YOUTH DANCE

All dance classes follow a set curriculum to help provide each dancer training for their age and skill level. Classes are taught in a creative, fun and positive environment. Our goal is to encourage each student to express their inner dancer through the art of movement. Dancers build strength, flexibility, balance, confidence, body awareness, self-control and discipline through movement.

All dance classes invite only students into the dance studio during class time. We find that students focus and have the greatest opportunity for learning when parents are not in the studio. For this reason, we designate the last day of every dance session as Parent Observation Day. You are welcome to observe your child's progress on this day. Thank you for your understanding and cooperation.

Session dance programs offer a wide selection of stylized movement. It is a great way to find a dance style and class that meets your dancer's needs through a 12-week commitment.

Contact Elias Parenti at 785-330-7361 or eparenti@lawrenceks.org with any dance questions.

A \$35 non-refundable processing fee will be charged when enrolling for ongoing classes.
