1	It's hard to pick any of these when you are removing so much swim space.	7/10/2024 11:28 PM
2	there is no where for long course swimmer's to practice if this is done. We need 50m length!!!	7/10/2024 9:43 PM
3	Lap area. Need play area for kids.	7/10/2024 9:30 PM
4	None. Lee the pool 50m. Move it from East-West where current shelter is on the east side OR have it be able to be flexed 50 meters where the diving boards are location. I still don't understand why the pool needs to only be 25 meters.	7/10/2024 6:34 PM
5	Instead of a splash pad the zero depth should be doubled in size with a water play structure. Similar to the City of Gardner	7/10/2024 5:50 PM
6	No to splash pad. Put somewhere else. More water space	7/10/2024 4:15 PM
7	We need a LCM pool for swim teams. We could host meets and the city would make money	7/10/2024 1:33 PM
8	The open/flex swimming area	7/10/2024 1:21 PM
9	I like the lap lanes but I would like to see more of them and ample dedicated lap swimming using all the lanes in that pool. I like that the children's pools are separated from the main pool.	7/10/2024 11:07 AM
10	Open swim area is lacking	7/9/2024 11:36 PM

14	Consistent 4 foot lap area for walking laps	7/9/2024 9:10 PM
15	Keep the big pool	7/9/2024 7:50 PM
16	General adult swim area other than lap lanes -	7/9/2024 6:11 PM
17	Splash pad	7/9/2024 1:31 PM
18	longer lenth lazy river	7/9/2024 11:23 AM

19	Retained lap lanes.	7/9/2024 10:13 AM
20	Lazy river needs to be bigger with inner tubes	7/9/2024 9:00 AM
21	Open swim area for older kids/teens	7/9/2024 8:38 AM
22	More water slides bigger lazy river	7/9/2024 8:03 AM
23	Splash pad at dad perry park	7/8/2024 10:33 PM
24	Are you leaving us with half the open water area as our current pool?	7/8/2024 9:32 PM
25	Spash pad	7/8/2024 1:11 PM
26	Lap lanes	7/7/2024 10:08 PM
27	Splash park	7/7/2024 9:13 AM
28	That is it because this model is geared more towards toddler/baby crowd	7/7/2024 12:01 AM
29	Bigger lazy river	7/6/2024 10:56 PM
30	I like that the lap lanes will not bisect other swimming areas, creating an annoying barrier.	7/6/2024 8:10 PM
31	25 meter lap lanes	7/6/2024 8:29 AM
32	The proposed shallow leisure pool area is too small. On concept plan, looks like the shallow pool area is much smaller than the existing shallow pool area.	7/5/2024 6:26 PM
33	More family dressing rooms,	7/5/2024 5:27 PM
34	Lap swim	7/4/2024 7:46 AM
35	Lazy river with no sprays	7/3/2024 4:34 PM
36	Would prefer lazy river loop around	7/3/2024 6:23 AM
37	Lap swimming for adults	7/1/2024 7:51 PM
38	lap lanes	7/1/2024 4:25 PM
39	More lazy river plz	7/1/2024 12:04 PM
40	Do not believe this is necessary.	7/1/2024 10:14 AM
41	Zero depth entry	7/1/2024 10:12 AM
42	I like that lap/dive areas are more separate from casual use areas	7/1/2024 9:35 AM

51	shade	6/26/2024 9:29 PM
52	Provide longer hours	6/26/2024 8:36 PM
53	Lazy river doesn't go all around. You would get stuck. You are also making pool smaller which is not smart.	6/26/2024 7:33 PM
54	swim up bar	6/26/2024 5:53 PM
55	Lazy river looks too small, it doesn't seem big enough to be enjoyable	6/26/2024 4:11 PM

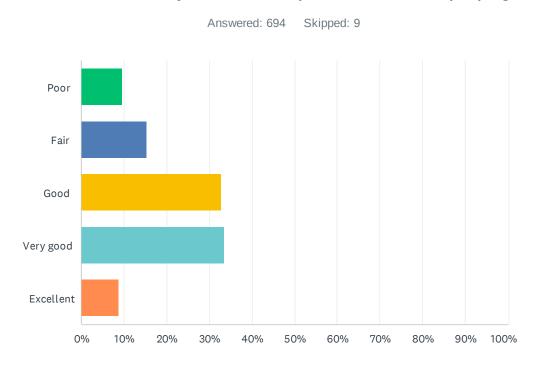

56 This plan severely restricts lap swimming, an activity that is great for a broad spectrum of adults who want to achieve and maintain health. This focuses on leisure outdoors trying to replicate a resort style aquatic environment. I am wholly opposed and sorely disappointed.

	replicate a resort style aquatic environment. I am wholly opposed and sorely disappointed.	
57	The splash pad	6/26/2024 10:22 AM
58	please update shower facilities	6/26/2024 8:54 AM
59	I think time should be considered in the renovation. Or stages, there is only one public outdoor pool, and the indoor pool is not easily accessible for most of north and East Lawrence - a lower income bracket part of the city. If the pool has to close for an outdoor season, the community and swimming ability for the city will take a huge hit. We have enough splash pads in town. Don't waste public pool space for something people already can do unpaid elsewhere.	6/26/2024 7:36 AM
60	Nothing really. We need a 50 meter outdoor lap pool	6/26/2024 3:20 AM
61	For the love of god please change the old gross bath house	6/25/2024 11:16 PM
62	I don't like the decrease in area of the pool. Will serve less people.	6/25/2024 8:32 PM
63	More seating	6/25/2024 7:50 PM
64	swim lane section looks a little bigger. Usually the swim lanes are full.	6/25/2024 6:27 PM
65	I was excited about a lazy reiver, but that is not a lazy river.	6/25/2024 5:24 PM
66	more shaded areas	6/25/2024 5:07 PM

78	What apprears to be a shark in open area lane 3?! Hard to tell from the drawings but is the main pool smaller than it currently is?	6/24/2024 6:39 PM
79	Not a fan of sprays on the lazy rivet. Isn't the idea of lazy river to relax. Nothing relaxing about being sprayed with cold water.	6/24/2024 4:58 PM
80	I really love that there are separations between the areas. This allows young children to not be over run by older kids, or people looking for more active experiences to be apart from those being more leisurely.	6/24/2024 3:27 PM
81	I'm super open. I would be interested in outdoor deep water workouts. As a young mom I've heard not the best things about the pool. If the concession options are decent this would be nice too. I love having options for toddlers with slides and shallow areas and splash pad as well as areas for older kids and even adults.	6/24/2024 12:58 PM
82	The lazy river is not long enough to referred to as a "river"	6/24/2024 9:35 AM
83	Splash pad	6/24/2024 8:05 AM
84	More money for staff	6/24/2024 6:52 AM
85	Stingray like manhattan has	6/23/2024 11:38 PM
86	Adults only pool	6/23/2024 6:46 PM

87	Disabled friendly bathrooms	6/23/2024 5:21 PM
88	More slides for kids would be nice and a big lazy river	6/23/2024 3:39 PM
89	Open swim and play area is important	6/23/2024 11:13 AM
90	open flex swim area	6/23/2024 10:10 AM
91	Deep area for big kids, lap swimming	6/23/2024 9:50 AM
92	Free swim area	6/23/2024 9:21 AM
93	Nothing about this makes since except a remodeled concession stand! I've worked in there and it's pretty disgusting. The lazy river is ridiculous! It should be made what it's called! Like going around the outskirts of the whole pool area like KC area pools have not just a closed in area and call it a lazy river! Don't cut the large pool in half and waste money on this! The pool needs to be bigger or build another one! This one gets too crowded.	6/23/2024 12:05 AM
94	More lockers and showers/shower curtains	6/22/2024 11:17 PM
95	Need 50 meters	6/22/2024 9:41 PM

1	The concept does not meet the needs of the community. The swim area will be overcrowded. Cramming families, teens, and leisure adult swimmers into such a small swim space is unappealing and will be problematic. The lazy river is a desired feature for many but the proposed space is inadequate for today's needs and definitely will not age well as the city grows. The spray park should not be part of this concept! There are already other options nearby. Please remove this idea from the plan! The current plan will force more people to abandon our town's pool and travel to other communities like so many already do. As great as the idea of renovations sound, this project should be deferred to a later time when the City can afford to do this right instead of just rushing this through. A sponsorship campaign could secure the necessary finances and resources to ensure this project meets the needs for both now and the future.	7/10/2024 11:28 PM
2	Too much concrete, not enough water.	7/10/2024 10:44 PM
3	Why would you cut all of the 50 meter lanes, not a single one for any swimmers to practice on. Long course season is throughout the summer and the outdoor pool would not have any to practice on???	7/10/2024 9:43 PM
4	What's the point of the turf area?	7/10/2024 9:43 PM
5	Needs an area for kids to be kids, & parents to be able to teach their kids things like strokes.	7/10/2024 9:30 PM
6	A lazy river and additional shade would be great!	7/10/2024 7:08 PM
7	You are adding way too much. Keep it simple, kids will still love it	7/10/2024 6:39 PM
8	Lazy river will get old quick and under used. How many splash pads do we really need in Lawrence. Is this number 3 or 4. I have a hose or sprinkler at home that I can turn a splash pad for my kids. Think of competitive swimmers (kids and seniors) will have much more use of a 50 meter pool. If/when Parks and Rec allows swim competitions it will bring tens of thousands of dollars to Lawrence.	7/10/2024 6:34 PM
9	Instead of a splash pad the zero depth should be doubled in size with a water play structure. Similar to the City of Gardner	7/10/2024 5:50 PM
10		7/10/2024 5:23 PM
11	Seems like there will be much less area for older kids who are proficient at swimming	7/10/2024 4:55 PM
12	Not enough water space for groups coming to pool	7/10/2024 4:15 PM
13	Play structure for toddlers	7/10/2024 4:10 PM
14	More space pool for families.	7/10/2024 2:52 PM
15	I really like the idea, but wish it could be done in some way, utilizing the current pool, rather than dividing the pool area up. Also, I feel that Lawrence could use another outdoor pool, based on the size of the city.	7/10/2024 2:27 PM
16	Seems like it reduces the amount of open swim areas.	7/10/2024 2:03 PM
17	Needs a LCM pool	7/10/2024 1:33 PM
18	I am a swimmer who likes to use the pool to actually swim. I am not necessarily a lap swimmer every time I go, so I am very curious to learn more about this open/flex swim area and how that will operate.	7/10/2024 1:21 PM
19	Look into Spash Cove in Shawnee, KS and take ideas from that for the toddler area.	7/10/2024 1:06 PM

20	This concept appears to reduce the overall size of the pool. In particular it appears to reduce the size of the swallow pool, I think it is referred to as the 'Leisure Pool Area'. This is not good. Need to install bathing suit spin dryers at new pool. Our family has used them at other pools and they are great. The current pool has alot of swimmers playing in the 'Leisure Pool Area'. It is already too crowded in the current pool. Don't reduce the Leisure Pool Area for the new pool. It is a waste of pool area to have lounge chairs in the pool. This is stupid. That lounge chair area is better served as a pool area that everyone can use, instead of the lucky few who will inevitably park out on these lounge chairs for hours and never give anyone else a chance to use them. I can see this an area of conflict. Don't include a splash pad at new pool. Splash pads should be free to use by the public. A family shouldn't have to pay to have their young children play in a splash pad. The cost to go to the current pool is already too expensive for a family. Other public swimming pools near Lawrence are less expense and have better amenities.	7/10/2024 11:33 AM
21	This concept appears to reduce the overall size of the pool. In particular it appears to reduce the size of the swallow pool, I think it is referred to as the 'Leisure Pool Area'. This is not good. The current pool has alot of swimmers playing in the 'Leisure Pool Area'. It is already almost too crowded in the current pool. Don't reduce the Leisure Pool Area for the new pool.	7/10/2024 11:15 AM
22	Main pool will put all swimmers and all but young kids in much smaller area than now for swim and play. The water could be more turbulent and need more frequent chlorine treatment. Too much area set up for lounging and activities for young kids.	7/10/2024 11:07 AM
23	All lazy rivers I've experienced are circular and connected for a continuous float ride. What is the advantage of a more linear river and how does that work?	7/10/2024 10:02 AM
24	needs more adult space to swim	7/10/2024 8:40 AM
25	As the city grows and the climate warms, we will need more swim and shade areas.	7/10/2024 7:22 AM
26	I've used lazy rivers that have underwater jets to create a current and I've used them that don't. The ones that don't aren't lazy rivers, they're walking spaces. Please make sure this one has a current!	7/10/2024 7:21 AM
27	If the turf area will be included in the final design, it should also have shading. The expanded seating availability is also really nice. I would also like more detail on what toddler activities would be included in the shallow pool. The current shallow pool with splash pad like activities is perfect for my toddler.	7/10/2024 6:11 AM
28	It seems you are losing a large portion of your open swim area. Boys and Girls Club will take over the entire open swim area. In addition, connecting the lazy river to the shallow little kids pool seems like a disaster as the bigger kids will be the ones in it. We do not need another splash pad at the pool in addition to the shallow pool and little kids slides. If you need a splash pad, put it at the park next door, so it can be used outside of pool hours. What is with the turf areas? People come to the pool to swim, not play on turf.	7/9/2024 11:36 PM
29	Love the ideas. Not sure if a new concessions area is needed?	7/9/2024 11:14 PM
30	I would love for you to integrate some sort of water table play feature for toddlers. They have one at the Copple YMCA in Lincoln Nebraska. Or, like the toddler wet play ground at Star City Shores in Lincoln Nebraska.	7/9/2024 10:46 PM
31	Lazy river is awesome	7/9/2024 10:43 PM
32	Not much open pool space, it would be better to have more open pool area.	7/9/2024 10:41 PM
33	We have a lot of splash pads now around the city. I'm not sure we need another one at the Outdoor Aquatics Center too. This space seems more useful for other features at an out public pool space.	7/9/2024 10:36 PM
34	Skip the cabanas. They will eb broken int he first year.	7/9/2024 10:21 PM
35	Na	7/9/2024 9:57 PM
36	It halves the existing pool and lap lanes	7/9/2024 9:56 PM
37	Seems like a lot going on	7/9/2024 9:41 PM
38		

39	DO NOT SHUT DOWN THE WADING POOL IN SOUTH PARK. REJUVINATE IT.	7/9/2024 9:15 PM
40	Areas that are adult centered would be great too!	7/9/2024 9:11 PM
41	Lazy river circular so you can continuously go around.	7/9/2024 9:10 PM
42	Stop trying to remove the current pool and just add new things to the pool.	7/9/2024 9:05 PM
43	Please remove the sunshelf with lounge chairs from the shallow pool. Only 2-3 families could tie it down all afternoon. Would rather have more free swim space for all.	7/9/2024 8:10 PM
44	I do like the idea of a splash pad somewhere else, like the West side of town where there are none so far, and instead use the space at the downtown pool for a different feature.	7/9/2024 7:58 PM
45	If you want to add the lazy river, fine, but keep the big pool to swim in. Lawrence is growing, need more space	7/9/2024 7:50 PM
46	Our child is a competitive swimmer with The Lawrence Aquahawks. During the summer time we are in long course season. That means 1 length of the pool equals 50 m. We need a pool that our swim teams can effectively practice 50 meter lengths. The indoor pool has the capability, but refuses to let us change the lanes from the standard 25 yards to the 50 meter distance. The swim teams need starting blocks, as well to practice starts and hopefully, one day, the city will allow us to host a swim meet.	7/9/2024 7:35 PM
47	The scattered shade is good. Hope no trees will be removed on west side for the natural shade.	7/9/2024 6:11 PM
48	Clean bathrooms	7/9/2024 6:04 PM
49	I don't think the splash pad is necessary as we already have two on this side of town. I would like to see the space be used for a bigger leisure pool.	7/9/2024 5:56 PM
50	Too much concrete not enough actual swimming space	7/9/2024 5:31 PM
51	would the outdoor pool be able to hold meets (youth or masters)?	7/9/2024 5:26 PM
52	It might be big variety, but cutting the lap lanes in half will take away the only long course lanes in town (the indoor pool is always set up as short course) and I don't think that any of the new areas will be big enough to accommodate the number of people who use the pool. How many floats can even fit in the lazy river? It looks like it would be too crowded.	7/9/2024 3:28 PM
53	Really disappointed to see the areas open for general swim is very limited. 5 lanes for lap swim and reduced general swim area doesn't lend itself to actual swimming. There is only 2 public pools in the city already operating on extremely limited hours for students/working families to access the pool which large areas are already reserved for younger swimmers/therapeutic needs.	7/9/2024 3:10 PM
54	We need a pool not a big splash park.	7/9/2024 2:32 PM
55	Lazy river looks more like a lazy pond? Confusion there.	7/9/2024 2:21 PM
56	More lap swimming availability would be nice	7/9/2024 1:51 PM
57	Progress!	7/9/2024 1:50 PM
58	The splash pad area needs to be accessible for free so it should be moved to the park area and not be part of the pool complex.	7/9/2024 1:36 PM
59	Seems odd to have lazy river next to toddler area. Would this make more sense near bigger kid/adult area? Maybe in conjunction with slide area	7/9/2024 1:31 PM
60	lazy river needs to be bigger. Everyone knows that will be huge draw. reduce splash pads. so disappointing to see such a bad design. typical city of lawrence failure.	7/9/2024 1:30 PM
61	I wish that we could expand the footprint of the pool. Bump out to the north and put the splash pad area next to or in place of the existing swingset/slides there. And move the slides over to accommodate the splash pad. Then you could have a bigger surface area for the shallow, zero entry pool and maybe add the racing slide in there. Also make the lazy river larger.	7/9/2024 1:22 PM
62	Less lap lanes	7/9/2024 12:39 PM
63	None	7/9/2024 11:20 AM

64	I would love if the lazy river was bigger and was surrounding the shallow pool. More connectivity between areas.	7/9/2024 10:41 AM
65	Lawrence is a big enough city to support a much larger public pool. I think they are trying to shove too much into a small space and it will be severely overcrowded. We need another pool in Lawrence, like the Gardner or North Topeka pools. Large area with a real lazy river and other features that aren't shoved in this little space.	7/9/2024 10:07 AM
66	There are plenty of splash pads in town. Use pool space for POOLS! We need more options for lap swimming. Which can only be done in a POOL.	7/9/2024 10:05 AM
67	Provide tubing for the lazy river	7/9/2024 10:02 AM
68	Teens are often the most under served demographic when it comes to parks. This seems to be the case for this aquatic layout as well. If a handful of teens choose to use the pool and invite friends the lazy river is suddenly packed. My teens will gravitate to the slide and lazy river and will want to do it with their friends, but the improvements will not meet their expectations and they will likely still choose to go to the Gardner pool or other surrounding pools outside of Lawrence. To improve the teen experience and keep the general layout the lazy river needs to meander around the pool area and not be in a single bean shape. They want the mystery of a longer experience and a curve or two, a slide that connects with a tube to the lazy river, options to exit the lazy river at different points, places to shorten the river or change directions if they want. (See Gardner pool layout)	7/9/2024 9:47 AM
69	Shade is a top priority and bathrooms upgrade. In reference to question below, I do not think the bathrooms should be accessible from outside the pool area for safety reasons.	7/9/2024 9:39 AM
70	None	7/9/2024 9:37 AM
71	Shade is a top priority for cool down and it's hard to see what the improvements are from this on the bathrooms - would be great to see those upgraded	7/9/2024 9:33 AM
72	You need to build what Lenexa has done at Sar Ko Par Aquatic Center. Just copy it exactly how it is.	7/9/2024 9:00 AM
73	I see a lot of lap lanes and I understand the appeal. But as long as most of that area is free for open swim then it should be ok. Lots of focus on family and younger kids which great but older kids and teens need an area of the pool too.	7/9/2024 8:38 AM
74	Concerned that the cabanas create an unsavory competition at a "public" pool. Whether at a higher price or long reservation list it's still not something available to all.	7/9/2024 8:37 AM
75	More water slides & bigger lazy river (Provide tubes)	7/9/2024 8:03 AM
76	I like that it has a lazy river.	7/9/2024 7:47 AM
77	There is not room nor need for a lazy river. Do not make the pool area smaller. There are days when the main pool is packed. Added attractions will not take the population away from the main pool population.	7/9/2024 6:33 AM
78	I would make the shallow & lazy river area bigger than the picture. There are more little kids than big kids. If you don't make it bigger those areas will become more crowded.	7/9/2024 6:24 AM
79	The lazy river isn't actually a lazy river? It doesn't loop around anywhere. The original zero entry area is sufficient, no need for a splash area with the other splash area in South Park. This is ridiculous.	7/9/2024 2:04 AM
80	Get rid of the splash pad, there are others nearby in Lawrence How will the lifeguards be able to watch all of these areas? Aren't you short staffed every year?	7/8/2024 11:11 PM
31	remove splash pad entirely longer lazy river	7/8/2024 10:52 PM
82	I like the addition of the lazy river and toddler slide. I'm concerned about the reduced SF of water/swimming area overall. There are several other splash pads in town so I question if that is really necessary here and if it wouldn't be better to provide more swimming areas instead.	7/8/2024 10:21 PM
83	Our pool is so crowded. This looks like this plan leaves us w/ at maximum half the open swim area. If this is the case, how will this investment improve pool usage?	7/8/2024 9:32 PM

90	Tough to tell from the diagram, but the footprint of the lazy river seems small There does not appear to be anywhere on the survey to provide overall feedback, but the primary issue that must get solved before any of this work is explored is the hours/staffing issues at the pool. It seems misguided to seriously explore these new initiatives without first solving the major issues surrounding the daily hours of operation and the length of the overall season. Simply put, the pool needs to open for the season earlier (Memorial Day) and close later (Labor Day). Daily hours need to be greatly expanded. The current issues are primarily due to staffing shortages, correct? If so, solve that issue, expand daily hours and the overall season and provide much better accessibility for the community. Once those issues are solved, then it's time for a discussion about substantial renovations. But for now, the idea of undertaking a major renovation to a facility that's only open a few weeks a year and for a few hours each day seems misguided.	7/8/2024 1:17 PM

94	It appears that there is very little room to just swim. I take my child to the pool a lot and it is pretty crowded. I can't imagine her wanting to spend all of her time in the lazy river or on the slides. Where is the space for mid-size kids to just swim? I enjoy seeing kids diving for rings, doing flips and hand stands. This design seems to take out most of the space for typical kids to just have fun. I'm not referring to lap swimming, just kids swimming and enjoying the water. It also appears that there would be less space for chairs. We need as many chairs as possible, or free lockers.	7/8/2024 8:48 AM
95	Could a designated location exist for daycare/ boys and girls club type groups so they don't dominate the shaded area?	7/7/2024 10:08 PM
96	Have the lazy river wrap around the shallow pool making it feel ore like a river instead of an oval.	7/7/2024 9:01 PM
97	There seems to be a loss of open swim area as compared to the current pool layout. It's hard to know if the variety of activities will make up for how crowded open swimming areas may become on busy days.	7/7/2024 5:12 PM
98	Really seems like this concept means less pool than what we currently have. Not a fan of that idea.	7/7/2024 3:47 PM

101	Will the actual pool basin be large enough? From how I understand it, it looks smaller than what we have currently, with a bunch of zero depth bells and whistles off to the side that aren't "big pool" but also are still paywalled. That's what I like about the splash pad feature-something free for young families. It is neat there is a lazy river, but I am concerned that the actual pool has been made smaller by all these other things	7/7/2024 9:13 AM

103	It's sad that we travel outside of Lawrence to take our kids to pools in Topeka, Overland Park, Olathe, and even Baldwin City and Eudora. It's long overdue that Lawrence steps up their pool game. It's time the city starts taking care of its tax payers and not feeling like they need to fix the nation's problems. Go big on this one!!!	7/7/2024 12:09 AM
104	Get rid of splash pad and turf or at least the turf and expand the lazy River. The biggest issue	7/7/2024 12:01 AM

is the free swim area for older kids. It's so small. And where are we to go when middle school takes over that space but other kids still want to swim and not in a toddler area

	takes over that space but other kids still want to swill and not in a toudier area	
105	I think there is not much being improved at all for the amount of money you intend to spend	7/6/2024 10:56 PM
106	Splash pad will get boring quick. Other ones in town don't seem popular. Concerned the swimming areas will be crowded as it seems there is less than current.	7/6/2024 8:22 PM
107	Please make sure that the max capacity far exceeds the capacity of the current outdoor aquatic center, which is over-crowded and difficult to use because the lap lanes cut the swimming areas in two.	7/6/2024 8:10 PM
108	this is great but what about providing longer hours so families can enjoy the pool after work? What about leaving this pool and adding a second pool in another area of town. A town of this size needs more than 1 outdoor pool. Also, lower cost options for low income families.	7/6/2024 5:01 PM
109	It seems like this plan is reducing the size of the actual pool, where people can swim. The lazy river seems unnecessary.	7/6/2024 4:59 PM

113	I think a splash pad is unnecessary and the money should be spent on a climbing structure with slides and sprayers in the shallow area. I also recommend a lazy river that people can use rafts AND no rafts and have a good flow to the water. If it moves too slow, kids think it's lame. For additional slide options we would love a slide multiple people can use at once like is available at so many Topeka pools.	7/6/2024 3:36 PM
114	Too many specialty areas and little kid space. It's the big kids that need a healthy, safe place to spend the summer. The big pool is way too small and will be immediately overcrowded . We don't need a splash pad.	7/6/2024 3:17 PM

128	No Splash pad needed. Splash pads should be at no cost for a family to use. Splash pad improvements at South Park is a better idea. Expanded zero entry pool area leading to a 24"~ swallow pool area is better use of space for toddlers. The current cost to use the Lawrence outdoor swimming pool is too expensive. Cost is out of line compared to other near by area public pools. It currently cost our family of four over \$20 just to enter the Lawrence outdoor	7/5/2024 6:26 PM

	pool. Our family consists of a 2 year old toddler, Mom in her 30's and two grand parents that are both over 60 years old, (with only one grandparent swimming). It costs our family of four only \$4.00 to enter the Eudora outdoor swimming pool. Our 2 year old toddler is free, both Grandparents are free because we are over 60 years old and Mom only costs \$4.00. Eudora has a lazy river, zero entry pool area and the drive is only 10 minutes away. The biggest problem I see with the concept plan is the proposed shallow leisure pool area is much smaller than the current Lawrence outdoor swimming pool. The current Lawrence outdoor pool has been almost too crowded in the shallow swimming area when we have been there this summer, on weekdays. We wouldn't consider going on a week end. Don't shrink the leisure swimming pool area. The sun shelf with lounge chairs is a waste of space. Don't need this type passive amenity. Not enough people will be able to make use of this amenity. This type passive amenity feels like something for a country club or resort, not a public pool. Better to use this space for swallow swimming area. There needs to be a much better slide feature than is currently at the Lawrence outdoor pool. The current tunnel slide is lame.	
129	I don't understand making less pool area than there already is at the only outdoor public pool in Lawrence I don't think money should be spent on a splash pad, put one in at South Park that's free to use. The current 50 meter lap pool can be condensed to 25 meters and use that end to make an older kid play pool and use the area where the splash pad is shown to make a zero entry toddler/under 5 play pool, without losing the amount of pool space already there. And include the lazy where the current zero entry is.	7/5/2024 5:27 PM

131	On the map I see the current bathroom areas. I hope there are plans to modernize the bath areas. That seems to be a sore spot at the pool at this time, in my opinion.	7/5/2024 12:11 PM
132	I think it seems like the pool loses swimming/water area. I'm not sure how the lazy river works as it seems like that needs to go around something? Not sure it's worth having. Could add the splash pad and largely leave the rest of the pool unchanged could be a benefit?	7/4/2024 4:26 PM

140	I am not a big fan of the splash pad area a shallow kiddie pool would be preferable. Love the lazy river. Cabanas would be nice as long as there is still plenty of other lounge chairs	7/3/2024 3:29 PM
141	I'm a little worried there isn't enough area for older kids/teens and adults to swim in since the lap area will be smaller.	7/3/2024 3:27 PM
142	The lazy river appears to be more of a lazy pool, it would be better if expanded and/or wrapped partially around the perimeter.	7/3/2024 3:18 PM
143	I would rather the current water areas be expanded. The new plan looks to reduce the amount of water areas with a variety of smaller water activities. For example, the lazy river could go along the outside of the existing water area to expand activities to the edges of the space.	7/3/2024 10:52 AM
144	The lazy river should loop around. Less need for sprayers in lazy river.	7/3/2024 6:23 AM
145	The Outdoor Aquatic Center's current structure already provides the public with a variety of options for a wide range of age groups. The concept of "Big Variety" feels overwhelming for the space available and reduces the overall swimmable pool size, which is one of the main appeals of the Outdoor Aquatic Center. "Big Variety" seems to be cramming too many different ideas and somehow leaving the Outdoor Aquatic Center with a smaller, less functional pool for all. The proposed plan focuses heavily on additions and changes directed at younger kids (e.g., splash pad, small-size lazy river, sprays, etc.). However, this pool is actively used by community members from all age groups. An example of this is the reduction of lanes for lap swimming, which I find particularly concerning, as many teens, adults, and older adults use	7/2/2024 2:08 PM

them for fitness and recreation during the summer. Further, the reduction in siz	ze of the
"deeper" pool basin is alarming. Teens and adults of all ages are the main use	
and they too deserve to have an adequate place to swim, relax, and interact in	nstead of being
relegated to a small fraction of the pool. One of the best aspects of the Outdo	or Aquatic
Center is that it already serves community members of all ages there are are	as for babies,
toddlers, young kids, tweens, teens, young adults, adults, and older adults, m	aking it a special
place for all. The pool is a vital aspect of Lawrence community life during the	summer and
should serve all groups.	

146	Can the shallow pool and deep pool connect? Don't love the walkway between them. The lazy river is an incredible addition!!!!! I like the current big pool area - people are in in constantly. I think the new design takes away too much swimming and playing for kids. I'm talking about the current pool's 4'/3'8"/3'6" area.	7/2/2024 1:34 PM

159	I'm old and can't jump into the pool. I can't exit using the ladders. I currently have to use the toddler's wading area for entry and exit. Also older kids hog the lap lanes and jump on your head when you get near the edge.	7/1/2024 10:12 AM
160	I think we need renovated bathrooms with showers. I would like to see a way to excise water from swim suits. A centrifugal type devise. Indoor gyms often have this.	7/1/2024 10:03 AM
161	A splash pad is not needed- those needs are met with other facilities.	7/1/2024 10:01 AM

167	I'm a little worried about the amount of seating. That's a huge issue now. There just isn't enough seating.	7/1/2024 9:25 AM
168	As our climate gets hotter, it will be important to emphasize shady areas for outdoor recreation.	7/1/2024 9:18 AM
169	I love to swim laps and that is what has been sacrificed. The lap area is already very busy during morning swim times and with the new plan the overflow to that area would be gone	7/1/2024 9:18 AM
170	It's unnecessary. I have an 8 yr old and we're regulars at the pool for 3 summers in a row now. The most used parts of the pool are the 3ft 8 in and 4 ft areas of water. This new plan gives less area at that depth for kids and teens to enjoy. Lazy rivers are trendy, why spend millions of dollars on something we don't need and lose the most popular areas of the pool? Please,	7/1/2024 6:15 AM

pretty please, fix the free wading pool in South Park. Splash pads are fantastic, the wading pool was so nice for families with little kids. It was not overwhelming and loud like the big city pool. Small kids are the most likely to drown, giving their families free access to safe water helps young kids learn essential life skills while not being surrounded by bigger rowdier kids.

177	Please prioritize all ages and needs, but particularly children, also shade options	6/29/2024 9:56 AM
178	Great that this is focused on being kid and family friendly!	6/28/2024 8:21 PM
179	This takes away so much swimming area in an already crowded pool.	6/28/2024 5:59 PM
180	Per capita, our aquatic center is much smaller and much busier than surrounding towns like Eudora, Prairie Village, and even tiny towns like Osage City. My family hasn't utilized the pool much in the last few years because it's always crowded, there's very little shade, and the admission cost seems high for the amenities. It's nice to see this plan adding shade and a lazy river, but, if anything, adding the new amenities may make it even more crowded.	6/28/2024 2:19 PM
181	An array of solar panels was recently installed north of Kenwood Cove Aquatic Park to help Salina save on its energy costs. This can be done here.	6/28/2024 12:40 PM
182	The sun shelf seems like it would only serve a few people at a time due to having limited loungers on the concept drawing. Not sure if that is the best use of space for the most patrons.	6/28/2024 3:27 AM
183	You need to remove the turf and make the lazy river a connected river so people can float around and around. The current river looks very small and people in would have to get out and walk back around to get back in? That seems so ridiculous.	6/27/2024 10:19 PM
184	You are take by away so much of the water. At times the pool feels crowded as is and if you take away 30% of the space, it's going to be awful.	6/27/2024 9:52 PM
185	I don't think a splash pad or turf area is necessary. I would rather see more slides and play structures including a family slide	6/27/2024 7:29 PM
186	The current slides are super popular, be sure to keep those.	6/27/2024 7:26 PM
187	Good area for younger kids. Worry about losing general swimming sq footage for young to gradeschool age kids	6/27/2024 2:16 PM
188	I'm worried about the space for older kids and adults to swim might be too small. If there ends up being a lot of older kids in the shallow area it could be dangerous for the smaller kids who can't swim yet.	6/27/2024 2:13 PM
189	please ensure proper shade and seating areas	6/27/2024 2:03 PM
190	I feel like the sun shelf with water chairs- might be one of those shiny, enticing, abstracted thoughts. A feature that sounds really cool for now, but in real world, long term (yeeeears long) use, might become more of a wasted/under utilized space. REAL pool space for a person to be IN the water is very valuable; to instead make the water-chair space into a continuation of the regular shallow pool for people to actually be IN the water. I feel like those half-in the water chairs go one of two ways: usually empty, or the same people camped firmly in place for a full day. That type of chair encourages monopolization/camping in a space, can only accommodate 1 rear in a set amount of space. How people set up base camp for the day in regular chairs, but now that's being applied to what could be pool real estate for everyone to enjoy. More traditional pool area sees alot more turnover/movement and many people use the same space instead of just one person. EXTRA important is that you lose a whole side of the pool for people to enter/exit along that wall. People plop in and pull themselves out all over,	6/27/2024 1:56 PM

wherever possible. ------ Q4. Of the following extra budget question- I don't think a strictly adults only pool is a wise use of space, but it IS nice when pools allow adults to remain in the pool during lifeguard break/switch. Offers some small snippets of a childless pool. Or the occasional evening swim session only for adults would be neat. If there's pool budget like that, additional moderate depth pool space that can be used by everyone is cool. (Adults only pool, people just stand still or hang on the sides!) Q5- please don't bulldoze the South Park Wading pool for a lesser splash pad! Kids love the part about WADING :)!

191	Not big enough - project needs more funding to to this project correctly.	6/27/2024 1:06 PM
192	I haven't seen any attempt to address accessibility. What will developmentally disabled people in wheelchairs who cannot swim (and their caretakers who have to be present for safety purposes) do? Will you have water-wheelchairs? Do I have to take my person out and lay her in the toddler area? Will there be an easy place for me to carry her into the pool? Will there be floatation devices we could use? Have you given any thought to inclusivity at all? I haven't seen it, which leads me to believe you just don't care. Also, LOL that you think you will have leftover money. Please show me the city project that has EVER come in under its budget. I admire your optimism, though.	6/27/2024 12:56 PM
193	There can be a better way to spend, or not spend city funds. Like fix roads or keeps fire stations staffed.	6/27/2024 11:03 AM
194	I do not like how there is no 50 meter lap lanes.	6/27/2024 10:42 AM
195	Too many amenities/spray features for the small area.	6/27/2024 8:22 AM
196	Love the spray pad and having access to it when the pool isn't open; a little concerned about the loss of pool but it's not a deal breaker.	6/27/2024 6:43 AM
197	Nothing- love the idea	6/27/2024 6:22 AM
198	More shade is really needed, so I appreciate that. I also think swimmers there for laps and exercise are battling for space with kids, ao the differentiation helps both groups get the space in the pool they need.	6/27/2024 1:51 AM
199	I hope that the lanes would not all be in use during open swim times because if so, there would really be a good swimming area for anyone over the age of 5.	6/26/2024 11:18 PM
200	More actual swimming area	6/26/2024 10:49 PM
201	I do worry about making the actual swimming space of the pool smaller by adding the lazy river and the lost space between the shallow pool and the deep pool. Also feel that a splash pad isn't necessary a kiddie pool with a couple fixtures would be nice.	6/26/2024 10:27 PM
202	Arc sprays seem like something that people will mostly avoid and eventually break down. Lazy rivers take up a lot of space, and the inflatables are often leaking or require repair, so there either aren't enough or people just don't use them. Plus, people just pee in those things anyway. A splash pad could be okay if there were a wading or lounging pool attached. Otherwise, they seem better suited as a water feature for neighborhoods and not the best use of space at the main outdoor aquatic center.	6/26/2024 9:59 PM
203	Free splash pads have been built around town so space is wasted on this. The current pool also has two decent size areas that are 4ft depth not taken up by lap lanes that older kids and adults alike enjoy and fill up that are eliminated in the new plan which I don't believe is wise. I support maintenance but do not believe the new layout serves people's needs better than the current layout.	6/26/2024 9:48 PM
204	I don't see just a normal pool Area for older kids and adults to swim	6/26/2024 9:30 PM
205	Much smaller pool area. Less water seems like a loss. Insufficient lap swimming space. Better to use space for pool area and put the splash pad at south park.	6/26/2024 9:29 PM
206	They need to spend the money on staffing versus improvements. The pool does not open until one and is closed by 7.	6/26/2024 8:36 PM
207	I think the locker rooms and bathrooms could be renovated as well.	6/26/2024 8:03 PM
208	You are taking away pool space which the pool is already busy. We already have a splash pad where families can go. Also lanes are always in use and your making less which people are	6/26/2024 7:33 PM

fighting f to get lanes now. How do you do lazy river when it ends in a line? Aren't they suppose to be connected so you can just keep floating in a circle?

	suppose to be connected so you can just keep noaling in a circle?	
209	None	6/26/2024 6:32 PM
210	Leave as much shaded area as you can.	6/26/2024 6:29 PM
211	there is more room in to the north to make it bigger	6/26/2024 5:53 PM
212	I absolutely love this idea and feel that a modification to the pool has been long overdue	6/26/2024 5:50 PM
213	Lazy river seems too small for a feature of that type, while still taking up a lot of space.	6/26/2024 4:15 PM
214	Lazy river looks way too small. Slide also looks small. It kind of seems like it's not going to be an improvement over the current pool. I think the splash pad could be a separate location at another park in the city if there is zero depth entry for small children already. I think this concept is disappointing for the cost.	6/26/2024 4:11 PM
215	Why is so much actual pool/water space being removed? Please leave the existing perimeter of shady grass area with chairs and open space. This is excellent as is. It does not need to be replaced with cabanas.	6/26/2024 2:53 PM
216	Lazy river is a must	6/26/2024 2:13 PM
217	Keep some shaded grassy space for young children to play/nap in not just shaded concrete. Connect the pools so mid age children don't have to go back and forth from pool to pool and make it harder for their parents to supervise them.	6/26/2024 2:13 PM
218	Are family would prefer the lazy river to be much larger. Perhaps it could go all around the pool.	6/26/2024 2:12 PM
219	Could the pools be connected so those will smaller children and larger children are able to watch both who want to play in different areas!	6/26/2024 2:06 PM
220	I am concerned about zero depth entry and changing rooms' accessibility for adults w physical disabilities.	6/26/2024 1:16 PM
221	Prefer lazy river closer to kid area and more shade for young ones	6/26/2024 12:55 PM
222	Make the area to swim for kids bigger	6/26/2024 12:29 PM
223	Healthy lifestyles for our community should be a priority. Not lying in the sun or cabana eating concession "food". Will concessions include reasonably priced fresh fruit - a great source of nutrition and fluids? Or just sugar-based nutrient-poor options? Seriously-if we want a healthier community, that should drive planning. This seems to attempt to compete with the likes of KC water parks, Great Wolf Lodge, the Jayhawk Club, etc. This plan quashes water exercise. Swimming outdoors is healthier than indoors. We're so fortunate to have dedicated space. The locker rooms are failing miserably. There are maybe 1-2 functional showers, 1 is for those needing assistance. Focus on functionality first! I cherish outdoor swimming but I hate fighting for lane availability and that will definitely increase by this plan.	6/26/2024 12:22 PM
224	Bigger!! We have a huge community that loves to use the pool and it is always so crowded as it is. We have stopped going due to the crowded space. This concept reduces the swimming areas. We need more water area too!!	6/26/2024 12:01 PM
225	More deeper water options.	6/26/2024 11:56 AM
226	I like that the lazy river was kept.	6/26/2024 11:22 AM
227	It looks quite cool, of course. But it also looks like the pool parts of it in other words, the places with water a person can get into is actually smaller than what we have right now. Our family utterly avoids the pool in the busy times because Boys and Girls Club (and possibly other school groups) make it really crowded. If I'm correct that the pool space will be smaller with this plan, that's concerning.	6/26/2024 11:06 AM
228	Bad idea. The current design works fine. Who is demanding a lazy river?!	6/26/2024 10:46 AM
229	I am concerned about losing the 50 meter swim lane configuration for swim meets.	6/26/2024 10:22 AM
230	Clean, updated bathrooms / changing rooms are much needed. The locker room space is poorly utilized.	6/26/2024 9:31 AM
231	please update shower facilities	6/26/2024 8:54 AM

232	None	6/26/2024 8:26 AM
233	None	6/26/2024 8:25 AM
234	There should be a study for the options indicating the number of people who can comfortably be in the pool at a time and the number of swimming lessons that can be given at a time in order to optimize the costs of renovation to provide services for more people, not just vary the experience from the existing pool. For children it's all new and exciting. Upgrades need to be made wisely to encourage all of Lawrence to be able to swim there safely. Bathrooms MUST be renovated. I am disappointed to see the loss of the ability to swim 50 yards (as swim teams would likely suffer). I also wish water polo would be available. An extremely large portion of swimmers to the outdoor pool are currently young summer campers who may not be able to swim. A lazy river requires someone to be a strong swimmer; therefore life guards and existing Parks and Rec Aquatic staff should be consulted about the additional drowning risks to the many swimmers who are behind in skills due to missing lessons or opportunities to swim during covid closures.	6/26/2024 7:36 AM
235	1-I don't see how a smaller pool can better serve the community. I was at the pool this weekend, it was full like usual. A smaller surface area is going to degrade the experience for everyone and drive people away. 2- where is the grass? I really hope that "turf" means real grass, but I doubt it. Also, there needs to be more (real!) grassy areas than this plan shows. Last weekend I sat in the shade on a lawn chair in the grass while the kids played in the pool for almost four hours. It was pleasant. More importantly, there were many people/groups/families around me taking advantage of the grass as a place to rest, take some shade, or just hang out. It would be sad to lose that. 3- you're missing the point about shade. Individual cabanas will fill quickly with people storing stuff. There needs to be space like we have now under the trees along the west fence to spread out in the shade in the grass.	6/26/2024 7:36 AM
236	This is a waste of taxpayer money. Get in touch with the community. This is not a priority for us	6/26/2024 6:07 AM
237	Larger lazy river	6/26/2024 5:54 AM
238	50 meter lap pool continuing in my only request	6/26/2024 3:20 AM
239	Its frustrating not being able to have a adults only pool besides lake perry or a expensive adult pool like oceans of fun. The lazy river is not big enough for that original pool. Instead put the low water areas together and create a space for the adults. This is a college town.	6/26/2024 2:55 AM
240	I love that there's something for everyone! I want the lazy river and a shady spot to take a break. And I want my toddler to be able to have a safe area to swim. But I know the older kids want the slides and room to splash. This version seems like a great compromise!	6/25/2024 11:53 PM
241	It's too small. One public pool for this city, so look at the features of neighborhood pools in neighboring communities. I'm glad you doing something, and but it's lacking	6/25/2024 11:52 PM
242	Change the bath house it's so old and gross	6/25/2024 11:16 PM
243	I'd like to see a better area for elementary aged children , with slides and fun things for them. Around 3ft deep.	6/25/2024 11:14 PM
244	Great concept.	6/25/2024 11:02 PM
245	Get rid of the splash pad. We already have two. Save the pool space for pool.	6/25/2024 10:48 PM
246	There is no open semi-deep pool for older kids and young adults to play in and hang out in. You guys are missing the group who uses the pool the most in these designs and have no way to compensate for that.	6/25/2024 10:24 PM
247	The lazy river sounds nice, but it also sounds extravagant. Don't make the pool too expensive for people to come to.	6/25/2024 10:13 PM
248	Love the turf!	6/25/2024 9:51 PM
249	I have none at this time.	6/25/2024 9:12 PM
250	It seems like there is less pool area overall, which is sad — the pool already feels overcrowded to me.	6/25/2024 9:02 PM
251	There is a lot less actual swimming pool in the new concept than in the current design. The	6/25/2024 9:00 PM

	pool is already packed during summer, and the loss of sq. Footage will be missed.	
252	I didn't see the zero depth area mentioned on the question before. I'm surprised a splash pad is rated so high given we have two already in town that are not too far from the pool.	6/25/2024 8:58 PM
253	Please do not include a lazy river. It is a waste of pool area. Leave the shape of the pool alone, add the spray area and remodel the locker rooms. Do not waste money on these other changes.	6/25/2024 8:32 PM
254	Are we loosing places to sit?	6/25/2024 7:50 PM
255	This concept makes the pool smaller. It caters to the littles and lap swimmers. Where is the open area swim parts? The lifeguards do not get paid enough to keep the teens and preteens out of the zero depth area, lap lanes and lazy river. Waste of money.	6/25/2024 7:39 PM
256	I like the idea of more shade but I don't like the cabanas. People aren't going to share them the same way they will with tables under the current shelter it also leaves less room for patrons that don't have large families. If they cost extra is that equitable? I hope the swim lane area is a little deeper too. Thank you!	6/25/2024 6:27 PM
257	Taller slides than current one would be fun. Include tubes for lazy river if not already	6/25/2024 5:45 PM
258	Will the cabanas be for anyone? I'm not a fan of cabanas only for use with membership or other extra fees	6/25/2024 5:41 PM
259	I was excited about a lazy reiver, but that is not a lazy river. That is a lazy pond. A lazy river goes in a circle so you can go around all day without getting out.	6/25/2024 5:24 PM
260	With hotter summers there will be more water activity variety for all ages. I would suggest more shaded area options to be included over the small child areas to offer enhanced direct sun protection for the childre and adults supervising them. I also think all life guards should have shaded seat options/protection while they are watching the water.	6/25/2024 5:07 PM
261	Is it possible to expand the footprint to make the lazy river larger, keep a larger swimming section	6/25/2024 4:51 PM
262	It looks like the pool is being shrunk. The lazy River should go around the perimeter of the pool.	6/25/2024 4:17 PM
263	looks pretty good	6/25/2024 3:53 PM
264	More deep and medium depth fixtures like rope swing, additional slides, zip line, floating climbing toys, etc.	6/25/2024 3:15 PM
265	Add 5m platform	6/25/2024 3:13 PM
266	we NEED a 5 meter platform in the diving well or to make the 3 meter stand on concrete so it's more secure	6/25/2024 3:13 PM
267	There needs to be more open spots for swimming and less swimming lanes. The splash pad is really unnecessary as there are already those at other areas in town.	6/25/2024 3:13 PM
268	5M PLATFORM	6/25/2024 3:11 PM
269	Seating for families is always an issue. Making ample grouped seating spaces (movable lounge chairs, cabanas to fit multiple chairs, etc.) is helpful.	6/25/2024 3:11 PM
270	Need more leisure pool	6/25/2024 3:09 PM
271	None	6/25/2024 3:07 PM
272	None	6/25/2024 3:07 PM
273	We take our family to surrounding towns to swim because of the cost. If costs don't come down, we won't be there.	6/25/2024 2:58 PM
274	Love all the ideas.	6/25/2024 2:57 PM
275	Where are the big kids going to play? Why are we making the actual pool area smaller? Turf is a bad idea. It will be so hot and wasted space.	6/25/2024 2:53 PM
276	More moveable seating. Not enough chairs. Or let people bring in their own.	6/25/2024 2:38 PM

277	Would like to expand the lazy river. Can the pool lot be increased into the park on the north side?	6/25/2024 2:35 PM
278	this design, as with all other designs proposed previously, seems fixated on wacky amenities rather than the basic concept of a pool. this design has less water area than the current pool. all i really care about is having open swim area.	6/25/2024 2:29 PM
279	It would benefit more people if the pool could be open longer hours that aren't there heat of the day only (10-8 would be ideal). It would also benefit more of prices could go down or you could do a pool saw in December for cheap punch cards or passes. A family membership highly discounted would be amazing as well. \$200 for a while family for the season.	6/25/2024 2:24 PM
280	I hate the large walkways that take away from the actual pool space. I appreciate trying to cater towards families with young children but I truly believe the pool is adequate as is and there is no need for an abundance of shallow areas. In fact I believe that having majority shallow areas goes against the concept of big variety. My main input is that the walkways are far too large and take a lot of pool space away	6/25/2024 2:12 PM
281	This looks incredible! I'd love to see all these additions. I think our family would use the outdoor aquatic center much more often with these amenities.	6/25/2024 2:10 PM
282	I would prefer that an artificial wave was installed over all the other things.	6/25/2024 1:51 PM
283	N/a	6/25/2024 1:44 PM
284	Keep the 50 meter lap pool for swimmers who swim in it. Put the splash pad in the park if you must have one.	6/25/2024 1:41 PM
285	I like the addition of the shallow pool. I support other public comments that ask for more swimming area to ensure there is space to teach people how to swim. Splash pads are best suited for parks in the city, not the pool.	6/25/2024 1:30 PM
286	None	6/25/2024 1:20 PM
287	I love maximizing pool/shaded pool space! I hope providing shaded spaces continues to be a focus ; I'm not sure the benefit of a turf areawould like to hear reasoning behind that	6/25/2024 1:18 PM
288	Please pardon the cliche, but it does feel like something designed by a committee. Seeing it makes me think: maybe it would be better if there were less public input and someone knowledgeable just made the decisions.	6/25/2024 1:16 PM
289	The current pool actually has room for swimming, even if there are lots of lap swimmers and goofy kids throwing balls around. The Big Variety concept seems like it will primarily serve families with toddlers. Older folks will commandeer the lap lanes, as they always do. And then there's hardly any room for the rest of us.	6/25/2024 1:11 PM
290	Do not add restrooms that are acessable from the outside.	6/25/2024 1:08 PM
291	More open areas for adults and older kids to separate from younger kids.	6/25/2024 12:53 PM
292	I feel like gardner pool has a bigger lazy river but a much smaller town? It would be neat if the lazy river had some sort of island feature to seem bigger.	6/25/2024 12:51 PM
293	Will the bathrooms be getting renovated as well? They really need an over haul too.	6/25/2024 12:46 PM
294	Feel like there should be more open area for general swim	6/25/2024 12:38 PM
295	None	6/25/2024 12:36 PM
296	The biggest thing the outdoor pool needs is MORE swimming space, not less. Adding more deck space and sectioning off the water seems like a truly horrible idea. I emphatically disagree with the inclusion of a splash pad; these are available in other parts of Lawrence and the pool needs extra swimming space.	6/25/2024 11:59 AM
297	Need to take the spray park away expand the leisure pool and zero depths area to make them larger for more kids	6/25/2024 11:29 AM
298	The lazy river could be bigger.	6/25/2024 10:20 AM
	With the limited space it seems like there is something for everyone.	6/25/2024 9:47 AM

300	Looks great	6/25/2024 9:02 AM
301	Is the lazy river long enough? Is zero depth play area large enough?	6/25/2024 8:40 AM
302	Losing the 50m pool will lose the city lots of money immediately. Teams will go elsewhere to practice. This city lost itself over \$1 million in revenue since they stopped allowing swim meets. A renovation is a perfect time to rethink swim meets. Maybe speak with Manhattan as they allow outdoor meets and the pool opens in the afternoon. Stop having less space in the water for patrons. Stop putting in a splash pad at the outdoor pool.	6/25/2024 7:02 AM
303	None	6/25/2024 6:19 AM
304	I feel like the lazy river could be bigger and more of a play structure vs splash park for the kids because we already have two other splash parks in town.	6/25/2024 12:30 AM
305	I see the lazy river being too small and too crowded.	6/24/2024 11:52 PM
306	Swim lanes should not be present on weekends. It's not fair to give free people access to large areas when everyone else is crowded.	6/24/2024 9:59 PM
307	LOVE the concept of a lazy River! But the lazy River isn't exactly a "River." It would be more interactive, easier on staff, look more aesthetically pleasing, & require less materials in the long run to have it loop around the facility and have it both start and end at the same spot, with bridges going over it for walking traffic.	6/24/2024 9:55 PM
308	Please make the pool affordable for all.	6/24/2024 9:38 PM
309	Spend less on reno and more on wages to extend pool hours for am open.	6/24/2024 9:32 PM
310	I hope that you can come up with a cooler splash pad area than what the city is currently installing in the parks. Look at Shawnee North Pool or some of the splash parks in Kansas City. Make this pool somewhere people come from other cities to visit.	6/24/2024 9:21 PM
311	It would be great to have people in life jackets allowed on the slide	6/24/2024 9:01 PM
312	This pool has something for everyone. Zero entry for those who cannot swim anymore and toddlers and a big pool for kids. Very pleased.	6/24/2024 8:59 PM
313	Put stairs in the 4 to 5 foot water instead of a ladder	6/24/2024 8:06 PM
314	Bigger pool areas	6/24/2024 7:16 PM
315	Trying to fit South Park Toddler pool into existing (older age) will increase mixed population density & dangers. Where is ADA access?	6/24/2024 6:53 PM
316	Some shade over the main pool (ie while swimming) would be good but I really appreciate the additional shaded areas (though none appear to be in swimmable areas). Some concern the space is smaller in some ways but I love the different areas and think divvying up some super young areas from adult swim areas is a good idea.	6/24/2024 6:39 PM
317	None	6/24/2024 6:13 PM
318	None	6/24/2024 5:28 PM
319	Lazy river, yes!!! Sprays on the lazy river, no!!	6/24/2024 4:58 PM
320	Do not have a small, lazy river, which I cannot imagine this being an adequate size lazy river. I have experience, small, lazy, rivers, and they are worthless. Use that space for something else.	6/24/2024 4:42 PM
321	None	6/24/2024 3:50 PM
322	Even more shade coverings	6/24/2024 3:27 PM
323	Wading pool for toddlers	6/24/2024 2:56 PM
324	Worried that the pools won't allow free play - deep enough to be diving/all lap lanes, and shallow pool will be too shallow for adults who want to swim/play but not do laps.	6/24/2024 2:50 PM
325	It is different from the Big Variety concept plan presented in the last survey. From the tiny image above it is difficult to ascertain just how much space there is available for free swimming (ie. not lap swimming, not toddler pool, not diving area/drop slide area). The area	6/24/2024 2:46 PM

available for that seems somewhat small when you consider it is the only public pool available for children and families & the current pool is always busy. Adults can lap swim at the indoor aquatic facility every day of the week except Sundays for nearly 10 hours/day, whereas it is only open to kids/families 3 hours a day during the week when working families cannot go. I feel that lap swimming does not need to be a priority with this plan as those wanting to lap swim have other options.

326	I liked the free wading pool we have that was separate from the pay for entry pool.	6/24/2024 2:45 PM
327	I'd like the lazy river to be longer.	6/24/2024 1:37 PM
328	I'm not sure a perfect plan will exist for everyone so adding as many quality options for those you can looks good! As an adult if I'm taking my kids to the pool riding around a lazy river sounds fun and enticing to go out and enjoy.	6/24/2024 12:58 PM
329	Margaritaville	6/24/2024 11:45 AM
330	Don't need a splash pad. Use that space for the zero depth and shallow pool and make the other pool deeper/bigger and lazy river bigger	6/24/2024 11:44 AM
331	Nobe	6/24/2024 11:14 AM
332	The most popular areas of the pool are the leisure swim areas. The current pool is great because families tend to stay in the shallow leisure portion and teens in the deeper leisure portion. This new concept does not seem to offer enough leisure area(s).	6/24/2024 10:31 AM
333	I'd like to see restrooms renovated - they feel a little dirty & antiquated.	6/24/2024 10:28 AM
334	None	6/24/2024 10:04 AM
335	Make it bigger	6/24/2024 10:04 AM
336	Do not want any construction to interfere with pool season	6/24/2024 8:16 AM
337	I don't feel that splash pad is necessary. More space should be given to shallow play area instead.	6/24/2024 8:07 AM
338	I really like the variety	6/24/2024 8:05 AM
339	Have splash/spray area be connected to shallow leisure pool	6/24/2024 7:53 AM
340	Just make the lazy river good for adults too!	6/24/2024 7:23 AM
341	I'm worried the turf area will be a sticky mess with a lot of bugs	6/24/2024 7:22 AM
342	good mix	6/24/2024 7:13 AM
343	Looks great!	6/24/2024 7:05 AM
344	Lazy river looks small. Might be underwhelming once it is actually constructed	6/24/2024 6:52 AM
345	Family slide, or toddler slides	6/24/2024 6:44 AM
346	I wish we weren't losing pool size from our current pool. I appreciate that you took feedback and added more open swim area.	6/24/2024 4:42 AM
347	Updated bathhouse, keep deep leisure swim area	6/24/2024 4:04 AM
348	It seems like the whole concept should have more area, expand toward the park area, or perhaps open another outdoor pool in another area of town. It gets so crowded.	6/24/2024 2:19 AM
349	Lower the prices. Surrounding areas are much cheaper & worth the drive	6/24/2024 1:22 AM
350	Larger lazy river please!	6/24/2024 1:08 AM
351	Slides for the Littles! Yay!	6/24/2024 12:59 AM
352	Love it	6/24/2024 12:15 AM
353	Why so many lap lanes? Hopefully they won't ask be closed off during public swimming hours	6/24/2024 12:13 AM
354	There is a huge problem with the open swim area's ! This is not enough space at all. This Layout is catered to toddler and babies. Between this and the lap swim, there is no space in	6/23/2024 11:45 PM

the open flex sim area. Good luck ever just swimming around and enjoying your kiddos because the pre teens will take over this area.

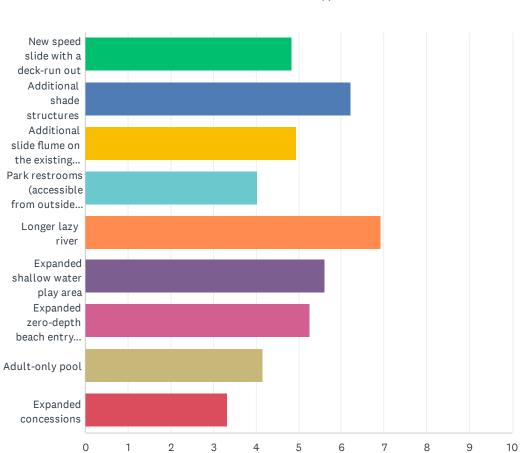

355	Tennis/pickleball courts in Watson would be nice to draw in those with a variety of interests!	6/23/2024 11:38 PM
356	The "existing pool basin" needs to be bigger/longer. There is a huge pre teen age group that swims and tends to "take over" some areas of the pool. As of now, this layout plan is catered to the really young ones. People of all ages want to swim though in the non "baby/toddler" area. We need more space in non toddler area. In addition, the lap swim takes up too much! Lap swimmers could go indoor if they really wanted to. Either eliminate this, or give lap swimmers a certain time to get their swim in, or make the existing pool basin longer/larger and eliminate the lounge chairs in between this and the todler section. I understand big variety. But now we went too Much the other direction to families of toddlers/babies. Everyone wants a lazy River, but with the size of the pool's existing space??	6/23/2024 11:34 PM
357	Larger lazy river	6/23/2024 11:16 PM
358	Lower the entry fee	6/23/2024 11:10 PM
359	I wish there was more open swim area for older kids. Half as many lap lanes. Indoor pool has lots of lap lanes	6/23/2024 10:49 PM
360	Seems like it cuts actual pool space down quite a bit.	6/23/2024 10:46 PM
361	I love the amount of shade added.	6/23/2024 10:35 PM
362	Would like to see more swimming lanes	6/23/2024 10:35 PM
363	I thought this was perfect!	6/23/2024 10:12 PM
364	It looks like we'd lose a lot of regular pool space. Though gaining more area for lounge chairs is nice, the pool itself will feel more crowded being that it's now a lot smaller in this model. The shallow pool is small and not for everyone. We already have a nice shallow pool with plenty of room.	6/23/2024 10:07 PM
365	It has a lot of the old features basically. Bad layout for families	6/23/2024 9:51 PM
366	Lots of lap lanes. Will some close during swimming time? Will the cost go up a lot?	6/23/2024 9:41 PM
367	It looks like you listened to a good suggestion to have retractable lap lanes? So that area can be a leisure swimming area for adults who want to actually swim in more than 3 feet of water but don't want to lose the lap lanes.	6/23/2024 9:35 PM
368	I'd rather see a second pool built in another part of town	6/23/2024 9:26 PM
369	Please make sure cabanas are affordable. The concrete is very hot so having shade around is good.	6/23/2024 9:24 PM
370	None	6/23/2024 9:23 PM
371	I think it's redundant to have a toddler area and a splash pad. They seem very similar and for the same age demographic and would take up a lot of space that could be like a jetted pool/ adult only space	6/23/2024 9:23 PM
372	I think we could do without the splash pad area and put a play structure in the shallow area. It does not seem like there is much open swim area.	6/23/2024 9:22 PM
373	No lounge chairs. More open swim.	6/23/2024 8:30 PM
374	So many lap lanes - the lap lanes are not being used when I go to the pool so not sure why so many are in the design	6/23/2024 8:24 PM
375	As long as there is plenty of flex swim space and it's not eaten up by lap lanes.	6/23/2024 8:19 PM
376	X	6/23/2024 8:17 PM
377	Want to see more space at a deeper depth open for swimming.	6/23/2024 7:20 PM
378	Shaded walkways between pools could be added	6/23/2024 5:49 PM
379	Nice variety and the added shade areas are a big bonus	6/23/2024 5:40 PM

380	None	6/23/2024 5:21 PM
381	Ensure there is plenty of open swim area for older kids (not too many lap lanes).	6/23/2024 5:10 PM
382	Larger lazy river would be nice	6/23/2024 4:38 PM
383	More toddler and shallow area. Less lap lanes	6/23/2024 4:27 PM
384	None	6/23/2024 4:16 PM
385	None	6/23/2024 3:47 PM
386	Add more slides to the slide area. Move the lily pads somewhere else. Make the lazy river bigger	6/23/2024 3:39 PM
387	The indoor aquatic center has plenty of lap lanes, that shouldn't be a focus of the outdoor aquatic center.	6/23/2024 3:20 PM
388	It's important that personal belongings are safe while at the pool, maybe added security?	6/23/2024 2:59 PM
389	Little bit confused about the lazy river design - usually they go in a circle, so curious how the traffic would flow in the one pictured	6/23/2024 2:45 PM
390	Bigger	6/23/2024 2:42 PM
391	More variety. Definitely zero entry is a must	6/23/2024 2:39 PM
392	Shouldn't a lazy river be an enclosed loop?	6/23/2024 2:31 PM
393	Na	6/23/2024 1:14 PM
394	It's smaller than the existing pool & a complete waste of tax dollars.	6/23/2024 12:54 PM
395	Lots of shade and chairs is preferred. I like the separate areas for different age groups	6/23/2024 12:37 PM
396	Too much concrete and not enough open pool space. The splash pad area is unnecessary with the existing free splash pads at area parks. Rather than update or expanding concessions area focus on offering affordable, as well as some more healthy concession options.	6/23/2024 12:33 PM
397	Gardner pool is an awesome example I think to help see possible ideas	6/23/2024 12:25 PM
398	An additional pool in town is still a necessity for the size of town we have. It is very sad that we only have one public outdoor pool. Please keep adding another on your radar in the future!	6/23/2024 12:03 PM
399	Thank you for expanding the size of the shallow pool. It supports kids learning to swim and improving their skills. Though I understand the financial and managerial benefits of placing a splash pad on the premises, I'm concerned about it being off limits to families while the pool is open. This will be confusing to families who just drop in and don't know the hours. Either make it free all day or make it part of the pool admission all day.	6/23/2024 11:55 AM
400	Is the goal for there to be no areas for free swim to try to prevent teens from using the pool? 4- 6 ft depth is absolutely necessary. We really need to create space for teens, but also open swim area for adults tooand kids learning to swim.	6/23/2024 11:19 AM
401	Ensure there is enough open swim area.	6/23/2024 11:13 AM
402	Lazy River should be continuous loop.	6/23/2024 11:04 AM
403	Wish some money would be spent putting a pool on the west side of town or open the indoor pool more hours.	6/23/2024 10:49 AM
404	I think the lazy river should loop so you don't have to get out and walk around to start over. A shallow leisure pool that's more attractive to parents teaching younger kids to swim and a leisure area that's more attractive to older kids. It's hard to teach young ones to swim with rowdy older kids splashing and jumping nearby.	6/23/2024 10:36 AM
405	This plan appears to reduce the overall size of the pool and shrinks the area used by teens and adults for free swim. Yes, the pool is used by a lot of families with young children, but they are not the only people who use the facility.	6/23/2024 10:10 AM
406	I would like a slide without a drop.	6/23/2024 10:08 AM
407	Not enough areas for big kids	6/23/2024 9:50 AM

408	Love to see the lap swim scaled back so there is more open swim space! The lazy river looks like a good size, and still provides shallow ester space too!	6/23/2024 9:38 AM
409	Renovated bathroom areas	6/23/2024 9:21 AM
410	It still looks like there is a lot of open concrete. I'd like a slightly bigger leisure pool/more efficient use of space.	6/23/2024 8:57 AM
411	I'm not sure the turf is a good idea, as turn tends to get hot and seems to be an unnecessary expense.	6/23/2024 8:52 AM
412	This looks like it has something for everyone	6/23/2024 8:46 AM
413	Not sure that's enough space for a lazy river?	6/23/2024 7:35 AM
414	Lets just have some time set aside for adults to utilize a walking area when kids aren't around. I suppose the lazy river would be best. Water aerobics there would be awesome!	6/23/2024 7:05 AM
415	I think if we added a lazy river the city would get much more people to go! My family travels to topeka & KC for lazy rivers so we would much rather stay in town with one!	6/23/2024 2:12 AM
416	I'd like to see more emphasis on the toddler area. It seems a bit basic in comparison to other pools.	6/23/2024 1:15 AM
417	Please reopen the South Park pool as a wading pool. Also, please focus on having space for big kids to play besides the zero depth area. I would love to see basketball hoops too.	6/23/2024 12:19 AM
418	As I it's a waste of money and resources!! Don't do it unless you're going to do it bigger and better!!	6/23/2024 12:05 AM
419		6/22/2024 11:38 PM
420	There should be two outdoor pools in Lawrence to accommodate the population. The existing pool is too crowded.	6/22/2024 11:33 PM
421	The lazy river looks very small, shallow pool area also look small. Overall it seems like less pool than we have now.	6/22/2024 11:31 PM
422	Kind of reminds me of the pool in black bob park in olathe only they have the cool bucket that fills and dumps on people in the shallow end only at certain times. Glad a lazy river is considered being added!	6/22/2024 11:23 PM
423	A place for everyone to enjoy	6/22/2024 11:17 PM
424	Love the lounges in the water, lazy river and zero depth	6/22/2024 11:12 PM
425	None	6/22/2024 11:10 PM
426	I just love this idea thank you sooooo much city of Lawrence	6/22/2024 11:04 PM
427	None	6/22/2024 10:29 PM
428	50 meter for swim teams	6/22/2024 9:41 PM
429	More shade and places to sit	6/22/2024 8:23 PM
430	We need a 50 meter lap pool for our swim teams to practice long course as well as host meets.	6/22/2024 7:36 PM
431	A lazy river sounds wonderful.	6/22/2024 6:33 PM
432	How deep is the shallow leisure pool? Will it be around 4 feet like the current pool? If so, I like that.	6/22/2024 5:19 PM
433	Continues to just feel smaller than what currently exists. Also, unclear on if lazy river area requires tubes or could just wade	6/22/2024 5:19 PM
434	It's much smaller, and currently at busy times the pool gets quite full	6/22/2024 5:05 PM
435	The lazy river seems very small	6/22/2024 4:55 PM
436	Looks Good	6/22/2024 1:46 PM

437	Looks pretty good!	6/22/2024 1:43 PM
438	Get rid of the splash pad and add an additional waterslide and make the actual pool area bigger. We have 2 splash pads in town people can go to	6/21/2024 2:09 PM
439	Concerned about the total space available for general swimming, and thereby the crowding that will result.	6/21/2024 11:24 AM
440	As a child, I always loved the slides. I think an additional slide would be great for the concept.	6/21/2024 9:39 AM

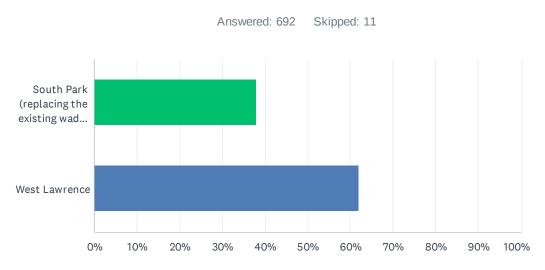

Q4 If the budget allows or is increased, some enhancements to the preferred concept may be possible. Please rank the options in order of highest priority (1) to lowest priority (9).

Q5 Currently, one free splash pad exists at Lyons Park in North Lawrence. A second free splash pad is available at Burroughs Creek Park in East Lawrence. If the City were to build another, free splash pad in addition to the one proposed with the outdoor aquatic center major renovation project, where should it be located?
