

PLANNING COMMISSIONERS IN ATTENDANCE: Lisa Harris, Kenzie Singleton, Stanley Rasmussen

STAFF IN ATTENDANCE: Amy Brown, Mary Miller

OTHERS IN ATTENDANCE:

SIGNIFICANT ISSUES DISCUSSED:

- A Brief overview of work to date on the chapter, as well as some history was discussed.
- Discussed preliminary process and rough timeline.
- Discussed the draft outline and made suggestions for some minor revisions.
 - Add significant geological features, wildlife corridors, waste management and separate noise and light pollution.
- Discussed general thoughts on things to include in the chapter that are not mentioned in the outline, including coordination with ECO² and the Environmentally Sensitive Lands text amendment.
- General strategies were discussed, including: minimizing pollution, stressing the efficient use of natural resources, protections for personal health, and wildlife protections.
- Discussed that the group wanted to get broad public input at an early stage.

NEXT STEPS:

- Staff will revise the outline with suggestions made at the meeting.
- Staff will email meeting notes and revised outline to CPC members.
- Staff will work on developing a stakeholder list and project timeline for discussion at the September 24th meeting.
- Staff will develop a draft overview section, as well as general strategies to be discussed at the October 8th meeting.
- Staff will work on developing a website concerning the project.

FUTURE MEETING DATES:

- Wednesday, September 24th at 5:30pm
- Wednesday, October 8th at 9am
