Thank you very much for sponsoring a footstone for Sesquicentennial Point. Please use this form to specify what you wish to be engraved on the stone that will commemorate the year that you have requested and to provide a brief history of the significance of this year (reverse side). These histories will be published in a commemorative booklet and on the LPRD website:

The stones in the walkway will be 12" by 48". Lettering will be 1" high with the year centered and placed 2" from the bottom of the stone.

Donors are encouraged to specify one line only, if possible. However, if needed engraving can also occur on a second line. The character limit is 36 characters per line including spaces. If you have questions concerning the engraving, please contact Roger Steinbrock at (785) 832-3458.
