RE: Lawrence Police Headquarters Bidding Opportunity

Turner Construction Company is soliciting bids for all BID PACKAGES, on the above referenced project in Lawrence, KS. Drawings will be available for review at Turner's main office and online via BuildingConnected.

The project consists of, but is not limited to, new construction for a 1-story plus walkout basement, 50,291 sf Police Headquarters and 5,149 sf vehicle building with associated utility, building systems, site, and landscape work. Work includes concrete foundations, steel structure, metal wall panels, glazed curtain walls / window wall / storefront, TPO roofing, CMU, brick, metal stud framing, interior glazing, interior finishes, lockers, plumbing, mechanical, and electrical systems.

Bids are due by 5:00 PM, CDST on June 28th, 2019.

All bidders must be prequalified with Turner Construction and bids will only be accepted accompanied with the certified bid form and requested documents within the Project Bid Manual.

Trade Partners interested in bidding this project or prequalifying with Turner Construction should inquire by emailing Nick Durand, Turner Construction Co. at ndurand@tcco.com
