

BikeSmart

- **Be Visible** - Use head & tail lights at night.
- **Be Predictable** - Obey all traffic rules, signals & stop signs.
- **Be Safe** - Always wear your helmet!
- Never ride more than two abreast.
- Do not ride on downtown sidewalks.
- Always ride with the flow of traffic & use hand signals when turning.

- Do not ride using headphones.
- When a road is too narrow for cars & bikes to ride safely side by side, bicyclists should take the travel lane, which means riding in or near the center of the lane.

DriveSmart

- Yield to pedestrians & cyclists.
- Never pass and turn across the path of a moving bicyclist. Slow down & turn behind the cyclist.
- Do not blast your horn when approaching a bicyclist - you may startle him/her.
- Allow at least three feet of passing space between you and the bicycle.

IT'S THE LAW!

- Do not accelerate to pass a cyclist when approaching a stop sign.
- Keep an eye out for children bicyclists in school zones, parks, & residential areas.
