ELNA Elects New Officers

ELNA had its annual meeting on Monday, November 9th and elected its board and officers. We had a great turnout and elected a mix of new and established voices to the board. We have a total of eleven elected leaders this year. You can find their contact info on the front page of this newsletter.

Here is a look at who will be serving you this year.

President: Deron Belt

Vice President: KT Walsh

Treasurer: Phil Collison

Secretary: Leslie Soden

Board Members: Judy Harrington, Brenda Nunez, Bill Wachspres, David Nelson, Steve Smith, Josh Davis, Nick Brown

Do you know the people on your ELNA Board? Inside this newsletter you will find a short bio of each board member. Take some time to get to know them. And if you see these folks around the neighborhood, congratulate them and thank them for their service!

22nd Annual Dr. Martin Luther King Chili Feed

New York Elementary will host the annual Dr. Martin Luther King Chili Feed on Tuesday, January 12th from 5:30 to 7:00. The public is invited to the community celebration of the life of Dr. King. The cost for a meal of chili, crackers, carrot/celery, dessert and drinks is \$2.00. New York students bring the veggies, crackers and shredded cheese. **East Lawrence Neighborhood residents**, HRH insurance, Altrusa Womens Club, and New York faculty and staff provide desserts.

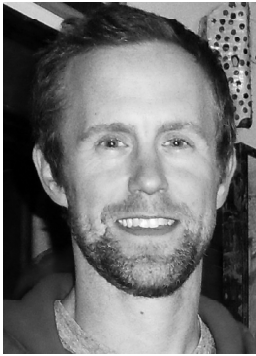

Please join us as we celebrate the diversity of our neighborhood and build new friendships.

SUPPORT NEW YORK ELEMENTARY!

DONATE A DESSERT TO THE MLK JR CHILI FEED!

DROP IT OFF AT NY SCHOOL ANY TIME ON JAN 12TH.

From the President

Hello all! My name is Deron Belt and I am the new President of the East Lawrence Neighborhood Association. I have lived in this neighborhood since 1998 with stops on New York, Rhode Island, and New Jersey Streets before eventually purchasing a home on E 11th Street. After calling so many of these East Lawrence streets home, I am excited for the opportunity to serve the neighborhood.

I'd like to thank Phil Collison for his 3 years of service as ELNA President. Phil, and Janet Good before him, established an impressive standard by which our neighborhood is judged. I intend to help further this standard. I know there will be a learning curve in my new role, but not to worry, the ELNA Board is filled with intelligent and energetic folk. Check out their bios in this newsletter. Having no lack of institutional memory, I believe we

Advertise in the ELNA Newsletter

Want to get your business name out to every household in East Lawrence and beyond? ELNA offers very reasonable prices to advertise in this newsletter. The newsletter is sent out to over 1200 households and placed in downtown businesses every other month. Contact Heather, eastlawrence@yahoo.com for more info and pricing.

are well positioned for issues that lie ahead. Again, I feel fortunate to serve with so many fine East Lawrencians.

Just because I am in transition, doesn't mean that East Lawrence is slowing down. Here's a look at some of the events that have happened since November:

- K.T. Walsh, Heather Coates, Phil, and I submitted the CDBG application for 2010-2011. No word yet from the city.
- I attended the Depot Redux decorating party at the train depot on Dec. 6th. The depot project is moving ahead. See the article in this newsletter of their website for updates on the depot project, <http://depotredux.blogspot.com/>.
- ELNA signed a letter supporting the Lawrence Fruit Tree Project (a proposal for fruit trees to be planted along the new Burroughs Creek Trail).
- ELNA celebrated the preservation of the home at 1120 Rhode Island. Janet Good, Dennis Brown (Lawrence Preservation Alliance) Rebecca Buford (Tenants to Homeowners (TTH)/The Lawrence Community Housing Trust)

all provided inspired commentary on the project at the December 5th dedication. While preservation was a real coup here, the home is also a TTH project, providing low-income housing at a time when we need it most. Several TTH projects reside in East Lawrence and I look forward to future cooperation with them.

Looking at this list of projects (only a short list of all the happenings going on currently in East Lawrence), it is clear we are a neighborhood that cares. We have a connection to our past, care about the present and are committed to advocacy and willful intervention. May this next chapter of our living history commence with compassion and grace.

There are many of my fellow neighbors whom I have yet to meet. I intend on making myself available to any with neighborhood concerns, for general pleasantries, or libations at one's behest. Please feel free to call me at 766.9779 or email gradually@hotmail.com. I'm also on twitter <http://twitter.com/DeronABelt>. Cheers!

Safe Winter Walkways Program

Seeking Volunteers

We are having great snows this winter!

Do you have a neighbor who needs your help?

Able bodied Lawrence residents with a flair for helping others and an enjoyment of winter weather are needed to volunteer for the "Safe Winter Walkways" program. In order to create safer and more accessible pedestrian walkways, the City of Lawrence has joined with Douglas County Senior Services to match residents needing assistance with snow removal with volunteers who want to do a neighborly good deed.

There is online registration for this project. Volunteers will be asked to commit to the entire winter season and visit his or her matched home each time snow falls. "This program is an excellent resource for members of our community who physically can't keep their sidewalks clear during snow events," said Megan Gilliland, communications manager for the city. "This program is a structured version of what has happened in neighborhoods for many years, neighbors helping neighbors. With volunteers, we can make certain that the neighbors can count on a volunteer to be there if snow needs to be removed."

Volunteers can sign up by calling (785) 832-3338 or registering online at www.lawrenceks.org/safe_winter_walkways.

Calendar for January & February

January

- **3rd - Train Depot Clean-up, 3-4:30pm,** BNSF Depot, 7th & NY Streets
- **5th - Joint Mtg of NY Elem PTO & Site Council,** 6:15-7:15pm, NY School
- **11th - ELNA General Meeting,** 7-9pm, NY School.
- **12th - MLK Day Chili Feed, 5:30-7pm,** NY School Gymnasium
- **31st - Brenda Nunez's Birthday!**

February

- **7th - Train Depot Clean-up, 3-4:30pm,** BNSF Depot, 7th & NY Streets
- **8th - ELNA Board Meeting,** 7-9pm, NY School Library

More Ways to Get Help With Utilities

- *Turn It On!* offers utility assistance through ECKAN and Trinity Lutheran Church to help households whose utilities have already been shut off only. Contact ECKAN at 841-3357 to find out about assistance. Donations are gratefully accepted for this program. Contact ECKAN or Trinity Lutheran (12th & New Hampshire, 843-4150) to donate.
- *Warm Hearts* offers up to \$300 for heating assistance. Applications are available at Salvation Army, ECKAN, Ballard Center and Penn House. For more info: www.warmheartsofdouglascounty.com/index.shtml. Tax deductible donations are accepted for this program.
- *Project Deserve* helps pay the Westar Energy electric bills of people with a severe disability (children or adults meeting Social Security disability criteria) and older adults (people 60 years or older). Also, eligible households may receive one-time annual payments of up to \$100 to be applied toward their Westar Energy electric bills. The American Red Cross determines eligibility based on household income. Contact the Douglas County American Red Cross Chapter, 785-843-3550.

Assistance Available for Home Energy Costs

If you need help with your energy bills this winter, the State of Kansas has funds to help. The Low Income Energy Assistance Program (LIEAP) is a federally funded program that helps eligible households pay a portion of their home energy costs by providing a **one-time per year benefit**, that is sent directly to your energy provider. Any remaining portions of your bill must be paid by you.

Applications for assistance must be made between January 19 – March 31, 2010. There are both income and family guidelines that must be met in order to receive assistance. You may apply for this program only during the open application period. Call or visit your local SRS office during this time period to find out if you are eligible or to apply.

For more information about this program or to request an application (during the application period), call 1-800-432-0043 or contact your local SRS office. Or go to the following website for more information, <http://www.srskansas.org/ISD/ees/lieap.htm>

Meet Your ELNA Board

Every year in November, at its Annual Meeting, ELNA chooses members to serve on its board. This year we chose eleven members. Do you know the people who advocate and work for the neighborhood as members of the ELNA Board? In order for you to get to know the board better, each member answered the following questions.

1. Number of years in the neighborhood?
2. Number of years serving on the ELNA board?
3. Why do you love East Lawrence?
4. Why did you join the board? What issues are important to you?

You will find each board member's answers next to their photo.

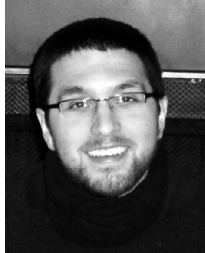

Bill Wachspress

1. 17
2. 17

3. I love the diversity and creativity of my East Lawrence neighbors. You make this a fun and fascinating place to live. I also love that it is a short walk or bike ride to downtown and campus, and that I can lace up my running shoes, head east, and be jogging through farmland in about five minutes.

4. When I first moved to East Lawrence, there was a copy of the East Lawrence News in my door. I went to the meeting that week, the first neighborhood meeting I ever went to anywhere. Shelly Miller convinced me to run for the board, and I've been on it ever since. I am interested in sustainability and preserving the wonderful character of our residential neighborhood. I represent the Lawrence Association of Neighborhoods on the board of the Voter Education Coalition.

David Nelson

1. 2
2. This is my first

3. As a renter, no other neighborhood offers such a variety of quality properties and still maintains a "get-to-know-your-neighbors" attitude. Coupled with E. Lawrence's architectural, cultural and historic assets and walkability/bikeability, there is no other neighborhood I would consider.

4. I joined to represent the renter/student perspective and advocate for a number of issues. One of those being making our streets and sidewalks safer and more comfortable for bikers, pedestrians and the disabled. Also, I want to make sure that the future development and redevelopment makes sense for the neighborhood and isn't just downtown encroachment. Finally, I would love to see the Depot project advance and see it utilized more for transportation by Amtrak and as a general asset for the city.

Deron Belt

1. 9 years
2. I've served on the

ELNA Board for a few months and have been a regular attendee of meetings for over a year.

3. East Lawrence is a diverse and dynamic neighborhood. I'm proud of our proactive and inclusive nature. I believe we in East Lawrence see value in a strong community as it provides us a platform for stability and higher quality of life.

4. I joined the board to help advocate for East Lawrence. I respect the tenacity of dedicated people and what they often are able to accomplish.

ELNA has a long tradition of this service. My issues are walkable communities, multi-modal transportation, affordable housing, accountability, neighborhood safety, and open communication with the City of Lawrence (and any other relevant entities).

Brenda Joyce Nunez

1. Since 1958.
2. Off and on for 30 years.

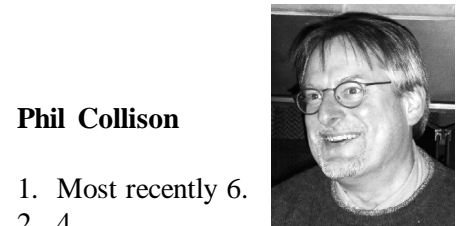

3. I can't put into words why I love East Lawrence. I just have lots of history, good and bad.

4. I enjoy being useful.

Leslie Soden

1. 6
2. 4 years?
3. Diversity, close to downtown, walking distance to everything
4. Gentrification, community

Phil Collison

1. Most recently 6.
2. 4.
3. It is so close to downtown and holds such fond memories.

4. I joined the board to be a participant in the neighborhood and to make a difference in the city.

Nick Brown (no picture)

1. 3 +1 in Barker
2. Approximately one previous
3. I love the history of East Lawrence, from the abolitionist denizens it began with, to its radical base and Black Nationalist movement building in the 60's and 70's. I used to live across the street from the former Afro House on 10th where the Black student union and KU's African American Studies Program both began. That kind of history and its continued environment as mixed income, resourceful and connected bunch of neighbors is rich for continued community organizing.
4. I joined the board to network with neighbors and collaborate on solutions to shared concerns. I think the neighborhood is the most ideal scale on which to address issues such as poverty, discrimination, class dynamics and gentrification, ecological health, resource conservation, abundance in the economy of goods and tradeskills, and essentially most macro level issues. I believe the best solutions are organic and that we as neighbors have the opportunity to address concerns with each other that have regional to global implications.

Josh Davis

1. 9
2. Almost 1
3. Because it has all kinds of people, families, homes, businesses, buildings, and they're all welcome and all contribute to the unique flavor we have. Also because it rules.
4. I joined the board so that I could be more involved in the neighborhood that my family and I enjoy so much. One important issue to me is historic preservation.

Judy Harrington

1. 2.5
2. 1+
3. Historical, laid back, helpful attitude toward neighborhood, walking distance to downtown, Obama stickers.
4. I joined because of the combined knowledge of existing board members regarding how and why the City acts. Who to go to for city problem solving, how to play offense and defense on issues affecting East Lawrence. How random acts of kindness get played out in this neighborhood, what people need.

KT Walsh

1. 30 plus
2. 16 (with gaps)
3. It's scruffy and real and people share tools, food, childcare, music, art making our sorrows and joys. There's no better place.
4. I joined because I so respect the people who stay involved/are aware of the issues and work hard to protect and improve our neighborhood. I just wanted to hang out with the cool kids.

Steven D. Smith

1. Moved here in September, 09.
2. Just became a member this past month.
3. I'm impressed with the sense of community.
4. Aside from the fact that there was an excess of positions available, I feel a strong sense of responsibility to my community and hope my small contribution will benefit the association. Being a relative newcomer I don't have any "pet" issues, yet. I will say however, that the general attitude I've observed, of restoring, rebuilding, or maintaining the historic and/or original architectural aspects of East Lawrence, is an idea I can get behind.

YART Sale – Save the Date!

We have set the date for the YART sale, Saturday, **March 27th in the New York School Gym**. The Yart sale is ELNA's annual fundraiser, where neighbors donate their gently used items to sell, local artists come and sell their creations and we are all entertained by our neighborhood musicians.

Here's what you can do to prepare for this neighborhood event:

Donate Your Gently Used Items – Start collecting your gently used items now to donate.

Sell Your Art - We are putting out a call for artists (you will be asked to donate 10% of your earnings to ELNA). Contact Heather at eastlawrence@yahoo.com if you would like to vend.

If you are interested in helping plan this year's YART sale – contact Heather, eastlawrence@yahoo.com.

ELNA Helps Restore the Neighborhood

Have you seen the house at 1120 Rhode Island lately? Part of the North Rhode Island Street National Historic District, the house is fully restored and ready to be moved into. This project was the dream of ELNA, the Lawrence Preservation Alliance (LPA) and Tenants to Homeowners (TTH). There was an open house on Dec. 5th – our own Janet Good spoke about the work and dedication it took to keep this property from becoming a parking lot. Dennis Brown reminded us that preserving history is not only about the preservation of the lives of the rich, but also of the working class. This house is a historical reminder of the mixed income neighborhood that East Lawrence has always been and remains as today. TTH is planning to build 5 additional affordable housing units in the adjacent open lots.

ELNA members added their own sweat equity to the restoration project at 1120 Rhode Island. The group above was part of a crew that dug up and then re-laid the brick sidewalk in front of the house. Thanks to Mike Meyers, John Myers, Phil Collison, KT Walsh, Josh Davis, Peter Szabo, Heather Coates, marci francisco and Joe Bickford for all the hard work.

The photo above is courtesy of East Lawrence photographer Pete Haack, www.belltowerphoto.com. Pete came out and photographed the event and pitched in to help as well!

Happenings at the Train Depot

The City Commission voted in December to cautiously move ahead with the project by seeking only half of the total cost of preserving the depot. Visit www.depotredux.org to see a conceptual drawing of what the hopes are for the depot. It features some new parking east of the train station and an expansive garden to the west. If Lawrence is awarded the Transportation Enhancement grant from KDOT this June, unfortunately beautification such as this garden and parking upgrades will not be on the list to receive funding. They are not critical. A new roof, upgraded heating and cooling and ADA compliant doors and bathrooms will be part of this first phase of the depot's preservation. It will be two more years before the City can apply for TE funding to help pay for the cost of the remaining work.

Depot Redux would like to extend its deep appreciation to the ELNA members who donated time to clean and participate in preparation of the Historic Structures report prepared by Hernly Associates. Also, a huge thanks to East Lawrence neighbor, Linda Wright, daughter of artist Helen Garret whose painting of the 1883 depot was given as a gift to the depot at the December 6th holiday gathering. The painting was found at an antique store in Ottawa and was cleaned and reframed. Linda was present at the gathering to speak about her mother's career as a Lawrence artist.

Home Energy Efficiency Improvement Tax Credits

Consumers who purchase and install specific products, such as energy-efficient windows, insulation, doors, roofs, and heating and cooling equipment in existing homes can receive a tax credit for 30% of the cost, up to \$1,500, for improve-

ments "placed in service" starting January 1, 2009, through December 31, 2010. See EnergyStar.gov's [Federal Tax Credits for Energy Efficiency](#) for a complete summary of energy efficiency tax credits available to consumers.

Neighborhood Thank You's

December was a festive month for ELNA. We adopted a family, turned our board meeting in to a Holiday Party and wrapped the gifts at the party! ELNA would like to thank the Delaware Street Commons for allowing us to use their commons room for the party. We were there at the gracious invitation of our board member, Judy Harrington.

We would like to thank all the people who took part in the adopt-a-family project. As a neighborhood we helped a family of six, with an outpouring of gifts and food. A HUGE thank you to all took part.

Mary Kirkland	Judy Metcalf	Mike Riehm
Karen Seibel	Mike Hernly	Leslie Soden

ELNA

Our list of new members is impressive – thank you to all the new and returning members who signed up as ELNA members. And thank you to everyone who came out and participated at the annual meeting. Our current membership numbers are at 178! Remember, your ELNA membership is only good for one year – is your membership current? We have several members whose membership expired recently. If you have questions about the status of your membership, please contact Heather at eastlawrence@yahoo.com.

Joining ELNA is easy. You can fill out the form in this newsletter and mail it in. Or you can go to the East Lawrence website, eastlawrence.org, download a form and send it in. Membership is a bargain at ONE DOLLAR per person (not per address). If you live out of the East Lawrence boundaries, the price is a low, low \$5 per person. If you are an East Lawrence business, the price is also \$5.

We would like to thank and recognize every one who has joined ELNA for the first time, and for those who have renewed their membership. These are the people who have joined since our last newsletter.
