

COMPUTER ANIMATION | VIDEO AND TECHNOLOGY

Lawrence Parks and Recreation has partnered with Youth Tech, Inc. to offer interactive computer camps that focuses on providing enrichment opportunities to students in the world of computers. With a caring environment at the core of camp values, Youth Tech strives to create a positive learning community that encourages creativity, fun and academic excellence. For more information about Youth Tech Inc., please visit www.youthtechinc.com. **No refunds after the first day of camp.**

ANIMATION

■ **Ages: 9-17. Enrollment Min 5 / Max 12.** In this class, students will learn the basics of animation and digital design. Students who enjoy going to various websites to see fun interactive animations will love this course. This class will utilize Adobe Flash. Students will create fun interactive animations that they can share with the world. **Instructor: Youth Tech Staff.**

VIDEO GAME DESIGN

■ **Ages: 10-17. Enrollment Min 5 / Max 12 (Sec A) and Max 4 (Sec B).** This course provides students with a fun interactive look at the world of mobile video game design and development. Students enrolled in this camp will learn the basics of video game design and produce several different interactive video games to share with their friends and family. **Instructor: Youth Tech Staff.**

IGAME CREATORS

■ **Ages: 6-10. Enrollment Min 5 / Max 12 (Sec A) and Max 4 (Sec B).** Want to create video games? This is an introductory course for younger students who want to learn to build simple video games. This course combines the art of video game design and animation to create interactive characters that fly around the screen. Amaze your friends and family with your fun interactive games! **Instructor: Youth Tech Staff.**

ARCADE GAMES-ESPORTS (NEW)

■ **Ages: 6-12. Enrollment Min 5 / Max 12.** This class gives students a look at online game development and puts them in the driver's seat of simple game creation. Students in this course will develop online games including arcade-style, platform and other interactive games that they can publish and share online. Students will also use their games in an eSport setting and compete like real gamers. **Instructor: Youth Tech Staff.**

3D GAME DESIGN

■ **Ages: 10-17. Enrollment Min 2 / Max 4.** This course offers an interactive look at the world of 3D Game Design. This awesome 3D video game design course offers the chance for students to create and immerse themselves in a 3D world. If you are looking to design professional 3D games that both look and feel just like the ones you play at home, then you don't want to miss this course. **Instructor: Youth Tech Staff.**

THE GAMING ACADEMY

■ **Ages: 10-17. Enrollment Min 5 / Max 8.** The Gaming Academy is an all-day course for students who love games. During this course, students will be immersed into the world of 2D and 3D game design. The gaming academy is a combination of our Video Game Design, Advanced Game Design and 3D Game Design courses. The course offers students a variety of hands-on experience designing and building their very own games. Students need to bring a sack lunch. **Instructor: Youth Tech Staff.**

ROBLOX STUDIO: PROGRAMMING & GAME DEVELOPMENT

■ **Ages: 9-15. Enrollment Min 5 / Max 12.** Calling all ROBLOX users! Join in with millions of gamers and immerse yourself in your own 3D worlds! ROBLOX Studio is a 3D-based program that uses physics, LUA programming, and individual creativity to build a world around you and your avatar – unlike any other software. This course will guide students through concepts such as beginner physics, LUA programming, and game development. Students in this course will build and publish their game to share with friends and family! **Instructor: Youth Tech Staff.**

ROBOTICS – BATTLE BOTS

■ **Ages: 8-15. Enrollment Min 5 / Max 12.** This course offers hands-on opportunities to build and program robots. Working in small teams, students will design robotics systems to compete in fun real-world activities. Each day will bring a new challenge, and your team's robot will have to morph to better adapt and compete. Students will compete in the battle bots competition at the end of the camp to prove their robot is the best. This class is perfect for the student who has a big imagination and likes to build things. **Instructor: Youth Tech Staff.**

APP DESIGN (NEW)

■ **Ages:** 9-17. **Enrollment Min 5 / Max 12.** This class offers students a hands-on look at the world of app design and development. This interactive course will instruct students about the design and development of applications and work with augmented reality. Students will design their own app, which can be shared with friends and family members with an Apple or Android device. **Instructor: Youth Tech Staff.**

CODE	SEC	DAY	TIME	DATE	LOC	FEE
321181	A	MTWR	1-4PM	7/18-7/21	SPL-VR	\$155

YOUNG ENGINEERS

■ **Ages:** 6-12. **Enrollment Min 5 / Max 12.** Technology and innovation collide to create this course. This interactive class looks to unlock the imagination of young engineers. Ever thought of creating a piano out of bananas or a video game controller out of a piece of paper? Why not? This course will utilize an invention kit for the 21st century and guide students in the process of building several fun, interactive creations. **Instructor: Youth Tech Staff.**

ENRICHMENT CAMPS

MAD SCIENCE OF KANSAS CITY CAMPS

Lawrence Parks and Recreation has partnered with Mad Science of Kansas City to help your child to touch, see, hear, smell, and taste what science is all about! Campers will explore how science affects the world around us through discovery, games, hands-on activities, and a variety of take-home projects. All supplies are included in the fee.

3, 2, 1, BLASTOFF

■ **Ages:** 7-12. **Enrollment Min 10 / Max 20.** This action-packed week will focus on rockets and the physics of rocket flight. After learning the model rocket safety code, campers will build several different types of rockets and participate in the launching of multiple different rockets during the weeklong program. Children will be divided into three groups; altitude trackers, launch preparation and launchers, and will get the opportunity to try all three roles. Campers need to provide a sack lunch and a healthy snack. **Instructor: Mad Science of Kansas City.**

CODE	SEC	DAY	TIME	DATE	LOC	FEE
321160	A	MTWRF	9AM-4PM	7/25-7/29	SPL-CR	\$285

ADVANCED ROBOTICS

■ **Ages:** 9-14. **Enrollment Min 10 / Max 20.** Join us for a week of fun with robots and learn all about the science of robotics. Discover the science behind gears and how robots use sensors to explore the things around them. Learn about artificial intelligence and how it is revolutionizing our world. Put all this knowledge to use when you build your very own robotic arm. **Instructor: Mad Science of Kansas City.**

CODE	SEC	DAY	TIME	DATE	LOC	FEE
321178	A	MTWRF	9AM-12PM	7/18-7/22	CB-AR	\$180

BRIXOLOGY

■ **Ages:** 7-12. **Enrollment Min 10 / Max 20.** Learn about the exciting field of engineering as a Mad Scientist guides you and your team to accomplish engineering-themed projects using LEGO® bricks. Step in the shoes of an aerospace engineer while assembling a space station and delve into the physics of carnival rides, structural basics of bridges and nature's very own engineering marvels. **Instructor: Mad Science of Kansas City.**

EUREKA! THE INVENTORS CAMP

■ **Ages:** 7-12. **Enrollment Min 10 / Max 20.** Creative Contraption Warning! This is a camp designed by you-the Inventor! Each day you'll be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all — your mind. With a little bit of ingenuity you'll construct catapults and forts and then lay siege, fabricate a winning Egg Drop design, construct a dancing robot and assemble a working light saber to take home. While Thomas Edison said invention is 10% inspiration and 90% perspiration, this camp is 100% fun! Campers need to provide a sack lunch and a healthy snack. **Instructor: Mad Science of Kansas City.**

SUPER SUMMER SCIENCE LAB

■ **Ages:** 7-12. **Enrollment Min 10 / Max 20.** Let Mad Science get you moving with this great five-day camp. Do you love to build, design, and fix things? Put on your engineer's hat to see how science is used to build skyscrapers, bridges, and tunnels. Use simple machines to help lift weights. Spend a day being a true Mad Scientist as you learn about chemical reactions that you might encounter in your daily life. Ever wonder how a camera works? See how cameras capture light to store images and how moviemakers make images move and create 3-D effects during "Shutterbugs" day. Finally, take a walk on the wild side as you explore the nature of birds, beasts, and bugs. Campers need to provide a sack lunch and a healthy snack. **Instructor: Mad Science of Kansas City.**

SCIENCE/ NATURE

ADVENTURE CAMPS

@PRAIRIE PARK NATURE CENTER

Science camps are designed for children 6 to 13 years of age. Participants will explore science through outdoor adventures. Each week will focus on different wildlife, conservation, outdoor survival, extreme animals and much more. Each camp includes fishing, canoeing and archery (except single day camps). Live animal programs, games, crafts and many science and nature explorations will make this a memorable camp experience. Campers must bring a lunch, and wear appropriate outdoor clothing and footwear. A snack, bug spray and sunscreen are optional. **Call us at 785-832-7980 for more information.**

PRAIRIE SURVIVORS

Ages: 6-13. Enrollment Min 5 / Max 25. Prairie plants and animals have to adapt to the extreme conditions of the prairie, hot summer days, cold winter winds, drought and seasonal rain. Early peoples to the Kansas prairie had to learn to adapt to these conditions as well. Campers will learn how plants, animals and early peoples learned to find food, build homes and survive in the prairie environment. **Instructor: LPRD Staff.**

GREEN SCIENCE

Ages: 6-12. Enrollment Min 5 / Max 25. Want to make a difference to the environment? We will explore all of the ways we can help reduce, reuse and recycle. Reduce plastic use, learn to make a solar oven, harness the power of wind and water with lots of hands on fun, crafts and games! **Instructor: LPRD Staff.**

ART IN NATURE CAMP

Ages: 6-12. Enrollment Min 5 / Max 25. Bring out your creative side in this day of hands-on nature arts and crafts. Make a nature sketchbook, paint with nature's colors and a nature based, custom-designed t-shirt to take home. We will get artsy and quite possibly dirty but there will be lots of fun. **Instructor: LPRD Staff.**

TRADITIONAL

NEIGHBORHOOD DROP-IN PLAYGROUND LICENSED PROGRAMS

Ages: 5-12. Enrollment Min 5 / Max 25. This camp provides children with an exciting and safe way to spend their summer! Activities include fieldtrips, swimming, crafts, games and contests. We will have guests visit each week for special presentations. Although the camp is a drop-in format, a parent or guardian is required to sign children in and out each day. Playgrounds are open Monday through Friday and weekly schedules will be provided for each age group. Lunches are provided through the school district's Summer Food Program or children may bring a sack lunch. **There are three options available for enrollment: weekly, bi-weekly, and monthly to accommodate any summer schedule. Preregistration is required. No camp 7/4. For more information, contact (785) 832-7940. Instructor: LPRD Staff.**
