| 43 | No. What about adults that don't want to swim laps? | 6/2/2024 1:06 PM |
| 44 | I think we need to have a larger lap/swim pool that can be used for lap swimming, swim meets, families, and general use. An Olympic size pool can accommodate all of these uses. It is nice to have the wading areas and splash pads for younger folks. I am a lifelong Lawrence resident and former Lawrence Parks and Rec employee. The original design when the pool was first built accommodated all ages and uses. There was a large rectangular pool with shallow end, lap lanes, and diving well. There was a small wading pool and a junior pool that was one depth and was great for slightly older. I think the larger pool is a must. A shallow zero entry splash pad is nice for the young families. I think the slide and medium depth is a great idea. The most important thing to me is a large rectangular pool that can be used by all residents and used for all activities. | 6/2/2024 12:05 PM |

| 62 | "larger open swim leisure pool"? for who? babies? i'm an adult who wants to go to the pool and swim for leisure. this design essentially removes the entire area that i utilize. it seems like this design has less actual water space. this feels like the current pool but with a large section removed. | 5/31/2024 10:02 PM |

| 67 | Bad idea. Needs to be 50m pool for competitions and swim teams. Did you know Lawrence has not had a USA swim competition since 2019??? This model WON'T help bring future meets to Lawrence that could bring THOUSANDS of dollars in a weekend (ie:just like all the baseball and basketball tournaments your Parks and Rec cater too constantly). The indoor pool refuses to make the pool 50 meter format or host swim meets other than high school even though it is ran by Parks and Rec and not the school system. | 5/31/2024 9:04 PM |

| 101 | No splash pad | 6/4/2024 7:06 PM |
| 102 | This design SUCKS!! We need more space to swim that is not 3'6" deep (i.e. more actual pool space for teenagers to play and swim) | 6/4/2024 5:43 PM |
| 103 | Are those lap lanes 50m? They should be | 6/4/2024 5:25 PM |
| 104 | It seems like there isn't as much room in 3 ft to just swim. The 1 ft and 2 ft are great for Littles, but the pool has lots of older kids and teens who take up the 3 ft areas. | 6/4/2024 5:05 PM |

| 123 | Open swim area that is not leisure | 6/4/2024 12:43 PM |
| 124 | Getting rid of rentable cabanas | 6/4/2024 11:39 AM |
| 125 | No splash pad, place for children 5-15 to swim. | 6/4/2024 11:33 AM |
| 126 | 1. More shade. 2. Compared to Concept 2, this Concept 1 is not worth paying to get into if the splash pad is separate. There are only two things here that a toddler can do: splash pad and zero entry (or very shallow water). Small kids can go a little deeper than toddlers. Parents of young children would have a hard time entertaining an older sibling in the splash pad for long. And it'd be annoying following one kid back and forth between these places, especially between people/chairs/belongings. So they should be combined. | 6/4/2024 10:44 AM |

| 144 | A lazy river | 6/2/2024 3:57 PM |
| 145 | Even more shade. I'm fine with one rentable cabana, but what happens if they're not rented? Could people not use them? The idea of a city pool is accessibility. Making cabanas unavailable to people to aren't paying for them seems counter to that. | 6/2/2024 3:18 PM |
| 146 | It isn't | 6/2/2024 1:36 PM |
| 147 | A deeper pool area to accommodate adults that want to be in the water but aren't swimming laps | 6/2/2024 1:06 PM |
| 148 | If we are having a leisure pool why put basketball goal and a slide with it. That just means kids will take over and adults can not leisure especially since there are so many other kid stuff | 6/2/2024 12:26 PM |

| 153 | More space | 6/2/2024 10:27 AM |
| 154 | There needs to be more large, deep areas to swim. Not lap lanes...places for teens and adults to swim | 6/2/2024 9:52 AM |
| 155 | Make use of the current areas instead of starting over | 6/2/2024 9:27 AM |
| 156 | A 50m outdoor pool would be great as it would be the only 50m pool in the area. There is a large swimming community that would benefit from training in a 50m pool during the summers. Losing this feature reduces the reasons to go to an outdoor pool vs an indoor 25m pool. | 6/2/2024 9:23 AM |

| 161 | Safety from dangerous people so families can enjoy all of this | 6/2/2024 5:38 AM |
| 162 | More pool area. There's less actual pool in the new concept | 6/1/2024 11:56 PM |

| 176 | Any structural plan are more important than fancy stuff. Make the pool last. Pay higher wages to get more life guards. | 6/1/2024 5:59 PM |
| 177 | Lap swimming is my main interest. Cutting the pool length to 25 meters and not adding any lanes makes the lanes more crowded. At least in the 50 meter pool we could spread out and have more individuals per lane. Early morning swims with 3 different teams present will be impossible with this layout. | 6/1/2024 5:59 PM |
| 178 | 50 meter competition pool with dive blocks so our local swim team can practice and host swim meets again. (Summer is long course season) | 6/1/2024 5:48 PM |

| 180 | Water play features for kids; Sitting areas for families | 6/1/2024 4:54 PM |

If it's helpful to mention to look up the plans- there's water parks like Dodge City KS, that incorporate multiple attraction components in a small footprint to make a lazy river work. They combine their lazy river with some other parts of the water park and it works really well!

| 210 | I work at a summer program. We roll deep with 100+ kids every day. All of these options are not public friendly. There is nothing in our community for our kids to do but the pool is the one constant they look forward to every summer. Let someone else come in and build one of these concepts along side your pool. These can't be the only options. We need to continue to brainstorm. | 6/1/2024 12:14 PM |

| 213 | A lazy river | 6/1/2024 10:44 AM |
| 214 | I don't like the idea of rentable cabanas for a public pool. Equal access for everyone should be a priority for pool design. A question for consideration: how does this design support older individuals who use the pool for recreation or individuals without children? | 6/1/2024 10:26 AM |
| 215 | Larger leisure area with more room for those not wanting babies and toddlers close | 6/1/2024 10:02 AM |
| 216 | A lazy river | 6/1/2024 9:58 AM |
| 217 | Not a lot of water space to play for middle school/teens, if lanes are opened. It would be important that during peak times, or for Boys and Girls Club that lane area is open for space. A few more shade sails. | 6/1/2024 9:48 AM |

| 245 | add a very large section of 4-5' deep water that adults and teens can use for casual swimming. the lap lanes at the pool are never fully utilized. i'm honestly not sure that this design adds anything to the experience. i would prefer the current layout over this proposal. | 5/31/2024 10:02 PM |

| 284 | Swimming lanes take up too much space. Less lap lanes. They may seem to be quintessential to a swimming pool, but swimming sports should be directed to the indoor aquatic center, which has amenities in line with sport regulations. As it stands the largest area of the pool can only be used by 8 people (8 lanes with one person per lane). | 5/31/2024 4:56 PM |

| 294 | Listening to the fist survey. Most of lawrence wants a lazy river and other water amenitiesthat are comperabke to other public pools in surrounding towns like Ottawa and Tonganoxie, not rentable cabanas that take away the best shade spots. | 5/31/2024 4:09 PM |

| 329 | Fewer lap lanes and more free swim space, especially in deeper water. The leisure pool is shallow and not large enough for accommodate all of the kids who use the pool. I have never seen that many lap lanes in use and think those could be pared down a lot. | 5/31/2024 2:12 PM |
| 330 | It seems like there is a large area dedicated to swim lanes. Can that be reduced or some opened up during afternoon hours? | 5/31/2024 2:10 PM |
| 331 | Rentable cabanas are silly. Some sort of adult designated area would be nice in addition to the kid areas. That way adults aren't only subject to adult swim times | 5/31/2024 2:02 PM |
| 332 | Expansion of the Aquatic Center, not just a renovation. It has become too cramped on most summer days as the population of Lawrence increases. | 5/31/2024 1:51 PM |
| 333 | Lazy river, obviously | 5/31/2024 1:48 PM |
| 334 | Need more pool and swimming area, and more waterslides would be fun | 5/31/2024 1:44 PM |

| 347 | Don't rent anything. A public pool should be open to everyone. | 5/31/2024 12:20 PM |
| 348 | Lazy river. Non rented cabanas. This is a community pool, not a country club. | 5/31/2024 12:08 PM |
| 349 | Too many lap lanes | 5/31/2024 12:04 PM |
| 350 | It seems like the lap lanes take up a significant portion of the usable space and therefore the other areas would be VERY crowded. Perhaps make the existing lap lane area half lap lanes and half some sort of other fun feature. | 5/31/2024 11:38 AM |
| 351 | No rentable cabanas. That smacks of privilege. | 5/31/2024 11:33 AM |

| 374 | Add the lazy river. Make the rentable cabanas affordable. Offer a family rate for season passes. Increase the footprint of the pool property so everyone isn't as crunched up together. A lot more seating. Reservable deck chairs. Adults only swim times. | 5/31/2024 9:15 AM |

| 386 | A proper 50m pool that is 25 yards across | 5/31/2024 8:38 AM |
| 387 | Honestly this looks a lot like the pool we have now just separated and therefore smaller. | 5/31/2024 8:33 AM |
| 388 | I'm concerned that the deeper part of the open swim area is too small. | 5/31/2024 8:32 AM |

| 390 | If it had the option for a lazy River and a 5 meter high dive. | 5/31/2024 8:25 AM |
| 391 | Slightly deeper leisure pool. The ability to retract lane lines and have lap swimming only during certain hours would be appreciated. There is an indoor pool that almost exclusively dedicated to lap swimming as the kids pool is rarely open. | 5/31/2024 8:22 AM |
| 392 | Bigger lap pool | 5/31/2024 8:16 AM |

| 401 | This feels very similar to the layout we currently have. I feel like if we're going to go through the trouble of renovations and spending so much extra money that there should be some upgrades. Also I'm not in support of paying extra money to rent cabanas. I like the idea of cabanas but the pool is already pretty expensive and adding more costs to a family's visit doesn't sit well with me. | 5/31/2024 7:40 AM |

| 408 | More pool features, Drop the cabanas | 5/31/2024 7:08 AM |
| 409 | An area for teens to swim. At our current pool the teens seem to hang out in the area that gets turned into lap lanes in concept 1. With this proposed layout, teens would end up in the area with small kids, which would be a problem. | 5/31/2024 7:05 AM |
| 410 | Catering to the age group that brings in money for the pool. Teens/Tweens. There is not enough open water to allow them space "to play". | 5/31/2024 6:57 AM |

| 414 | Take a page out of Gardner's public pool. The lazy river is great. Maybe your plan includes faster, taller slides, that would be great. Build a knockout spray park that's so cool kids up to 10ish want to engage. Think a blend of Gardner and North Kansas City's. | 423 | A lazy river, a play structure in the splash pad. Think Black Bob Bay zero depth entry | 5/31/2024 2:41 AM |

| 450 | MORE kid space. We have entire daycare and childcare programs flooding our pools and I'm shocked no one has drowned due to merely crowding. It is an absolute shame that a town the size of Lawrence has as many outdoor public pools (ONE!) as tiny towns all over Kansas. | 5/30/2024 10:19 PM |
| 451 | Even more shade. Having a separate pool for kids is my preference. I don't like the idea of small kids in the same pool as the teens and adults. Teens get rowdy and will use the zero entry access. | 5/30/2024 10:17 PM |

young family didn't want to pay the large cost for a dip in big pool. I would love to see the wading pool restored, or a zero depth to 1ft pool added to the public access part of this Renovation Concept. Splash parks are great, but obviously not immersive and we already have 2 great ones in this city.

| 499 | Bigger area for younger kids-safer to spread out and have adult supervision. I like that it's separate from the main pool for toddler safety. Splash pad accessible outside pool hours would be fantastic. | 5/30/2024 8:42 PM |
| 500 | An even bigger Leisure Pool for families and people with mobility limitations. It needs more welcoming access for people with disabilities, such as a ramp similar to the one in the Indoor CLAPS pool. Lift chairs aren't enough. Reduce concrete dead space and number of lounge chairs in the footprint and increase pool size. | 5/30/2024 1:24 PM |

| 504 | This leisure pool is a nice start, but it's too small for the daily operations of Lawrence. During a typical day at the Lawrence Outdoor Aquatic Center, there can be as many as 300+ patrons in the pool. That's summer camps, Boys & Girls Club, day cares, summer programs, and the general public. An open leisure pool with a zero depth is the solution. This particular design needs to be bigger. It also needs to be a little deeper, say, 5 feet max. The LOAC has a fairly large teenage population that comes on a daily basis. These are kids who are too young to really go out on their own, but too old to be with a babysitter. For these kids, the pool is their only option. This means they cannot be ignored. To ignore them is to exclude them. These kids want the option of deeper water; but also want to space to play catch. As this design stands, it's not going to offer much in terms of recreation to anyone over feet tall. The depth and size is too limiting. It's also going to make teaching swim lessons difficult. Of course, this is more dependent on how the lap lanes and diving well are being operated. But, as it stands, there's just not enough physical space to have as many classes as the LOAC offers. | 5/29/2024 8:34 PM |

| 512 | Do it faster | 5/29/2024 2:28 PM |
| 513 | There are always people trying to cut through the lap lanes from one part to another. I believe that the lap lane swimming should be in a totally separate pool, and there could be more lanes that way and people wouldn't be taking advantage of cutting through | 5/29/2024 1:19 PM |
| 514 | Where will the teens go? If you turn their pool into lap lanes they will just take over the laplanes. | 5/29/2024 1:10 PM |
| 515 | Lazy river. The majority of public pools in the surrounding areas have at least one pool with a lazy river feature. | 5/29/2024 12:36 PM |

| 530 | This layout looks like it needs more shade. Is the splash pad free? I don't like the rentable cabanas, everyone deserves shade. A zipline. Slides with tubes you ride on, multiseat tubes with 2 to three riders. Better healthy food options. | 5/26/2024 2:30 PM |

| 532 | It looks like most of the leisure pool space is very shallow. I would want some deeper areas (5 feet) because these stay cooler and are easier for taller people to stand in. | 5/25/2024 12:03 PM |

| 535 | Too many lap lanes!! The zero depth is great for families and younger kids. However the pool is utilized by plenty of middle and high school kids who want to be in the deep end away from the little kids. | 5/24/2024 7:13 AM |
| 536 | Mister area for those not swimming but needing to cool off | 5/23/2024 7:45 PM |

For the past several years the City Aquatic Centers have opened late and closed early due to staffing shortages. Why spend \$6.1M on the Aquatic Center when the fire department is understaffed? I'd rather have general maintenance done on the Aquatic Center and the remainder CIP allocated to paying bonuses to recruit more fire fighters. | 5/22/2024 1:29 PM |

| 32 | This lazy river looks like it could really face a lot of congestion with only one entry/exit and with that bottle neck. I'd REALLY encourage looking up the plans from Dodge City Ks water park! They combine a lazy river with other attractions and I think that works well compared to this more stand alone lazy river. Seems like more bang for your buck with the small footprint you're working with! But would really really love a lazy river here in Lawrence! I know people travel to Eudora just for the lazy river, that means lost business! | 6/1/2024 2:05 PM |

| 42 | a lazy river is kind of neat, but i'm a tall adult, and 3'6" of water means that my shins would just scrape along the bottom while i slowly drifted past children in the adjacent shallow zone. just like the last proposal, this concept removes the entirety of why i go to the pool. i'm an adult who enjoys unstructured aquatic activity. i need a large area of 4'-5" water without lap lanes. | 5/31/2024 10:08 PM |
| 43 | Access for walkers and wheelchairs | 5/31/2024 9:59 PM |

| 61 | Concepts 1 and 2 combined will work if you increase the footprint of the pool property. The playground next to the pool can be moved to allow this. Reservable deck chairs. Rentable cabanas. A LOT more shade options. Adult swim times. Family rates on season passes. | 5/31/2024 9:20 AM |

| 64 | This one is crappy too. Not enough swim space. Lazy river is too big unless tubes are going to be allowed. And too many lap lanes. | 5/30/2024 11:11 PM |
| 65 | This won't work unless you get rid of the lap lanes. The kids don't have a place to just swim and play. It would be ideal to have the lap lanes as just free swim area and a lazy river. Go check out Lenexa'a indoor pool and you will see what I'm talking about. | 5/30/2024 11:01 PM |

| 77 | Lazy river, but turn splash pad into a shallow area and reduce lap lanes for deeper leisure area | 5/22/2024 11:56 AM |
| 78 | This is a huge waste of space to put in a lazy river. Strongly opposed. | 5/21/2024 7:05 PM |

| 1 | More open play area. Maybe climbing wall into pool. | 6/13/2024 10:30 AM |
| 2 | Please keep more lap lanes like it is now, including long course. | 6/13/2024 8:09 AM |
| 3 | Large swim lanes | 6/13/2024 7:58 AM |
| 4 | 50 yr lap swim lanes. | 6/13/2024 6:47 AM |
| 5 | retaining the long course lap lanes in the existing pool | 6/12/2024 8:57 PM |
| 6 | More seating areas | 6/12/2024 3:22 PM |
| 7 | One more diving board | 6/12/2024 3:14 PM |
| 8 | SWIM UP BAR | 6/12/2024 2:27 PM |
| 9 | N/A | 6/12/2024 12:59 PM |
| 10 | I am NOT a fan of the lazy river. I feel like it eats up any option of leisure swimming and the area delegated to this is incredibly small. If the lap lanes were reduced, on the ADA lift side, then this would provide an area for more leisure swimming. | 6/12/2024 12:49 PM |
| 11 | A bigger lazy river | 6/12/2024 7:45 AM |
| 12 | All Lazy River all the time | 6/11/2024 10:10 PM |
| 13 | GIVE THE EAST LAWRENCE REC CENTER A POOL. | 6/11/2024 10:01 PM |
| 14 | A place for teens to SWIM | 6/11/2024 6:46 PM |
| 15 | More areas for toddlers. | 6/11/2024 4:30 PM |
| 16 | Having an open pool area | 6/11/2024 1:06 PM |
| 17 | More pool space. Dedicated 59 or 25 meter lanes. Less cement | 6/11/2024 9:31 AM |
| 18 | Less lap lanes more open swim | 6/11/2024 7:29 AM |
| 19 | More shaded sitting space | 6/11/2024 5:33 AM |
| 20 | I do not like the lazy river. It's not big enough. I would prefer zero clearance for my little one to walk into the water. | 6/10/2024 10:07 PM |
| 21 | Love this concept! | 6/10/2024 9:24 PM |
| 22 | Lazy River around the pool otherwise it will get very congested at the entrance and exit. The only open swim area for the majority would be in the lazy river. | 6/10/2024 8:31 PM |
| 23 | Eliminate lazy river | 6/10/2024 7:54 PM |
| 24 | Wave pool | 6/10/2024 7:43 PM |
| 25 | Deeper lap lanes | 6/10/2024 6:00 PM |
| 26 | Get rid of splash pad More water space ADA accessibility | 6/10/2024 5:02 PM |
| 27 | More slides | 6/10/2024 3:17 PM |
| 28 | Nothing | 6/10/2024 3:17 PM |
| 29 | Larger swim area/multiple with deeper water 4.5-5 area | 6/10/2024 3:14 PM |
| 30 | Larger | 6/10/2024 3:13 PM |

| 31 | Definitely need shallow areas for young kids-if shallow areas for young kids are going to be lost to the space for a lazy river than I wouldn't do it | 6/10/2024 3:13 PM |
| 32 | Add more swimming area | 6/10/2024 3:11 PM |
| 33 | two person floats | 6/10/2024 3:11 PM |
| 34 | Maintaining leisure space | 6/10/2024 3:10 PM |
| 35 | LAZY RIVER | 6/10/2024 3:09 PM |
| 36 | I think the lazy river should be bigger | 6/10/2024 3:09 PM |
| 37 | More swimming space | 6/10/2024 3:09 PM |
| 38 | A lager pool section for swimming | 6/10/2024 3:08 PM |
| 39 | N/a | 6/10/2024 3:07 PM |
| 40 | basketball hoops, water volleyball section, play structure in shallow water | 6/10/2024 1:39 PM |
| 41 | I grew up in a town that put un a lazy river. In the end it was a large waste of space, was a hassle for staff to deal with the floats, and could not accomodate the quantity of people that design 1 otherwise could. A lazy river is a good idea in theory not in practice, especially with limited resources of space, staff time, and visitor patience. | 6/10/2024 1:33 PM |
| 42 | More leisure swim space without compromising lap swimming area | 6/10/2024 8:09 AM |
| 43 | Keep the lap pool at 50m | 6/10/2024 8:01 AM |
| 44 | Add private rental space. | 6/9/2024 1:02 PM |
| 45 | Play area in leisure area | 6/9/2024 12:03 PM |
| 46 | More slides | 6/9/2024 11:06 AM |
| 47 | I would worry about little kids not having enough shallow water. | 6/8/2024 5:18 PM |
| 48 | MORE SHADE STRUCTURES. the majority of the chairs are completely uncovered. We need reprieve! | 6/8/2024 5:11 PM |
| 49 | The lazy river is way too small. It should be a complete circle | 6/8/2024 4:46 PM |
| 50 | Kids water features | 6/8/2024 4:17 PM |
| 51 | No lazy river. Do the word lazy? That's what really lazy rivers do- make you be lazy instead of swimming | 6/8/2024 1:01 PM |
| 52 | Comfortable seat on sides of pool for adults watching little kids playing | 6/8/2024 12:37 PM |
| 53 | Leisure pool | 6/8/2024 11:23 AM |
| 54 | Nothing | 6/8/2024 1:31 AM |
| 55 | Start over | 6/7/2024 9:42 PM |
| 56 | I love a lazy river, but this is a band-aid fix to a really old aquatic center. Start over and add a second pool to our community. | 6/7/2024 9:31 PM |
| 57 | Less lap area more swim area | 6/7/2024 8:11 PM |
| 58 | Add a bigger general pool for teens and family to just hangout and play so they don't do it in the lazy river one | 6/7/2024 4:03 PM |
| 59 | A lazy river and a normal place to swim | 6/7/2024 3:19 PM |
| 60 | Cabanas | 6/7/2024 3:16 PM |
| 61 | I really like Concept 2. | 6/7/2024 3:16 PM |
| 62 | Surprises 😬 | 6/7/2024 3:13 PM |
| 63 | Lazy river no inter tubes | 6/7/2024 3:06 PM |

| 65 | Need a larger shallow water play area. Move the splash pad to Phase 2, and move it closer to the playground area, outside of the aquatic center. Shallow water play needs to be activated with interactive spray features. | 6/7/2024 10:32 AM |
| 66 | Water features in zero depth for toddlers and littles. Even just spray fountains | 6/6/2024 12:35 PM |
| 67 | Zero depth entry | 6/6/2024 11:08 AM |
| 68 | It being deep | 6/6/2024 9:03 AM |
| 69 | the width of pool. it is already so crowded on weekends | 6/6/2024 8:31 AM |
| 70 | Love concept 2 | 6/5/2024 8:53 PM |
| 71 | This is a bad concept- the lazy river is a bad trade off for a leisure pool and will not work well when crowded. There is not enough room in this design for 12-15 year olds | 6/5/2024 8:27 PM |
| 72 | More water, more shade, open more hours | 6/5/2024 8:19 PM |
| 73 | Not enough general swim space for kids to practice/ learn to swim | 6/5/2024 8:16 PM |
| 74 | No splash pad | 6/5/2024 7:21 PM |
| 75 | There needs to be deeper and more leisure swim water (up to 5 ft) and fewer (or no) lap lanes. Lap swimmers can go to the indoor pool, or lap lanes can be made available for morning swims when the "leisure" part of the pool isn't open. | 6/5/2024 6:30 PM |
| 76 | Separating the splash pad area from a pool is a mistake due to the heat of the concrete - burning feet. | 6/5/2024 5:47 PM |
| 77 | More space for water | 6/5/2024 5:15 PM |
| 78 | Stupid idea | 6/5/2024 4:04 PM |
| 79 | Slides | 6/5/2024 3:09 PM |
| 80 | Not much I like it but a slide with tubes | 6/5/2024 3:08 PM |
| 81 | Nothing | 6/5/2024 3:08 PM |
| 82 | Everything | 6/5/2024 3:07 PM |
| 83 | This design is not going to be acceptable because of the amount of lifeguards that we have to dispatch | 6/5/2024 2:53 PM |
| 84 | A separate space for the youngest children to play | 6/5/2024 1:46 PM |
| 85 | More water swim, less lazy river | 6/5/2024 1:37 PM |
| 86 | Maintenance yes; renovation no. Don't waste money on changing the pool. | 6/5/2024 1:35 PM |
| 87 | this design feels like a smaller play area for kids/people, assuming you have to be on a tube for the lazy river. | 6/5/2024 1:31 PM |
| 88 | Lazy river lapping pool. Big pool zero entry in middle. Slides into deep end | 6/5/2024 1:05 PM |
| 89 | Larger kids area | 6/5/2024 11:11 AM |
| 90 | It seems like there is less play area in the water.. perhaps this depends on the volume the lazy river can support | 6/5/2024 9:08 AM |
| 91 | A lazy river would make it better. | 6/5/2024 8:26 AM |
| 92 | More shallow open swim and to have it completed during the off season! | 6/5/2024 7:51 AM |
| 93 | water walking area | 6/5/2024 7:36 AM |
| 94 | I dislike the concept of adding a lazy river. | 6/4/2024 7:08 PM |
| 95 | We need more pool space for teenagers to use, that has deeper water, like 5 feet deep | 6/4/2024 5:43 PM |
| 96 | Those lap lanes should be 50m | 6/4/2024 5:27 PM |
| 97 | Maybe more area for 2ft to 3ft | 6/4/2024 5:07 PM |

| 100 | Wave pool! | 6/4/2024 3:16 PM |
| 101 | More open water space | 6/4/2024 3:15 PM |
| 102 | Bigger river | 6/4/2024 3:12 PM |

| 105 | Fast current | 6/4/2024 3:09 PM |
| 106 | A free swim area | 6/4/2024 2:12 PM |
| 107 | Having an open space for all ages to play | 6/4/2024 1:05 PM |
| 108 | Maybe make the lazy river circular, so you could float around several times without getting out. Bigger 4foot area for teens and adults to swim around in. | 6/4/2024 12:48 PM |
| 109 | Needs space for people to just swim/walk around | 6/4/2024 12:45 PM |
| 110 | No splash pad or lazy river. Bigger place for children 5-10 to swim | 6/4/2024 11:34 AM |
| 111 | Way more shade. | 6/4/2024 10:45 AM |
| 112 | It doesn't appeal to me. | 6/3/2024 8:59 PM |
| 113 | Taking away the whole Lazy river concept away, and adding a 50 meter lap pool in. | 6/3/2024 4:57 PM |
| 114 | bigger river encircling the whole concept | 6/3/2024 4:02 PM |
| 115 | keep current pool layout. expand operational hours. | 6/3/2024 1:40 PM |
| 116 | 50 meter lap lanes | 6/3/2024 1:03 PM |
| 117 | Bigger river? | 6/3/2024 12:49 PM |
| 118 | Leave the original pool alone | 6/3/2024 11:01 AM |
| 119 | The lazy River layout doesn't make the most sense, why is the entry point into the lazy river in the middle? Also, I would prefer deep water for recreation use. | 6/3/2024 10:35 AM |
| 120 | No River! More lap lanes, more lap swimming hours. Better showers with hot water. | 6/3/2024 9:26 AM |
| 121 | Slightly larger lap lane area. | 6/3/2024 7:31 AM |
| 122 | Not enough kid/family swimming area | 6/2/2024 8:29 PM |
| 123 | Again I don't know. | 6/2/2024 7:32 PM |
| 124 | Adequate, well trained, well paid staff for full season access | 6/2/2024 4:41 PM |
| 125 | N/A | 6/2/2024 3:57 PM |
| 126 | Not sure about the what a lazy river brings to the pool. | 6/2/2024 3:20 PM |
| 127 | Lazy river and more shade. Lazy river needs improvement. | 6/2/2024 1:38 PM |
| 128 | See previous comments. | 6/2/2024 1:07 PM |
| 129 | Completely ridiculous. The pool will be used for decades. This is a very short term trendy concept. | 6/2/2024 12:06 PM |
| 130 | There is no open swim area? I say you take away some of the Lap lane swimming | 6/2/2024 10:29 AM |
| 131 | Do NoT do this | 6/2/2024 9:53 AM |
| 132 | Make the river around existing structures | 6/2/2024 9:28 AM |
| 133 | We definitely need a lazy river-have you seen Salina Ks pool- they have way less population and their pool is incredible !! Please look at it | 6/2/2024 9:25 AM |

| 134 | Get rid of it | 6/2/2024 9:24 AM |
| 135 | I love a good lazy river, but I am afraid it will take up too much space from the regular free swim area. | 6/2/2024 8:59 AM |
| 136 | A second pool elsewhere | 6/2/2024 8:42 AM |
| 137 | More open space to swim | 6/2/2024 8:36 AM |
| 138 | More pool space | 6/2/2024 5:39 AM |
| 139 | There is limited pool space to swim or wade in water without a lap pool. | 6/1/2024 11:57 PM |
| 140 | Longer lazy river! Let's use some real estate and get this river moving around the block. Maybe a sky bridge (aquestrian bridge?) over to Watson park so we can float around over there... | 6/1/2024 11:23 PM |
| 141 | Rentable cabanas | 6/1/2024 10:39 PM |
| 142 | A second location away from downtown to cut down on the number of people this pool serves | 6/1/2024 10:21 PM |
| 143 | You still need a large space for leisure swimming. You need to combine the two concepts. It would be fun to have a lazy river but I'd MUCH MUCH rather have a space to float and be in the water and not have to be in a lap pool or jumping. | 6/1/2024 9:42 PM |
| 144 | No large area for little kids. Small shallow area. | 6/1/2024 8:40 PM |
| 145 | Needs to be bigger | 6/1/2024 8:33 PM |
| 146 | Deep water swim space | 6/1/2024 7:04 PM |
| 147 | Big zero entry for littles | 6/1/2024 6:35 PM |
| 148 | Same as previous, more lap lanes. | 6/1/2024 6:02 PM |
| 149 | Good structural planning. | 6/1/2024 6:01 PM |
| 150 | 50 meter competition pool with dive blocks so our local swim team can practice and host meets. (Summer is long course season). | 6/1/2024 5:49 PM |
| 151 | Bigger lazy river with shade | 6/1/2024 5:16 PM |
| 152 | again there is no space for normal swimmers. | 6/1/2024 3:38 PM |
| 153 | As before, 50M lap lanes would be a significant improvement. | 6/1/2024 3:13 PM |
| 154 | Adding more slides | 6/1/2024 3:12 PM |
| 155 | Bring back the 2nd 1-M driving board as in the original pool as built. More lap lanes. | 6/1/2024 2:54 PM |
| 156 | Updated locker room. Lap swimming available during all open hours. No interest tin the lazy river. I think interest in the river would wane quickly. | 6/1/2024 2:51 PM |
| 157 | 50 meter lap lanes More pool space and less deck surface Medium depth open pool space (4-5 feet deep) | 6/1/2024 2:50 PM |
| 158 | Priority would be given to the lazy river if it were much larger. | 6/1/2024 2:49 PM |
| 159 | More area for pre-teens and teens to be | 6/1/2024 2:49 PM |
| 160 | Lazy river that goes around all the pools. Make it longer! | 6/1/2024 2:48 PM |
| 161 | Smaller lazy river with more leisure pool space Extra seating and shade! | 6/1/2024 2:22 PM |
| 162 | N/A | 6/1/2024 2:16 PM |
| 163 | I like this one! Nothing! | 6/1/2024 2:10 PM |
| 164 | Nothing would make this better. A lazy river is stupid and we already have two splash pads in Lawrence. Improve what we already have and make the facility safer and more secure instead of wasting our money on stupid concepts that make no sense. | 6/1/2024 2:10 PM |
| 165 | More space | 6/1/2024 2:06 PM |

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 2

|-----|---|-------------------|
| 166 | More pool space | 6/1/2024 2:05 PM |
| 167 | This lazy river looks like it could really face a lot of congestion with only one entry/exit and with that bottle neck. I'd REALLY encourage looking up the plans from Dodge City Ks water park! They combine a lazy river with other attractions and I think that works well compared to this more stand alone lazy river. In practice, theirs it also allows for multiple exit points when busy and traffic gets backed up. Additionally theirs makes the lazy river more accessibility friendly because it offers the gradual entry usable for the lazy river too, you don't have to fight through swimmers with a tube to join. Seems like Dodge's plans could offer some inspiration to draw from for how to work with this space. More bang for your buck with the small footprint you're working with! But would really really love a lazy river here in Lawrence! I know people travel to Eudora just for a lazy river, that means lost business for the Lawrence pool! | 6/1/2024 2:05 PM |
| 168 | the pool is still way too small | 6/1/2024 2:04 PM |
| 169 | More water space | 6/1/2024 2:02 PM |
| 170 | Keep the river - but don't sacrifice free swim area | 6/1/2024 1:55 PM |
| 171 | The river doesn't really work with our demographic | 6/1/2024 1:52 PM |
| 172 | no splash pad, teen area | 6/1/2024 1:41 PM |
| 173 | Deep Open swim area | 6/1/2024 1:41 PM |
| 174 | Deeper lazy river | 6/1/2024 1:40 PM |
| 175 | more swim area | 6/1/2024 1:39 PM |
| 176 | Lazy river | 6/1/2024 1:39 PM |
| 177 | Shad | 6/1/2024 1:36 PM |
| 178 | Bigger lazy river | 6/1/2024 1:33 PM |
| 179 | I love the big river! | 6/1/2024 1:21 PM |
| 180 | How much less SF of water space in these designs? This pool gets crowded—are you going to let kids hang out in the lap lanes? | 6/1/2024 1:08 PM |
| 181 | Need bigger pools, more swimming areas | 6/1/2024 12:15 PM |
| 182 | Shades with solar, pathways | 6/1/2024 11:30 AM |
| 183 | Shades & solar to help keep cost of entry down, it's not Worlds/Oceans of fun! | 6/1/2024 11:24 AM |
| 184 | Waterfall and/or spray fountain features as part of lazy river. More free swim space for families (not lap swimming). | 6/1/2024 10:48 AM |
| 185 | A lazy river is a nice idea, but the space allocated looks too small for it to be effective. The zero depth entry space in the current pool is where many people sit and socialize. Does this design support similar social interactions? | 6/1/2024 10:30 AM |
| 186 | Love the lazy river idea, but not sure how it's going to 'work' (since it's not in an ongoing shape but there's a beginning and end). Would still need a leisure swim area that's larger than pictured. | 6/1/2024 10:04 AM |
| 187 | Rentable cabanas | 6/1/2024 9:59 AM |
| 188 | Not a lot of water space to play for middle school/teens, if lanes are opened. It would be important that during peak times, or for Boys and Girls Club that lane area is open for space. More shade sails. | 6/1/2024 9:49 AM |
| 189 | Needs better options for toddlers and parents with kids of all ages. | 6/1/2024 9:13 AM |
| 190 | Less wasted concrete space | 6/1/2024 8:56 AM |
| 191 | more lap lanes | 6/1/2024 8:31 AM |
| 192 | Larger swim area for littles. Bigger zero depth and more fun things to climb and play on in the water | 6/1/2024 8:27 AM |
| 193 | Seems workable | 6/1/2024 8:11 AM |

| 197 | Combine both concept 1 and 2 | 6/1/2024 6:43 AM |
| 198 | Not spending this money on renovation, instead spending it on more splash pads or another pool to service our overtaxed and underserved community. | 6/1/2024 6:11 AM |

| 203 | Larger pool flowing into the lazy River, 3 water sides, jacuzzi please-new bathrooms as ours have been gross for over ten years | 6/1/2024 1:03 AM |
| 204 | More of a kids area within the actual swimming pools not just a splash pad | 6/1/2024 12:23 AM |
| 205 | Cabanas | 5/31/2024 11:58 PM |
| 206 | Open pool space not just lap lanes only 8 people can use at a time. Not worth the waste of space and water for who it can accompany. | 5/31/2024 11:50 PM |
| 207 | Racing slide going into areas 17 for little kids | 5/31/2024 11:36 PM |
| 208 | Would like more activities like a wave pool or pool with stuff in it as opposed to just a lap pool. That is boring and does not serve a majority of the community. | 5/31/2024 11:32 PM |
| 209 | More room for swimming for fun | 5/31/2024 11:06 PM |
| 210 | Can't think of anything | 5/31/2024 10:46 PM |
| 211 | Bigger leisure swimming pool | 5/31/2024 10:31 PM |
| 212 | the lazy river could be deeper, or you could add a large area of 4'-5' deep water for adults and teens to use for unstructured aquatic activity. put in a basketball hoop or something. if you removed everything else in this proposal and just had a large rectangle of water that transitioned from shallow to deep with no other amenities, i think that would be a superior concept. | 5/31/2024 10:08 PM |
| 213 | Lazy river | 5/31/2024 10:05 PM |
| 214 | Access for walkers and wheelchairs | 5/31/2024 9:59 PM |
| 215 | Connect the pools. Less lanes, more 4-6' depth open swim area for adults and teens to enjoy. | 5/31/2024 9:52 PM |
| 216 | Many more shade structures. A no-cost wading pool available all day to replace the south park wading pool. | 5/31/2024 9:39 PM |
| 217 | It's essentially the same as the other model. AGAIN A 50 METER POOL FOR SWIM TEAMS IS NEEDED. LAWRENCE HAS NOT HOSTED A SWIM CLUB MEET SINCE 2019!!! | 5/31/2024 9:06 PM |
| 218 | Larger lazy river around the complex | 5/31/2024 8:52 PM |
| 219 | Lazy River in a circle or oval so you can float a few laps instead of floating and getting out | 5/31/2024 8:18 PM |
| 220 | This entire concept is terrible. | 5/31/2024 8:15 PM |
| 221 | Bigger regular pool area. | 5/31/2024 8:12 PM |
| 222 | Bigger lazy river | 5/31/2024 8:07 PM |
| 223 | A larger shallow area | 5/31/2024 7:51 PM |
| 224 | I does not seem like there is a large place for people to just swim and have fun. | 5/31/2024 7:17 PM |

| 226 | More shallow water | 5/31/2024 6:40 PM |
| 227 | More shade. Get the chairs away from the confession area and replace with tables. Expand the whole park. It is too small. It need more and bigger slides and tubes. The 'slides' are too small | 5/31/2024 6:23 PM |
| 228 | Generally dislike like this. | 5/31/2024 6:13 PM |
| 229 | Fewer lap lanes! This is a family pool. Lawrence lacks sufficient space for families with children. We never see lap lanes utilized. Move them to indoor aquatic center (where time for free swim is limited anyway) or open that area for "free swim" most of the time (lap lanes in the early morning when lessons are occurring). Larger space for non-lap-lane swimmers AND a Lazy River. | 5/31/2024 6:01 PM |
| 230 | Larger area to accommodate bigger pool and lazy river . | 5/31/2024 5:56 PM |
| 231 | Build up! Build something like a walkway/bridge over the lazy river. It would double as a spot to provide additional activities and also a little shade here and there over the lazy river. | 5/31/2024 5:54 PM |
| 232 | Brewer lanes and more swim area | 5/31/2024 5:48 PM |
| 233 | Need more space for elementary age swimmers. That 3-6 area is going to be very crowded. Ads basketball or something to lap lanes and have that area open for fun play in afternoons at least. | 5/31/2024 5:48 PM |
| 234 | Kn | 5/31/2024 5:38 PM |
| 235 | Not everyone will go in the lazy river which means people will leisurely swim in the lap lanes meant for exercise | 5/31/2024 5:27 PM |
| 236 | Just don't do it. Waste of space | 5/31/2024 5:21 PM |
| 237 | Larger lazy river. Less laps more free swim area | 5/31/2024 5:12 PM |
| 238 | Love the lazy river | 5/31/2024 5:10 PM |
| 239 | Once again I think the lap lanes should be, in this example, completely removed in favor for an open pool for adolescents to use. That's 4' deep or deeper. Add basketball goals or water polo nets. Teenagers will absolutely walk all over the lazy River and given that there isn't an open pool, that WILL be where the congregate. Ultimately, for an outdoor entertainment space, swimming laps is completely out of place, and even more so on design 2 than design 1. I also think the 0 depth pool is oddly small considering the available space. Why leave that area open to simply become a hot concrete no man's land? Move the new Pavillion to the tanning section, rotate the 0 depth pool 60 degrees to the left, and expand the lazy river. | 5/31/2024 5:03 PM |
| 240 | Unblock the lap lanes during regular hours | 5/31/2024 4:55 PM |
| 241 | Remove lanes during regular hours. Plenty of space for open swimming | 5/31/2024 4:53 PM |
| 242 | This sounds awesome. | 5/31/2024 4:52 PM |
| 243 | Longer lap lanes. | 5/31/2024 4:47 PM |
| 244 | Longer lazy river! Let it wind longer and put seating in the middle, having patrons cross a bridge over a river to get to it. SO much potential to be a destination pool. Still too much concrete and not enough water. | 5/31/2024 4:46 PM |
| 245 | Lazy river should circle at least some of the facility. | 5/31/2024 4:38 PM |
| 246 | Lazy river but not making shallow pool smaller. Take a look at the Gardner pool or Shawnee North | 5/31/2024 4:38 PM |
| 247 | Early morning river walks (against the current) as fitness activity | 5/31/2024 4:21 PM |
| 248 | The river needs to flow in a loop. That's what makes it a river. It's too short. Have it go around the zero depth entry and not connect to it. There is a risk that small children will get pulled in because of the water flow. The best would be a river that flows around the splash are and zero depth so that parents can watch their children while they float. | 5/31/2024 4:13 PM |
| 249 | Maintaining a medium depth open pool for older children. This is another important feature for Playground Camp staff! | 5/31/2024 4:04 PM |

| 257 | River appears to be squished into the space. Larger or more open concept. | 5/31/2024 3:20 PM |
| 258 | No point in having a "river" if it's really a lake - either you go around the area or it's pointless | 5/31/2024 3:19 PM |
| 259 | ANYTHING.... THERE IS STILL NOTHING TO ENGAGE PRETEENS AND TEENS,,,,, NOTHING FOR ADULTS.well at least they get a lazy river in this one... BORING STUFF FO TODDLERS and you took away their current fun stuff | 5/31/2024 3:15 PM |
| 260 | I don't think the lazy river feature will be big enough in the space provided for it to be a fully enjoyable experience. | 5/31/2024 3:13 PM |
| 261 | More kids stuff | 5/31/2024 3:11 PM |
| 262 | The lazy river is odd. Just a pool with a divider. It also does not have much general pool for fun, so that would potentially encroach into the lap pool. | 5/31/2024 3:11 PM |
| 263 | Ditch the splash pad and add more shallow Swimming area | 5/31/2024 3:10 PM |

| 271 | Same as concept 1 - where is the space for tweens/teens to go over diving rings, play with friends, etc in water deeper than 3' 6"? | 5/31/2024 2:21 PM |
| 272 | Fewer lap lanes and more free swim space. | 5/31/2024 2:13 PM |
| 273 | If adding another slide is it possible to do one that multiple people can ride together? Topeka has several and my younger kids love them | 5/31/2024 2:13 PM |
| 274 | This plan is awful. Not ultra functional with lots of wasted space. Gimicky and not suitable for a large community | 5/31/2024 2:06 PM |
| 275 | Same as with Concept 1, the concept should include expansion of the aquatic center. It has become too small for the population of Lawrence. | 5/31/2024 1:53 PM |
| 276 | Bigger river! | 5/31/2024 1:50 PM |
| 277 | I don't quite like the lazy river, lawrence is a town filled with young people who don't really care about a lazy river | 5/31/2024 1:45 PM |
| 278 | Definitely bigger lazy river or different design. It looks very basic from this concept. | 5/31/2024 1:45 PM |

| 282 | There isn't a good children's swim area so they will all end up standing or running in the lazy river | 5/31/2024 1:11 PM |
| 283 | Seems like the lazy river takes up a lot of space. I think lap swimming should be moved to indoor spaces or reduced to make room for lazy river and open swim spaces. | 5/31/2024 12:52 PM |
| 284 | More shallow water space - remove the splash pad and put in a play structure instead (like what Gardner has) | 5/31/2024 12:50 PM |
| 285 | More shade. | 5/31/2024 12:49 PM |
| 286 | More actual water space | 5/31/2024 12:46 PM |
| 287 | I don't know. I think the lazy river would be really appreciated by many. | 5/31/2024 12:21 PM |
| 288 | Larger pool area | 5/31/2024 12:10 PM |
| 289 | Too many lane s | 5/31/2024 12:05 PM |
| 290 | Again, so many lap lanes! Reduce the lap lanes to create additional space for leisure swimming. There's hardly anywhere for older kids that can swim to play! | 5/31/2024 11:41 AM |
| 291 | Concerned about the reduction of common swimming space | 5/31/2024 11:34 AM |
| 292 | The lazy River is one of the most common things my family uses. I will not come to downtown Lawrence where I already feel unsafe with countless homeless people for a back yard pool experience. | 5/31/2024 11:28 AM |
| 293 | More space for young kids. This looks like amenities for elderly who want to swim laps is all you care about. Young kids can't do a lazy river by themselves. Am I supposed to have my 4 kids hanging off of me in the lazy river? | 5/31/2024 11:27 AM |
| 294 | The lazy river would cause people who didn't want to swim in lazy river to be crowded in the other part of pool | 5/31/2024 11:25 AM |
| 295 | More space for younger kids to play in lower depth water | 5/31/2024 11:17 AM |
| 296 | Free to use cabanas | 5/31/2024 11:15 AM |
| 297 | More zero entry space for little toddlers. | 5/31/2024 11:09 AM |
| 298 | Omission of lazy river. Better suited for larger water park | 5/31/2024 10:38 AM |
| 299 | More pooch plunges | 5/31/2024 10:30 AM |
| 300 | I think limiting the shallow water space is a big mistake. A lazy river sounds fun but it doesn't sound fun when it will be busy as the the single outdoor public pool has been the last several years. | 5/31/2024 10:30 AM |
| 301 | More swim area. | 5/31/2024 10:10 AM |
| 302 | If the lazy river connects to the new water slide and bridges to go over where the lazy river meets the water slide outlet | 5/31/2024 10:02 AM |
| 303 | Lazy River is a circle | 5/31/2024 10:01 AM |
| 304 | None | 5/31/2024 9:59 AM |
| 305 | Less lap lanes. More open swim space | 5/31/2024 9:55 AM |
| 306 | A continuous lazy river, so one could do "laps" around instead of going one end to the other & turning back. | 5/31/2024 9:53 AM |
| 307 | More shallow water space. | 5/31/2024 9:31 AM |
| 308 | Will the lap lane area be closed for open swim...if so this doesn't seem like enough open area as much as I want a lazy river | 5/31/2024 9:25 AM |
| 309 | A little more "free play" space | 5/31/2024 9:20 AM |
| 310 | Combining the 2 concepts. Read what I wrote under other on both concepts. | 5/31/2024 9:20 AM |
| 311 | More pool, no splash pad. Lawrence already has 2 splash parks that are free. | 5/31/2024 9:14 AM |

| 313 | Bigger recreation swim area | 5/31/2024 9:10 AM |
| 314 | I love this one! I love the lazy river idea! | 5/31/2024 9:09 AM |
| 315 | Maybe just trying to see if the lazy river could be longer? | 5/31/2024 8:58 AM |
| 316 | Larger shallow water space; looks like there is plenty of room to add more. | 5/31/2024 8:55 AM |
| 317 | This is great! But again, maybe separate lap lanes from slides | 5/31/2024 8:54 AM |
| 318 | Having a larger shallow water area for adults and children | 5/31/2024 8:53 AM |
| 319 | More open swim space with room to throw balls | 5/31/2024 8:44 AM |
| 320 | Designated swim area for 0-5 | 5/31/2024 8:42 AM |
| 321 | A proper 50m pool that is 25 yards across | 5/31/2024 8:38 AM |
| 322 | More still water space on the deeper end of the shallow area | 5/31/2024 8:37 AM |
| 323 | I love a Lazy River, but not at the cost of a general swimming area? This is a river, kiddie pool, and lap lanes, that's it. | 5/31/2024 8:34 AM |
| 324 | More Diving boards | 5/31/2024 8:28 AM |
| 325 | A 5 meter high dive | 5/31/2024 8:27 AM |
| 326 | Not really a fan of this concept. It feels mainly geared toward adults and older kids/teens and not very family friendly. The leisure pool area is small enough that I think kids would just end up playing in the lazy river and defeat the purpose of it. | 5/31/2024 8:26 AM |
| 327 | More activities in shallow water area | 5/31/2024 8:19 AM |
| 328 | No lazy River | 5/31/2024 8:17 AM |
| 329 | Unsure | 5/31/2024 8:17 AM |
| 330 | Anything that would make it kids and families friendly. | 5/31/2024 8:12 AM |
| 331 | More shade. The river should go around the whole pool, not just a small area. As drawn this is a waste of space. New changing rooms. Make the whole pool larger. | 5/31/2024 8:07 AM |
| 332 | Fewer lap lanes | 5/31/2024 8:05 AM |
| 333 | More swimming space. I do like the lazy river idea, but not at the expense of general swim space. | 5/31/2024 7:59 AM |
| 334 | Tubes for lazy river if not already included | 5/31/2024 7:56 AM |
| 335 | No lazy river. Where are older kids supposed to hang out and openly swim? | 5/31/2024 7:55 AM |
| 336 | I think an even split between the big river and the zero entry would be better. But again I feel like there should be more! | 5/31/2024 7:43 AM |
| 337 | River goes around the whole aquatic center | 5/31/2024 7:37 AM |
| 338 | Less lap lanes more open swim | 5/31/2024 7:26 AM |
| 339 | More open water swim and less lap swim | 5/31/2024 7:20 AM |
| 340 | Take out big river | 5/31/2024 7:17 AM |
| 341 | OPEN SWIM SPACE FOR BIG KIDS AND TEENS. These options all focus on younger children and truly the majority of kids who visit the pool are older. (BGC for example is all school age). Teens also need space. | 5/31/2024 7:16 AM |
| 342 | Smaller river with more shallow water swim space. Teenagers could use the river and you get kids get their shallow space, but I think this will get crowded. | 5/31/2024 7:09 AM |
| 343 | Catering to the age group that brings in money for the pool. Teens/Tweens. There is not enough open water to allow them space "to play". | 5/31/2024 6:58 AM |

| 344 | When are all those lap lanes being used? Other than a swim team, is this a feature the public actually wants and engaged with much? Feels like half of those of those lanes would be adequate. Separate those into just a lap pool on the south side. Blow up the fun features. Make the lazy river bigger. Have multiple big slides that are unique from each other. Create an over the top spray park experience that engages kids up through 10. Seriously, put down real money and future focused plan into this project. Pleas, get this public project done currently!!! And...when it comes to needing a lot of laps for swim teams, etc. We have a large lap pool in town at the aquatic center. This design/plan/renovation should be focused on providing family fun, kids of all ages type of complex. Oh, and if you need more space use the park to the north. Let's go really get this done correctly! | 5/31/2024 6:55 AM |
| 345 | More shade | 5/31/2024 6:54 AM |
| 346 | Wading pool for infants | 5/31/2024 6:49 AM |
| 347 | More free swim area | 5/31/2024 6:29 AM |
| 348 | More space | 5/31/2024 6:26 AM |
| 349 | More open swim areas and more space for younger kids to play. | 5/31/2024 6:20 AM |
| 350 | Keeping shallow water area for kids to play | 5/31/2024 6:00 AM |
| 351 | Lap lanes should only be available during designated hours. They should otherwise be opened up for general use/leisure swim and play. | 5/31/2024 5:59 AM |
| 352 | Less lap lanes | 5/31/2024 3:13 AM |
| 353 | Again, adding a play structure in zero depth like Black Bob Bay. Lazy River is best option so far. | 5/31/2024 2:42 AM |
| 354 | More zero depth space. | 5/31/2024 2:27 AM |
| 355 | Larger shallow to deep swimming area. | 5/31/2024 2:10 AM |
| 356 | Just a normal lazy river | 5/31/2024 1:34 AM |
| 357 | Again, fewer lap lanes or ways to decrease them during peak attendance hours for open swim | 5/31/2024 12:34 AM |
| 358 | Less swim lanes so there is a deeper leisure swim area | 5/31/2024 12:23 AM |
| 359 | Still decreasing water space and there isn't large spaces to cool off, which is difficult when you can't get in the water because it's already crowded. | 5/31/2024 12:19 AM |
| 360 | Slides into shallow water for smaller children, even more shade. | 5/31/2024 12:11 AM |
| 361 | More shade structures or bigger ones. | 5/31/2024 12:08 AM |
| 362 | Larger shallow water area | 5/31/2024 12:07 AM |
| 363 | After seeing this map compared to the first one, I think big river really reduces pool space. The river is a great idea, but this design seems to really reduce the "open swim" kind of spaces | 5/30/2024 11:42 PM |
| 364 | Like the idea of a lazy River, but this design is awful. There is barely a swim area. How about remove the splash pad, reduce the lap pool size and expand the swim area that kids can use. | 5/30/2024 11:42 PM |
| 365 | A little more area just for playing in the water | 5/30/2024 11:34 PM |
| 366 | More kids area | 5/30/2024 11:31 PM |
| 367 | More zero entry/wading area in the "pool zone" (vs splash pad area) | 5/30/2024 11:26 PM |
| 368 | Get rid of or reduce lap lanes and have more leisure swim space. | 5/30/2024 11:19 PM |
| 369 | More slides | 5/30/2024 11:19 PM |
| 370 | See above | 5/30/2024 11:11 PM |
| 371 | No lap lanes. I think we need to recognize that the outdoor pool is primarily for kids. Adults who come to swim laps are a significantly smaller population and there is designated space for that at the indoor pool. | 5/30/2024 11:01 PM |
| 372 | Nowhere near enough space for kids to just swim and play. | 5/30/2024 10:59 PM |

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 2

|-----|--|--------------------|
| 373 | More open swimming or options for kids/beginning swimmers. Maybe fewer lap lanes are needed? | 5/30/2024 10:51 PM |
| 374 | More shallower swim area | 5/30/2024 10:48 PM |
| 375 | combing the two concepts | 5/30/2024 10:44 PM |
| 376 | A slide for littles and a bball. During open swim hours I wish there were not as many swim lanes because it's a waste of space. People that wanna swim laps don't wanna swim during crazy busy times anyway | 5/30/2024 10:34 PM |
| 377 | Larger shallow, children areas | 5/30/2024 10:26 PM |
| 378 | Lazy river should go in a circle. Are adults expected to leisurely hang out in the lap lane area? If not then the leisure swimming area is too small. | 5/30/2024 10:25 PM |
| 379 | Love it! | 5/30/2024 10:23 PM |
| 380 | No lazy river. 50 Meter pool | 5/30/2024 10:22 PM |
| 381 | Bigger swim area for the little kids. There's already two splash pads in town, we're looking for more of a place to swim and slide. | 5/30/2024 10:22 PM |
| 382 | Again, we need as much free swimming space for kids of all ages. Adults wanting to swim laps can go to the indoor aquatic center, Genesis, or swim laps earlier in the day. | 5/30/2024 10:20 PM |
| 383 | This and also more recreational swimming area | 5/30/2024 10:19 PM |
| 384 | More shallow water space. | 5/30/2024 10:14 PM |
| 385 | The lazy river seems small | 5/30/2024 10:08 PM |

| 395 | More open swim areas and water slides | 5/30/2024 9:59 PM |
| 396 | Have the lazy river wrap around (like a "U" shape) the zero entry pool area so that people don't get in the way of the lazy river riders and vice versa. (Similar to the Shawnee lazy river) also, more shaded areas. When lanes are not in use (restrict hours) have that area be a rope climb or floating walkway for advanced swimmers. | 5/30/2024 9:58 PM |
| 397 | Smaller lazy river with more shallow water play area | 5/30/2024 9:56 PM |

| 426 | I like the idea of a lazy river. Our family does go to the Eudora pool more frequently than Lawrence because of the lower cost and lazy river feature. But again, I am most sad to see the wading pool go in South Park. | 5/30/2024 9:05 PM |

| 430 | Lazy river is cool. My kids are just too young now and fear it wouldn't be usable for us for several Years. Would likely be too busy to enjoy also. Could use that space for more functional usage. | 5/30/2024 8:44 PM |
| 431 | MUCH more space for shallow pool area. Kids need more space to learn to swim and practice their skills. The design needs to encourage active movement in water, not being lazy. Need better entries for people with disabilities and mobility limitations. Lift chairs are not welcoming. | 5/30/2024 1:34 PM |
| 432 | Rentable cabanas | 5/30/2024 12:22 PM |
| 433 | More pool, less concrete. This wastes more space than concept 1. | 5/30/2024 5:24 AM |
| 434 | Why not remove pavilion 20 to accommodate larger zero depth area? More people would enjoy a larger kid wading area than the pavilion. | 5/29/2024 11:16 PM |
| 435 | 50m pool, free cabanas, better use of space so MORE people can use it not less | 5/29/2024 8:39 PM |

| 445 | Why are you getting rid of all the teen free space? | 5/29/2024 1:11 PM |
| 446 | No splash pad area. We have two brand new splash pad areas in town. Zero depth entry instead to help our individuals with limited mobility | 5/29/2024 12:38 PM |

| 450 | The lazy river really ought to go around the perimeter of the property, not be contained in a tiny loop. That's not a lazy river, it's a tight rotating pool. If the lazy river went around the area, there would be far more room for shallow water space and more water features. | 5/29/2024 12:35 AM |

| 459 | Larger shallow area. | 5/25/2024 10:23 PM |
| 460 | We need more leisure pool space - our current pool is often crowded. The lazy river is a cool idea but would take away swimming space for older kids and families. | 5/25/2024 12:05 PM |

| 462 | A lazy river. | 5/24/2024 9:18 AM |
| 463 | TOO MANY LAP LANES!!! There is a whole indoor pool for lap lane use. There should be a MAX of 3 lanes. They simply are not as utilized during regular pool hours. Make room for 3-5 foot depth of water so older kids have place to hang out too. | 5/24/2024 7:16 AM |
| 464 | More shade sails | 5/23/2024 7:46 PM |

| 470 | making the lazy river go off the lap lanes instead of the little kid area. And then make the leisure pool area bigger. | 5/23/2024 9:58 AM |
| 471 | Maybe no splash pad- and make a bigger zero entry and later build a splash pad somewhere else that way again families are split trying to have kids in both zones | 5/23/2024 9:05 AM |

| 480 | Not spend as much money. The City cannot staff its new Fire Truck because of a lack of manpower. For the past several years the City Aquatic Centers have opened late and closed early due to staffing shortages. Why spend \$6.1M on the Aquatic Center when the fire department is understaffed? I'd rather have general maintenance done on the Aquatic Center and the remainder CIP allocated to paying bonuses to recruit more fire fighters. | 5/22/2024 1:30 PM |
| 481 | There is not *nearly* enough space for open swimming, with this design. The lap lanes need to be ditched during afternoon times, and then it might approach acceptable. | 5/22/2024 12:42 PM |
| 482 | Don't like the lazy river concept. Takes up too much space and limits the number of individuals using that space. | 5/22/2024 12:35 PM |

| 488 | This design is very cool. 1hr adult only swim every day in afternoon/evening | 5/22/2024 8:56 AM |
| 489 | the lazy river needs to be continuous and wrap around the full perimeter for a longer ride with multiple entry/egress areas | 5/22/2024 8:47 AM |
| 490 | More pool area for families to teach their children to swim | 5/22/2024 8:42 AM |

This general arrangement seems like it would require more lifeguards to oversee the various features and hiring lifeguards was one problem listed in previous years for why the pool was not open early and late in the season as well as some regular hours. | 5/21/2024 3:45 PM |

| 34 | Overall, favorite | 6/1/2024 2:17 PM |
| 35 | This approach feels more balanced! Concern again is that there's no great way to utilize the gradual entry area to access the lazy river though. People love accessibility!! (Though using the lift (15) and hooking round to the river might be possible. | 6/1/2024 2:14 PM |

| 45 | Go big on the river and offer times people can walk against the current for exercise. | 5/31/2024 11:59 PM |
| 46 | this is another design which seems to be based on the weird notion that everybody who goes to the pool is a lap swimmer or a family with small children. splash pads are fine. lawrence already has several of those. what lawrence actually needs is an outdoor aquatic center with a large area of somewhat deep (4-5') water that adults and teens can use for unstructured activity. this is another proposal which is less preferable to the current layout, or even just a large sloping rectangle. | 5/31/2024 10:16 PM |
| 47 | Walker and wheelchair access | 5/31/2024 10:01 PM |

| 49 | All these models are not different. Lawrence already has splash pads that cater to baby children. The foot print needs to be expanded. Have a 50 meter pool. Just put a combination of the entertainment parts. That is all you are really caring about with these concepts. That is the only thing you are changing and asking about. | 5/31/2024 9:09 PM |

| 64 | This is better but still the best option would be a second pool. Anytime I see the that all the boys and girl clubs kids are at the pool I don't want to go. The pool is too small for this city. We need a second pool. Making these changes does not solve the problem. I live a block away from the pool and very frequently don't want to take my daughter because it is too crowded. | 5/31/2024 10:32 AM |

| 9 | AGAIN, not a fan of the lazy river addition and loss of leisure swimming area. I even like the design of the leisure swimming area more in Concept 3! Please, please consider making this option a priority. | 6/12/2024 12:52 PM |
| 10 | More shaded areas | 6/12/2024 7:47 AM |
| 11 | Giving east Lawrence a pool | 6/11/2024 10:02 PM |
| 12 | A place for us to swim man | 6/11/2024 6:46 PM |
| 13 | No splash pad and use more space for pools | 6/11/2024 4:31 PM |
| 14 | Having an open pool for people to play in | 6/11/2024 1:07 PM |
| 15 | Less cement. Dedicated 50 or 25 meter lap lanes | 6/11/2024 9:33 AM |
| 16 | Half the lap lanes open for open swim | 6/11/2024 7:30 AM |
| 17 | I think the lazy river is a waste of square footage. Lazy rivers need to be long and lazy not just a little curve. Leave the pool the way it is layout wise. Add a few more water toys/features. Add some cabanas. Get rid of the grass, add some more chairs. | 6/10/2024 10:09 PM |
| 18 | Climbing equipment for kids in splash park | 6/10/2024 9:26 PM |
| 19 | I like the two entrances and exits for the lazy river and the water feature in the shallow area but again this doesn't allow big open swim area to play other than the lazy river unless the lap lanes are put up during open swim times or paired down. | 6/10/2024 8:33 PM |
| 20 | Eliminate lazy river and more lane space | 6/10/2024 7:56 PM |
| 21 | Wave pool | 6/10/2024 7:44 PM |
| 22 | Deeper lap lanes | 6/10/2024 6:01 PM |

| 31 | ply structure in shallow end (slides, water features for younger children) | 6/10/2024 1:41 PM |
| 32 | Again this will be congested in trying to do a little bit of everything. Any inclusion of a lazy river will likely be a mistake in the end. Designs 1 and 4 accomodate more people, freer movement, and greater functionality by being focused on one larger element. | 6/10/2024 1:39 PM |
| 33 | It seems most people use the pool as a leisure area for free play, especially those with kids who are swimming, but need an adult in the water with them. This plan 3 seems to strike a better balance between features. However, it might be time for Lawrence to consider building an additional outdoor pool in an area of town where the population is growing. The current pool seems beyond capacity for the size of the city, so having another pool as we grow to the south and east (thinking Panasonic plant coming in to the east) would be really nice as a goal. | 6/10/2024 8:13 AM |
| 34 | Keep the lap pool at 50m. | 6/10/2024 8:02 AM |

| 40 | Like this the best of the three concepts but kids water features | 6/8/2024 4:18 PM |
| 41 | keep a big open swimming pool for swimming- not zero depth or a lazy river. How do people in wheelchairs the lazy river or a slide? | 6/8/2024 1:02 PM |

| 47 | You are taking away so much pool that adults use right now. The lazy river looks so small. Seems like it would be very congested area. | 6/7/2024 9:34 PM |
| 48 | Less lap lanes, add another Pavillion | 6/7/2024 8:13 PM |
| 49 | Bigger lazy river | 6/7/2024 3:22 PM |
| 50 | more seating | 6/7/2024 3:21 PM |
| 51 | Having the pools connected. | 6/7/2024 3:17 PM |
| 52 | NA | 6/7/2024 3:14 PM |
| 53 | 50 meter lap lanes | 6/7/2024 11:52 AM |
| 54 | Splash Pad should be Phase 2 and moved outside of the aquatic center, closer to the playground area. This would allow for a larger open pool area and maybe a longer lazy river. | 6/7/2024 10:36 AM |
| 55 | Small water slides for the little kids | 6/6/2024 12:37 PM |
| 56 | where is the space for little kiddos | 6/6/2024 8:32 AM |
| 57 | This is better than design 2, but the lazy river is still a poor use of space and would be better to replace it with a larger leisure pool. | 6/5/2024 8:28 PM |
| 58 | More water, more shade, open more hours | 6/5/2024 8:20 PM |
| 59 | No space for playing, learning to swim. | 6/5/2024 8:16 PM |
| 60 | No splash pad | 6/5/2024 7:22 PM |
| 61 | I know I'm repeating myself, but again - There needs to be deeper and more leisure swim water | 6/5/2024 6:31 PM |

(up to 5 ft) and fewer (or no) lap lanes. Lap swimmers can go to the indoor pool, or lap lanes can be made available for morning swims when the "leisure" part of the pool isn't open.

| 71 | More open swim area | 6/5/2024 1:38 PM |
| 72 | Also just feels smaller, assuming you have to be on a tube to be in the lazy river and lap swimming in the lanes. doesn't feel like a lot of room for play | 6/5/2024 1:31 PM |

| 112 | 50m pool | 6/2/2024 9:25 AM |
| 113 | If there is a lazy river, this should be the design! Much better balance. I think shade structures should be more plentiful. | 6/2/2024 9:00 AM |

| 125 | no space for normal swimmers, do not like the idea of having to worry about inner tubes | 6/1/2024 3:39 PM |
| 126 | As before, 50M lap lanes would be a significant improvement | 6/1/2024 3:14 PM |
| 127 | More lap lanes and 1M diving boards - Return to 2. Place direct solar heaters on roofs for the shower rooms. More heating of pool water. | 6/1/2024 2:55 PM |

| 151 | The flow and balance of activities seems better accomplished with this plan. Is a separate splash pad needed given other splash pads in Lawrence. Does this option provide enough recreation space for swimmers? | 6/1/2024 10:33 AM |
| 152 | Need more space for concepts 2 & 3. Neither seem to allow much space for older kids to high school age. Like the concept of a lazy river, but can't envision how it will work and see a big need for an area for older kids to swim around without having to navigate babies and toddlers. | 6/1/2024 10:06 AM |
| 153 | Not a lot of water space to play for middle school/teens, if lanes are opened. It would be important that during peak times, or for Boys and Girls Club that lane area is open for space. Larger shallow or lazy river area, but space may not permit that | 6/1/2024 10:05 AM |
| 154 | Larger Lazy River | 6/1/2024 9:59 AM |
| 155 | Anything that makes it safer for toddlers | 6/1/2024 9:13 AM |
| 156 | This seems to be the best option for all however there is still a lot of wasted concrete space and the layout could be much better | 6/1/2024 8:59 AM |
| 157 | more lap lanes | 6/1/2024 8:32 AM |
| 158 | Need an area for older kids to swim around, like 4-6ft range and basketball goal or just open | 6/1/2024 8:29 AM |

swimming that isn't laps and isn't for little kids

|-----|---|--------------------|
| 159 | Why the splash pad?? A new splash pad could go anywhere and there's already several in town. It's really not that fun for most kids and it wastes a lot of sauce that could be for fun | 6/1/2024 8:14 AM |
| 160 | This one looks great | 6/1/2024 7:41 AM |
| 161 | Incorporating the splash pad area with some water features for older kids in the pool instead of separate | 6/1/2024 7:23 AM |
| 162 | More affordable entrance fees | 6/1/2024 7:00 AM |
| 163 | Make it all bigger | 6/1/2024 6:43 AM |
| 164 | Spend this money serving more of our community instead of renovating an area already functionally being served. | 6/1/2024 6:16 AM |
| 165 | More seating | 6/1/2024 5:58 AM |
| 166 | This one is my favorite option | 6/1/2024 5:24 AM |
| 167 | More slides | 6/1/2024 1:26 AM |
| 168 | Larger pools and lazy River | 6/1/2024 1:06 AM |
| 169 | See previous comment | 5/31/2024 11:59 PM |
| 170 | Little more shade. Add a racing slide | 5/31/2024 11:42 PM |
| 171 | More swim areas | 5/31/2024 11:07 PM |
| 172 | Keep little kids area further from entrance so littles can't slip through | 5/31/2024 10:47 PM |
| 173 | It's great | 5/31/2024 10:19 PM |
| 174 | all of these concepts are slight variations on the same bad idea. removing the moderately deep (4-5') section for teens and adults to engage in unstructured aquatic activity is a mistake and would make a large amount of the pool's frequent guests no longer have a space at the outdoor aquatic center. if any of these plans were enacted i would probably stop going to the pool entirely. these plans were all designed without consideration for people like me and i'm unsure where in this proposal you would expect me to swim. | 5/31/2024 10:16 PM |
| 175 | Seems to be a combination of concepts 1 and 2 | 5/31/2024 10:05 PM |
| 176 | Walker and wheelchair access | 5/31/2024 10:01 PM |
| 177 | See prior comments. | 5/31/2024 9:54 PM |
| 178 | More shade. Wading pool associated 2ith the splash pad | 5/31/2024 9:42 PM |
| 179 | 50 meter pool. Bigger foot print to allow all the options you are suggesting. There is plenty of space north of existing pool. | 5/31/2024 9:09 PM |
| 180 | Lazy River in a circular shape to be able to float around | 5/31/2024 8:20 PM |
| 181 | Retractable lap lanes | 5/31/2024 8:16 PM |
| 182 | Adult only lazy river. | 5/31/2024 8:15 PM |
| 183 | This is my favorite concept | 5/31/2024 7:52 PM |
| 184 | This by far seems the most balanced of the first three options. More swim area. More shade! | 5/31/2024 7:18 PM |
| 185 | Allow floaties! | 5/31/2024 6:54 PM |
| 186 | The lazy river is too small. It's going to be the most popular things used. Honestly get rid of the lanes. If people want lane swim, they can go to a high school facility. The tube storage is better with this plan. It needs to stay out of the main area. I'm not a fan of the seasonal gates. What is the point. The take up space the could be used for something else. Get a BIG tube(s) in here. | 5/31/2024 6:28 PM |
| 187 | Unsure why we can't have everything but the splash pad connected together like it is now. | 5/31/2024 6:18 PM |
| 188 | FEWER Lap Lanes. Why isn't there any option with fewer lap lanes?? I never see anyone | 5/31/2024 6:03 PM |

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 2

utilizing these, and we certainly don't need that many. Move them to the indoor center (where free swim for kids is already very limited) or open lap lanes in the morning when lessons are taking place. We need a bigger leisure pool for non-lap-lane swimmers and a larger lazy river. If we are building a lazy river, let's make it worth our while and not just a loop.

| | | |
|-----|--|-------------------|
| 189 | Larger lazy river | 5/31/2024 5:58 PM |
| 190 | More shade and more water features for kids to play with. | 5/31/2024 5:56 PM |
| 191 | Slightly bigger lazy river | 5/31/2024 5:50 PM |
| 192 | More swim fewer lap lanes | 5/31/2024 5:49 PM |
| 193 | Mk | 5/31/2024 5:38 PM |
| 194 | More shade areas | 5/31/2024 5:33 PM |
| 195 | The design. Maybe needs a deep section | 5/31/2024 5:22 PM |
| 196 | Handicapped accessible for people who use walkers and or need support for getting in to a medium depth area | 5/31/2024 5:16 PM |
| 197 | I like this one the best | 5/31/2024 5:14 PM |
| 198 | Best one | 5/31/2024 5:11 PM |
| 199 | This is easily my favorite of the three. Once again, remove the laps entirely in favor for an open concept with basketball hoops and/or water polo nets for adolescents, specifically, to congregate. Swimming lanes are a massive misuse of that space. Refer lap swimmers to the indoor aquatic center, which has standard pool sizes and competitive diving boards. | 5/31/2024 5:06 PM |
| 200 | Unblock the lap lanes during regular hours | 5/31/2024 4:56 PM |
| 201 | Remove swim lanes during peak hours for plenty of open swimming | 5/31/2024 4:54 PM |
| 202 | The cabanas from option 1 | 5/31/2024 4:54 PM |
| 203 | More water, less concrete sitting areas! The concrete gets way too hot walking from one zone to another. | 5/31/2024 4:49 PM |
| 204 | Where are teens in this concept? Create spaces that include them. They are still kids and want to play in the water too. | 5/31/2024 4:48 PM |
| 205 | Longer lap lanes. | 5/31/2024 4:48 PM |
| 206 | I'm worried about the lack of space in the lazy river and zero depth area. | 5/31/2024 4:43 PM |
| 207 | Lazy river should be longer. | 5/31/2024 4:41 PM |
| 208 | Deep area to swim. Gardner has a a six foot deep area that is great for swimming and jumping off the sides and suits adult sized bodies. Make a 2nd pool area in a different location | 5/31/2024 4:41 PM |
| 209 | Idk | 5/31/2024 4:21 PM |
| 210 | There is no deeper water for older kids. Unless you are going to cut the lap lane in 1/2 there will be nothing for older kids and adults to swim in. No grown adult wants to swim in 3 feet of water. That's lacking in every plan. | 5/31/2024 4:18 PM |
| 211 | Bigger leisure pool! | 5/31/2024 4:06 PM |
| 212 | Longer lazy river w/ waterfall/sprinkler features | 5/31/2024 4:04 PM |
| 213 | Larger pool with more lap lanes that can be used by more swimmers at one time. | 5/31/2024 3:50 PM |
| 214 | Less lap lanes. | 5/31/2024 3:24 PM |
| 215 | If there was an "adults only area" | 5/31/2024 3:24 PM |
| 216 | Where is there deep open water to play in? This is mainly lap lanes rather than open areas to allow for free play. | 5/31/2024 3:22 PM |
| 217 | ANYTHING.... THERE IS STILL NOTHING TO ENGAGE PRETEENS AND TEENS,,,,, NOTHING FOR ADULTS..well except they got a lazy river.. BORING STUFF FO TODDLERS | 5/31/2024 3:16 PM |

| 218 | No comment | 5/31/2024 3:14 PM |
| 219 | This is a good mix of a lazy river and an open swim area for kids. I still think the lazy river that is really just a pool with a divider is a lazy design, but not in the way it is intended to be. | 5/31/2024 3:13 PM |
| 220 | Bigger lazy river | 5/31/2024 3:12 PM |
| 221 | Do not embark on this renovation concept | 5/31/2024 2:58 PM |
| 222 | Less lap pool area | 5/31/2024 2:55 PM |
| 223 | Idk | 5/31/2024 2:54 PM |
| 224 | Get rid Of the lap lanes. They are unnecessary | 5/31/2024 2:52 PM |
| 225 | Don't get rid of the existing structure | 5/31/2024 2:32 PM |
| 226 | Smaller bath house- Bigger lazy river. | 5/31/2024 2:23 PM |
| 227 | same as previous - space for teens/tweens in water deeper than 3'6". In all of these plans it isn't clear how that trades off with divided swim lanes. | 5/31/2024 2:23 PM |
| 228 | As with the first three concepts, there is no place for free swim in depths great than 3.5 feet, which doesn't work well for the population of pool users. | 5/31/2024 2:15 PM |
| 229 | This seems to offer the best balance but would recommend reducing lap lanes to 4 or opening it up during afternoon hours to increase deeper water swimming space | 5/31/2024 2:15 PM |
| 230 | What if the lazy river was more immersed throughout the pool area with bridges crossing no over so to not cut off foot traffic but create more swimmable area | 5/31/2024 2:08 PM |
| 231 | See comments for concepts 1 and 2. | 5/31/2024 1:54 PM |
| 232 | If you're sensing a theme, it's bigger river. | 5/31/2024 1:50 PM |
| 233 | It's a better balance that works better than just a lazy river but i don't think the outdoor aquatic center is big enough to have a lazy river | 5/31/2024 1:47 PM |
| 234 | Bigger lazy river | 5/31/2024 1:47 PM |
| 235 | This one is OK, but I like #2 better. | 5/31/2024 1:34 PM |
| 236 | . | 5/31/2024 1:25 PM |
| 237 | More shade areas. Shade areas over shallow water. | 5/31/2024 1:23 PM |
| 238 | Because the zero entry and lazy river is connected. It will be all children | 5/31/2024 1:12 PM |
| 239 | This is the best one yet. | 5/31/2024 1:02 PM |
| 240 | I don't see value in the lap lanes, especially when that is well done in the indoor pools, I think they should be reduced for more recreational features. | 5/31/2024 12:53 PM |
| 241 | Play structure in lieu of splash pad with more water slide options there for younger kids | 5/31/2024 12:52 PM |
| 242 | MORE SWIM SPACE LESS CONCRETE | 5/31/2024 12:47 PM |
| 243 | Less concrete for hot feet | 5/31/2024 12:22 PM |
| 244 | Not charging for cabanas. More shade areas. | 5/31/2024 12:11 PM |
| 245 | Reduce the lap lanes!! | 5/31/2024 11:43 AM |
| 246 | Keep common swimming areas larger | 5/31/2024 11:35 AM |
| 247 | I have concerns about all three concepts having open water use outside of business hours. This is already a stomping ground for homeless and if it isn't an area that is supervised it will be taken over and not an enjoyable family space, much like it is now. | 5/31/2024 11:30 AM |
| 248 | Looks pretty good | 5/31/2024 11:27 AM |
| 249 | I like the layout a lot so not much | 5/31/2024 11:27 AM |

| 251 | This is the best of the three proposed. | 5/31/2024 11:09 AM |
| 252 | There is not Enough room for lazy river. This compromise results in undesirable space for both elements, the pool and the river. Best to have a great pool and zero lazy river. Trying to do everything results in mediocrity. | 5/31/2024 10:43 AM |
| 253 | More pooch plunges | 5/31/2024 10:31 AM |
| 254 | Sectioned off kids area | 5/31/2024 10:10 AM |
| 255 | I love this concept! | 5/31/2024 10:02 AM |
| 256 | None | 5/31/2024 10:00 AM |
| 257 | I don't know man, that lazy river just doesn't look quite right. | 5/31/2024 9:57 AM |
| 258 | More free swim space | 5/31/2024 9:56 AM |
| 259 | More space for the lazy river and shallow swim. | 5/31/2024 9:33 AM |
| 260 | This is perfect! | 5/31/2024 9:26 AM |
| 261 | See everything written on the first 2 concepts. It applies here. | 5/31/2024 9:21 AM |
| 262 | More pool, less splash pad. | 5/31/2024 9:18 AM |
| 263 | Open swim, wadding area | 5/31/2024 9:15 AM |
| 264 | Less lap lanes and more swimming | 5/31/2024 9:11 AM |
| 265 | Not bad, but I like the bigger lazy river better. | 5/31/2024 9:11 AM |
| 266 | I think the lazy river could definitely be longer. As it is it seems slightly pointless. This is easily the best option though. | 5/31/2024 9:00 AM |
| 267 | More shade areas and a ninja course in the water in the shallow area. | 5/31/2024 8:57 AM |
| 268 | I don't think there is enough space in that lazy river/open space area. Just commit to one | 5/31/2024 8:56 AM |
| 269 | Having an even larger splash pad area for children to play | 5/31/2024 8:54 AM |
| 270 | More open swim area for fun | 5/31/2024 8:45 AM |
| 271 | More shaded areas and designated 0-5 swim area | 5/31/2024 8:45 AM |
| 272 | A proper 50m pool that is 25 yards across | 5/31/2024 8:39 AM |
| 273 | I like this better than #2 but the leisure area still seems too small compared to the space taken up by lap lanes. | 5/31/2024 8:36 AM |
| 274 | More Diving boards | 5/31/2024 8:30 AM |
| 275 | Higher high dive | 5/31/2024 8:29 AM |
| 276 | It is better than option 2, but the size of the leisure pool is still too small in my opinion. Having just come from a resort with a lazy river and a pool, people were hardly in the river and the pool was sometimes too crowded since it was made smaller to accommodate the river. | 5/31/2024 8:28 AM |
| 277 | Unsure | 5/31/2024 8:19 AM |
| 278 | More shade | 5/31/2024 8:18 AM |
| 279 | A larger lazy river - this and the previous design will just turn into play areas like the current ramp and won't actually function as a lazy river. Make one that goes around the pool. Make the actual pool larger. Also, why would the footprint be smaller than the current one? We need a larger pool here, not smaller. | 5/31/2024 8:14 AM |
| 280 | Anything that is geared towards kids and families. | 5/31/2024 8:13 AM |
| 281 | Half the lap lanes more open swim for pre teens and teenagers | 5/31/2024 8:11 AM |
| 282 | Fewer lap lanes | 5/31/2024 8:06 AM |
| 283 | Tubes for lazy river | 5/31/2024 7:56 AM |

|-----|--|--------------------|
| 284 | If it's that small I kind of don't understand the point of the lazy river. That aside, are that many lap lanes necessary? Could part of that area be used for a deeper open swim area for adults and older kids? | 5/31/2024 7:56 AM |
| 285 | I still feel like this doesn't push far enough and now I'm realizing that there isn't a section for bigger kids to swim that isn't lap swim. | 5/31/2024 7:46 AM |
| 286 | No splash pad. More pool or lazy river | 5/31/2024 7:40 AM |
| 287 | An open swim area for kids | 5/31/2024 7:36 AM |
| 288 | Fewer lap lanes. In concept 3 there is not really a place to work with younger kids learning to swim. I'd expect the young kids to be in the zero entry area, teenagers will probably flock to the 3'6" area and the lazy river, but where will they practice swimming. There is a huge amount of pool dedicated to lap swimming - and not that many lap swimmers. I'm supportive of having those laps available for meets, practices, etc, but think that for day to day operations only a few laps should be open. | 5/31/2024 7:19 AM |
| 289 | More leisure space | 5/31/2024 7:18 AM |
| 290 | REDUCED LAP LANES!!! big kids and teens are not being thought about here— there needs to be open swim space for them. | 5/31/2024 7:17 AM |
| 291 | Still no open water for teens/tweens! Catering to the age group that brings in money for the pool. Teens/Tweens. There is not enough open water to allow them space "to play". | 5/31/2024 6:59 AM |
| 292 | Smaller lap pool. Bigger lazy river. And really make the spray park special and engaging. Take that park to the north and let's make this something we're proud of, and brings in cash, for Lawrence. | 5/31/2024 6:57 AM |
| 293 | Larger leisure swimming | 5/31/2024 6:55 AM |
| 294 | Wading pool for infants | 5/31/2024 6:51 AM |
| 295 | Needs more deeper free swim area | 5/31/2024 6:30 AM |
| 296 | More space and less emphasis on lap swimming | 5/31/2024 6:28 AM |
| 297 | More open play areas. Use of lap lanes for free swim during afternoon hours. | 5/31/2024 6:21 AM |
| 298 | Updated bathhouse | 5/31/2024 6:01 AM |
| 299 | Lap lanes should only be available during designated hours. They should otherwise be opened up for general use/leisure swim and play. | 5/31/2024 6:01 AM |
| 300 | Less lap lanes | 5/31/2024 3:14 AM |
| 301 | Adding a play structure in zero depth | 5/31/2024 2:44 AM |
| 302 | This is great! | 5/31/2024 2:27 AM |
| 303 | Less lap lanes and more open swim area | 5/31/2024 2:12 AM |
| 304 | Same, fewer lap lanes or ability to reduce lap lanes during peak attendance times | 5/31/2024 12:35 AM |
| 305 | Again, less swim lanes and more leisure swim area | 5/31/2024 12:24 AM |
| 306 | Smh | 5/31/2024 12:19 AM |
| 307 | Shade structures over the splash pad | 5/31/2024 12:12 AM |
| 308 | Larger lazy river | 5/31/2024 12:09 AM |
| 309 | Reduce the size of the lap pool and splash pad and expand the swim area off of the lazy river. Get rid of the awkward shape to allow more swim space. | 5/30/2024 11:46 PM |
| 310 | It still seems like there's a lot of concrete space. I'm not an engineer so I don't know the specifics, but I like this option best so far and I wonder if the river portion could be increased in size | 5/30/2024 11:45 PM |
| 311 | Just concerned about the lack of open water play space | 5/30/2024 11:36 PM |
| 312 | I am not sure | 5/30/2024 11:33 PM |

| 313 | Get rid of or reduce lap lanes for more leisure swim space. | 5/30/2024 11:21 PM |
| 314 | This one is better than the others but still doesn't solve anything. You need to connect the lap pool with the lazy river/shallow area. With kids of differing ages it would be very hard to keep an eye on everyone with everything so spread out. Move them closer together and get rid of section 21. You could make a little pathway that would connect them and have a bridge that goes over to access both sides easily. | 5/30/2024 11:14 PM |
| 315 | Again, the swim lanes will be EMPTY most of the time. It's a waste of space. Have like three of them and let the remaining space be open play area. | 5/30/2024 11:02 PM |
| 316 | All seem to focus a lot on lap lanes. Is this what our outdoor pool users want? (Seems like a lot people go to indoor pool for lap lanes) | 5/30/2024 10:56 PM |
| 317 | MAKING THE LAZY RIVER AND SHALLOW LEISURE LARGER | 5/30/2024 10:45 PM |

| 319 | More shallow area for kids | 5/30/2024 10:37 PM |
| 320 | This is the one I like the best so far- love all the shade and water features in the family area. | 5/30/2024 10:36 PM |
| 321 | More chairs | 5/30/2024 10:28 PM |
| 322 | Even better than the others | 5/30/2024 10:24 PM |
| 323 | 50 Meter pool | 5/30/2024 10:22 PM |
| 324 | Freeeeee space for kids to swim. There are too many kids in the pool at a time. It is.not.safe. | 5/30/2024 10:21 PM |
| 325 | Connecting the shallow and deep pool sections. | 5/30/2024 10:16 PM |
| 326 | Rentable cabanas. Other than that this is the best one. | 5/30/2024 10:15 PM |
| 327 | This is the one!! | 5/30/2024 10:15 PM |
| 328 | A different shaped deep end would be a lot better. | 5/30/2024 10:07 PM |
| 329 | A bit more shaded areas and ensuring the zero entry area is large enough to accommodate the MANY people who will use it. Also, are 5 foot pools available in any way? The diving is too deep to stand and the 3.5 foot area isn't deep enough to have bigger kids/ teens/ adults actually relax and enjoy getting submerged without having to swim or awkwardly contort themselves below that 3.5 foot deep waterline. | 5/30/2024 10:06 PM |
| 330 | More water, less seating/concrete. | 5/30/2024 10:05 PM |
| 331 | Please put an outdoor pool on the west side. | 5/30/2024 10:02 PM |

| 333 | More shade | 5/30/2024 10:00 PM |
| 334 | I really like the balance with this concept | 5/30/2024 10:00 PM |
| 335 | Don't feel there needs to be so many lap lanes | 5/30/2024 9:57 PM |
| 336 | Swim up bar | 5/30/2024 9:55 PM |
| 337 | Slide for smaller children | 5/30/2024 9:55 PM |
| 338 | Fewer lap lanes. Thats just too much space dedicated to one dumb thing. | 5/30/2024 9:53 PM |
| 339 | More shade areas, less lap lanes | 5/30/2024 9:50 PM |
| 340 | More space in shallow leisure section | 5/30/2024 9:50 PM |
| 341 | 433 | 5/30/2024 9:45 PM |
| 342 | This is the best option thus far in terms of the balanced options. The splash pad is a must have outside of the regular pool hours, but a wading pool would be even better | 5/30/2024 9:45 PM |
| 343 | Less lap lanes and more open pool for older kids | 5/30/2024 9:45 PM |
| 344 | More pool. We just pool. Think unstructured pool for creative play. Not everything needs to be | 5/30/2024 9:44 PM |

so I intentionally designed. It's a pool. Make it big and wet and for everyone and then keep it open more.

| 345 | Minimal lap lanes. Kids need something fun and exciting to do in this town. | 5/30/2024 9:43 PM |
| 346 | Not sure | 5/30/2024 9:39 PM |
| 347 | it is good | 5/30/2024 9:38 PM |
| 348 | Fewer lap lanes, more leisure swim areas | 5/30/2024 9:36 PM |
| 349 | Too many lap lanes | 5/30/2024 9:35 PM |
| 350 | Less lap lanes | 5/30/2024 9:32 PM |
| 351 | A lazy river that made a loop so you could ride it continuously | 5/30/2024 9:31 PM |
| 352 | This looks nice | 5/30/2024 9:31 PM |
| 353 | Wave pool | 5/30/2024 9:21 PM |
| 354 | Cabana rentals | 5/30/2024 9:21 PM |
| 355 | There doesn't seem to be much space to just let kids swim in an open pool or leisure pool. LESS LAP LANES! Or take away the lap lanes completely! | 5/30/2024 9:21 PM |
| 356 | Still fewer lap lanes | 5/30/2024 9:20 PM |
| 357 | No lap lanes! What is the deal with this??? | 5/30/2024 9:19 PM |
| 358 | Keeping a large semi deep leisure area | 5/30/2024 9:08 PM |
| 359 | NO MORE LAP LANES. THE OLD PEOPLE ALREADY TOOL OVER THE INDOOR POOL. DONT LET THEM RUIN THE OUTDOOR. LET THE FAMILIES HAVE A WIN. | 5/30/2024 9:07 PM |
| 360 | I like that this shallow leisure area is more friendly for littles. | 5/30/2024 9:06 PM |
| 361 | Stop catering to the young teens need to have something to do here and this kills all of what you have already | 5/30/2024 8:53 PM |
| 362 | Nothing Lamé scarp all three concepts | 5/30/2024 8:51 PM |
| 363 | Like the variety...something for everyone. Fear toddlers could easily go to lazy river if unattended. | 5/30/2024 8:46 PM |
| 364 | Less concrete/lawn chairs and bigger leisure water area. Eliminate splash pad, which will create separation between the haves and have nots, and use the extra square footage for a bigger leisure pool. Better access for people with disabilities and mobility limitations. | 5/30/2024 1:43 PM |
| 365 | Rentable Cabanas | 5/30/2024 12:25 PM |
| 366 | Add more pool to the area, less concrete side areas. The existing pool barely feels large enough. This concept looks like it shrinks the water area significantly. | 5/30/2024 5:25 AM |
| 367 | 50m pool, free cabanas, better use of space so MORE people can use it not less | 5/29/2024 8:39 PM |
| 368 | Again, lazy rivers are too limiting; and this will exclude the older-teen population who need a place to hangout. | 5/29/2024 8:34 PM |
| 369 | Not enough age appropriate options for 4th-12th graders. | 5/29/2024 6:06 PM |
| 370 | more slides, bigger lazy river, less space devoted to lap swimming. It would be better to pick something and be excellent at that than to compromise and have small versions of many things. | 5/29/2024 5:32 PM |
| 371 | Larger lazy river or possibly wave pool | 5/29/2024 4:53 PM |
| 372 | More lap lanes | 5/29/2024 4:13 PM |
| 373 | 50 meter lap lanes. | 5/29/2024 3:59 PM |
| 374 | Faster | 5/29/2024 2:30 PM |
| 375 | Separate adults only area | 5/29/2024 1:20 PM |

|-----|---|--------------------|
| 376 | Have you forgotten about the teens? | 5/29/2024 1:12 PM |
| 377 | Again remove splash pad area. We can barely staff the pool which delays the opening and has the pool close early | 5/29/2024 12:40 PM |
| 378 | More areas specifically for children 0-5, as you've fucked them over by closing the wading pool. | 5/29/2024 12:22 PM |
| 379 | N/A | 5/29/2024 6:28 AM |
| 380 | Again, the lazy river shouldn't be a tight little circle. If that's the only option for a lazy river, then it isn't worth it. The lazy river should wind around the entire area, or at least over half of the property. Then there would be more space inside for shallow and medium water areas. | 5/29/2024 12:37 AM |
| 381 | Make pool area even larger | 5/29/2024 12:00 AM |
| 382 | Not just lap ones in open swim area. | 5/28/2024 10:56 PM |
| 383 | The City cannot open the pool on time. Pool should be open May 1st until Oct 1st | 5/28/2024 12:26 PM |
| 384 | need to make the leisure pool larger! (without reducing the lap and diving pool size) | 5/27/2024 12:26 PM |
| 385 | nothing it is the best | 5/27/2024 11:22 AM |
| 386 | Same comments as before, more shade, more plants, a free splash pad, slides with tubes. | 5/26/2024 2:35 PM |
| 387 | Small kids slide | 5/25/2024 10:24 PM |
| 388 | Need more space for leisure and swimming | 5/25/2024 12:07 PM |
| 389 | This is the best one | 5/25/2024 12:49 AM |
| 390 | 50 meter lap lanes | 5/24/2024 11:39 AM |
| 391 | A lazy river. | 5/24/2024 9:20 AM |
| 392 | More open POOL space. Too many lap lanes!!! Those are not needed. | 5/24/2024 7:18 AM |
| 393 | Either do the lazy river completely or don't do it—this one seems lame and not worth it | 5/23/2024 7:50 PM |
| 394 | NO #20 Water Feature. Dont want to get splashed on Lazy. I wouldn't mind Cool Water Misting Fans for cooling down. | 5/23/2024 4:20 PM |
| 395 | Less of the space dedicated to lap lanes! There is no open area to actually swim in this design! | 5/23/2024 4:14 PM |
| 396 | Rentable cabanas | 5/23/2024 3:24 PM |
| 397 | I fear about city budget costs & construction times for this plan. | 5/23/2024 1:36 PM |
| 398 | I don't understand why there are so many lap lanes. It seems like not a very big area for swimming. | 5/23/2024 12:10 PM |
| 399 | Again, not a fan of lazy rivers. | 5/23/2024 10:06 AM |
| 400 | Even bigger lazy river... but MORE HOURS would be the best change the pool could make! | 5/23/2024 8:28 AM |
| 401 | Nothing | 5/23/2024 2:35 AM |
| 402 | Bigger lazy river | 5/23/2024 12:33 AM |
| 403 | A sense of whether you have thought at all about people with disabilities or in wheelchairs and whether they might even be able to use any of this. | 5/22/2024 8:47 PM |
| 404 | A balanced lazy river and shallow leisure area. | 5/22/2024 5:27 PM |
| 405 | Where would the bigger kids play, needs more pool space. | 5/22/2024 4:41 PM |
| 406 | Nothing | 5/22/2024 2:48 PM |
| 407 | Not spend as much money. The City cannot staff its new Fire Truck because of a lack of manpower. For the past several years the City Aquatic Centers have opened late and closed early due to staffing shortages. Why spend \$6.1M on the Aquatic Center when the fire | 5/22/2024 1:30 PM |

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 2

department is understaffed? I'd rather have general maintenance done on the Aquatic Center and the remainder CIP allocated to paying bonuses to recruit more fire fighters.

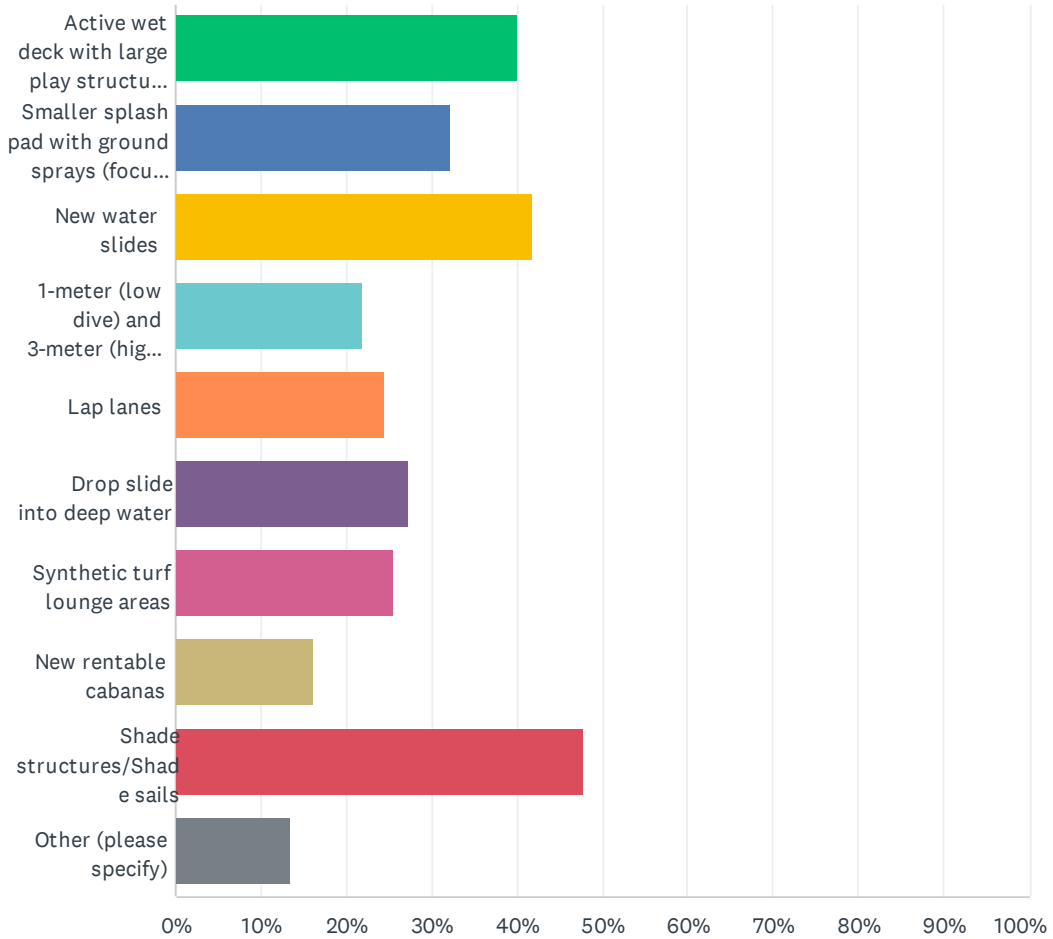

| | | |
|-----|---|--------------------|
| 408 | There needs to be deeper water open swim area, for older kids. Again, if lap lanes were ditched during afternoon hours this might open up space. | 5/22/2024 12:45 PM |
| 409 | Better than just the Big River, but still think it's not good use of the space. Especially on very hot days with lots of people. | 5/22/2024 12:36 PM |
| 410 | Best concept yet! Would be better with more water features in zero depth or modifying splash pad into partial zero depth | 5/22/2024 11:58 AM |
| 411 | More open water areas for tweens/teens to play!!!! | 5/22/2024 9:41 AM |
| 412 | Again, managing the tubes for the lazy river is something to take into account. | 5/22/2024 9:09 AM |
| 413 | A way to pay for it besides raising taxes | 5/22/2024 9:02 AM |
| 414 | BIGGER LAZY RIVER | 5/22/2024 8:49 AM |
| 415 | A separate toddler/baby pool away from big kids' running and splashing. Their earliest experiences with water should be secure, not risky. | 5/22/2024 8:47 AM |
| 416 | I think the lazy river needs to be bigger | 5/22/2024 7:52 AM |
| 417 | Not much | 5/22/2024 7:18 AM |
| 418 | More lazy rivwr | 5/22/2024 7:03 AM |
| 419 | Not sure | 5/22/2024 6:10 AM |
| 420 | Where's the leisure pool area-Gardner KS pool is a good example | 5/22/2024 5:31 AM |
| 421 | Not much this seems great | 5/21/2024 10:15 PM |
| 422 | Remove splash zone | 5/21/2024 9:36 PM |
| 423 | relax pool space | 5/21/2024 8:56 PM |
| 424 | More variety in the shallow depth area, but love the lazy river and shallow depth area. | 5/21/2024 7:19 PM |
| 425 | No lazy river. | 5/21/2024 7:06 PM |
| 426 | More activities (including non-water related), better concessions and lunch options and a more hip pathetic that isn't the old school cement slab as the primary aesthetic. | 5/21/2024 6:06 PM |
| 427 | I like the idea of having an additional splash pad in town because it is accessible (open!). But we would use both the existing outdoor and indoor aquatic centers more if they were fully staffed and open for more/longer hours. If we can't keep the place open the full Memorial day thru labor day, there is no point in adding amenities. No one can get to the dang place after work if it closes too early, and there are only so many weekends its open for. It will all just go to waste. Save money on renovations (beyond staying operable and clean) and invest extra in paying more for lifeguards/staff to keep the places open more often and longer hours. | 5/21/2024 5:55 PM |
| 428 | Covered/shading to that large area with seating. | 5/21/2024 5:53 PM |
| 429 | Bigger lazy river | 5/21/2024 4:40 PM |
| 430 | LOVE concept 3 big variety!! | 5/21/2024 4:23 PM |
| 431 | Would prefer a bigger lazy river area | 5/21/2024 3:50 PM |
| 432 | I don't think the splash pad should be available past pool hours for safety reasons. | 5/21/2024 3:47 PM |
| 433 | Bigger lazy river | 5/21/2024 3:46 PM |
| 434 | Rentable cabanas | 5/21/2024 3:40 PM |
| 435 | I don't like the lazy river idea | 5/21/2024 3:36 PM |
| 436 | Separate location of pool | 5/21/2024 3:33 PM |
| 437 | This one is the best so far. | 5/21/2024 3:30 PM |

| 438 | Doesn't appear to be a place for either little kids or older swimmers to just 'play' in shallow water | 5/21/2024 3:27 PM |
| 439 | Added water space has to be increased | 5/21/2024 3:14 PM |
| 440 | Let the lazy river go. It's too small. | 5/21/2024 3:03 PM |
| 441 | This hits all the marks. | 5/21/2024 2:57 PM |
| 442 | Shallow seating | 5/21/2024 2:50 PM |
| 443 | More swim space for little kids, and family changing rooms | 5/21/2024 2:48 PM |
| 444 | A second water slide. | 5/21/2024 2:47 PM |
| 445 | Needs more things to engage teenagers | 5/21/2024 2:45 PM |
| 446 | Small kid waterslides | 5/21/2024 2:39 PM |
| 447 | rather another twisty slide than a drop slide | 5/21/2024 2:31 PM |
| 448 | This needs work | 5/21/2024 2:18 PM |
| 449 | more staff for safety | 5/21/2024 2:08 PM |
| 450 | It's missing rental cabanas. Lazy river seems not even worth it. | 5/21/2024 2:07 PM |
| 451 | Yes | 5/21/2024 2:07 PM |
| 452 | Taking out lap lanes altogether and making that part a fun pool with greater depth. Keep lap swimming for the indoor pool. | 5/21/2024 2:00 PM |
| 453 | Is the shorter lazy river long enough to be... fun? interesting? A short lazy river seems weird. | 5/21/2024 1:50 PM |
| 454 | Better restrooms and changing facilities and more shade. | 5/21/2024 1:49 PM |
| 455 | another feature aimed towards elementary and middle school kids | 5/21/2024 1:48 PM |
| 456 | It doesn't. | 5/21/2024 1:33 PM |
| 457 | I like it! | 5/21/2024 1:31 PM |
| 458 | More shade sails needed. That is a lot of open direct sun concrete exposure. Also think free swim area should be bigger. | 5/21/2024 1:31 PM |
| 459 | shade over lazy river and option for water splash in river | 5/21/2024 1:30 PM |
| 460 | love the multitude of shade structures! just making sure we have enough options for shade / cabana for when there will be hopefully competitive swim meets at the pool. | 5/21/2024 1:25 PM |
| 461 | Bigger lazy river and landscaping around lazy river | 5/21/2024 1:21 PM |

| 75 | No. Just no. | 5/30/2024 11:15 PM |
| 76 | I'm afraid this concept is good for kids under 6 and adults who want swim lanes. What about children older than 6 and their grown ups? Again, it doesn't have to be complicated or even expensive. Space that people can do whatever they want and goes from shallow to deep is what we need | 5/30/2024 11:05 PM |
| 77 | This is the worst one. Terrible. | 5/30/2024 10:23 PM |
| 78 | None- does this get rid of the main pool entirely?! | 5/30/2024 10:23 PM |
| 79 | None. This design does not serve the needs and wants of the various ages, abilities, and interests of the community. | 5/30/2024 10:10 PM |
| 80 | Nothing | 5/30/2024 9:55 PM |

| 83 | Nothing here looks like fun other than the diving boards im not a toddler this is horrendous whoever thought this was a good idea need s to be mentally assessed | 5/30/2024 8:56 PM |
| 84 | No dice where did the water go | 5/30/2024 8:53 PM |
| 85 | None. This is a community swimming space, not a theme park. | 5/30/2024 1:50 PM |
| 86 | Again, horrible | 5/29/2024 8:39 PM |
| 87 | Definitely not the splash pad | 5/29/2024 6:06 PM |

| 1 | Having open pool area. No place for kids to just play in the pool. Way too focused on splash zone | 6/13/2024 10:32 AM |
| 2 | Please keep the current lap lanes, both short course and long course. | 6/13/2024 8:11 AM |
| 3 | 50 yr lap swim lanes. | 6/13/2024 6:48 AM |
| 4 | retaining the long course lap lanes from the existing pool | 6/12/2024 9:01 PM |
| 5 | More open swimming | 6/12/2024 4:05 PM |
| 6 | There is not enough room for deeper water | 6/12/2024 3:16 PM |
| 7 | Hate it | 6/12/2024 2:27 PM |
| 8 | N/A | 6/12/2024 2:02 PM |
| 9 | ABSOLUTELY DISLIKE THE ENTIRE DESIGN OF THIS. | 6/12/2024 12:53 PM |
| 10 | More swim area | 6/12/2024 7:49 AM |
| 11 | Putting it in east Lawrence | 6/11/2024 10:02 PM |
| 12 | Why is it just a splash pad people need to swim worst design ever! | 6/11/2024 6:50 PM |
| 13 | There are already several splash pads in town. This is the only pool so more pool space would be great. | 6/11/2024 4:33 PM |
| 14 | Having a pool for teens to hang out and play. All these concepts forget the biggest age group that uses the pool (teenagers). They don't have a place for them to use. | 6/11/2024 1:08 PM |
| 15 | More pool space. No splash pad..put in fenced in play space | 6/11/2024 9:34 AM |
| 16 | Lap lanes opened to open swim | 6/11/2024 7:33 AM |
| 17 | Better space for teens and tweens | 6/11/2024 5:36 AM |
| 18 | I do not like this option at all. I want a pool to soak in and teach my little one how to swim. We already have 2 splash pads, we need an actual outdoor swimming pool. Please don't do this one. | 6/10/2024 10:10 PM |
| 19 | This is amazing it has everything for the kids and a big play area that is climb able, just needs more shade maybe a shade don't over portions of the smaller splash pad and the lap lanes? | 6/10/2024 9:28 PM |
| 20 | I like the larger splash pad concept but perhaps at South Park. I like the lazy river as open swim area for the main pool | 6/10/2024 8:37 PM |
| 21 | Get rid of giant splash pad | 6/10/2024 7:57 PM |
| 22 | Deeper lap lanes | 6/10/2024 6:02 PM |
| 23 | Remove splash pad More open water space ADA accessibility | 6/10/2024 5:04 PM |
| 24 | This is the best one | 6/10/2024 3:21 PM |
| 25 | some sort of leisure pool | 6/10/2024 3:13 PM |
| 26 | No play area like that | 6/10/2024 3:12 PM |
| 27 | More splash pads and water activities | 6/10/2024 3:12 PM |

| 28 | Those turf berms will be popular. If you watch right now where groups like to sit, the dark and uncomfortable pergolas aren't that popular for lounge space. They are used more as gear landings. If the "green spaces" were wide enough for circles of teenagers or had some misters placed strategically, i bet they would be popular. | 6/10/2024 1:46 PM |
| 29 | lazy river, area for water sports | 6/10/2024 1:42 PM |
| 30 | Somewhere for people to swim? Seriously where is the area where people can hang out in the water to cool off - people who don't dive or do laps? Where is the pool part of the pool? | 6/10/2024 8:15 AM |
| 31 | Keep the lap pool at 50m | 6/10/2024 8:02 AM |
| 32 | Lazy river | 6/9/2024 1:06 PM |
| 33 | Lesuire pool in activity area | 6/9/2024 12:05 PM |
| 34 | A place to be able to actually swim | 6/9/2024 11:08 AM |
| 35 | More deep water area | 6/8/2024 5:19 PM |
| 36 | Less focused on the playground. I like the lazy river | 6/8/2024 5:14 PM |
| 37 | We have enough splash pads, especially with the potential renovation of the South Park wading pool. The swimming pool should be a pool, not a splash pad. | 6/8/2024 4:48 PM |
| 38 | Zero depth entry or shallow areas | 6/8/2024 4:20 PM |
| 39 | Mire swimming area- less lazy stuff | 6/8/2024 1:05 PM |
| 40 | Zero depth entry | 6/8/2024 12:52 PM |
| 41 | Less kids | 6/8/2024 11:24 AM |
| 42 | Anything | 6/8/2024 1:33 AM |
| 43 | Trash it. | 6/7/2024 9:53 PM |
| 44 | You've designed something with one tiny pool for the community. Seriously. Waste of money. | 6/7/2024 9:45 PM |
| 45 | Start over | 6/7/2024 9:35 PM |
| 46 | Less lap lanes, more swim areas for older kids/teens. Need a lazy river. | 6/7/2024 8:17 PM |
| 47 | Going to the pool is all about getting into the water. I like the splash pad idea for a park but not for a pool. Having more pool space would be better. | 6/7/2024 6:16 PM |
| 48 | I would make sure the larger swimming area near the diving boards wasn't only lap lanes. Older kids still need a pool area. | 6/7/2024 3:24 PM |
| 49 | Not having the whole pool be a playground | 6/7/2024 3:22 PM |
| 50 | Not overrun with places for kids. | 6/7/2024 3:18 PM |
| 51 | Don't build it | 6/7/2024 3:16 PM |
| 52 | 50 meter lap lane | 6/7/2024 11:53 AM |
| 53 | A destination splash pad makes more sense in another park, Holcom Park could be a great spot for this. | 6/7/2024 10:39 AM |
| 54 | I've seen these at other pools and if you do not have enough lifeguards kids run around like crazy and smaller kids get hurt because bigger kids are not paying attention. | 6/6/2024 8:34 AM |
| 55 | Nothing. This is a terrible design that sacrifices almost all of the actual area for kids to play in. I am disappointed that there is no option to rebuild the current pool layout. I think that is a much better balance between younger kids, teens and adults than any of the new options presented. | 6/5/2024 8:31 PM |
| 56 | Not enough areas for kids to play/ learn to swim | 6/5/2024 8:19 PM |
| 57 | No splash pd | 6/5/2024 7:23 PM |
| 58 | There needs to be deeper and more leisure swim water (up to 5 ft) and fewer (or no) lap lanes. Lap swimmers can go to the indoor pool, or lap lanes can be made available for morning swims | 6/5/2024 6:32 PM |

|----|---|-------------------|
| 59 | NO, WORST ONE | 6/5/2024 5:51 PM |
| 60 | A part with space to swim for fun | 6/5/2024 5:22 PM |
| 61 | I dont like the large splash area. This is my least favorite option. | 6/5/2024 4:27 PM |
| 62 | Stupid idea | 6/5/2024 4:05 PM |
| 63 | Idk | 6/5/2024 3:12 PM |
| 64 | No playground | 6/5/2024 3:12 PM |
| 65 | More focused on all ages | 6/5/2024 3:12 PM |
| 66 | Everything | 6/5/2024 3:08 PM |
| 67 | This design is complete asinine because it's going to make our job a lot harder and it's going to cause a lot more people to get hurt because kids are going to be able to run around and run into each other especially having a big slide like that | 6/5/2024 2:55 PM |
| 68 | It's by far my least favorite | 6/5/2024 1:49 PM |
| 69 | Leave the pool alone. Maintenance yes, renovation no. | 6/5/2024 1:43 PM |
| 70 | I love the play structure but would like to have a lazy river or some area to swim/wade in | 6/5/2024 1:41 PM |
| 71 | an actual play area in water - shallow pool | 6/5/2024 1:32 PM |
| 72 | Do not approve. Caters to very young children and not other ages | 6/5/2024 1:07 PM |
| 73 | I don't really like this concept. We need more water and pool spaces. This has too much splash pad element | 6/5/2024 11:13 AM |
| 74 | this feels more like a playground than a public pool | 6/5/2024 9:10 AM |
| 75 | Lap lanes would make it better. | 6/5/2024 8:27 AM |
| 76 | water walking area | 6/5/2024 7:38 AM |
| 77 | In a play structure like the one described, there are many blind spots. It would be difficult for lifeguards to keep kids safe. | 6/4/2024 7:12 PM |
| 78 | Those lap lanes should be 50m | 6/4/2024 5:28 PM |
| 79 | Actual pool area that's not lanes, deep, or play area. | 6/4/2024 5:09 PM |
| 80 | Where can kids swim?! A wet playground is not a pool. | 6/4/2024 3:57 PM |
| 81 | Lazy river and a wave pool! | 6/4/2024 3:20 PM |
| 82 | More water areas | 6/4/2024 3:17 PM |
| 83 | Idk | 6/4/2024 3:10 PM |
| 84 | There is nothing good about this one | 6/4/2024 1:08 PM |
| 85 | No splash pads for use outside pool hours. Large area of 4-5 ft. water depth. Circular lazy river | 6/4/2024 12:55 PM |
| 86 | No splash pad. Place for people to swim. No rentable things, too complicated. No grass areas, they'll get ruined easily. | 6/4/2024 11:36 AM |
| 87 | Where are little kids supposed to swim?? And it's going to be difficult for parents to make sure small kids are safe enough on the large structure without following them through it the entire time (which is NOT enjoyable, lol). | 6/4/2024 10:53 AM |
| 88 | No comment | 6/3/2024 9:00 PM |
| 89 | There is no space for younger kids to swim at all. It's all deep. No. | 6/3/2024 8:45 PM |
| 90 | Make it a 50 meter pool, for swimmers | 6/3/2024 5:00 PM |
| 91 | Room to swim and play in 4' water that isn't lap lane. | 6/3/2024 4:04 PM |

| 92 | Rentable cabañas sound like a hassle that would require enforcement | 6/3/2024 3:06 PM |
| 93 | keep current layout. add operational hours. | 6/3/2024 1:42 PM |
| 94 | 50 meter lap lanes | 6/3/2024 1:05 PM |
| 95 | More pool. | 6/3/2024 12:51 PM |

| 98 | More lap lanes. More lap swimming hours. Better showers with hot water. Thank you | 6/3/2024 9:28 AM |

| 100 | More stuff for older kids | 6/2/2024 11:54 PM |
| 101 | This is terrible | 6/2/2024 10:59 PM |
| 102 | A swimming area - don't like this at all | 6/2/2024 8:33 PM |
| 103 | Don't know | 6/2/2024 7:33 PM |
| 104 | Adequate, well trained, well paid staff for full season access | 6/2/2024 4:43 PM |
| 105 | Lazy river | 6/2/2024 3:59 PM |
| 106 | This might appeal to kids, but adults are left out of this plan. There's no leisure pool! Plus, more rented cabanas. This does not look like a city pool, but a profit center and a place for birthday parties. | 6/2/2024 3:24 PM |
| 107 | Very little pool area. | 6/2/2024 1:10 PM |
| 108 | This plan is trendy, high maintenance and short term vision. This does not meet the needs of the entire population. | 6/2/2024 12:10 PM |
| 109 | I like that it's in the middle . Can see kids better. But no free swim areas? | 6/2/2024 10:33 AM |
| 110 | NO. | 6/2/2024 9:30 AM |
| 111 | Not my favorite | 6/2/2024 9:28 AM |
| 112 | 50m pool | 6/2/2024 9:25 AM |
| 113 | I am personally not a fan of this concept as I prefer a wading area as well as a deeper pool, but I am a childless adult. If the pool's participants are mostly children and families, this would make a lot of sense. | 6/2/2024 9:03 AM |
| 114 | More open area to swim | 6/2/2024 8:40 AM |
| 115 | More pool space | 6/2/2024 5:41 AM |
| 116 | This is too trailered to smaller children, there needs to be much more designated space for a pool instead of a play structure. | 6/2/2024 12:01 AM |
| 117 | A massive lazy River | 6/1/2024 11:27 PM |
| 118 | Lazy river | 6/1/2024 10:44 PM |
| 119 | A second location away from downtown to cut down on the number of people this pool serves | 6/1/2024 10:25 PM |
| 120 | You need more leisure pool space, this is entirely too kid focused. | 6/1/2024 9:43 PM |
| 121 | We need more than a splash pad. We need a pool. | 6/1/2024 8:55 PM |
| 122 | Not lots of swimming space for older kids | 6/1/2024 8:41 PM |
| 123 | Swim space | 6/1/2024 7:06 PM |

|-----|--|-------------------|
| 126 | 50 meter competition pool with diving blocks so our local swim team can practice and host meets. (summer is long course season) | 6/1/2024 5:53 PM |
| 127 | Lazy river | 6/1/2024 5:18 PM |
| 128 | no area for normal swimmers | 6/1/2024 3:43 PM |
| 129 | 50M lap lanes would significantly improve this concept. This concept further positions the 25Y lap lanes as the only true swimming opportunity for anyone (children included); therefore, under this concept I expect lanes will be dedicated to swim lessons and free swim, further reducing lap swimming capacities. Swimming is a life-saving skill, particularly in a town with a large lake; therefore, opportunities for kids to swim and learn to swim are critically important to their safety and development. This concept is disappointing. | 6/1/2024 3:17 PM |
| 130 | Get rid of slide into deep water. MOST favorite: None of the above. LEAST favorite: All are really poor ideas. Free Red Cross swimming for equivalent lessons for all in the county is a better goal. | 6/1/2024 2:57 PM |
| 131 | This does not seem like the best option. There is not enough pool space. | 6/1/2024 2:57 PM |
| 132 | No place structure No turf No rentable cabanas 50 meter lap lanes Medium depth open pool area (4-5 foot depth) | 6/1/2024 2:55 PM |
| 133 | No area for just regular swimming outside of lap lanes. Nothing for teens and more to throw a football or something around. | 6/1/2024 2:53 PM |
| 134 | Smaller splash zone, larger swimming space. | 6/1/2024 2:51 PM |
| 135 | What is the purpose of the turf? Turf gives off a lot of heat (I mean besides concrete lol) but is it just to fill dead space? Turf gets gross quick, and is difficult to clean (food, pool water, little kid vomit/bodily fluids). Not a fan of this plan, seems like there's hardly any room to swim???? Splash areas are cool in theory, but this is the city pool, people wanna swim and actually be IN the water! | 6/1/2024 2:24 PM |
| 136 | N/A | 6/1/2024 2:18 PM |
| 137 | Hate this concept the most! | 6/1/2024 2:17 PM |
| 138 | I don't like the turf area. That isn't necessary. | 6/1/2024 2:15 PM |
| 139 | More pool space | 6/1/2024 2:07 PM |
| 140 | more swimming area | 6/1/2024 2:06 PM |
| 141 | More water space | 6/1/2024 2:04 PM |
| 142 | Only good for little kids | 6/1/2024 1:55 PM |
| 143 | an interactive splash zone would be difficult to guard, we don't need turf areas if there is a park nearby it would just look weird | 6/1/2024 1:47 PM |
| 144 | Sand area instead of turf | 6/1/2024 1:44 PM |
| 145 | needs leisure | 6/1/2024 1:40 PM |
| 146 | Lazy river | 6/1/2024 1:40 PM |
| 147 | Better/newer bathrooms | 6/1/2024 1:38 PM |
| 148 | Lazy River | 6/1/2024 1:34 PM |
| 149 | No splash deck | 6/1/2024 1:23 PM |
| 150 | No no no | 6/1/2024 1:10 PM |
| 151 | No one will come if you build a splash pad. | 6/1/2024 12:16 PM |
| 152 | That's a good family area, shades with solar & good walk paths | 6/1/2024 11:34 AM |
| 153 | More free swim space for families. | 6/1/2024 10:55 AM |
| 154 | This concept is my least favorite so far. The dominance of the splash pad would likely shift the dynamic of the pool from a space of rest, social connection, and swimming to a hyper focus | 6/1/2024 10:39 AM |

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 2

on play. The pool is different from a park, and there are other places in Lawrence for this type of activity. I would likely discontinuing the pool is this design were selected. See previous note about cabanas—equ access to facilities should be a guiding principle for the pool.

|-----|---|--------------------|
| 155 | I feel a wading area is important for small children. A lazy river and zero depth is too important for me to like this design. Since there is no open comments at the end of the survey, I want to voice that having the pool open earlier in the year and stay open later is important. Can we focus on lifeguard coverage to ensure that is possible? Will renovations increase costs, when it already feels high to go to the pool? What is cost to tax payers for this huge renovation? Do we have the ability to modify this pool space some and build a second place, accommodating all the age groups needs? | 6/1/2024 10:13 AM |
| 156 | Need a space for older kids and high school age. It's only concentrated on little kids. Need a place for older kids to safely hang out during summer with friends. Also, love the idea of turf, but knowing the wear and tear of turf, you'll have little turf pieces all over the place, especially in water, as it breaks down over time. | 6/1/2024 10:08 AM |
| 157 | Lazy River | 6/1/2024 10:01 AM |
| 158 | Love this concept. Options for kids of all ages. | 6/1/2024 9:14 AM |
| 159 | more lap lanes | 6/1/2024 8:32 AM |
| 160 | Still need a zero depth entry 1-3ft pool area! | 6/1/2024 8:31 AM |
| 161 | Combining it with a lazy river | 6/1/2024 8:15 AM |
| 162 | I love this, but unfortunately I think the teens and older kids need more stuff too | 6/1/2024 7:45 AM |
| 163 | Having an actual play area with water features IN the pool area | 6/1/2024 7:26 AM |
| 164 | More affordable entrance fees | 6/1/2024 7:02 AM |
| 165 | Not doing it would make it a better idea. | 6/1/2024 6:17 AM |
| 166 | A pool! | 6/1/2024 6:00 AM |
| 167 | Looks hard to supervise and keep track of children | 6/1/2024 5:25 AM |
| 168 | I wish we had larger splash pad and lazy river | 6/1/2024 1:09 AM |
| 169 | more leisure swimming | 6/1/2024 1:03 AM |
| 170 | More swimming area | 6/1/2024 12:51 AM |
| 171 | A lazy river | 6/1/2024 12:00 AM |
| 172 | An actual pool....theres no where to swim here. WTH? | 5/31/2024 11:54 PM |
| 173 | Lazy river around the wet deck with wide bridges to get to center | 5/31/2024 11:46 PM |
| 174 | This is entirely too much focus on a play structure. Anything without lazy river should not be seriously considered. | 5/31/2024 11:35 PM |
| 175 | Eliminate this one | 5/31/2024 11:10 PM |
| 176 | Nothing | 5/31/2024 11:07 PM |
| 177 | None, I like this concept best | 5/31/2024 10:47 PM |
| 178 | A pool for leisure. It is a public POOL. | 5/31/2024 10:33 PM |
| 179 | this looks like a pool concept designed by somebody who secretly hates pools and infiltrated the aquatic design profession to try and prevent people from swimming. what are we doing here? | 5/31/2024 10:18 PM |

| 184 | Just no. Splash pad again?!?! Did Lawrence just open one of these a few years ago and before than a few years before it?!? | 5/31/2024 9:10 PM |
| 185 | We already have splash pads- need more pool features | 5/31/2024 8:56 PM |
| 186 | Lazy river | 5/31/2024 8:53 PM |
| 187 | More pool area | 5/31/2024 8:43 PM |
| 188 | Nothing- this idea is terrible | 5/31/2024 8:17 PM |
| 189 | Still having a lazy river and shallow leisure pool. | 5/31/2024 8:17 PM |
| 190 | This is my least favorite | 5/31/2024 7:52 PM |
| 191 | Not doing this option at all - lazy river is the best one in my opinion. | 5/31/2024 7:22 PM |
| 192 | There is no where for free and open swimming. Am I missing this? It doesn't seem like there is an open swim place. There are lanes. Diving area. Splash pad area. But no open swim. | 5/31/2024 7:20 PM |
| 193 | Don't like it at all | 5/31/2024 6:56 PM |
| 194 | Listen the size of yhe splash world is great if you expanded the park to take over the basketball court area nearby but the facility is too small for this. You alienate anyone below the age of 10 or without little kids. Some of us would like a place to relax. THIS is not that by any means. | 5/31/2024 6:32 PM |
| 195 | Still not good since it's so mush less pool | 5/31/2024 6:30 PM |
| 196 | I don't like this much at all. There is no leisure swim area? But the same number of lap lanes?! I don't think the need is for a large splash pad. What will the teens in this town do? Lawrence does not have enough activities for families with young children and/or teens. Who is using these lap lanes? | 5/31/2024 6:07 PM |
| 197 | Lazy river | 5/31/2024 5:59 PM |
| 198 | Why would synthetic turf be added.....looks dumb and waste of space and I can't imagine walking on that barefoot. | 5/31/2024 5:59 PM |
| 199 | This is the worst of the ideas | 5/31/2024 5:51 PM |
| 200 | Fewer lap lanes actual swim space | 5/31/2024 5:50 PM |
| 201 | More actual swim space | 5/31/2024 5:34 PM |
| 202 | This is meant for children under ages 12 or so. Adults and older adults also like to use the pool. | 5/31/2024 5:28 PM |
| 203 | Just don't do it | 5/31/2024 5:23 PM |
| 204 | Removal of swimming lanes for adolescent use. Love the large playground idea but it's definitely not designed for people ages 13 - 21. Simply not having amenities for nonparents and non-children fails to meet a demographic which quite literally has nothing to do in town. Once more, the 8 people who could use the lane at a time are not more important than building a couple basketball hoops and a couple nets in an open concept, too deep for children to access. Teenagers need exclusive zones, both for their sake and for the sake of the kids who are actually intimidated by big kids. | 5/31/2024 5:10 PM |
| 205 | Unblock the lap lanes during regular hours | 5/31/2024 4:58 PM |
| 206 | This is my least favorite option so far. | 5/31/2024 4:55 PM |
| 207 | Still needs a shallow pool for the little to keep them away from the big. Less concrete, bigger water areas! | 5/31/2024 4:52 PM |
| 208 | See above | 5/31/2024 4:52 PM |
| 209 | Nothing. Why not get rid of the park next to the pool and incorporate that land into the pool center and then more could be done. Lawrence is too big for what is being offered | 5/31/2024 4:52 PM |
| 210 | Longer lap lanes. | 5/31/2024 4:49 PM |

| 214 | This isn't a pool. This is a splash structure with lap lanes. Where do you propose people swim? | 5/31/2024 4:19 PM |
| 215 | I do not think this is a good plan at all. We need pools for our kids. A splash park doesn't interest me at all as a replacement for a pool. This would be a waste of resources and space. | 5/31/2024 4:13 PM |
| 216 | lazy river | 5/31/2024 4:09 PM |
| 217 | We need an open leisure pool!! | 5/31/2024 4:07 PM |
| 218 | More balance between size of wet deck & swimming areas | 5/31/2024 4:05 PM |
| 219 | An actual shallow area for kids to swim | 5/31/2024 3:55 PM |
| 220 | larger pool with more lap lanes. You are taking away the pool. Why is it necessary to reduce the pool so it gets less usage by older populations? | 5/31/2024 3:51 PM |
| 221 | Bigger pool | 5/31/2024 3:25 PM |
| 222 | No open space for free play. Most users of the pool engage in free play rather than lap swimming. They can swim laps at the indoor pool. The outdoor summer pool should be focused on the children and teenagers of Lawrence. | 5/31/2024 3:24 PM |
| 223 | okay now we are entertaining the littles and completely ignoring adults and pre teens/teens. nobody needs to or wants to use the huge areas left for lap swimming. two or three small lanes is plenty for the few people that use them | 5/31/2024 3:18 PM |
| 224 | No comment | 5/31/2024 3:16 PM |

| 230 | Still having an area of shallow depth for babies and small toddlers who don't like being splashed or water features | 5/31/2024 2:55 PM |
| 231 | Not enough moderate depth space for teens. | 5/31/2024 2:54 PM |
| 232 | Don't change the existing structure | 5/31/2024 2:32 PM |
| 233 | Lazy river. | 5/31/2024 2:25 PM |
| 234 | same as previous - space for teens/tweens in water deeper than 3'6". In all of these plans it isn't clear how that trades off with divided swim lanes. Also this one seems really focused on little kids and is not much of a pool anymore. The old pool already feels too small/crowded in summer. This seems like a bad idea. | 5/31/2024 2:25 PM |
| 235 | This concept does it have any free swim areas. I don't see how this could accommodate our population of pool users. | 5/31/2024 2:17 PM |
| 236 | There is way too much space taken up by splash pads. And I hate the idea of rentable cabanas | 5/31/2024 2:17 PM |
| 237 | Hate this one. Not a good Pool for Lawrence residents | 5/31/2024 2:09 PM |
| 238 | More actual pool I guess? And a lazy river, obviously. | 5/31/2024 1:51 PM |
| 239 | NO, This is supposed to be a pool, there's not gonna be enough actual pool room for people to play and swim in | 5/31/2024 1:48 PM |

| 250 | I think you should add astroturf to all your plans | 5/31/2024 12:23 PM |
| 251 | A pool that isn't lap. | 5/31/2024 12:11 PM |
| 252 | The splash pad looks awesome, but this should be a separate facility/location in town and not take up so much space of the main city pool. There's hardly anywhere to submerge and play! | 5/31/2024 11:45 AM |
| 253 | The lack of casual pool makes this option less than ideal. | 5/31/2024 11:38 AM |

| 255 | Lazy River | 5/31/2024 11:31 AM |
| 256 | I don't understand this concept. Is there any pool with littles?? Particularly with the wading pool closed-will that actually reopen or are you getting ride if it? | 5/31/2024 11:29 AM |

| 278 | Having a shallow water area for children and adults to swim | 5/31/2024 8:55 AM |
| 279 | Lazy river surrounding the larger play area with a bridge to enter the play space so the river can continue to flow around it. Having a space for kids to still swim freely (not sure if that's allowed in the area of the lap lanes) and swim area for 0-5 that may not like the slides or water sprays. | 5/31/2024 8:51 AM |
| 280 | No | 5/31/2024 8:47 AM |
| 281 | An actual pool where kids can swim. | 5/31/2024 8:43 AM |
| 282 | A proper 50m pool that is 25 yards across | 5/31/2024 8:39 AM |
| 283 | Hard no on this one. People (both kids and adults) want to actually SWIM without using the lap lanes. | 5/31/2024 8:37 AM |
| 284 | More diving boards | 5/31/2024 8:32 AM |
| 285 | Lazy River and 5 meter high dive | 5/31/2024 8:31 AM |
| 286 | It needs a leisure pool. The only way this would be acceptable would be if the lap lanes were retractable and lap swimming was confined to specific hours. | 5/31/2024 8:30 AM |
| 287 | Make the pool bigger. The deck is amazing but we need more space for adults to hang out while kids play. More shade. Two cabanas are nice but this is a big city and they will be difficult to reserve. More are needed. Renovation of the existing structures are important. The water walk is wasted space. | 5/31/2024 8:23 AM |
| 288 | Some sort of wading area | 5/31/2024 8:21 AM |
| 289 | Don't do this please | 5/31/2024 8:18 AM |
| 290 | More shade areas | 5/31/2024 8:14 AM |
| 291 | Less lap lanes more open water for teens and pre teens | 5/31/2024 8:13 AM |
| 292 | Fewer lap lanes | 5/31/2024 8:06 AM |
| 293 | No, we don't need another splash pad. We need a pool to swim in. | 5/31/2024 8:02 AM |
| 294 | Again, are that many lap lanes necessary? There's no place for older kids to openly swim. Great features for younger kids though | 5/31/2024 7:58 AM |
| 295 | My kid doesn't love splash pads so this is probably my least favorite concept. I do like that a lot of the structure is available outside of pool hours cuz the hours are so limited. | 5/31/2024 7:54 AM |
| 296 | Leisure pool | 5/31/2024 7:42 AM |
| 297 | Lazy river | 5/31/2024 7:41 AM |
| 298 | An open swim area for kids | 5/31/2024 7:37 AM |
| 299 | Less lap more open play | 5/31/2024 7:30 AM |
| 300 | There's no room for swimming for big kids!! | 5/31/2024 7:22 AM |
| 301 | Another pool. Right now there's nothing for the teenagers. Or worse, the teenagers will end up on the play structure with kids. There's also nothing for adults that aren't lap swimmers. The play structure is really cool for kids, but needs to be there in addition to a pool. | 5/31/2024 7:22 AM |
| 302 | This option is ridiculous | 5/31/2024 7:19 AM |
| 303 | OPEN SWIM SPACE. again- too many lap lanes. All of these seem to focus on kids 10 and younger it seems like. There needs to be space for big kids and teens!! | 5/31/2024 7:18 AM |
| 304 | dont like this one | 5/31/2024 7:11 AM |
| 305 | Not doing this concept. You made the already small existing pool smaller and alienated people who do not have small children in their families. This is the worse concept of all the bad concepts. | 5/31/2024 7:02 AM |
| 306 | This splash pad design is more on point. But are their future plans to add on to it at all? This isn't enough water leisure space for teens-adults. I think we need more space for an aquatic | 5/31/2024 6:59 AM |

| 308 | A pool | 5/31/2024 6:51 AM |
| 309 | There is not enough free swim area | 5/31/2024 6:31 AM |
| 310 | More space. Less lap lanes | 5/31/2024 6:29 AM |
| 311 | Not enough open swim areas. | 5/31/2024 6:22 AM |
| 312 | Shallow swim area, large deeper swim area for leisure, updated bathhouse | 5/31/2024 6:03 AM |
| 313 | Lap lanes should only be available during designated hours. They should otherwise be opened up for general use/leisure swim and play. This option is not as friendly for older children and also doesn't have a zero entry location for younger children to experience an actual pool. This seems like the worst option. | 5/31/2024 6:03 AM |
| 314 | No turf. And I really like the idea of a lazy river, so including that in any selected plan | 5/31/2024 6:01 AM |
| 315 | Get rid of it all. Worst concept | 5/31/2024 3:15 AM |
| 316 | Nothing this is the best. | 5/31/2024 2:45 AM |
| 317 | Less lap lanes and an open swim area instead. | 5/31/2024 2:13 AM |
| 318 | Lazy river | 5/31/2024 1:35 AM |
| 319 | There is no place for open swim. NOT OK! And like all the others, get rid of some lap lanes. | 5/31/2024 12:37 AM |
| 320 | Don't you have enough splash pads? | 5/31/2024 12:20 AM |
| 321 | NONE - this one is amazing for families of smaller children. | 5/31/2024 12:14 AM |
| 322 | Not enough shade and splash pad is far too large | 5/31/2024 12:11 AM |
| 323 | More pool! | 5/31/2024 12:10 AM |
| 324 | Do not care for this plan at all as there is no swim area. | 5/30/2024 11:49 PM |
| 325 | Not sure. | 5/30/2024 11:48 PM |
| 326 | I really don't like this option | 5/30/2024 11:36 PM |
| 327 | Shrink the wet deck enough to have some shallow leisure space - could be similar to the size of south park | 5/30/2024 11:34 PM |
| 328 | Get rid of lap lanes...where are kids going to actually swim at in this version?! | 5/30/2024 11:24 PM |
| 329 | This one is god awful. Please no. | 5/30/2024 11:15 PM |
| 330 | Don't waste space with a water playground only kids under 7 will enjoy. | 5/30/2024 11:05 PM |
| 331 | Active wet deck is cool but we still need an open area for the little kids to swim | 5/30/2024 11:05 PM |
| 332 | There needs to be a place to just swim for kids | 5/30/2024 11:01 PM |
| 333 | Too much splash pads and not enough swimming/open swimming | 5/30/2024 10:57 PM |
| 334 | DO NOT HAVE THE PLAYGROUND AREA - then there is no pool just a playground. | 5/30/2024 10:47 PM |
| 335 | Don't like this one | 5/30/2024 10:42 PM |
| 336 | More shade | 5/30/2024 10:38 PM |
| 337 | Keeping a larger presence of the deeper waters. Why can't the almost unused basketball courts be redone to allow space to grow the pool instead of cutting the useable space. Combine the playground with the splash pad deck. | 5/30/2024 10:31 PM |
| 338 | Removing the splash pad. we have two new ones in town that are available to citizens. | 5/30/2024 10:30 PM |

| 346 | I like this but also wish there was some shall water for children to swim in. | 5/30/2024 10:16 PM |
| 347 | The rentable cabanas should maybe be on the play structure side to accommodate birthday parties better. | 5/30/2024 10:15 PM |
| 348 | Scrap this concept, entirely. Lawrence needs practical pool areas and not mediocre splash pads which are restricted to serve adolescents rather than the entire community: elderly, toddlers, teens, and even middle-aged parents who wish to participate in the activities alongside their children. | 5/30/2024 10:10 PM |
| 349 | There really isn't anything to change it's a very well planned concept manly focused on the kids is I find it extremely pleasant. | 5/30/2024 10:09 PM |
| 350 | Larger pool area. Less splash pad | 5/30/2024 10:06 PM |
| 351 | Needs a shallow water area for kids to actually swim. | 5/30/2024 10:06 PM |
| 352 | This plan is horrible. It only takes into account a small portion of our community. Please put a pool in west Lawrence. | 5/30/2024 10:04 PM |
| 353 | I do not like much of this design at all. Lack of actual swimming space is a huge flaw. There are better places in town for splash pads without taking our only outdoor pool space away. | 5/30/2024 10:02 PM |

| 362 | FREE cabanas, less lap lanes, more shade | 5/30/2024 9:51 PM |
| 363 | I do not like option 4 | 5/30/2024 9:48 PM |
| 364 | This combined with option #3 would make the most sense. The big active wet deck is GREAT but at the expense of the lazy river and so forth? That didn't make sense. Those serve different populations. The active deck PLUS a lazy river is a better option | 5/30/2024 9:47 PM |
| 365 | A pool!!! I have little kids and I hate this. Please give me room to teach them to swim. This one really really sucks. Please don't do this. More pool less splash pad. | 5/30/2024 9:45 PM |
| 366 | N/A | 5/30/2024 9:41 PM |
| 367 | Open swim area needs to be bigger | 5/30/2024 9:40 PM |
| 368 | a lazy river and float area | 5/30/2024 9:39 PM |
| 369 | Once again, we need a larger leisure area and few to no lap lanes. People can swim laps at free state | 5/30/2024 9:38 PM |
| 370 | No free swim area | 5/30/2024 9:35 PM |
| 371 | This is terrible. Definitely need shallow water/leisure area | 5/30/2024 9:34 PM |

| 372 | None. This is stupid | 5/30/2024 9:32 PM |
| 373 | Nothing | 5/30/2024 9:32 PM |
| 374 | More swim space | 5/30/2024 9:25 PM |
| 375 | I don't like this concept at all, unless you completely remove the lap lanes and let that pool be a leisure pool, otherwise there is no where for kids to actually swim since it's all taken up by a splash pad. | 5/30/2024 9:23 PM |
| 376 | Lazy river- wave pool - swimming areas | 5/30/2024 9:22 PM |
| 377 | An actual pool. This isn't fun for adults that supervise small children | 5/30/2024 9:22 PM |
| 378 | Where is the actual pool? There isn't one and should be! Fewer lap lanes | 5/30/2024 9:21 PM |
| 379 | Where will kids swim?????? Why so many lap Lanes???? We need an actual pool! This is strange. | 5/30/2024 9:21 PM |
| 380 | a large area for leisure and new diving boards | 5/30/2024 9:09 PM |
| 381 | Put the splash zone in a shallow pool 2-3 feet | 5/30/2024 9:09 PM |
| 382 | I like that there would be two features available outside of pool hours (presumably for free or reduced cost?) again, the cost to go to the public pool is definitely prohibitive for our family. It's a once-a-season treat for us, as a WIC family with three young children. | 5/30/2024 9:07 PM |
| 383 | Cater more for the teens there is 2 splash pads already figure out what the town wants, what the youth community wants because is this happens there is zero space to do anything | 5/30/2024 8:56 PM |
| 384 | No splash pad, deep water area for play in summer heat | 5/30/2024 8:53 PM |
| 385 | This is great to separate age groups to allow younger kids an opportunity to play without big kids around. Play structure is great for those who want to be wet but can't quite do a pool (moms will love this option!) | 5/30/2024 8:49 PM |
| 386 | Scrap it altogether. The entire existing outdoor pool footprint needs to maximize space for swimming, learning to swim, gaining water confidence, and exercising in water. Build splash pads in other parks. | 5/30/2024 1:50 PM |
| 387 | More pool, less concrete. The existing pool doesn't feel large enough. The city already has splash pads, please don't replace our existing pool with another one. | 5/30/2024 5:28 AM |
| 388 | 50m pool, free cabanas, better use of space so MORE people can use it not less | 5/29/2024 8:39 PM |
| 389 | To be bluntly honest, this idea doesn't fit the need of the downtown Lawrence pool whatsoever. It provides nothing the city wants to offer | 5/29/2024 8:34 PM |
| 390 | Nothing is age appropriate | 5/29/2024 6:06 PM |
| 391 | a big lazy river connecting all the elements. More slides. | 5/29/2024 5:38 PM |
| 392 | Expanding the footprint of the pool area to the north (using some of the free space outside the current fencing surrounding the pool) so that you can have both large play area for kids with slides and a lazy river or wave pool. | 5/29/2024 4:58 PM |
| 393 | More lap lanes | 5/29/2024 4:14 PM |
| 394 | No synthetic turf. | 5/29/2024 4:02 PM |
| 395 | Faster | 5/29/2024 2:30 PM |
| 396 | Keeping it away from the whole rest of the pool would be a high priority because that would put down on the number of kids in the pool giving adults more space | 5/29/2024 1:21 PM |
| 397 | No. Just no. Where will the teens play? | 5/29/2024 1:13 PM |
| 398 | Do not like | 5/29/2024 12:40 PM |
| 399 | This is the only option that comes close to addressing the HUGE gap in activities which will be created if you presumably go ahead with closing and destroying the South Park Wading pool. All of the other options are half measures. The splash pads are absolute trash- kids want to be submerged, not just splashed in the face by water. | 5/29/2024 12:25 PM |

| 400 | Whats up with a splash pad..why when you can have a pool? | 5/29/2024 9:49 AM |
| 401 | Splash pad availability outside park admission | 5/29/2024 6:30 AM |
| 402 | This is my least favorite concept so far. The idea of splitting the spaces in half essentially isn't great in my opinion and doesn't maximize the use of the space. There are already two splash pad areas in Lawrence. To use over half of the outdoor pool on non-pool related features is wasteful. | 5/29/2024 12:38 AM |
| 403 | Nothing | 5/29/2024 12:04 AM |
| 404 | It needs open swim area and a place where parents can sit to see kids - I don't like this. | 5/28/2024 10:57 PM |
| 405 | This is TERRIBLE! How do you plan to "improve" the pool by getting rid of half of what's there now? Maybe there wasn't time to read the results of the last survey before this came out, but did you notice that one of the main complaints was the overcrowding? Limited hours is part of the problem, but shrinking the pool is NOT going to help! Yikes. | 5/27/2024 12:29 PM |
| 406 | Can the synthetic turf be real grass? Lawrence has so many areas focused on young kids. I think a place with more for teens is needed. This playset makes the pool too focused on younger populations. | 5/26/2024 2:40 PM |
| 407 | A kids pool | 5/25/2024 10:27 PM |
| 408 | This plan would take away the highest-use part of the pool, which is the shallow leisure pool. | 5/25/2024 12:12 PM |
| 409 | Don't get rid of 50 meter lanes | 5/24/2024 11:40 AM |
| 410 | An active splash deck. | 5/24/2024 9:21 AM |
| 411 | This big splash pad idea is GREAT. However especially with concept 4 if there is gonna be this big splash pad the number of lap lanes need to be reduced. There needs to be open pool space for bigger kids/teens!!!! Big interactive splash pad would be a hit though. | 5/24/2024 7:21 AM |
| 412 | Seems impractical for parents of both young and older children to try to watch both with a large fence between. Is the splash slide a water slide (where does it exit to?) or just a plain slide (seems like that would hurt in a swimsuit)? Prefer option 1. | 5/23/2024 9:13 PM |
| 413 | Adult area away from Children. | 5/23/2024 4:22 PM |
| 414 | There is no actual pool area for kids to swim! The only space is all taken up by lap lanes! | 5/23/2024 4:14 PM |
| 415 | A lounge pool area | 5/23/2024 3:25 PM |
| 416 | Worried about disability access both for children & adults who would want to enjoy a pool day. | 5/23/2024 1:38 PM |
| 417 | There's no pool for swimming. Just lap lanes, diving pool, slide pool. | 5/23/2024 12:12 PM |
| 418 | I don't like it.... | 5/23/2024 12:09 PM |
| 419 | I love that a large part of this is available outside pool hours. The pool has seemed to have staffing issues in recent years. This would hopefully allow both swimming and fun for families, but not be so labor intensive. I do think a small zero entry wading area would be good for kids if you can squeeze it in. We love going to the South Park wading pool, but are sad it's season is so short. | 5/23/2024 10:12 AM |
| 420 | Still need a nice zero entry area for little kids to be able to swim but not be in the lanes | 5/23/2024 9:38 AM |
| 421 | A lazy river. | 5/23/2024 8:28 AM |
| 422 | Shallow water and zero entry | 5/23/2024 2:36 AM |
| 423 | Ditch it. | 5/22/2024 8:48 PM |
| 424 | Splash pad more like the other options. Be able to use the splash pad when main aquatic center is not open | 5/22/2024 7:15 PM |
| 425 | An active wet deck with large play structure. | 5/22/2024 5:29 PM |
| 426 | Needs more pool space. Would be neat to have this design with a 50-meter pool. | 5/22/2024 4:42 PM |
| 427 | Love this concept | 5/22/2024 3:26 PM |

Lawrence Outdoor Aquatic Center Major Renovation Project - Opinion Survey 2

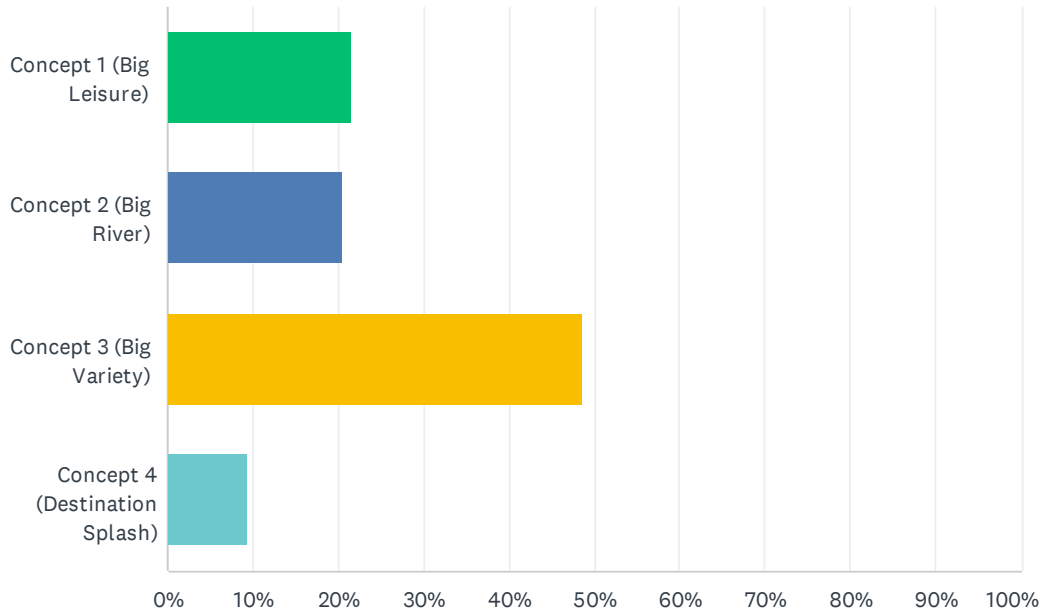

| | | |
|-----|---|--------------------|
| 428 | Too much | 5/22/2024 2:49 PM |
| 429 | Not spend as much money. The City cannot staff its new Fire Truck because of a lack of manpower. For the past several years the City Aquatic Centers have opened late and closed early due to staffing shortages. Why spend \$6.1M on the Aquatic Center when the fire department is understaffed? I'd rather have general maintenance done on the Aquatic Center and the remainder CIP allocated to paying bonuses to recruit more fire fighters. | 5/22/2024 1:32 PM |
| 430 | Again - more open space to swim, both shallow and deeper water. Splash pads are fun for younger kids, but teenagers not so much. There's already not enough for teenagers to do in Lawrence. | 5/22/2024 12:47 PM |
| 431 | Way too little water. | 5/22/2024 12:36 PM |
| 432 | Neat idea, but weather gets to hot and takes away leisure swimming and hangout for older kids and probably cooling of during the hot summer days. Don't recommend | 5/22/2024 12:00 PM |
| 433 | Absolutely anything! This concept is horrible and makes the pool worse functionally than it is now!!! Tweens! Think about the ones that bring you money! Stop catering to the babies (who are free) and the retirees!!! There are parks and splash pads elsewhere in this city!!! We want a pool! Pool!!! Big open water hole in the ground with working g slides, diving boards and areas for people to spread out I steD of being on top of each other! | 5/22/2024 9:44 AM |
| 434 | ADD LAZY RIVER | 5/22/2024 8:50 AM |
| 435 | A pool. A large, actual swimming area that doesn't require lap swimming. | 5/22/2024 8:49 AM |
| 436 | I like the play structure but you need to have a shallow pool area for the smaller kiddos | 5/22/2024 7:53 AM |
| 437 | Make the pool portion bigger and reduce the size of the main splash pad | 5/22/2024 7:20 AM |
| 438 | Another pool and lazy river | 5/22/2024 7:04 AM |
| 439 | Still need a shallow pool! | 5/22/2024 6:48 AM |
| 440 | Not sure | 5/22/2024 6:12 AM |
| 441 | Where's the leisure pool at? | 5/22/2024 5:33 AM |
| 442 | The best for smaller children. I love its usability during off peak hours. | 5/21/2024 10:16 PM |
| 443 | Nothing, no good for older folks/kids | 5/21/2024 9:38 PM |
| 444 | lazy river | 5/21/2024 8:57 PM |
| 445 | Zero depth/leisure pool area | 5/21/2024 8:25 PM |
| 446 | The big slide structure seems super cool, but it takes away a lot from the regular swim areas for older kids. I wish we could have that structure in the lazy river and regular swimming areas, but would not choose the destinations splash slide structure over those other things. | 5/21/2024 7:21 PM |
| 447 | This whole design is a waste of space and ruins the pool. The current makeup of mixed depth and several areas is far superior. | 5/21/2024 7:07 PM |
| 448 | Anything. Losing the pool for a splash pad is horrible. | 5/21/2024 6:54 PM |
| 449 | Including a zero entry - 3ft swim area for beginning swimmers. Better concessions / lunch options and a more hip vibe for decor. | 5/21/2024 6:08 PM |
| 450 | I don't like losing the kids pool altogether- we need places for young kids to learn and practice their swimming skills without driving to the far west side of town to try to use the indoor aquatic center for swim lessons. Separate or smaller splash pad concepts are better. | 5/21/2024 5:59 PM |
| 451 | I do not like this one at all. | 5/21/2024 5:54 PM |
| 452 | This concept lacks area for actual swimming for kids. On hot days, I'm afraid this concept would not provide necessary water. | 5/21/2024 4:24 PM |
| 453 | More places to swim | 5/21/2024 3:51 PM |
| 454 | No synthetic turf areas. It is very hot on skin. Get more space for water. | 5/21/2024 3:50 PM |
| 455 | Smaller wet deck and a lazy river | 5/21/2024 3:47 PM |

| 458 | I don't like this idea | 5/21/2024 3:37 PM |
| 459 | Separate location- new pool | 5/21/2024 3:33 PM |
| 460 | synthetic turf idea don't like- love the grass!, renting a cabana is absolutely insulting to taxpayers and elitist. Remove a lap lane or something so there is room for 'plain' place to just play in 4'6" water. | 5/21/2024 3:31 PM |
| 461 | This is too many options. And there are already several splash pads in town. Why go so splash focused? | 5/21/2024 3:11 PM |
| 462 | It's not a pool. Where is the pool area for younger children? It's all splashy and overwhelming from a sensory point of view. Also needs more shade! | 5/21/2024 3:04 PM |
| 463 | Add a small liesure swim area. | 5/21/2024 2:58 PM |
| 464 | More leisure pool space. | 5/21/2024 2:51 PM |
| 465 | No splash pad, we need a pool for kids! | 5/21/2024 2:49 PM |
| 466 | Nothing | 5/21/2024 2:48 PM |

| 468 | Do not like this one | 5/21/2024 2:40 PM |
| 469 | Needs a LAZY RIVER this concept does not help the older kids. | 5/21/2024 2:21 PM |
| 470 | I dislike Concept 4. Splash pads have limited value especially with the splash pad on the Burrough's Trail. Get rid of rentable cabanas and include more shade structures | 5/21/2024 2:18 PM |
| 471 | This is my least favorite option. | 5/21/2024 2:17 PM |
| 472 | Yes | 5/21/2024 2:17 PM |
| 473 | more staff for safety | 5/21/2024 2:09 PM |
| 474 | Actual leisure pool area and zero entry! This is the worst of all the options. | 5/21/2024 2:08 PM |
| 475 | The large splash pad is interesting, but a lazy river and zero entry pool might be better, especially if there is an available small splash pad, as in Concept 3. | 5/21/2024 2:07 PM |
| 476 | Get rid of lap lanes altogether, make those indoor pool only. This takes too much space from the available swimming area. No where for preteens to be | 5/21/2024 2:06 PM |
| 477 | I don't love this, there's nowhere for kids to play submerged in the water that's not 'lap swim' or 'dive'. | 5/21/2024 1:52 PM |
| 478 | more leisure pool space | 5/21/2024 1:49 PM |
| 479 | More swimming space? Understanding why this one is basically a big splash pad with less swimming area. | 5/21/2024 1:44 PM |
| 480 | if the community prefers a lazy river over interactive slide zone then we should go with that. | 5/21/2024 1:40 PM |
| 481 | Touany climbing structures in play area. Needs to be more zero gravity and a water bench to separate shallows from deeper free swim. I really like current design, with splash, water play area, dividing wall and zero entry walk into deeper water. Good idea to have lap lanes more separate from play areas. | 5/21/2024 1:36 PM |
| 482 | This concept is too kid focused. | 5/21/2024 1:34 PM |
| 483 | Isn't great for bigger kids.... | 5/21/2024 1:32 PM |
| 484 | This is the worst option | 5/21/2024 1:31 PM |
| 485 | Removal of lap lanes. | 5/21/2024 1:17 PM |
