

Neighborhood Update for LAN

May 5, 2016

Item #1: CDD Information

The Community Development Advisory Committee has two openings for appointments to the committee. The open positions are for low-moderate income area representatives. The appointees must come from an area that is 51% or more low-mod and is not already geographically represented on the committee. Please forward any letters of interest to either Danelle Dresslar or to the City Manager's office.

The Community Development Advisory Committee has finished their allocation recommendations for the Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funding. The public hearing was held April 28, 2016 and the 30-day written comment period goes until May 28, 2016. The Action Plan and Investment Summary can be found at http://lawrenceks.org/pds/.

Item #2: Rental Licensing Update

The new City-wide rental licensing and inspection program became effective July 1, 2014. RS (Residential Single-Dwelling) zoned rental units (most of which were licensed under the prior program) were transitioned to the new program beginning July 1, 2014.

From January 1, 2015 through December 31, 2015, owners of rental units in non-RS zoning districts were required to license their rental units. Owners/ownership entities with names beginning with A or B were required to license their rental units by the end of January 2015; owners/ownership entities with names beginning with C or D were required to license their rental units by the end of February 2015; owners/ownership entities with names beginning with C or D were required to license their rental units by the end of February 2015; owners/ownership entities with names beginning with E or F were required to license their rental units by the end of March 2015. Proceeding in this manner throughout 2015, all rental units in Lawrence (previously estimated to be about 20,000) were to be licensed by the end of 2015.

As of December 31, 2015, there was a total of 7,704 issued/active rental licenses, representing 19,922 rental units (a single "master" license is issued for a rental property with three or more dwelling units located on single parcel or on adjoining parcels under the same ownership).

During 2015, 975 dwelling units were inspected under the Program. From inception of the new program on July 1, 2014 through December 31, 2015, 1,147 units had been inspected. Rental program violations were found in about 60% of all units inspected, with about 90% of all violations corrected within 60 days. Most violations found (and corrected) have been significant life safety items, such as installed/working alarms, GFCI receptacles, properly protected electrical outlets and properly installed/vented mechanical appliances (often gas-fired).

As of December 31, 2015, about 40 rental program cases had been forwarded to the City Prosecutor's Office for prosecution in Municipal Court, with good results.

The City has developed a website devoted to the Rental Licensing Program, which can be viewed at <u>www.lawrenceks.org/pds/rental-licensing</u> or <u>www.lawrenceks.org/rent</u>. The website contains information such as a Program Handbook, the adopting ordinance, inspection forms and guidance, licensing process and inspection brochures, a tenant information brochure, diagrams of program processes and FAQs for both owners and tenants. The website also features monthly and annual program reports that have been provided to the City Commission. New or updated information is frequently being added to the website.

Please contact the City with any questions at (785) 832-3345 or by email at <u>rentallicensing@lawrenceks.org</u>.

Item #3: May Planning Commission Items

The Lawrence/Douglas County Metropolitan Planning Commission will hold their regularly scheduled monthly meeting on **May 23, 2016** at **6:30 p.m.** in the Commission Meeting Room on the first floor of City Hall, 6 E. 6th Street.

The Planning Commission will consider the following public hearing and non hearing items at their Monday, May 23, 2016 meeting:

Morgan Addition: **FDP-16-00107**: Consider a Final Development Plan for Phase 1 of Sixth & Monterey Way PCD Morgan Addition, a one-lot development of a *Construction Sales and Service* use and an addition to the existing *Detached Dwelling*. The site, located at 800 Monterey Way, contains approximately 0.6 acres. Submitted by Allen Belot Architect, for Robert J. and Beverly G. Morgan, property owners of record.

Bauer Farm: **FDP-16-00104**: Consider a Final Development Plan for Zaxby's, a Fast Order Food with Drive-In, located at 4661 Bauer Farm Dr. Submitted by Carter Engineering Consultants, Inc., for JULI, LLC, contract purchaser, Free State Holdings Inc, property owner of record.

Westridge Wash, Lube, & Auto Sales: **FDP-16-00103**: Consider a Final Development Plan for Westridge Wash, Lube, & Auto Sales, located at 3530 W 6th St. Submitted by Grob Engineering Services, LLC, for Westridge Lawrence LLC, property owner of record.

Clean Rubble Fill: **CUP-16-00105**: Consider a Conditional Use Permit for clean rubble landfill, on approximately 40 acres located at 1736 E 1550 Rd. Submitted by Grob Engineering Services, LLC, for Nunemaker-Ross, Inc., property owner of record.

TA-13-00235: Continue discussion related to proposed Text Amendments to the City of Lawrence Land Development Code, Article 9 and related sections of Chapter 20, for comprehensive revisions to parking and access standards. Discussion will focus on Sections 20-908 & 20-915 related to Location, Driveways and Access, including parking configurations for duplex dwellings. *Action on this item will not occur until after the commission completes their discussion on several of the elements of the code language and a final draft is available for their review.*

TA-16-00128: Consider a Text Amendment to the City of Lawrence Land Development Code, Article 17 and related sections of Chapter 9, for revisions related to the use and design standards for Valet Parking. *Initiated by the City Commission on 3/28/16.*

Legal descriptions for public hearing properties listed above are on file in the Planning Office for review during regular office hours, 8-5 Monday - Friday.

Communications to the Commission:

Written comments are welcome and encouraged on all items to be considered by the Planning Commission. The Commission has established a **deadline for receipt of all written communications** of *no later than 10:00 a.m. on Monday, May 23, 2016.* This ensures your transmittal to the Commission can be received and read prior to their meeting.

Item #4: City Resources

• Rental Licensing Program

The City has developed a website devoted to the Rental Licensing Program, which can be viewed at www.lawrenceks.org/pds/rental-licensing or www.lawrenceks.org/rent. The website contains information such as a Program Handbook, the adopting ordinance, inspection forms and guidance, licensing process and inspection brochures, a tenant information brochure, diagrams of program processes and FAQs for both owners and tenants. The website also features monthly and annual program reports that have been provided to the City Commission. New or updated information is frequently being added to the website.

All information listed can be found at the City of Lawrence website: <u>www.lawrenceks.org/pds</u>

The Neighborhood Update is produced for LAN during the first week of every month to keep members updated on neighborhood oriented issues via communication directly from the City of Lawrence. For any additional information regarding CDBG information, please contact Danelle Dresslar by phone at 785-832-3108 or email <u>ddresslar@lawrenceks.org</u> or for any other information contact Becky Pepper by phone at 785-832-3153 or email <u>bpepper@lawrenceks.org</u>. Comments are always welcome.

Please contact the City with any questions at (785) 832-3345 or by email at <u>rentallicensing@lawrenceks.org</u>.

• Interactive Rental Licensing Map

The Planning and Development Services Department has published a Residential Rental License Interactive Map for citizens, prospective renters and landlords to access. The map can found at: <u>http://www.lawrenceks.org/pds/rental-licensing/map</u>. The map identifies all rental dwelling units that are licensed and in good standing with the rental licensing and inspection program requirements. The map is intended to provide consumers information about units that comply with the city's rental program as well as help landlords market their code-compliant properties. The map is linked to the department's home page. Citizens can click on the blue map dot of a rental property and view the landlord name, zoning district, the number of units licensed and the apartment complex name, if applicable. Staff believes the map will be a valuable resource for tenants, landlords and the general public as the program continues to license properties through 2015 and beyond.

<u>Find Active Building Permits on City Website Interactive Map</u>

In May 2014, Planning & Development Services launched a new Building Permits interactive map that shows locations and provides basic information about active City of Lawrence building permits (for both non-residential and residential new construction and addition projects, and for non-residential remodeling or change of use projects). Zoom in on the map to see building permits that have been recently issued in or around your neighborhood. Find the map on the City's website at http://lawrenceks.org/city_maps or http://lawrenceks.org/pds/building-permits/map.

<u>Project Submittals</u>

Planning project submittals can now be accessed on the Planning Division's website through the following address: <u>http://www.lawrenceks.org/pds/submittals</u>. The list is updated every Monday and also includes a link to an interactive map that shows the locations of the projects.

Memorandum City of Lawrence Planning & Development Services

- TO: Thomas M. Markus, City Manager
- FROM: Scott McCullough, Director
- CC: Casey Toomay, Assistant City Manager
- Date: May 2, 2016
- RE: Monthly PDS Project Report

The following provides an update on several city of Lawrence projects in process in the Planning and Development Services Department.

Comprehensive Plan Update - On August 31, 2015 the *Horizon 2020* Steering Committee approved the Issue Action Report which contains the Steering Committee's findings regarding how to best strengthen the existing plan and ensure that the document reflects the community's vision, while also setting a foundation for creating the inclusive and sustainable community we want Lawrence and Douglas County to be in the future. The Issue Action Report presents 19 major issues to address, based on community input and identified needs, and it outlines action steps to help address and resolve these issues.

The Issue Action Report was presented to the Planning Commission on September 21, 2015 and was unanimously approved. It was presented to the City Commission at their November 10, 2015 meeting and to the County Commission at their November 11, 2015 meeting and was unanimously approved by both governing bodies. Work on the plan itself is underway. The Steering Committee convened on March 7, 2016 to review an outline of the plan. The next Steering Committee meeting is planned for June 13 from 4 p.m. to 6 p.m. in the City Commission room at City Hall. Jeff Crick is the Staff contact.

East Lawrence Neighborhood Rezoning – On August 18, 2015, after considering a Staff memo on the topic, the City Commission directed Staff to further research land use in the area north of 9th Street in the East Lawrence Neighborhood and present the Commission with a follow up memo outlining appropriate zoning district(s) and a timeline of the rezoning process in order to consider rezoning much of the area from RM24 to an RS district. Research and zoning option development is underway on this initiative. Staff met with the neighborhood on March 28, 2016 to review the data in advance of the City Commission reviewing rezoning options for the area. The City Commission will tentatively review options at their May 24 meeting. Becky Pepper is the Staff contact.

North Lawrence RS5 Zoning Discussion – On August 18, 2015 and April 19, 2016 the City Commission considered Staff memos addressing a request from the North Lawrence Improvement Association to review RS5 zoning in North Lawrence. At their April 16, 2016 meeting, the Commission initiated an amendment to the code to require that storm water plans be submitted in conjunction with development projects for RS5 and RS3 zoned properties in North Lawrence in the areas protected by the levee and also directed Staff to continue to study density and dimensional standards citywide for RS5 and RS3 zoned properties and provide a report to the City Commission at a future meeting. David Guntert is the Staff contact.

Urban Agriculture Text Amendment – A text amendment to create new Urban Agriculture uses in the Land Development Code was initiated by the City Commission on June 23, 2015. The Planning Office, in coordination with the Food Policy Council, drafted language and presented it to the Planning Commission at their October 19, 2015 meeting. The Planning Commission heard public comment and deferred the item for additional revisions. Revised language was reconsidered by the Planning Commission at their December meeting and was again deferred for additional development with the stakeholders. At their February meeting, the PC recommended approval of the amendments with the exception of the slaughtering of animals. This item will be removed from future reports. Mary Miller is the Staff contact.

Parking Regulations Text Amendment – Staff has been working with the Planning Commission for some time now on revising Article 9 of the Land Development Code related to parking standards. These revisions will address how parking is calculated, the design and location of parking, and standards related to the parking and storing of RVs, boats and trailers. The Planning Commission received an update on the progress of this item at their November 16, 2015 meeting and discussed alley parking for duplexes at their January mid-month meeting. This item is scheduled to be considered by the Planning Commission at their May regular meeting. Sheila Stogsdill is the Staff contact.

Oread Design Guidelines – The Oread Design Guidelines were recommended as one of the initiatives of the Oread Neighborhood Plan, which was adopted in 2010. Planning staff conducted a public meeting on Wednesday, January 13, 2016 at the Lawrence Public Library Auditorium.

The Lawrence – Douglas Co. Planning Commission and the Lawrence Historic Resources Commission had two joint meetings to discuss the Guidelines on Thursday, February 18, 2016 and Monday, March 21, 2016. Both commissions recommended approval of the guidelines and associated rezoning requests to implement them.

After the official hearing of March 21, 2016, Staff discovered that the rezoning effort was not properly noticed and a rehearing must be completed before the PC and HRC. Staff is working to schedule new hearings for the PC's and HRC's June mtgs. Jeff Crick and Lynne Zollner are the Staff contacts.

Discussion of Applicability of the Property Maintenance Code – Elements of property yard maintenance were considered with the recent adoption of the 2015 ICC codes. Items related to urban agriculture uses and yard conditions were considered with the Urban Ag text amendment at the City Commission's April 26, 2016 meeting and adopted with that text amendment. This item will be removed from future reports. Brian Jimenez is the Staff contact.

Sign Code Amendments – On July 7, 2015 the City Commission, after receiving a Staff memo on the topic, initiated certain amendments to the sign code to address several issues to aid businesses in the use of signs; however, at that time the Commission directed Staff to delay this project as the Commission considers the applicability of the Property Maintenance Code. A memo submitted for the May 10, 2016 City Commission meeting will request that the Commission direct Staff to return to this item now that the 2015 Property Maintenance Code and the Urban Agriculture amendments were adopted. Kurt Schroeder is the Staff contact.

Community Development Initiatives

Applications for **CDBG and HOME federal funds** were sent to interested parties on October 1, 2015 and were due back to Staff by December 1. The Community Development Advisory Committee (CDAC) has shown interest in neighborhood outreach to discuss best practices among neighborhoods to explore ways to use the CDBG money more efficiently and perhaps pool resources to reach common goals. The CDAC began CDBG and HOME grant allocation discussions in January. The committee will hold a Public Hearing on April 28th and will submit the recommendations for funding to the City Commission in early May. All recommendations are due to HUD by June 15, 2016 for the 2016 Program Year. Bradly Karr is the Staff contact.

The 2016 **homeless point-in-time count** was an unsheltered and sheltered count and occurred on January 28, 2016. The count was a coordinated effort with the rest of the balance of state. Dani Dresslar is the Staff contact.

Community Development Staff continues to support the staffing efforts of the **Affordable Housing Advisory Board**. Information and agendas can be found at <u>http://lawrenceks.org/boards/affordable-housing/</u>.

Metropolitan Planning Organization (MPO) Studies

The MPO was awarded a **Competitive Consolidated Planning Grant** from KDOT to complete two studies in 2016 - a comprehensive transit operations analysis and a bike share feasibility study in the Lawrence community. The City Commission, in March, directed Staff to execute Professional Service Agreements (PSAs) with firms to complete the work. Data collection and project surveys are underway for each study. Project consultants will be in Lawrence in May and June doing field work.

The MPO updated the **Public Participation Plan** (PPP) that guides the MPO transportation planning process. It recommends methods for the MPO to engage the public during the regional transportation planning decision making process and states how members of the public can be involved in the transportation planning

process. The 2016 PPP was approved at the April 28, 2016 MPO Policy Board Meeting.

The MPO produced in partnership with members of the Regional Transit Advisory Committee an updated **Coordinated Public Transit – Human Services Transportation Plan** (CPT-HSTP). The plan updates the previously approved CPT-HSTP from 2012. The plan recognizes success in coordination that have occurred since and outlines how paratransit and human services transportation providers can most efficiently and effectively work together to improve mobility for individuals with special transportation needs in Lawrence and Douglas County. The CPT-HTSP is available for public comment until May 4, 2016. This Plan will come before the MPO Policy Board for approval on June 16, 2016.

The MPO is continuing to work on the **Regional Pedestrian Plan** but a date of completion has not been identified due to working with the Bike/Pedestrian Task Force and Safe Routes to Schools initiative, both of which are affecting certain elements of the Plan as it evolves.

Jessica Mortinger is the Staff contact.

Historic Landmarks – The Historic Resources Commission is continuing efforts to identify and recognize significant properties having special historical, community, or architectural value to the City. This year, the HRC has recommended and the City Commission has landmarked 4 new properties. At their March 24, 2016, the HRC recommended three City owned properties including Union Pacific Depot, the Carnegie Building, and Fire Station #1, for the City Commission to consider for landmark status. The HRC recommended Oak Hill Cemetery and Clinton Park for landmark status at their April 21, 2016 meeting. The City Commission considers these nominations at their May 3, 2016 meeting.

Lynne Zollner is the Staff contact.
