AM

116	Stay open later, have regular night swims. Overbrook does a Thursday night swim from 8 to 10. I drive there from Lawrence. Open longer in the summer and stay open until labor day, or at least do after school or evening hours.	4/20/2024 8:59 AM
117	Please keep the family-friendly features! Whats great about the existing pool is that there is something for every age/swimming level. It would be great to keep that same approach but just expanding some of the options for the middle to older swimmers, as what's there now for the toddlers is perfect. We love the Gardner pool, and they let you reserve it before/after pool opens for parties, too, which is great.	4/20/2024 8:54 AM

128	Love the idea of dedicated toddler swim times. Very overwhelming during regular busy hours with littles!	4/19/2024 10:03 PM
129	We need to renovate Family Restrooms #1 and #2 at the Indoor Aquatic Center to make it more useful for handicapped and also for parents with smaller kids. There needs to be more railings and also a "2-level" shower that can be switched from overhead (as they are now) to a handheld like in Family Room #3. (Check out the Matt Ross Center / Overland Park facility). I know this is about the Outdoor Aquatic Center, but please save some of your money to renovate this aspect of the Indoor Center... only one handicap room and so many older people going -- only one fold down seat (and the plastic seats are too low and if you "screw out the legs to make the higher, they are unsafe... I fell from one ones as they legs just buckled. There could be folddown seats in Family Room #1 and #2, just like in #3. And when I wait for room #3 and ask the person exiting why they used the handicap restroom, if it is a parent with children he/she inevitably tells me that they young children feel like they are going to drown with the larger/higher overhead showers. Sorry... please save a few thousand to renovate those Indoor Aquatic Center Family changing rooms, and also when you upgrade this outdoor facility, please think about the "double shower" (wall and handheld in the same fixture) I'm suggesting here. Thank you for all you are doing... these are both good facilities... but they can both be better... and you are asking how.	4/19/2024 9:34 PM
130	Pricing currently seems high for quality and space and what has historically been a space for families has moved to harder to afford for medium sized families.	4/19/2024 9:22 PM
131	I understand the need to renovate the current aquatic center, but parking is ridiculous over, there are always far too many people, and we do not like driving downtown.	4/19/2024 2:35 PM
132	I love the idea of toddler and baby swim hours. That would be great!	4/19/2024 2:28 PM
133	The annual cost of membership has doubled since I began swimming. Will the renovations raise the cost even further? I would also like to see hours go back to how they were before covid. The outdoor center is a popular place for morning lap swimmers in the summer, and the 5-6 lanes available make very poor use of the total size of the pool. This could be improved.	4/19/2024 1:40 PM
134	Swim teams could use the indoor aquatic center exclusively because that facility has more parking for meets. The outdoor center should be exclusively for recreation, encourage walkers or bike riders to reduce downtown traffic.	4/19/2024 12:27 PM
135	Thank you for the polling opportunity. You won't be able to please everybody but I look forward to what the facility will look like.	4/19/2024 12:21 PM
136	Please make sure you are doing this in a way to not increase admission costs, we would come more to the pool if it were cheaper. I cannot afford to spend \$30-40/ trip to the pool for a family of 4-5. Or consider a more affordable Family pass. The punch cards help.	4/19/2024 12:12 PM

142	I understand the need for a family-centered space, but that makes me spend money seeking other options. I would visit the pool in the summer when I was in high school but the kids were annoying. And now as a 34-year-old, the pool is not a space where I feel welcomed because I didn't have kids. I want there to be a time that is quieter and more adult-friendly. This time should accommodate working adults but not take away from kid time. I love the idea of lights - I would be excited to see adults swim on a weeknight from 7-10pm. Especially if you bring in a guest food truck and allow limited alcohol. Like, even if it was a ticket situation to ensure people have 1-2 drinks.	4/19/2024 11:25 AM
143	The older kids that were there were trashing the place constantly, yelling, cussing, etc. That is a lot to deal with and I don't know what the answer is. It definitely was an issue.	4/19/2024 11:14 AM
144	There needs to be More inclusive things for toddlers and small children and those with disabilities.	4/19/2024 11:10 AM
145	Again, the only reason we stopped going was because of the sheer number of unattended children eating and puking in the pool. If there's a snack time, there should be a wait time. I don't know how you manage this except to work with these kids club chaperones and train them. They could have a set schedule. Snacks before and after their time at the pool maybe? And if they have snacks at the pool, they have to sit out for 30 minutes. If I pay to be at the pool, I'd rather be IN the pool than have to sit out all of the time. That was YEARS ago though and I'm not sure if things have changed since we went. We have our own pool now, but it isn't as fun as a public pool with all the different amenities.	4/19/2024 10:54 AM
146	The family pass fees are astronomical! We moved here from Lenexa, where I could get a family pass that covered all 4 of us for \$150 for the summer season. Over \$300 pp is just not feasible. I would ask for a seasonal family pass fee that is achievable to pay.	4/19/2024 10:48 AM

149	We have a large population in Lawrence and the current pool always feels too crowded so I would like to see spaces that help manage flow of patrons. Either way I think the pool is just not substantial enough in its current state. I do want to see a lot of kid play structures, better bathrooms/locker room, and good security measures consider its location downtown.	4/19/2024 10:29 AM
150	More play features for younger children. More space for children.	4/19/2024 10:23 AM

For instance, may be open from 7 to 9 exclusively for senior citizens in the morning and then 9 to 5 be open for everybody, and then 5 to 9 PM be open for 18+, this would allow children to have the vast majority of the day, but those of us who aren't parents and don't want to spend our whole day dealing with people at the pool the opportunity to have free time to swim	4/19/2024 7:53 AM

246	I'm concerned about how much such renovations would cost tax payers. We already can barely afford our homes, food and other everyday living expenses. The amount of tax payer money that is just thrown at the wind in this town is astounding. While my family does enjoy the use of the outdoor aquatic center, I feel tax payer dollars can go to better use (and that does not mean to supporting transients - I also do not agree with that).	4/18/2024 2:30 PM

249	I would love for the pool to be staffed enough to be open in the morning. I also don't like how open the changing rooms are, with the diaper changing station right at the doorway. Many families with young children would like more family friendly places.	4/18/2024 2:11 PM

254	A pool or two in other parts of the city. This one gets crowded	4/18/2024 1:45 PM
255	The facilities we currently have are underutilized because of hours and staffing-- it would be sad to have that be true of a major upgrade	4/18/2024 1:41 PM
256	keep it mostly the same and it would still be great. use extra money to pay higher lifeguard salary, keep entry fees low	4/18/2024 1:39 PM

258	I would like to see it completed, start to finish, during the non operational season. I would hate to go a summer without a pool. I would like to see it open the whole season (June, July and August) and hours extended with the renovation, especially if we get night swim lighting. Can any of the money go to hiring more lifeguards, or increasing pay so this can be accomplished? A lazy river is my top pick for new amenities.	4/18/2024 1:38 PM

Water features or play structure with slides for smaller children would be what I would really like to see. It would also be great to see affordable options for families to purchase tickets or membership.	4/18/2024 10:27 AM
304	These "improvements" won't mean much unless the public pool remains affordable for families. Also, accessibility is very important. People of all ability levels should be able to enjoy the pool.	4/18/2024 10:27 AM
305	Having enough space for people to not be overcrowded is huge and special times for toddlers allowed for parents and young kids to really spend time getting comfortable in the water without fear of older kids making it more dangerous (even if it's usually not intentional)	4/18/2024 10:23 AM
306	Adult late swimming hours would be awesome!	4/18/2024 10:22 AM
307	No i do not	4/18/2024 10:13 AM
308	We need to update our pool sp that the cost accurately represents the options. Right now we are one of the most expensive options with the least to offer	4/18/2024 10:07 AM
309	Why is this where money is spent. We don't need a total redo. Just upgrade some things	4/18/2024 10:07 AM
310	Have a sunbathing area in shallow water to avoid overheating!	4/18/2024 10:02 AM
311	Opening hours being longer, costs are too high for too few things offered	4/18/2024 9:56 AM
312	I think this would be a great improvement!	4/18/2024 9:56 AM
313	More shade structures are needed! Use every available inch of your space to help mitigate crowding.	4/18/2024 9:53 AM
314	Hopefully this year at opening day they have a complete SEPERATE LINE for those purchasing the annual swim pass. I spent 2 hrs in line last year and by the time we got into the park it was closed due to the weather. There needs to be better management in place also. The concessions area needs to be expanded and redone as well as the entrance to the park. I worked at the pool all throughout high school and college and it hasn't changed only one person taking card payments. It's NOT ENOUGH, kids shouldn't have to stand in line for such a long time to get into the pool!	4/18/2024 9:47 AM

316	Need more than 1 pool for this town	4/18/2024 9:46 AM
317	Boys and Girls club currently uses the outdoor aquatic center during the summer. I'd hate for this to no longer be a good fit for them. Also they currently outsource swim lessons to Lawrence Swim School. How great would it be if the county could provide these swim lessons at the pool?	4/18/2024 9:45 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

318	It needs to be bigger! It's so crowded now.	4/18/2024 9:43 AM
319	Having decent concessions is nice. Real food.	4/18/2024 9:41 AM
320	As a trans man locker rooms are a big no for me. So more single stall family style rooms, also more adult swims maybe in the evenings as there are so many kids in the pool it makes swimming impossible	4/18/2024 9:40 AM
321	Please keep the transients out. That population is making our downtown unsafe and the pool absolutely must remain a safe space for children, families, and citizens like myself who want to spend as much time as possible near water in the summer.	4/18/2024 9:39 AM
322	Lazy river would be awesome. More shade. Better concessions. More chairs, sunbathing area. An adult area would be great, I'm happy kids can enjoy our pool but it's very annoying to go without kids.	4/18/2024 9:38 AM
323	More kid friendly spaces. <7	4/18/2024 9:36 AM
324	Toddler/child safe areas, it hasn't been renovated since I was a child and I am 30 years old. We'd love to use it with my kiddos!	4/18/2024 9:32 AM
325	Look, the city pool is exactly that, a city amenity. We don't rent out the library or close a park for birthday parties or private events. That becomes a privileged use of a public space. If the city could focus on hiring specific task-oriented staff to interact with visitors, provide friendly supervision in a walk-about manner and leave the lifeguards to supervise pool safety, then I think potential school gang conflict can be averted before anything escalates. This means hiring high school athletes at an attractive and competitive hourly wage (~\$25/hr) and keeping them focused on group activities for kids, including treasure hunts, group games (i.e. charades/twister/water balloon tetherball) that would be staged every week, or every other day to draw specific interest and attendance for these crowd volunteer activities. We don't need bigger-better-louder-faster-whatever machinery or devices... just a more involved and motivated staff to interact with the public. Thank you for your consideration.	4/18/2024 9:30 AM
326	Good to see this happening. Only concerns revolve around security and safety for everyone involved - staff as well as patrons. Nothing specifically to that end, just a general consideration. Thank you!	4/18/2024 9:29 AM

332	Thanks for wanting input!	4/18/2024 9:18 AM
333	Will there be more parking?	4/18/2024 9:18 AM
334	Another pool east side of town, lazy river like the one in gardner we travel there because it is awesome and wish lawrence had one. Another pool because this town needs it.	4/18/2024 9:18 AM
335	It would also be nice to have more shaded seating areas. During busy times most people sit in chairs in the grass	4/18/2024 9:17 AM
336	Make it bigger than you think needed	4/18/2024 9:14 AM
337	Make it bigger or - even better - build a second pool so that this one is not so overcrowded	4/18/2024 9:09 AM
338	Way to control/monitor unsupervised kids.	4/18/2024 9:02 AM
339	While I see where a renovation is needed, this town is large enough to need a second pool. The indoor pool closes down and this outdoor pool becomes very overcrowded to a point it doesn't feel safe to have my child at the pool.	4/18/2024 9:02 AM
340	We need more publicly offered swim classes	4/18/2024 9:01 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

341	Upgraded bathrooms and showers	4/18/2024 9:01 AM

345	Needs more space, it's always so crowded	4/18/2024 8:54 AM
346	Adult only times	4/18/2024 8:54 AM
347	The location of the current pool is in a really bad location. It needs to moved away from the busy downtown area and there is such a homeless problem around that area. Building it out by Rock Chalk park would make more sense and there is a lot of land out there to add a bigger and better pool. The downtown is so busy and it is so dangerous for kids trying to cross Kentucky. We need to keep our kids safe and prevent them from possibly being injured trying to cross the street. The pool being in a larger more serene area would be so much better and a place where they have their own parking lot and not share street parking or have to cross a busy road. The current area is also just not large enough to add all the extra features that are needed for our larger community. We have grown substantially since 1995 and we need a bigger and better pool in a safer location!	4/18/2024 8:53 AM
348	A family pass would be awesome	4/18/2024 8:51 AM

351	I think we simply need a bigger space--it feels awfully crowded during the summer.	4/18/2024 8:41 AM
352	Healthier concession options would be great!	4/18/2024 8:37 AM
353	When voters agreed to a new pool many years ago it wasn't clear that it would be indoor at free state. Free State is not used by many children. We need a second outdoor pool with parking.	4/18/2024 8:35 AM
354	I just hope somehow it can feel less congested and crazy. It's so overwhelming and overstimulating I often don't go.	4/18/2024 8:34 AM
355	Who is paying for this? Where will you get the staffing needed? How will you make it more affordable?	4/18/2024 8:33 AM
356	I hope the city works hard on this project it could be a really great place for kids/teens over the summer but it's not very interesting at the moment.	4/18/2024 8:31 AM
357	Glad you are including the public with opinions.	4/18/2024 8:25 AM
358	Needs to be accessible, don't raise the price astronomically.	4/18/2024 8:24 AM
359	Allowing people to use cards	4/18/2024 8:22 AM
360	Need more parking!	4/18/2024 8:21 AM
361	Lawrence could use some more family friendly (especially small toddlers), affordable things to do in town. If these renovations take place, I think most people would really just hope it could be affordable to them in a somewhat expensive time right now.	4/18/2024 8:19 AM
362	The improvements should be geared toward children through middle school. The focus should not be on lap swim lanes or anything competitive. It should be a space for all, not just grumpy old people or competitive swimmers.	4/18/2024 8:18 AM
363	Is usually too crowded and anxiety inducing for us. We'd like to use it more tho.	4/18/2024 8:16 AM
364	Don't go cheap and add several things... add good sterdy long lasting fun. Night swimming is a awesome idea to bring in money. Add the playground into the fence and kids can enjoy picnic and play at the pool days.	4/18/2024 8:14 AM
365	better concessions and music	4/18/2024 8:13 AM
366	It would be nice to have a little kids only area- say 4 and under only.	4/18/2024 8:09 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

367	It's important for families to have special kid friendly features but don't forget about adults. We need our own area to exercise, relax and have fun. An adults only lap lane area, for example, would be great, or an adults only lazy river.	4/18/2024 8:08 AM
368	I hope renovations can be timed so that it does not impact the open season of the pool. I honestly feel okay about how the aquatic center is currently and just wish it was open more! There have already been multiple days that we would have gone this year and have not had the option. Please ensure that money spent on renovations does not (1) get in the way of adequately compensating pool staff (2) result in increased fees	4/18/2024 8:07 AM
369	Pool get crowded often and needs to be expanded in terms of swimming space, also a new and taller diving board should be put in place in order to lessen the wait time and traffic.	4/18/2024 8:06 AM
370	We often drive to other towns for their outdoor pools. It would be great to stay here and go swimming.	4/18/2024 8:02 AM
371	Adult swim with dj would be fun!	4/18/2024 7:59 AM
372	There are limited things in town for kids and teens to do, so I definitely think we need to focus on keeping this space a great place for them.	4/18/2024 7:56 AM
373	Nothing	4/18/2024 7:53 AM
374	More seating/space would be greatly appreciated.	4/18/2024 7:53 AM
375	Offering accommodation for those with special needs is wrong. The pool should have special accommodation for everyone!!! I can't believe I have to choose between giving access to disabled people or a water slide.	4/18/2024 7:52 AM
376	I hope you take into account the options currently available for different age ranges and groups of people. I'd love to see more investment into the growing families of Lawrence. Thank you!	4/18/2024 7:49 AM
377	This is a great opportunity for the city to expand something available to kids	4/18/2024 7:47 AM
378	Na	4/18/2024 7:23 AM
379	Part of what I don't understand is how places like Manhattan can have multiple outdoor pools and how our larger town can only have one. Barring more facilities, it would be nice to have earlier access to the pool. 1 pm kind of sucks, especially when the pool is super crowded with BGC kids right off the bat. Just my two cents.	4/18/2024 7:21 AM
380	For our community size the pool just needs to be bigger. It gets crowded really easily. Also better disciplinary actions. I've seen lifeguards get verbally abused by kids and the lifeguards just have to take it. We have bike cops. Why not a rotation of walking police patrol?	4/18/2024 7:03 AM
381	Please make it kid oriented. Gardner pool is great example	4/18/2024 7:02 AM
382	Please keep in mind the families with small children. This town is lack luster in that department compared to surrounding cities. Yes it's a college town but there are still families living here that don't want to have to drive to Gardner or Overland Park for a toddler friendly pool or park	4/18/2024 6:34 AM
383	The large open swim area on the north side of the pool near the zero depth seems to lack usage due to its depth and lack of activities, so adding something in that space would be great. Also, while my kids love spray groups (splash pads), the free ones the city has added are great and I would rather see the pool have actual swimming features (even at just a few inches in depth) vs just sprays.	4/18/2024 6:17 AM
384	Toddler time would be an AMAZING thing to add if you could find the staff!! 1 day a week, open the pool in the morning just for moms with littles!! A little kid area NOT CONNECTED to the huge adult pool.	4/18/2024 6:08 AM

389	The Lawrence aquatic center also really needs better hours. The open hours have been awful and very restricted and the pool opens way later in the season and closes way earlier than other towns. Global warming has really impacted us in KS. We need appropriate outdoor recreation for more of the year than we used to.	4/18/2024 12:44 AM
390	I hope it can be fully renovated after the season ends.	4/17/2024 11:47 PM
391	The availability of all features should be extended (zero depth in early hours) not isolating lap swim to extensive hours.	4/17/2024 11:42 PM

393	None	4/17/2024 11:30 PM
394	Think of the kids!!!! A safe place for little kids to still have fun away from the bigger kids!!! Being comfortable around water is important!! The littles can't do that if they don't have a place they can explore without getting splashed and swam all over by bigger kids.	4/17/2024 11:03 PM
395	Longer hours of operation	4/17/2024 10:57 PM
396	I've lived in Lawrence most of my life, but rarely go to the outdoor aquatic center, because of how outdated it is and it is difficult to find a spot for me and my family to comfortably sit together with our belongings. I tend to go to Bloomington Beach or someplace less restrictive.	4/17/2024 10:55 PM
397	I feel any changes will be welcome	4/17/2024 10:50 PM
398	Be affordable. Have amenities for the kids. Can you fix the terrible hours on the indoor aquatic center?	4/17/2024 10:43 PM
399	It'd be nice if there was an area for kids and preteens (not toddlers) to swim in. So often it's all amenities or little kids activities and not an area for older kids to swim and play in	4/17/2024 10:35 PM
400	A seasonal Family membership!! There is no point to buy a yearlong individual pass for children when the indoor pool isn't open	4/17/2024 10:28 PM
401	My biggest complaint is how many people there are but if it was bigger maybe it'd be less anxiety inducing. I've only been able to go a couple times and both were horrifically busy, I could barely watch my big kids because the littles were in constant danger of being trampled by older kids or deep water I've also never been able to get all my children in for swim lessons. They fill so fast.	4/17/2024 10:26 PM
402	Would love to have longer hours if the staffing is available.	4/17/2024 10:25 PM

407	Better hours!! More swim lessons	4/17/2024 10:16 PM
408	Most important part to me is FAMILY atmosphere. I take my kids multiple times a week and it's important to us.	4/17/2024 10:15 PM
409	Safety and security is my main concern. I tend to not go to the outdoor pool because it is so busy and populated. I've heard of too many thefts of items and when I do go I feel like I constantly need to be watching my things. I just feel like the outdoor pool is too small of a space for as many people who come to it.	4/17/2024 10:14 PM
410	Opening the pool earlier for toddler parents would be amazing! By 9am most toddler parents have been up for a while and would love to hit the pool, especially in the middle of summer when it's already hot!!	4/17/2024 10:13 PM
411	Would love to see the Outdoor Aquatic Center have amenities like the Shawnee pool.	4/17/2024 10:12 PM
412	Opening before 1pm in the summer.	4/17/2024 10:10 PM
413	Safety is also a big concern. I didn't feel like it should have to be prioritized. Having secure storage for belongings might attract more people. I have heard theft can be bad there. With skin cancer on the rise, shade closer to the pool areas would be nice.	4/17/2024 10:07 PM

414	This should be a family oriented venture. Let's not do this thing for the elderly or the homeless	4/17/2024 10:02 PM
415	Please be mindful of young families who use the facility often, but are not as easily able to attend the meetings scheduled during dinner on a school night... the representation of those able to attend at that time of day does not necessarily reflect those who use it the most during summertime daytime hours.	4/17/2024 10:00 PM
416	Family friendly	4/17/2024 9:55 PM
417	We drive to the Gardner pool rather than the Lawrence one because of the Gardner pool features	4/17/2024 9:52 PM
418	The price for what is currently offered is extortionate. Every neighboring city/town has a better outdoor aquatic center AND lower prices for daily admission.	4/17/2024 9:52 PM
419	We need to be attracting families to this pool! Neighboring cities and country clubs have much better outdoor aquatic centers geared towards families. Let's make a wonderful pool for our kids! Let's make this accessible to everyone in our city!	4/17/2024 9:52 PM
420	Would you consider opening another public pool? I love that we have a pool, but it's crowded, dirty, out-dated. Thank you for wanting to invest in the pool!	4/17/2024 9:50 PM
421	Lawrence residents are routinely going to other towns to enjoy their much better pool and water park facilities. We have so little for kids in this town. Let's at least get this right.	4/17/2024 9:50 PM
422	I hope that the pool is renovated in a way to provide more features for children and young adults. The lap lanes take up a considerable amount of space, and typically when the pool is open, only a few people are using them. If the downtown pool had more water features I think it would bring new life and interest to the area, and stop families from traveling to Gardner or the North Shawnee pool, and instead use the local pool!	4/17/2024 9:42 PM
423	Extended hours of operation	4/17/2024 9:25 PM
424	Adding more family friendly activities in Lawrence is so important to attract young families. This pool could be a great draw with the right updates!	4/17/2024 9:25 PM
425	Keep the toddler pool separate from the main pool so toddler accidents don't shut the whole pool. I would love to have a lazy river.	4/17/2024 9:25 PM
426	None	4/17/2024 9:19 PM
427	More water features for children and shaded areas	4/17/2024 9:07 PM
428	I hope that a renovation comes to fruition	4/17/2024 7:48 PM
429	The aquatic center needs to do better serving the needs/wants of the community. The swim clubs are providing most of the funding for the aquatic center, yet we are unable to host meets. I would love to bring my toddler to the family pool while my older kids are at swim team practice, it for some reason, the family pool is never open when we want to go, The current managers are doing a poor job.	4/17/2024 5:12 PM
430	Please consider a separate lap pool - kids consistently walk through the current lap lanes.	4/17/2024 2:03 PM
431	Stay open longer than August 29th. The after school times and lap times could continue past when school ends	4/17/2024 12:47 PM
432	separate small baby pool are so that poop accidents don't close the entire pool	4/17/2024 11:20 AM
433	Make the showers have a hot temperature option like they do at LIAC.	4/17/2024 11:13 AM
434	Earlier times for outdoor patron lap swimming. More room for the club swim team, they use the pool the most. More shaded areas please	4/17/2024 10:24 AM
435	We don't need a ton of stuff. Use the funds to make a good quality space with safe and fun areas rather than fining it with junk that will break down and cause headache for the guards. People just want to be outside and cool off.	4/17/2024 10:09 AM
436	I would love to see several water slides and more lanes for lap swimming	4/17/2024 9:49 AM
437	I love the features in the kids area like the sprays and such, but when they break and remain unfixed it starts to feel trashy and unkempt. If the repairs can only be done in the off season I	4/17/2024 7:13 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

understand that, but if the repairs are too costly then that seems like we shouldn't have the feature in the first place

438	Later hours, longer season. Make it about water.	4/16/2024 10:27 PM
439	More than any added features the most important thing is being open the full season and maybe longer hours. Same goes for indoor aquatic center. Seems like a waste to have these great facilities but not have them open to use more often.	4/16/2024 10:19 PM
440	Keep this affordable for families. Keep club swimming affordable, rather than destroying them through high fees.	4/16/2024 6:15 PM
441	Charge club teams less	4/16/2024 5:24 PM
442	I will drive 2 hours to Salina to go to their city pool and drive back the same day and I recommend this to people all the time and it's so affordable. I think I go there more than our Lawrence pool. A pool like that one would attract people from out of town for shopping etc.	4/16/2024 6:57 AM
443	Exciting! Please don't raise the price a whole bunch. Or offer discounts/promos for families to take advantage. Could you pay for a 1 or 2 hour stay for less than an all day pass?	4/15/2024 9:10 PM
444	Additional parking options	4/15/2024 8:41 PM
445	Lower annual passes for families. Most families get memberships for surrounding towns because the price is double in Lawrence compared to anywhere else. Gardner has an amazing aquatic center and I would love to see Lawrence mirror there aquatic center	4/15/2024 7:45 PM
446	As a resident, I support whatever maintenance and improvement needs to happen to ensure the safety of our pool. We already have so many of the listed amenities, I don't know why we would need to expand them, but support improving them.	4/15/2024 6:14 PM
447	This proposal is a luxury the average tax payer cannot afford.	4/15/2024 6:02 PM
448	We love the outdoor aquatic area but it's usually just jr high and high school age kids. Snack area doesn't cater to toddler appropriate snacks and toddler swim activities	4/15/2024 5:00 PM
449	Easier access to the deep end. The lap lanes block the way if you're already in the water.	4/15/2024 2:32 PM
450	I am so glad a renovation is in the works! My concerns are that both pools in the last 5 or so years have been run/programed so poorly. The facilities are under utilized and it is sad. The indoor pool being closed when the outdoor pool is open is just wrong. There are many people that want to be at a pool but cannot be in the sun. I completely understood the lack of guards being a reason after COVID but I did not understand the lack of promoting the job opportunities for guarding. And from what I hear from the guards is that the public pools are not great work environments. So my concerns are more in programming, proper utilization and working environments of our facilities.	4/15/2024 1:56 PM
451	I truly want to have an outdoor pool option in Lawrence but spending this amount of money on a pool that is only open from June to mid August is not sustainable. I would encourage the city to consider the possibility of making the outdoor pool available in some way year round.	4/15/2024 1:38 PM
452	I think you need to have longer hours during the day. It is always so crowded. Also the pool should be open longer during the season. May to September.	4/15/2024 1:18 PM
453	My two issues are more long course lanes available to swim teams other than availability at 6 am. Second, more programming for adults with special needs.	4/15/2024 12:58 PM
454	I'm excited for the possibilities for Lawrence and the Aquatic Center. We moved here from Derby, KS and Rock River Rapids is HUGE there. It's a great thing to look at to "copy" so to speak.	4/15/2024 11:03 AM
455	The pool should be open every day of the week for the entire season, ideally 9am to 9pm. Practices and lessons can be scheduled earlier or at the indoor aquatic center in summer. Staffing would not be so difficult if lifeguards were paid a better wage and not spread so thin. It should be a fun place to work! I was a lifeguard long ago and they were some of the best times of my life. As a parent, the pool was where my kids and I spent summer days. It was disappointing to find Lawrence does not have the hours and reliability of the pool where I grew up. Why not use whatever funds remain after maintenance upgrades to offset admission fees for kids and increase wages for staff?	4/15/2024 7:55 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

456	Keep the price of admission down so kids can actually enjoy these updates/ upgrades.	4/15/2024 6:13 AM
457	Security is a big problem and really one of the biggest reasons we don't go more. Also evening swim hours would be great for working families	4/15/2024 5:47 AM
458	We love the pool and would definitely go more if it was bigger!	4/14/2024 10:36 PM
459	Need to upgrade the showers/bathrooms. And stop kids from pooping in the pool 🤢	4/14/2024 10:35 PM
460	It seems like the aquatics director has something against club swim. She refuses to allow LIAC to switch to long course during long course season even though WE PAY FOR LANE TIME. It's really unacceptable and puts Lawrence club swimmers at a competitive disadvantage. For the outdoor pool it is long course only super early in the morning.	4/14/2024 7:23 PM

465	Better, healthy concessions.	4/14/2024 2:28 PM
466	More bicycle parking please.	4/14/2024 2:22 PM
467	We need an additional outdoor aquatic center in Lawrence. Topeka has, what, 4?	4/14/2024 2:19 PM
468	If you need ideas, check out independence kansas aquatic center. It was amazing to have a mini water park in our small town with 3 separate pools, 4 water slides, various play structures, rentable shelters, lazy river, and full concessions. It was and still is a blast and always packed full of happy guests	4/14/2024 2:07 PM
469	I would prefer extra money be spent to hire more life guards and extend the hours and season of the outdoor pool - and potentially to lower prices for the community. The outdoor aquatic center is fine as is and does not need to be renovated.	4/14/2024 1:39 PM
470	The value the outdoor rec center adds to the community seems undervalued. Truncated hours, etc over the past few years has been a disappointment.	4/14/2024 12:55 PM
471	Admission cost too high. Not enough chairs	4/14/2024 12:37 PM
472	Needs better staffing. Would love it if the lap pool was not in the middle of the pool. Kids always swim through the lap lanes.	4/14/2024 12:32 PM
473	Longer hours, especially on Sundays O depth entry and toddler area completely separate from the main pool. Splash area Lap lanes	4/14/2024 10:26 AM
474	I think packaged deals would be nice. Also if you buy a day pass you should be able to leave and come back.	4/14/2024 10:03 AM
475	Affordable for families of ALL income levels.	4/14/2024 9:41 AM
476	Having the ability to host swim meets would be a significant boost to our youth swimmers and a reflection of our community support for youth swimming.	4/14/2024 9:37 AM
477	I personally think that the Outdoor Aquatic center does NOT need a major overhaul. I think money would be better used to fix the things that have to be fixed, and then spend other money on opening up a new facility in a different part of town to cut down on overcrowding. Lawrence is a massive and growing city. We need to be acting on that by building additional facility.	4/14/2024 9:16 AM
478	We could use another community pool. The current pool gets very crowded.	4/14/2024 9:03 AM
479	I think it would make sense to add a water park in West Lawrence with a lazy river, etc. Downtown space seems like it will be tight.	4/14/2024 9:01 AM
480	We would go to the pool so much more if there were more seating and relaxing options in the shade. There is never a place for us to sit and put our stuff. We always just have to put things in the grass. We love the grass and hope it stays but we would like more chairs and umbrellas with WiFi and we could work while our kids play and read and relax more.	4/14/2024 8:52 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

481	Definitely enhance options for the little kids, but also spaces, slides challenges for big kids. It's such a great option for teens in the summer. Making it even more compelling would be fabulous. Also, any enhancements to filtering so that there can be faster returns to the water after accidents in the pool. More realistic suspended swim time during storms. When the radar clearly shows lightning has moved out of the area let folks get back in the pool without waiting 30 minutes. Healthier concessions. Nicer restrooms. They're pretty gross these days. Earlier open times. I know this is dependent on lifeguard availability, but so e days waiting until 1:30 feels interminable. Better long term/full summer passes.	4/14/2024 8:36 AM
482	Must have some adult only times or spaces. And longer hours and open many more weeks of the year	4/14/2024 8:24 AM
483	Please keep the pool affordable to visit	4/14/2024 2:15 AM
484	Thank you for asking our feedback! Overall, would like a bigger space in general. Much more shade, more seating for parents by the wade pool. Keep all the fun stuff and add some more you've got the budget ;-)	4/13/2024 11:01 PM
485	Estimated time and cost	4/13/2024 9:40 PM
486	None	4/13/2024 9:28 PM
487	A combination of the best features from the Hays Aquatic Park, Gardner Aquatic Center, City Park Waterpark (Manhattan), Kenwood Cove Aquatic Park (Salina), and the Garden Rapids (Garden City) should be an expectation. Lawrence is larger than those towns with a far more tax revenue. We should not have an inferior Aquatic Center.	4/13/2024 8:57 PM
488	Shade is an absolute must, and green grass! Would hate to lose that aspect of the current design. More important to my family than any particular water feature	4/13/2024 7:42 PM
489	The women's showers are sub-standard. There is no privacy. No place to hang a towel and street clothes while showering.	4/13/2024 6:58 PM
490	Keep prices reasonable. More shade structures. Saltwater pool???	4/13/2024 6:56 PM
491	Making sure it is inclusive to everyone and not just a single group. If the people's tax dollars are going into the renovation, it should be for everyone including young children, athletes, people that have disabilities, and seniors.	4/13/2024 6:56 PM
492	Build a second aquatic center and leave this one as is.	4/13/2024 6:40 PM
493	N/A	4/13/2024 6:30 PM
494	I'd love to take my family earlier in the day.	4/13/2024 6:24 PM
495	Lawrence HAS to look at surrounding areas and their aquatic structure/layout! As a Lawrence resident, I should NOT have to be driving to surrounding areas for a better aquatic experience. It is OUR turn to be great!	4/13/2024 5:39 PM
496	I believe the outdoor water center should be, essentially, an aquatic park designed for children and young adults to have a safe and enclosed space downtown. Move adult recreation, lap lanes, and professional diving to the indoor aquatic center. Kids really enjoy diving boards but they don't NEED to be competition heights for example. Lanes take up too much space. Adding/improving heating in the indoor aquatic center would increase attendance, make it easier on the elderly, and improve the performance of local swim teams/make the indoor pools more attractive for competition events.	4/13/2024 5:39 PM
497	Thank you for getting community feedback!	4/13/2024 5:38 PM
498	I seriously cannot believe that you want to spend \$6MM on the aquatic center to add features that really don't benefit that many people. Please just pay better wages to staff and work with what you have. If you paid competitive wages, staffing wouldn't be an issue. I do not support the kind of expenditure you are contemplating for a facility that is currently only open 3 months a year basically. Please use some common sense here.	4/13/2024 5:08 PM
499	Very excited about the renovation, main request is a longer season (our summers are getting so hot) and more consistent morning hours for lap swimming.	4/13/2024 4:38 PM
500	I hope the improvements can be made while still allowing for accessible pricing so all residents can afford to visit the pool.	4/13/2024 4:38 PM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

501	Please pay enough to staff the aquatic center to keep it open daily.	4/13/2024 4:19 PM
502	Again, should be open through Labor Day weekend, or at least on the weekend until Labor Day. People who love the pool are really disappointed that the pool began closing earlier a few years ago. It's especially disappointing for outdoor lap swimmers.	4/13/2024 4:07 PM
503	Lawrence really needs more places to lap swim.	4/13/2024 4:01 PM
504	None	4/13/2024 3:27 PM
505	You can't expect people to approve 6mil spending if they pool won't stay open all summer. Pay people more to work at the pool. Also better entrance rates for families.	4/13/2024 3:09 PM
506	Over the years, we have been saddened with the state of Aquatics in our community. Lawrence used to be celebrated in the region for having excellent facilities both indoor and outdoor. Competitive and recreational swimming has been a mainstay in our family for decades. We have no formal ties with these communities any longer, but we know of many family friends with members having a work history with Aquatics in town. It seems that the Aquatics Division has suffered from a serious lack of leadership for some time.	4/13/2024 3:01 PM
507	Some things like swim team, fitness classes, diving, etc are better suited for the Indoor Aquatic Center. With the season the Outdoor Aquatic Center is open already short the focus should just be on being open for everyone and free swim should not just be restricted to the afternoons.	4/13/2024 2:23 PM
508	Another pool is necessary for the gown since there is nothing else other than splash pads for any children to do in Lawrence	4/13/2024 2:19 PM
509	Lawrence needs another public pool, but that's probably too expensive. More pool area. More enforcement of rules. Too many children dropped off for the day. Maybe involve boys and girls club for kids	4/13/2024 1:55 PM
510	How will this increase costs for families to go?	4/13/2024 1:17 PM
511	Our town is too big for just one pool. Most of the time I don't go is because it is too crowded. We need another pool.	4/13/2024 1:10 PM
512	It would be helpful for families with little children if the pool was open in the morning.	4/13/2024 12:59 PM
513	I would really like for the lap swimming to be open for more hours and on the weekend. I am 24 and lap swim with the older folks. Most of the time there are no lanes open or the swim lessons are taking up too many lanes. I wish these were blocked off during the day so kids couldn't disrupt us. There also needs to be student rates because it's so expensive to swim laps for an hour.	4/13/2024 12:43 PM
514	Nun y'all juss need spaces to separate the kids from adults and mature teenaged bc we don't wanna be gettin splashes some times w juss wanna chill in the pool. Also more cheese burgers my friend!!!! Nobody likes kona ice we want cheese burgers it's America	4/13/2024 12:19 PM
515	Maintain this pool. Build a new pool on the east side. Open existing pool in EARLY a m. for PUBLIC non-swim team lap swimming!	4/13/2024 12:01 PM
516	I think Lawrence should invest more that the amount suggested to help invest in the kids in our community, especially on the East side.	4/13/2024 11:49 AM
517	I think the new design should lean into having an outdoor playground connected and securely fenced within the pool. We would visit more often if the playground was connected and fun too. I do have kids and enjoy kid amenities, and I don't swim laps, but sometimes I wish there were relaxing spaces to not be overwhelmed by children, like a lazy river that is adult only.	4/13/2024 11:00 AM
518	There should be longer hours and more diving boards because the lines are too long.	4/13/2024 10:43 AM
519	1) Definitely need to add more shade to avoid sunburn on the long summer days. 2) The locker rooms are atrocious, these need to be improved. 3) I know getting lifeguards is a big limitation, but increasing the length of the season would also be really nice. It's sad when the pool closes down and it's still hot outside.	4/13/2024 10:25 AM
520	The last 3 summers we have spent more time and money going to Topeka and Kansas City pools because of the pool features they have. We love the slides that allow multiple people to go down at once making the slide area more family friendly. We love the lazy rivers and large	4/13/2024 10:15 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

climbing structures for kids with small slides and sprayers. I think having morning houses available in the zero depth shallow area for kids under 5 would be a fantastic addition for young families.

521	Every year the pool daily operation hours seem to shorten and the pool opens later in June and closes earlier in August. All other pools in the area are open in the mornings and are open for 3-4+ months. The summers are longer and hotter and our kids need something to do to cool off! We shouldn't have to drive to surrounding communities or join a country club just to have pool options for our kids!	4/13/2024 10:14 AM
522	I would like to see areas dedicated to babies and toddlers.	4/13/2024 10:05 AM
523	We really need pools to be open for more than the short time they are. In the heat of summer, our pools are closed. We also need more swimming space all together as our pool is really packed and not big enough for our population size.	4/13/2024 10:00 AM
524	I want it to be like the pools in Johnson county. Bigger and with themed slides. Have teen events/activities.	4/13/2024 9:36 AM
525	This is long overdue. Our aquatic center is not nearly up to par with other cities our size and smaller. Look at Kenwood Cove in Salina for example.	4/13/2024 9:18 AM
526	See about corporate sponsors, let them advertise, keep public costs down	4/13/2024 9:18 AM
527	The pool needs to be bigger if it's the only public one in Lawrence, it's often very crowded. We have been driving to Gardner to go to their pool because it's bigger and nicer.	4/13/2024 9:17 AM
528	The admission price needs to be reduced for kids who need it. This is a safe place, a cool place (temperature and activity). Many of us would donate, pursue grants, raise money, etc to get kids in for low to no cost It is currently cost prohibitive for many kids and families.	4/13/2024 8:48 AM
529	Increased staff training and support for life guards. Compare cost of family membership to similar sized communities. Does price make it unavailable to families?	4/13/2024 8:43 AM
530	Please keep the shaded grassy area! I would love the hours to be extended, as well as the swim season. And a deep diving area that's not just for diving boards would be a great addition, especially for kids who are learning to dive!	4/13/2024 8:35 AM
531	Water aerobics. Security, cleanliness.	4/13/2024 7:55 AM
532	I would love- instead of a major renovation- putting in a second public pool location in the west side. The biggest issue for me is the pool is so crowded you can barely swim and it's a safety concern	4/13/2024 7:50 AM
533	The city needs another pool; having only one pool for this large of a city is ridiculous. Also make cheaper pass options; there should be summer passes that are affordable for families. Please look at pools and passes in the Johnson County area; they provide high end facilities with low cost admission.	4/13/2024 7:32 AM
534	That's all.	4/13/2024 7:29 AM
535	Leave it alone, build a second one.	4/13/2024 7:26 AM
536	I am concerned about swimming lessons that my children have missed due to covid. I think having lessons at the outdoor pool is less likely to be transmitted. I fear that the recent year's lack of publicly available swimming lessons to the ages of normal young swimmers will result in drownings if there is not an intentional push to provide those children with catch up lessons.	4/13/2024 7:19 AM
537	Please include more lap lanes + hours for lap swimming	4/13/2024 7:10 AM
538	I've lived here 12 years and the outdoor lap swimming is my favorite thing about summer. It's so hot here, and I'm otherwise shut indoors like a recluse. But I LOVE getting there at 10am before it gets too hot and getting my workout done for the day.	4/13/2024 6:52 AM
539	Security is a concern downtown. Also is there anyway to ease parking?	4/13/2024 5:58 AM
540	Being open memorial day through labor day, specific hours for summer camps/boys & girls club, adults only swim/swim areas	4/13/2024 5:56 AM
541	Increased Hours AND at increased hours at indoor pool especially when school is out	4/13/2024 5:06 AM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

542	Lawrence needs a second pool. This Pool is too crowded.	4/13/2024 12:16 AM
543	Please protect adult lap swim time before the pool is open to the public. It is so much harder to safely swim laps once it's open to the public because the kids often enter the lanes, the lifeguards are not able to notice or stop them, and I've seen lap swimmers collide with kids because they weren't expecting anyone to be in their lanes. It's so much more peaceful to swim laps before the pool is crowded	4/12/2024 11:35 PM
544	The current Aquatic Center is always dirty and the showers/bathroom facilities are gross. We drive to Eudora or Baldwin or even Desoto or Olathe because they are cleaner	4/12/2024 11:11 PM
545	Na	4/12/2024 10:51 PM
546	The price has been way too high. It makes so my family of size can't go nearly as often as we'd like. It has to be a special treat just a few times a season. Also the hours aren't good. I'd love to be able to open swim during the morning when it's not as hot and before my little ones need to nap. Also the website needs to be updated when there is an event that closes the pool to the public.	4/12/2024 10:45 PM
547	Fix the inexplicable mistake made in the previous renovation to place the 25 yard lap swimming lane configuration sandwiched in between two open swim areas. It is equivalent to putting two halves of a playground on opposite sides of a busy street. Rules or not, children will cross, problems will ensue.	4/12/2024 10:36 PM
548	A separate pool for dogs!	4/12/2024 10:31 PM
549	We rarely went to the Lawrence pool last year because of limited open swim times and it is so expensive. Compared to nearby cities with nice pools, our is way too high. Eudora pool is \$180 a year for a FAMILY PASS. Lawrence is \$325 PER PERSON for a year pass. That makes it \$1,000 for a family of 4. It's worth the drive to Eudora to go to their pool to save \$900+ having such outrageous pass prices are going to drive families away from the Lawrence pool even if it is renovated. I hate seeing families go elsewhere for entertainment but there are not a ton of things in Lawrence do do over the summer when it is hot for kids over the age of 5 so for the pool passes to be that steep, that's hard to swallow.	4/12/2024 10:11 PM
550	Shade is a big thing for me personally which I feel there needs to be more of. Otherwise the answers I have for the previous questions would be wonderful to see.	4/12/2024 10:07 PM
551	The safety at the outdoor facility as both a patron and employee have been a long standing issue. Some of that cannot be resolved (due to location), but the facility needs to focus more on stricter policies and procedures for the individuals who consistently break rules or engage in dangerous behaviors (i.e. hiding in bushes, taking pictures of minors/lifeguards without consent). The lifeguard equipment should also be updated. When I worked there, there were several stands that people were afraid to sit on bc they were so wobbly.	4/12/2024 9:52 PM
552	I really think the city needs to put funding toward a second aquatic center. The current center gets too packed and therefore is not safe or enjoyable and I will not take my children there. The city needs a second center.	4/12/2024 9:51 PM
553	The hours are too short. Needs to open before 1pm and have a longer season. Stay open after school starts not everyone attends school during the day.	4/12/2024 9:45 PM
554	Build another pool in a better location. A community if this size should have more than one outdoor pool.	4/12/2024 9:31 PM
555	Please make the Outdoor Aquatic Center better and more affordable. Let's have an amazing snack bar full of healthy snacks that are affordable for everyone. Operating hours Memorial Weekend thru Labor Day weekend from 9 am to 9 pm!! If we want kids off screens and our community to thrive and grow in a positive way having an incredibly awesome Outdoor Aquatic Center will benefit our community for generations to come.	4/12/2024 9:12 PM
556	Even in "inclusive" Lawrence, people making decisions do not consult families of folks with disabilities. You all assume my child in a wheelchair with epilepsy has the developmental ability to swim or cognition to know how to behave (she does not) or the core strength to sit in those hard, awful swings even at Hillcrest (she does not). You do not provide support for people who would dearly love to use your "inclusive" services. Contact the multiple disabilities teachers and paras at USD497 and staff at Cottonwood to ask what their kids/adults would like and be able to use. Contact VarietyKC (they're a charity) for advice and possible monetary support for truly inclusive equipment. So long as you assume that people with disabilities are	4/12/2024 9:12 PM

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 1

mentally fine with physical issue or physically fine with developmental issues, you are leaving out a significant and important group of people and their families that you necessarily exclude from using your "inclusive" sites and equipment. Do better, Lawrence. The abled will always find a way to make do; people with disabilities who love water play (like my child) deserve the opportunity not yet provided in Lawrence, to take part, to be changed with dignity (not on a disgusting floor) and to be valued, not invisible, in the community. I dare you to do better and show people what inclusivity looks like.

561	Don't spend money on this pool. Build a new one on west side of town	4/12/2024 8:07 PM
562	I would like to see special attention to community building. This is a place for the community to gather and play together. Focusing on lifting each other up and including everyone would be a very important focus in my opinion. It would be really nice to see inclusive spaces that consider accessibility for people who have sight or hearing impairments. Something along the lines of tactile play things for limited visibility children and even descriptions of sounds that things make, like slosh, gurgle, roaring, etc in areas as relevant.	4/12/2024 7:43 PM
563	Please always be mindful regarding spending that higher taxes are breaking the backs of a bunch of our residents, including me. This needs to be taken more seriously.	4/12/2024 7:08 PM
564	Definitely need a lazy river option.	4/12/2024 6:47 PM
565	Everyone who visits should be able to have fun most of all. Probably more lockers and showers too.	4/12/2024 6:43 PM
566	We have quit going to the Lawrence pool as much because the cost is so expensive. Compared to nearby cities with nice pools, our is way too high. Eudora pool is \$180 a year for a FAMILY PASS. Lawrence is \$325 PER PERSON for a year pass. That makes it \$1,000 for a family of 4. Its worth the drive to Eudora to go to their pool to save \$900+. Thats a huge difference. Understandably we have an indoor pool here that they dont BUT its rarely available for free swimming. Also the outdoor pool is always crowded and extremely dirty with trash all over the ground. I worried that renovations would make the price even higher, altho I do agree they are needed. But withoht staffing, lifeguards etc.... will it even be open?	4/12/2024 6:34 PM
567	The price is REALY tough for families. I'd love to be able to go more but it's very expensive.	4/12/2024 6:31 PM
568	Maybe having a second pool to accommodate our population	4/12/2024 6:30 PM
569	I don't go as much now that my kids are grown, but a lazy river would motivate me to go more as that's more adult friendly. The current pool is very kid centric, which it should continue to be kid friendly but also needs to be more welcoming to adults. Also on that note, there's not enough lap lanes and sometimes kids are just playing around in those lanes instead of keeping them reserved for actual lap swimming. Also I'm not sure what you asked about accessibility features because obviously the pool needs to be ADA compliant. That's not a choice.	4/12/2024 6:22 PM
570	I would love for the outdoor pool season to be longer - it closes way too early in August!	4/12/2024 6:18 PM
571	So glad this is coming up! All residents should feel comfortable using the pool. Thank you!	4/12/2024 6:18 PM
572	Lots of availability for everyone	4/12/2024 5:54 PM
573	Concern is how many parents just drop kids off at the pool and they cause problems that adds stress to life guards and those trying to enjoy the pool. There should be a family pass that can be purchased monthly or for the summer while the pool is open.	4/12/2024 5:53 PM
574	I am concerned that with these renovations, the entry cost will raise and not be affordable to my family.	4/12/2024 5:52 PM

576	Open on Memorial Day, close on Labor Day. Offer an adult morning pass for lap swim/water walking - I'd pay extra to keep this option. Bring back the summer 90 day discount pass.	4/12/2024 5:37 PM

578	Safety is extra important due to the rise of crime and homelessness in the downtown area	4/12/2024 5:24 PM

580	If you build it, make sure you can staff it.	4/12/2024 4:18 PM
581	Ensure clubs can rent time in the morning as they do currently.	4/12/2024 1:11 PM
582	Just want to reiterate, our family (and I know many others) would be ALL OVER a reasonably priced family "summer season" membership. It could even be something that is only good for admission to the outdoor pool. We are already nearly priced out of visiting more than once per week using punch cards, but a monthly membership isn't justifiable unless we can get in a minimum of 2 visits/week, which is a lot of pressure to *have* to go 2x/week. We find ourselves feeling like we need to stay for several hours so our visit is "worth it." I would appreciate some consideration in pricing for low income families, whether it be sliding scale memberships based on income, lower prices for Lawrence residents vs out of towners, or some other option, like timed entry (pay for a certain # of hours) with color coded wristbands. Or options for all of the above! Also, we really do need better bathrooms, with decent showers and curtains that actually close all the way.	4/11/2024 6:30 PM
583	Partnerships! The pool needs to update it's thinking as much as it's physical features. The pool cannot keep raising prices and doing the same thing every summer. The adult swim nights were a good idea but not developed to the degree needed. Find partners for programs, sponsorships, and events. Use the pools infrastructure and location to leverage family friendly activities in the area. There needs to be more flexibility and thinking outside the box. Lastly pay increases for lifeguards only go so far. It's very expensive to convince someone to work somewhere with a bad environment, it's much less costly to get someone to work somewhere fun and fulfilling.	4/11/2024 4:17 PM

586	If we put millions of tax revenue into renovating the pool, is it going to become a day spa and shower facility for the single male drug addicted homeless community just like the library became after its renovation?	4/10/2024 4:21 PM
587	Again, I feel it's imperative that some of that money be used for the ADA suggestions that have been made repeatedly for over 6 months now to no avail.	4/10/2024 4:18 PM
588	We often go to either Topeka, or Johnson county for their pools because my kids 8-12 years old are bored at the Lawrence pool with only 2 slides. We should really be building a better parks and rec program. It would be nice for the community to have a larger pool since this is the only one.	4/10/2024 4:02 PM

Besides, whatever cool toy comes along there will be amazingly strict rules regarding that toy and people will not utilize it like you think. slides for example. waiting until the person below has cleared the water completely? that just makes the line longer and no one really gets hurt anyway. diving boards are another example but anyway. open up the hours for people to be there. reevaluate how many guards you actually need. who decides what is safe and what is reasonable for coverage? you're so afraid of getting sued that what you've created is basically a pond. don't do the toys, add swim lanes and programs.	4/10/2024 1:52 PM

594	I am excited/hopeful to see a major revamp of the aquatic facilities that will make it line with the public pools in Johnson County which offer many more amenities, such as a lazy river, slides, water/play structures etc.	4/10/2024 8:17 AM
595	I hope the bathrooms get renovated. Overall, it can seem crowded. We avoid peak times. The sound system is annoying. People should be allowed to bring their own food because there are no healthy options in concessions.	4/10/2024 8:08 AM

607	The presence of summer camp kids every weekday afternoon makes it difficult for other children to safely use the pool, particularly younger kids. The pool could be improved simply by limiting the days/times for campers to be present, or by requiring camps to send additional supervising adults who more closely monitor behavior. Alternatively, camps could be restricted to a certain area of the pool. Please also be sure to expand hours and return to the Memorial Day to Labor Day season.	4/8/2024 1:48 PM
608	Swimming lessons are so important, it would be great to have more affordable options for families	4/8/2024 1:43 PM
609	Spending this much money on renovating the aquatics center when we have been unable to even find enough lifeguards to fully staff the indoor and outdoor aquatics center to allow for full hours in the past is reckless and a waste of money. Please focus on fully staffing both aquatics centers before spending money on renovations to a functional pool that already exists.	4/8/2024 10:16 AM
610	This needs to be forward looking - not just meeting the need today. We literally drive to Topeka to go to the pool many days. A quality facility in Lawrence is desperately needed. Managing the harassment of children by unhoused individuals in the nearby parks is also critical to success.	4/8/2024 7:39 AM
611	the locker rooms have always been gross and always wet and dim.	4/7/2024 11:50 PM

613	Longer days and hours of operation is essential.	4/7/2024 7:45 AM

Which means operating hours can't be maintained. These ideas sound fun. But expensive. How will you hire, pay & enough staff to maintain regular operating hours???	4/6/2024 8:21 AM
633	I would like to see the city parks and rec dept. accommodate the senior population at the aquatic center. I love that the kids have the pool to swim in. However the two populations don't sometimes mesh. Seniors want a space clear of random play. That used to happen in the mornings. Not sure why it's not offered anymore. The pool should be for more than Lawrence residents between 0 and 16	4/6/2024 7:56 AM
634	Thank you for improving it. Also make it safe!	4/6/2024 7:38 AM
635	None of it matters if you can't open the pool due to lack of staff. The renovation should include increased funding and a better strategy for staffing.	4/6/2024 7:01 AM

637	Longer season and longer hours would be great; dedicated space between water walkers and lap swimmers; more consistent morning lap swim hours	4/5/2024 10:05 PM
638	We should also consider having another outdoor facility in another area of town.	4/5/2024 10:02 PM
639	Again, I would like to say there needs to be another aquatic center in town or boys and girls club needs their own pool. It is just too crowded during prime hours.	4/5/2024 9:44 PM
640	If the lifeguards were paid better they might be more invested in their jobs and provide quality care as well as the city being able to keep them on staff.	4/5/2024 9:40 PM

645	Just another mention that some sort of shaded area over the water, in a small, swimmable area, would be really cool and allow some folks to stay in longer. Also I may have not picked it, but movie nights would be neat.	4/5/2024 3:12 PM
646	Increase hours and available usage of indoor pool.	4/5/2024 2:31 PM
647	Open the pool longer hours. Earlier in the morning and later in the evening.	4/5/2024 2:05 PM
648	Need to add more aquatic amenities, such as more slides / better slides / longer slides, a lazy river, and night swimming (it is still hot in the summer evenings)	4/5/2024 1:28 PM
649	We SO need a good pool here!! We are constantly driving to Gardner, Baldwin and Eudora. They're smaller towns and have much better pools! This is much overdue	4/5/2024 1:25 PM
650	Expanding swim lessons should be the top priority, and subsidized. Too few of our kids learn to be comfortable and safe in water. Doing the basics very well should be prioritized over fancy amenities like a lazy river and surf simulator. I'd also like to see an area covered and dedicated to year round swimming. The indoor aquatic center is too far west. Some people can't access it. Especially seniors need to have easy access to water exercise year round. The city needs to meet demand for adult aquatic programs. It is not currently, as evidenced by classes filling up fast, leaving people out who want to participate.	4/5/2024 1:25 PM
651	Thank you for undertaking this project! I'm excited to see what you come up with!	4/5/2024 1:13 PM
652	I think the outdoor aquatic center is an important public service/space, especially when the weather gets hot. I don't know if there is a way to make it more inclusive in terms of low SES kids/families, but perhaps partnering with the Library could be an opportunity.	4/5/2024 1:08 PM
653	We travel to Topeka and Gardner to use their updated facilities	4/5/2024 12:59 PM
654	Would love to see renovated bathrooms and a much larger concessions area. Would also like to see more area for people to lounge outside of the water. When we go there is frequently not enough space to put any of our things while we swim.	4/5/2024 12:54 PM
655	None	4/5/2024 12:33 PM
656	Keep it open to the public unlike what Rock Chalk park has become and the indoor aquatic center. It's impossible to use Rock Chalk and the indoor aquatic centers due to all the tournaments and meets they host. Please do not let the outdoor aquatic center turn into something that the community cannot have access too by booking huge swim meets.	4/5/2024 12:26 PM
657	This is long overdue. It has become so crowded and understaffed, we have opted to go to other nearby pools, such as Eudora and Gardner-Edgerton. We even joined the Jayhawk Club for better amenities and space. Our community is in dire need of something like what other towns have had for years.	4/5/2024 12:01 PM
658	Please design so that areas for lap swimming are separated and can be monitored more easily than is currently the case. Please offer a variety of concessions at reasonable prices. More shade is definitely needed.	4/5/2024 9:19 AM
659	The season is already too short, I have concerns about when the work will be done and how it impacts access.	4/5/2024 1:20 AM
660	Unsure	4/4/2024 9:09 PM

662	I realize renovations have nothing to do with admission prices, but admission and memberships need to be addressed.	4/4/2024 4:14 PM
663	Update the restrooms, showers, changing areas, and add usable family restrooms please!	4/4/2024 3:31 PM
664	Hours can be very limited. Even without extra lights, hours could extend further into evening (even if only some days or weekends). Often Times diving boards or slides are not open	4/4/2024 2:55 PM

666	I think public pools are vitally important for the community. A more defined toddler area might be useful and maybe a no kids swim area at certain times of the day	4/4/2024 2:11 PM
667	With the very limited days and hours in the past few years because of staffing, I hope that pay keeps up with any renovations.	4/4/2024 2:03 PM
668	It is time to renovate the pool.	4/4/2024 2:00 PM
669	I believe the aquatic center should have better hours and be open for longer.	4/4/2024 1:56 PM
670	How can the season, and the hours, be extended? For decades, the season lasted from Memorial-Day Saturday to Labor Day, and hours lasted until 8:00 or 9:00pm. If the answer is lifeguards, then how can lifeguarding be made more attractive to young people? Do admission fees need to be increased? I am concerned that, as the number of open hours shrink year after year, fewer and fewer people even think of the OAC as a place to spend time.	4/4/2024 1:55 PM
671	Would like more accessible and updated lockerrooms, and concessions	4/4/2024 1:44 PM
672	Since already have a city pool (IAC), do we need an outdoor pool? Maybe we should focus on a destination splashpad with a lazy river instead.	4/4/2024 1:40 PM
