Item #2: Comprehensive Plan

On August 31, 2015 the *Horizon 2020* Steering Committee approved the Issue Action Report which contains the Steering Committee's findings regarding how to best strengthen the existing plan and ensure that the document reflects the community's vision, while also setting a foundation for creating the inclusive and sustainable community we want Lawrence and Douglas County to be in the future. The Issue Action Report presents 19 major issues to address, based on community input and identified needs, and it outlines action steps to help address and resolve these issues.

The Issue Action Report was presented to the Planning Commission on September 21, 2015 and was unanimously approved. It was presented to the City Commission at their November 10, 2015 meeting and to the County Commission at their November 11, 2015 meeting and was unanimously approved by both governing bodies. Using the Issue Action Report as a basis, staff

developed and presented a new draft comprehensive plan, along with a plan for obtaining public input, to the Steering Committee at their July 31, 2017 meeting. The Steering Committee reviewed the draft plan and directed staff to release the draft plan for a 60-day public comment period, which Staff started in mid-August.

At their November 27, 2017 meeting, the Steering Committee reviewed the public comments and directed staff to look at all of the comments received and modify the plan as appropriate. The revised comprehensive plan will be brought back to the Steering Committee in the spring.

Information on this effort, including the draft plan and how to submit written comments, can be found at <https://lawrenceks.org/pds/comp-plan/>. Jeff Crick is the Staff contact.

Item #3: Short Term Rental Uses

Short Term Rental Uses – On August 15, 2017, the City Commission directed staff to pursue a framework to regulate properties being used as short-term rentals. Staff has developed a public participation program to solicit input prior to bringing forward a recommended ordinance.

To start the public participation program, a public meeting was held on September 26, 2017 to outline the process/next steps and answer questions. Approximately 30 to 40 community members and stakeholders attended and received [an FAQ sheet](#) related to the short-term rental use.

The item was part of the November 14, 2017 City Commission work session and will go back to the City Commission in late January.

Danielle Buschkoetter is the staff contact.

The map is intended to provide consumers information about units that comply with the city's rental program as well as help landlords market their code-compliant properties. The map is linked to the department's home page. Citizens can click on the blue map dot of a rental property and view the landlord name, zoning district, the number of units licensed and the apartment complex name, if applicable.
