The City of Lawrence requested the 19th & Iowa St Ped/Bike Underpass project (#505) be altered to have all funding years in 2018 rather than 2019. The project was already included in Amendment 5 adjusting the funding amounts. This change to the years allows KDOT to obligate FFY18 funding towards the project. The change was requested during the public comment period, thus it was treated as a public comment. The request and subsequent project change were posted during the public comment period to promote transparency.
