

Countywide Bikeway Plan Study Information and Comment Card

This study will expand upon existing bikeway system planning efforts and the Bikeway System Map to cover all of Douglas County. The study will consider a variety of bicycle facilities including on-road and off-road improvements and will identify:

- ✓ Opportunities to expand the existing bikeway system network to cover all of Douglas County.
- ✓ Potential on-road and off-road bikeway improvements.
- ✓ Possible bikeway connections from Douglas County to other areas including Metro Kansas City and the Topeka Area.
- ✓ Improvements at key locations including:
 - ❖ 6th and Iowa Interchange Area in Lawrence
 - ❖ Burroughs Creek Trail/Hobbs Park to Riverfront/Constant Park Connector in Lawrence
 - ❖ Eudora Elementary and Middle Schools
 - ❖ Baldwin City Elementary

Please take a moment to answer the following questions related to bikeway facilities within Douglas County. Your input will help the project team better understand your mobility needs and will help the team develop well-connected local and regional bicycle facilities.

to the Countywide Bikeway Plan...**

Questions on back side

1. What bikeway improvement(s) would you consider to be the most important to enhance bicycling in the Lawrence urban area?

2. What bikeway improvement(s) would you consider to be the most important to enhance bicycling in rural Douglas County (including the communities of Baldwin City, Eudora, and Lecompton)?

3. Would you support the use of existing public funds to implement the urban and rural area bikeway improvements? Please check one box and use the space below to provide additional comments.

Yes Maybe, it would depend on the project. No

Thank you for your input! Please return your completed form to one of the project team members. Or, email your comments to Todd Girdler (tgirdler@lawrenceks.org) or Jim Meyer (jim.meyer@urs.com).
