- Continued E-news every Tuesday , we currently have 131 subscribers.
- We continue to encourage neighbors to utilize our LISTSERV to communicate with each other in an informal, electronic way. We currently have 69 members enrolled.
- We continue to provide neighborhood and relevant city updates through our official Facebook page and also keep a neighborhood forum page that allows neighbors to interact with each other.
- We had a holiday party after our December meeting where neighbors brought treats to share and had time to socialize after the annual election, 8 attended.
- We found in the past that winter meetings are not well attended, January was traditionally a month where meetings were not held, we used this month to meet as a board and plan events and meeting speakers for the year.
