### **LAN Update & Downtown Grocery Store Report**

- E. Hensley reported that there was an extended discussion about sidewalks and that the Commission would be discussing options at their Mar. 21<sup>st</sup> meeting. East Lawrence wants to rezone several properties. North Lawrence mentioned interest in rezoning the land recently acquired as Tribal land for agricultural use. Not cleaning up dog excrement was also discussed. Animal Control enforces the Ordinance and issue fines.
- No new information regarding the downtown grocery store.
- Parks cleanup will be April 1<sup>st</sup>. Meet at 10 AM at Clinton Park. Options for dealing with quantities of trash in some areas of Burchum Park, along some streets, around the Community Health Facility and other locations were discussed. Since it may not be possible to arrange this by Apr. 1, the topic, along with suggestions of areas needing attention, will be discussed at a future meeting.

The only change since the previous presentation was a reduction in the number of spaces on south end of the Main Street diagonal parking expansion. However, the primary additional parking will be the expansion of the North end of West parking lot (two LMH owned houses would be removed for the expansion) which would add 97 spaces. R. Johnson explained that, along with a concerted effort to increase use of their Valet service and moving services elsewhere, there may not be a need for the Main St. parking expansion. Construction of the new lot planned to start in mid-summer and be finished by the end of summer. The 3<sup>rd</sup> Street sidewalk to Michigan on the North side the hospital should begin in 2 weeks following rezoning and City Commission approval of all the LMH expansion plans.

**Lawrence-Douglas County Health Dept. / Bert Nash  
200 Maine St. – 1<sup>st</sup> Floor Meeting Room**

Each year in February, the Pinckney Neighborhood Association holds its annual meeting to elect officers and set goals for the coming year. We also plan events and get input from Pinckney residents on issues and concerns. Offices open for election this year are the President and Treasurer. We will also be asking for volunteers to head-up and work on several projects, including the parks clean-up, neighborhood plan update and PNA community events and service projects.

Everyone who lives in the Pinckney Neighborhood is automatically a member of the Pinckney Neighborhood Association and is encouraged to attend PNA Meetings, run for office, work on a committee and attend our events and activities.

## **LMH EXPANTION AND PARKING PLAN PRESENTATION AT JANUARY PNA MEETING**

On January 17<sup>th</sup>, the PNA monthly meeting hosted the executive board of Lawrence Memorial Hospital to discuss the possible expansion of the hospital footprint and potential future parking ideas. Attending the meeting from LMH were Russ Johnson, CEO; Janice Early, Vice President/ Marketing & Communications; and Joe Pedley, Vice President/CFO. In this collaborative meeting, we discussed ways in which we could address the hospital's need for more parking while still maintaining our neighborhood's green spaces.

LMH proposed three scenarios that could relieve parking stresses: they are considering expanding the number of campuses around the city, additional angle parking on Arkansas and Maine Streets north of 4<sup>th</sup> Street, and expanding the parking on lot on Michigan. Additional takeaways from the meeting were that LMH: will explore more options in potentially connecting and beautifying the east/west corridor north of the hospital; will also return more data and models on how parking would be affected by each of their proposed scenarios; and will strive to foster a collaborative relationship with other civic partners, including the PNA, Bert Nash, and the City of Lawrence.

## **Pinckney School Renovation Update & Tunnel Closure**

The renovation to Pinckney Elementary School is proceeding on schedule. Construction on the south side of the building is scheduled to start in the spring. At that time the Pinckney tunnel under 6<sup>th</sup> Street will be closed for a few weeks. The school and its construction contractor have advised us that the tunnel closure will be as short as possible. Details of the renovation, pictures, and more information regarding the Pinckney Tunnel will be posted in the PNA E-News Updates and our Facebook page.

## **Pinckney Elementary School**

## **Pinckney Neighborhood Plan Update**

The Pinckney Neighborhood Plan was last updated in 1978 – almost 40 years ago. This document is the city's planning document for the Pinckney neighborhood. The City Planning Department will be working with the neighborhood to update the Plan as soon as their schedule allows. The update will include review of current zoning, commercial uses, neighborhood goals, traffic safety and environmental concerns to make sure they match current trends and expectations.

Throughout the coming year, PNA will start gathering information and pulling together our future goals and expectations for the neighborhood. Your thoughts and participation in this process are encouraged. Look for an announcement once the weather warms up for an opportunity to join your neighbors in a walk around the neighborhood. For more information and to find out how you can get involved, please come to a PNA monthly meeting or contact Lance Fahy, at [pinckney.neighborhood@gmail.com](mailto:pinckney.neighborhood@gmail.com) or (785)-393-8603.
