Date	Activity
8/1/12	Talked to Matt Bond about levee rating
8/2/12	Held meeting with Matt Bond about levee condition and report to City Commission. Talked to Bryan of Codes Enforcement about 754 Elm.
8/6/12	Had 2 nd talk with Bryan of Codes enforcement about 754 Elm. Letter sent about tractor trailer and dump trucks and back hoe being parked there.
8/7/12	Called Bryan of Codes about 313 Elm. There are six girls living there and should only be 3 unrelated in residential neighborhood.
8/7/12	Talked to residents at voting place about problem at 754 Elm and John Taylor Park new playground equipment. Talked to residents in 700 block of Elm about watching for dump trucks and trailers coming and going at 754 Elm for report to Code enforcement.
8/8/12	Wrote letter to David Corliss about cyclists not warning walkers when passing and going too fast on the levee.
8/15/12	Wrote and mailed letter to David Corliss and City Commission about bicycle danger to walkers and runners on levee; bikers are not warning walkers when passing. Need to place signs to remind bikers that walkers have right of way.
8/16/12	Talked with coordinator about picnic postcards and Fall newsletter
8/16/12	Talked to Commission Nancy Thellman about road striping on 1500 Road between turnpike bridge and highway 24. Also, need street light at intersection 1500 and 24 highway. Nancy said she would take care of it.
8/27/12	Talked to resident about voting and candidate forum at NLIA meeting.
8/29/12	Met with Grant Township people about NE Sector plan and City Commission meeting September 11 about NE Sector plan.
8/30/12	Met with John ?? about NE Sector Plan.
8/30/12	Talked to David Corliss about crime problems at 749 ½ Locust and 754 Locust (theft, drugs and trespassing). Corliss will talk to police chief.
9/4/12	Picked up picnic postcards for mailing. Called Parks & Rec about park light blown down and broken. Talked to coordinator about newsletter and candidate forum for October meeting.
9/5/12	Called code enforcement about 754 Elm. Trucks, back hoe and trailers using as a business storage. Called storm water engineer Matt Bond on driveway at 754 Elm. Attended site council meeting at Woodlawn.
9/6/12	Talked to Matt Bond about level sink hole; showed him spot leaked in 1993.
9/7/12	Attended LAN meeting. Chamber guest speaker. Discussed goals for Chamber. New chamber president Williams. Talked to Barb Clark President CRP (Citizens for responsible Planning), about NE Sector Plan and City Commission meeting September 11. New Chamber President and his plan for the chamber.
9/10/12	Wrote letter to City Commission, Dave Corliss and Bryan Jennings of Code Enforcement about 313 Elm. 5+ unrelated people living there; parking and trash problems.

9/19/12	Called David Corliss about people walking in street at 2 nd & Elm. Construction through levee and sidewalk; no sidewalk on north side of street; no way to access levee or sidewalk going east except in street on curve.
9/20/12	Talked to David Corliss about safety concerns at 2 nd & Elm and about dump trucks coming down Elm to 800 block of Elm. Safety concerns for Woodlawn School. Elm Street is not a truck route. They should be using Locust. Asked about neighborhood clean-up October 5 and NLIA meeting October 8.
9/28/12	Talked to city about neighborhood clean up
10/3/12	Called David Corliss about help needed to pick up brush and limbs Friday October 5.
10/8/12	Called Ernie at Parks & Rec about brush to be picked up after neighborhood clean up. Ernie took care of brush. Talked to residents at 7 th & Walnut about brush pick up and needed to be out by 7 a.m. on pick up day. Purchased beverages for NLIA meeting and candidate forum.
10/9/12	Picked up brush piles
10/12/12	Talked to resident about rules of neighborhood clean up.
10/12/12	Talked to resident east of 754 Elm about problems with development at 754 Elm fence and driveway.
