Best practices in regard to neighborhood events that can be shared with other neighborhood associations. Provide information on outreach, event, and outcome.

First use of every door delivery mail (EDDM) to send out Annual Neighborhood Picnic notice. The postcard was eye catching and informative. EDDM is less expensive to print (reduced size/no folding & tabbing) and to mail. It reaches every address within the designated zip codes/subcode.

Any other information your neighborhood association feels will be information that will help to provide a clear view of your neighborhood associations accomplishments.

PNA tries to hold two neighborhood-wide events each year in order to reach out to a greater number of residents than typically attend the monthly meetings. Each event includes fun activities for kids and adults, distribution of health related or other usefull information, and is paired with a public service project. Activities and food are all donated by residents and local businesses. This year's Potluck Picnic included a bounce house, face painting, arts & crafts, Health Care Access blood pressure check, live music, and distribution of information about PNA activities & projects. For our public service project, we collected jackets and coats to dontate to the Share the Warmth campaing sponsored by Scotch Clearner.

MEET YOUR NEIGHBORS – BUILD COMMUNITY TIES

Sometimes we get so busy we find it hard to find time to visit with friends and meet our neighbors. Recent severe weather in the Midwest has reminded us how important it is to be able to come together as a community in times of need. There is no better time to start building those bonds of friendship than on a pleasant June day at a picnic.

FREE BLOOD PRESSURE CHECKS

Health Care Access located at 330 Maine St – right here in Pinckney Neighborhood – is celebrating 25 years of serving the 14,000 uninsured in Douglas County, Kansas. Volunteers will be on hand to give free blood pressure readings, discuss services, and talk about safety and wellness.

GIVE BACK TO THE COMMUNITY:

"SHARE THE WARMTH" COAT & JACKET COLLECTION

Something new this year! Along with the picnic, we're collecting coats and jackets to donate to Scotch Industries' "Share the Warmth" program. Now that the cold weather is finally behind us for the summer, this is the perfect time to give away winter coats and jackets that will be too small or you don't plan to use next year. All donations will be taken to Scotch Cleaners, which will launder them and pass them on to families in need. If you have items to donate, but can't make it to the picnic, please call Kim Heck (785-331-9868) to arrange for drop-off or pick-up.

Sponsored by the Pinckney Neighborhood Association and local businesses, including: Anderson Rentals, Sunflower Outdoor & Bike Shop, Lawrence Memorial Hospital, Dillon's, Checkers, Fast Lane and Medical Arts Pharmacy. Find a complete list of sponsors on the PNA website.

Your donation of just \$2 per household helps meet the cost of sending the PNA newsletters.
