

TABLE B

Allowed Pesticide List 2023\*

Signal Word	Trade/Product Name	Active Ingredient	Type	typical use
Caution	Armicarb	Potassium Bicarbonate	Fungicide	control blackspot, powdery mildew on roses & flowers
Caution	Cleary's 3336F *	Thiophanate-methyl	Fungicide	to prevent fungal infection on pine trees and turfgrass
Caution	Protect DF	Zinc ion & Manganese Bisithiocarbamate	Fungicide	curative fungicide for turfgrass
none required	Acelpryn	Chlorantraniliprole	Insecticide	control of grub worms, bagworms - no signal word required
Keep out of reach of Children	Conserve SC	spinosad	Insecticide	bagworm control
Caution	Dylox	Trichlorfon	Insecticide	turf grub worms
Caution	Merit or Zenith 0.5G	Imidacloprid	Insecticide	to control grubs in turfgrass
Keep out of reach of Children	RTU Safer Brand Insecticidal Soap	Potassium salt of fatty acid	Insecticide	to control aphids, spidermites, caterpillars on flowers
Caution	Omni Oil 6E	petroleum oil parafin base	Insecticide/ Miticide	spidermites
Caution	Zep Wasp & Hornet Killer	Tetramethrin	Insecticide	wasp and hornet nest spray - non electrical conductor
Caution	Floramite SC	Bifenazate	Miticide	used in rotation with other products to control spidermites
Caution	Hexygon DF	Hexythiazox	Miticide	used in rotation with other products to control spidermites
Caution	Talik 7.9F	Bifenthrin	Insecticide	general insecticide for trees, flowers and shrubs
Caution	Talstar P	Bifenthrin	Insecticide	general insecticide for trees, flowers and shrubs
Caution	Mectinite	Emamectin Benzoate	Insecticide	Tree injection for control of Emerald Ash Borer
Caution	TREE-age G4	Emamectin Benzoate	Insecticide	Tree injection for control of Emerald Ash Borer
Caution	Barricade	Proflaminate	Herbicide	pre emergent to control annual grassy weeds in turfgrass
Caution	Dimension	Dithiopyr	Herbicide	pre emergent to control annual grassy weeds in turfgrass
Caution	Power Zone	carfentrazone-ethyl MCPA,2-ethylhexylester Mecoprop acid & Dicamba acid	Herbicide	post emergent selective control of broadleaf weeds like clover and dandelions in turfgrass
Caution	Dismiss	Sulfentrazone	Herbicide	post emergent control of yellow nutsedge in turfgrass
Caution	Drive XLR8	quinclorac	Herbicide	post emergent control for crabgrass in turf
Caution	Primo Maxx	Trinexapac-ethyl	Herbicide	turfgrass growth regulator
Caution	Freehand 1.75 G	dimethenamid -P pendimethalin	Herbicide	pre emergent control of yellow nutsedge, annual and perennial weeds in landscape plantings
Caution	5% Treflan	trifluralin	Herbicide	pre emergent control of annual weeds in flower beds
Caution	Snapshot 2.5TG	trifluralin isoxaben	Herbicide	pre emergent control of annual and perennial weeds in landscape plantings
Caution	Surflan A. S.	Oryzalin	Herbicide	pre emergent control of annual and perennial weeds in fence lines, guard rails
Caution	Pennant Magnum	S-metolachlor	Herbicide	pre emergent control of yellow nutsedge, annual and perennial weeds in landscape plantings, fence lines
Caution	Ornamec	flusisflop-P-butyl	Herbicide	post emergent selective control of bermuda grass in landscape plantings
Caution	Glyphosate Pro 4	Glyphosate	Herbicide	post emergent non selective weed control
Caution	Round Up Pro Concentrate	Glyphosate	Herbicide	post emergent non selective weed control
Caution	Ranger Pro	Glyphosate	Herbicide	post emergent non selective weed control
Caution	Sedge Hammer or ProSedge	Halosulfuron-methyl	Herbicide	post emergent to control yellow nutsedge in turf and landscape plantings
Caution	Sucker Stopper	ethyl 1-naphthalenacetate	Herbicide	reduce sucker growth at base of crabapple trees
Caution	Tenacity	Mesotrione	Herbicide	selective weed control in turfgrass
Caution	Remedy Ultra	triclopyr	Herbicide	post emergent control for lespediza
Caution	XL 2G	benefin & Oryzalin	Herbicide	pre emergent weed control in landscape beds
Caution	Pasture Guard HL	Triclopyr & Fluroxypyr	Herbicide	control woody and herbaceous weeds in pasture areas
Caution	Mole Killer	Bromethalin	Rodenticide	mole control in turfgrass
Caution	DyneAmic *	modified vegetable oil and organosilicone surfactant blend	Additive	increased effectiveness of product
