Step 3.

Application Assistant

- To find the correct permit application you can either click on PERMITS icon and scroll down, or simply type “Right” in search bar and click on which one needed
Step 4.

Application Assistant

- Begin the application process by clicking APPLY on desired permit
How to:

- Apply for a Right of Way Temporary Traffic Control Permit
Step 1.
Locations
- Click on Add Location
Step 1.

Locations
- Option A (Preferred): Add Location to your Permit Application from Search then click Add
Step 1.

Locations

- Option B: Add Location to your Permit Application Manually
Step 1.

Locations

- Confirm that location is correct and continue to Step 2
Step 2.

**Type**
- Enter in description on what this permit will be used for and continue to Step 3
Step 3.
Contacts

- Attach contacts: It is required to attach 24/7 Contact Person, Contractor, and Traffic Control Sub-Contractor for this type of permit.
Step 3.

Contacts

- Always search for contacts first and manually enter if they are not in the system.
Step 3.
Contacts

- Add contacts to your favorites so you can easily find them next time you put in an application

- After clicking favorite star icon, you will be able to find this contact in your My Favorites section every time you enter a permit
Step 3. Contacts

- Confirm that all information is accurate and continue to Step 4
Step 4.

More Info

- This is where you will enter important project specific information for the work

- Fields with red asterisk* on the left are required fields

- To view the Admin Regulations mentioning our TTC policies, you can click on the blue link and it will open these in a new tab for your review.
Step 4.

More Info

- Although not all fields are shown as required/marked with a red asterisk*, best practice would be to fill out all fields to give reviewer the full scope of work to be done and requested use of the right of way.

- Once all information is complete, review all information is accurate and proceed to Step 5.
Step 5. Attachments
- Add necessary attachments, traffic control plans, etc. and continue to Step 6.

*Some circumstances may require additional documentation to be submitted prior to the application's approval.*
Step 6.
Signature

Option A: Type Signature
- Ensure *Enable Type Signature* is checked, enter name in both fields

Option B: Draw Signature
- Click in field with X and draw signature, enter name in first field for consent
Step 6.
Signature
- Confirm that signature is in place and name is entered in consent field then continue to Step 7
Step 7.
Review and Submit

- Confirm that all information entered in previous steps are accurate and hit submit.

- Once submitted, we will review and get back with you for any additional details needed!
Thank You
