

EXECUTIVE SUMMARY

The Lawrence Bikes Plan is a guide for the City to achieve the vision of making Lawrence a safer, more comfortable bicycle network and Silver level bike-friendly city within 6 years.

The vision is supported by 5 goals:

- Improve Safety;
- Increase Ridership;
- Increase Access;
- Create a Network of Low-Stress Bikeways; and
- Bicycle Friendly Community Silver level recognition.

The Plan provides recommendations on the general location and types of bicycle facilities, projects, policies and programs that support the goals and vision. The Plan includes a vision for a bikeway network that can be developed overtime.

The plan was approved by the MPO Policy Board on August 15, 2019 and by the Lawrence City Commission on October 15, 2019 via [Resolution No 7299](#).
