FLOODPLAIN DEVELOPMENT PERMIT

Application Requirements

This checklist has been provided to assist you, the applicant, as you prepare your application. Submission of less information than necessary to adequately review and process your application will delay the review process. Application materials must be submitted in both print and electronic format, on a disc. If you are unable to provide the materials in electronic format, please contact the Planning Office at 785-832-3150.

The applicant shall meet with Planning Staff at least seven (7) working days prior to submittal of the application.

Planning Staff will determine the completeness, accuracy, and sufficiency of the application within five (5) working days of submission. Incomplete applications will be returned to the applicant.

Pre-Application Meeting

The applicant shall meet with Planning Staff at least seven (7) working days prior to submittal of the application.

Pre-submittal Date________________, 20    .
Planner's name ____________________
Target Submission Date____________, 20    .

1. Pre-Application Meeting. The applicant shall meet with Planning Staff at least seven (7) business days prior to submittal of the application. During the meeting Planning Staff will assist the applicant to determine if the following items are required:

| a. | H & H Study, two (2) copies. |
|    |    |
| b. | Identify the Water Surface Elevation of the Base Flood as determined by the Flood Insurance Study (if H&H Study not required). |
| c. | Provide study that states the Water Surface Elevation of the Base Flood completed by a registered, professional engineer if such information is not provided by an H&H Study or Flood Insurance Study. |

General Submittal Requirements

| 2. | A complete application form. |
| 3. | Payment of review fee. |
| 4. | Legal description of the property in print and electronic (Microsoft Word) formats. |
| 5. | County Appraiser’s assessed value of existing structure and market value of proposed improvement. |
| 6. | Verification that all necessary State and Federal Permits have been obtained. |
| 7. | Grading Plan showing existing and proposed contours. |
I have reviewed Floodplain Development Permit application submitted by:

Name: ____________________________ Date: ____________
Application No. ______________________

Based upon the submitted information, I find the application to be:

☐ Complete (based upon the items reviewed)

☐ Incomplete, inaccurate, or insufficient (circle) for the following reasons:

☐ The application or plan contains one or more significant inaccuracies or omissions that hinder timely or competent evaluation of the plan’s/application’s compliance with Development Code standards.

☐ The application contains multiple minor inaccuracies or omissions that hinder timely or competent evaluation of the plan’s/application’s compliance with Development Code standards.

☐ The application or plan cannot be approved without a variance or some other change or modification that the decision-making body for that application or plan does not have the authority to make.

☐ Other
