

GET DRENCHED!

Lawrence Parks and Recreation Department's Aquatics Division provides a safe and inviting environment accessible to the community. Through responsible use of public and private dollars, we strive for a professional staff that is dedicated to providing excellent customer service while maintaining the highest quality of aquatic programming and facilities available.

LPRD Aquatics — the city's largest provider of aquatic activities — offers four facilities of splashing excitement, fun and fitness for every member of the family.

Thrill seekers can challenge one of our exciting waterslides, such as the drop slide at the Outdoor Aquatic Center. Daring riders take a nearly vertical plunge down a steep chute, reaching breathtaking speeds before being shot like a cannon to “free-fall” into the water below. The Indoor Aquatic Center boasts a 145-foot waterslide that brings all the thrills of a traditional water park inside for year-round fun.

Guests of all ages are drawn to the fun of the zero-depth “beaches” featured at the Indoor and Outdoor Aquatic centers, as well as the South Park Wading Pool. All the fun of the beach without getting sand in your

pants! Hide behind a curtain of water in the Rain Drop, or get soaked by the spray of a gigantic daisy, a silly spittin’ snake or one of several different water fountains.

Kids will have a blast testing their balance on the Log Slice Scoot and the Lily Pad Path. Try to tackle the fierce floating dragon or make new friends on one of the mini-slides or floating animals.

Swimming for fitness and safety is our top priority! That’s why each facility offers a unique aquatic experience with something for everyone. Year-round programs like Learn-to-Swim courses, aquatic fitness classes, aquatic training courses and special family events provide educational, fun and diverse leisure opportunities for the whole family.

Mom and Dad can have fun, too! Relax in a lounge chair in the shade while enjoying a cold Pepsi from our full-line cafe concession stand. All this in a fun, family-oriented community water park.

The Aquatics Division offices are located on the second floor of the Indoor Aquatic Center, 4706 Overland Drive, (785) 832-SWIM (7946).

INDOOR AQUATIC CENTER

4706 Overland Drive (north of Free State High School) • (785) 832-SWIM (7946)

Lawrence Parks and Recreation's Indoor Aquatic Center is a community-supported family aquatic center featuring a 10-lane, 50-meter competition pool with diving well and underwater classroom; a separate family pool with zero-depth entry; waterslide and interactive children's play features; meeting rooms; shower/locker rooms and a cafe vending area. The pools hold 850,000 gallons of water and are heated. The temperature of the water is set at 82° in the competition pool and 86° on the family side. Locker rooms and all pools are fully accessible by both ramp entry and lift. Submersible wheelchairs are also available.

OUTDOOR AQUATIC CENTER

Eighth and Kentucky streets (downtown Lawrence) • (785) 832-7990

The Lawrence Outdoor Aquatic Center provides the good old-fashioned atmosphere of a traditional neighborhood pool with all the fun and excitement of a first-class water park. Nestled in beautiful Watson Park, the Outdoor Aquatic Center features waterslides; zero-depth children's area; diving well; interactive play features, including fountains; spray mushrooms; a 50-meter competition area and a drop waterslide.

The fun and convenience extends out of the water too, with shaded lounge areas, ample deck space, adjoining grass playground and a full-line cafe concessions area. The Outdoor Aquatic Center is also host to numerous events, aquatic camps and swimming programs.

CARL KNOX NATATORIUM

1901 Louisiana St., Lawrence High School campus • (785) 832-7946

A traditional indoor L-shaped pool, the Carl Knox Natatorium, located on the campus of Lawrence High School, provides a peaceful, slow-paced environment for young and old alike. With six 25-yard lap lanes, diving well, sun deck and fully accessible changing rooms, the Carl Knox Natatorium is the perfect spot if you are looking to beat the crowds. With designated times for lap swimming, along with Learn-to-Swim programs and aquatic fitness classes, the Carl Knox Natatorium offers programs to meet all of your swimming needs. *The Carl Knox Natatorium is only open during the school year.*

SOUTH PARK WADING POOL

1141 Massachusetts St. • (785) 832-7920

The South Park Wading Pool is the place for parents to bring children who are 6 and under for an afternoon outing. It provides a beautiful zero-depth entry pool, water sprays, fountains and our favorite seal, Skippy. Fully accessible restroom facilities with private changing rooms are also available. The Parks and Recreation Department provides qualified staff to supervise the wading pool area, but please remember — all children must be accompanied by an adult supervisor when using the facility. The wading pool is available free of charge to the public. For a small fee, morning reservations are available for day care/private parties. *The South Park Wading Pool is open for the summer season only.*

SCOUT BADGE PROGRAM

Does your scouting group need their aquatic merit badge? Let the professional lifeguards at the Lawrence Indoor Aquatic Center lead your scouts through a night of aquatic safety activities. We can customize a program to fit your needs using your own badge requirement. This program is designed for scouts in Indian Guides, Indian Princesses, Brownies, Cub Scouts, Webelos and other young scouting groups. A maximum of 10 scouts can be accommodated and all scouts must be accompanied by a leader. All pool rules apply during Scout Swim. The fee is \$5 per scout, payable on the night of the Scout Swim. Leaders must secure reservations at least one week prior by contacting the Aquatics Administrative Office at (785) 832-7946.

SAFETY CONCERNS

Aquatic facilities follow strict guidelines involving lightning safety. Staff use lightning detection systems, visual identification and support from the National Weather Service in Topeka to maintain swimmer safety. When lightning is detected within 3 miles, ALL swimmers must exit the water and take shelter at all swim locations including the Indoor Aquatic Center and Carl Knox Natatorium. Safety prompts and instruction are given by the lifeguard staff.

AQUATIC FITNESS CLASSES

Are you ready to take the plunge? Ready for the soothing properties of the water? Aqua workouts are for every fitness level and have low to no impact on joints and muscles. Water fitness has all the components of fitness; cardiovascular fitness, flexibility, muscular and endurance strength. Water has the ability to offer aerobic activity, resistance training and flexibility all at the same time. Working out in the water is perfect for those who find certain movements on land-running, striding, kicking, dancing-too jarring or painful. We have a wide variety of classes, including classes for expecting mothers, seniors, individuals with arthritis or those recovering from an injury. **NO SWIMMING SKILLS ARE REQUIRED.** Whether you are new to water fitness or a water fitness enthusiast we have the class for you. Registration is required by the Wednesday before the class begins. *Registration is required by the Wednesday before the class begins.*

AQUA BABY & ME

Ages: 6 months-18 months. This class gives you the opportunity to bond with your child while working out. This class is designed for all fitness levels and uses your baby's natural weight and growth to increase resistance during the workout. It is required that you have your child with you in the water during the class. Swim diapers are required, and we recommend parents wear shoes. **This is not a learn-to-swim class.** **Instructor: LPRD Staff. No class 3/22**

ARTHRITIS FOUNDATION AQUATIC PROGRAM

The Arthritis Foundation Aquatic Program (AFAP) is a group, recreational, water-based exercise program designed specifically for people with arthritis and related diseases. Specially designed exercises help participants improve their joint flexibility, strength, balance, coordination and reduce their pain and stiffness while supported by the water's buoyancy and resistance. Participants in an AFAP class can experience a reduced level of pain, an improved ability to function independently in day-to-day life, a decrease in feelings of isolation and depression. Classes also provide a friendly, fun atmosphere in which participants can make new friends and try new activities. **AFAP classes are non aerobic and taught by AFAP certified instructors.**

LEARN-TO-SWIM CLASSES**TIPS FOR PLACING YOUR CHILD IN THE RIGHT LESSON**

Most children remain in the same level for two or more sessions. It is also easier to move children up a level than to move them down a level. Swim lesson staff make the final decision in the placement of children into the most appropriate class level based on their skill. If a parent/guardian is unsure of the level to enroll their child, an evaluation and skill assessment may be set up by calling the Aquatic Division at (785) 832-SWIM. There is no cost for assessments. Deadline for class registration is on Wednesday prior to the start date of class. Classes will be cancelled if minimum enrollment has not been met. **SIGN UP EARLY, SIGN UP OFTEN.**

NOTE TO PARENTS/GUARDIANS

To ensure the safety of all children and youth using our pools, we ask that children are under the direct supervision of their parent/guardian both prior to their lesson starting and promptly at the close of their scheduled swim lesson.

LPRD wants your child to participate in its learn-to-swim program. We do ask for student cooperation and attention when attending class. It is our goal to provide each child with equal time and attention by staff. If a child doesn't want to enter the water or does not cooperate with staff, parents/guardians are asked to work with the supervisor in charge to seek resolution. We ask each participant to be on time and attend every lesson. Each lesson contains new material, which is vital to success in the class. *We also ask parents/guardians to have patience, be positive and give praise. It is important to give children additional time to practice outside of class. The more practice time children receive, the more successful they will be in swimming lessons.*

MAKE-UP LESSONS

Make-up swim lessons will be held only if the LPRD staff makes the cancellation. There are no make-up days for lessons missed for personal reasons.

WAITING LISTS

Waiting lists for each section will only be formed when programs are filled. Those on the waiting lists will be contacted in the order that they were placed on the list, if and when an opening becomes available.

SWIM LESSON DESCRIPTIONS

All of the levels contain age/level appropriate safety skills. To complete a level, the participant must be able to complete all skills and exit skills assessments.

Parent/Child (PNTCHILD) (Ages 6 months to 3 years): The foundation of the American Red Cross Parent and Child class is a set of basic skills that prepares young children to be comfortable in the water. This class will not make your child an independent swimmer; instead, this class will prepare your child to enter the Learn-to-Swim Program. *Skills learned include getting adjusted to the water environment; showing comfort on both their front and back positions with assistance; submerging with assistance and changing body positions in the water. Each child MUST be accompanied by an adult in the water.*

Aqua Tots (Age 3 years): This class bridges the Parent/Child class to the Learn-to-Swim program and is designed for preschool aged children who have never been in a swim class but are ready to hold on to the wall and be in a pool **without** a parent. This class focuses on the fundamentals of freestyle and floating. In order to move to the next class, students must be comfortable putting their face in the water for three or more seconds.

Preschool (PRSCHOOL) (Age 4 years): Preschool Aquatics teaches age-appropriate water and safety skills in a positive, logical progression beginning with fundamental water safety and aquatic skills. Skills learned in this level are the same fundamental skills that are taught in levels 1 and 2 of the Learn-to-Swim program. These skills include independent water entry, front and back glides, and combined arm and leg actions in the water. Children are required to stay in the Preschool program until they turn five years of age.

Level 1 (Ages 5 to 6 years): Working on comfort in the water and entering and exiting the pool by themselves. *Skills learned include blowing bubbles and getting the head and face wet; floating on front and back with support and recovering to a standing position; alternating and simultaneous arm and leg motion on front and back.*

Level 2 (Ages 5 to 7 years): *Skills learned include front, back floats unsupported for 5 seconds, then recover to a standing position; front and back glides for 2 body lengths and combined arm and leg actions on front and back for 15 feet.*

Level 3: *Skills learned include survival and back floats and treading water for 30 seconds; front and back glides with two different kicks and combined arm and leg actions on front and back for 15 feet.*

Level 4: Improve on skills and increase endurance on strokes learned in previous levels, including front and back crawl for 25 yards, elementary backstroke, breaststroke, sidestroke with scissor kick and butterfly for 15 yards. *Skills learned include head-first entries, survival swimming and treading water using two kicks.*

Level 5: Increased endurance, coordination and refinement of strokes: front crawl, back crawl, butterfly, breaststroke, elementary backstroke, sidestroke and flip turns.

Level 6: Refine strokes so students swim with more ease, efficiency, power and smoothness over greater distances. *Skills learned include introduction to other aquatic activities; areas of focus include Personal Water Safety, Diving and Fitness Swimming. Each option focuses on preparing students to participate in other advanced aquatic courses.*

Adult: This swim program has a little bit for everyone. Did you always wish you had learned to swim as a child? Well, it is never too late to get started. The purpose of this level is what YOU want to get out of it. For some that may mean personal safety; for others it may be learning to swim the basic strokes to be used for fitness swimming. Your needs will be discussed at the beginning of class, and the class will be geared towards meeting your personal goals.

Adult 2: Were you inspired by the Olympics? Do you already know how to swim but would like to swim with more efficiency and endurance? *Adult 2 is targeted to those individuals who have basic swimming skills and want to swim for fitness or increase their endurance and stroke proficiency for triathlons.*

Junior Swim (JRSWIM): Are you between the ages of 9 and 16? Have you always wanted to learn to swim, but never have? If you feel too old to be in a traditional level one, two, or three class, this is the course for you. Junior swim is targeted towards those individuals between the ages of 9 and 16 that would like to overcome their fear of the water and learn the basic skills needed to be safe and enjoy the water.

PRIVATE SWIMMING LESSONS

■ Is there an instructor your child would like to spend a little more time with in one-on-one instruction? Whether your child needs to improve a stroke or skill or you would just like the individual attention of one instructor, we have a program for you. Many of our certified instructors are available to teach private lessons at our facilities. They are available on a weekly basis during times that public swimming lessons are NOT being held. The cost is \$25 per 30 minute session. We offer only American Red Cross certified Water Safety Instructors for all of our classes. However, the American Red Cross does not sanction these classes or curriculum for private lessons. *Registration for private lessons is only available at the LIAC. Please call (785) 832-7946 for more information.*

AQUATIC TRAINING CLASSES

CALLING ALL LIFEGUARDS!

Lawrence Parks & Recreation Department Aquatics Division wants YOU to work as a certified lifeguard during our year-round swimming season. If you're willing to work, we're willing to train you! Training class fees are drastically reduced for those candidates who are willing to sign an employment contract with LPRD — Aquatics. We're excited about building a great team of professional lifeguards and therefore reserve the right to hire only the most qualified applicants for all positions and do not guarantee employment based on training completion. All lifeguard candidates must be at least 16 years old in order to qualify for employment with LPRD — Aquatics. *For more information on this program, contact the LPRD — Aquatics office at (785) 832-SWIM.*

WATER SAFETY INSTRUCTOR COURSE

■ This dynamic American Red Cross course teaches the dedicated individual how to instruct infants, children and adults in water safety and swimming lessons. Participants must be at least 16 years of age upon completion of the course requirements in order to receive certification. Pre-requisite skills include knowledge of all swimming strokes and the ability to demonstrate those skills on the first day of class prior to beginning training. Upon completion of the pre-course skill test, participants will be admitted into the class. Class is drastically reduced in price for those candidates who are willing to sign an employment contract with LPRD-Aquatics. *LPRD-Aquatics staff reserves the right to hire only the most qualified and dynamic applicants for all positions and does not guarantee employment based on training completion.*

*Fees for the class include all materials, including books and certification cards upon successful completion of course requirements. Because the course content is fast-paced and power-packed with information, all course times and dates must be attended. For more information on this program, contact the Aquatics Division at 832-SWIM. **MUST ATTEND ALL OF THE CLASSES.***

LIFEGUARDING

■ Ages: 15 and Up. Lawrence Parks & Recreation Department's Aquatics Division offers American Red Cross Lifeguard Training and CPR for the Professional Rescuer Certification classes. *Class fees include all materials including books and certifications upon successful completion of the required course components.* Course satisfies most employer requirements for Lifeguard Training/Lifesaving and the CPR portion includes training in infant/child/adult and two-person rescuer. Please contact the Aquatics Division Office at 832-SWIM for more information. The purpose of American Red Cross Lifeguard Training course is to teach Lifeguard candidates the skills and knowledge needed to prevent and respond to aquatic emergencies. The course content and activities prepare candidates to recognize and respond quickly and effectively to emergencies and prevent drownings and injuries. Prerequisites must be met prior to the first day of class for the candidate to continue with the class. These include being 15 years of age before the scheduled end of the class; the ability to swim non-stop for 300 yards using 100 yards of crawl, 100 yards of breaststroke, and 100 yards of either crawl or breaststroke; and the ability to swim 20 yards using crawl or breaststroke, surface dive to a depth of 7 to 10 feet, retrieve a 10-pound object, return to the surface, and swim 20 yards back to the starting point with the object—legs only in 1:40 minutes or less. **MUST ATTEND ALL SESSIONS OF THE CLASS**
