81623	12965857	38.969409	-95.238277	Kentucky should be furthest west boundary
81624	12965857	38.969394	-95.234114	Alley between New Hampshire and Rhode Island should be eastern limit - no buses should go on Rhode Island anywhere.
81625	12965857	38.969411	-95.235908	northern and southern limits should be 8th and 10th streets, so the hub is centrally located, not potentially 5 blocks from your ultimate destination

81637	12965861	38.970363	-95.239439	Think the western boundary of the station's location should be Vermont.
81638	12965861	38.963734	-95.235834	Think the downtown station should be no further south than 11th St.
81639	12965863	38.963937	-95.235286	11th Street should be the southern most boundary of downtown.

81643	12965895	38.968512	-95.238862	This bank taking a whole block isn't at all like the dense streetscape of downtown. If the bank is part of downtown then why not go all the way west to Illinois street on 9th?

81645	12965938	38.960002	-95.232329	boundary could be a box - river to 13th, tennessee to connecticut St. That way there's more wiggle room for selecting a transit stop location.

81675	12966350	38.963654	-95.235015	Wide street. Close to the judicial center - perhaps will cut down on possible crime at the station
81676	12966350	38.963985	-95.235541	It's open space.
81677	12966350	38.963981	-95.235005	Empty and could be torn down to create more open space and amenities for staff.
81678	12966360	38.973039	-95.234352	Make this the queuing area for the transit bus traffic. Remove the queuing area that's currently across from the Public Library.

81689	12966510	38.970821	-95.237775	Having 5 huge idling and fume emitting buses in the 800 block is not a good idea.
81690	12966516	38.963762	-95.235285	The downtown bus station should be located near the courthouse building- I feel this will be helpful to be located where there is a strong law enforcement presence and away from family centered areas like the library.

81735	12966696	38.97052	-95.237013	I ride the bus daily. This is a good spot for bus hub because the street is wide enough for cars to get by when multiple buses are moving at once.

81737	12966696	38.97046	-95.234672	This would be a fine alternative to move away from the library
81738	12966756	38.970787	-95.306555	put the bus station in West Lawrence, and the Greyhound stop too
81739	12966758	38.963764	-95.23461	The current transfer site has brought crime, violence, and misery to the library. Place the bus station next to the sheriff's office or the proposed police substation
81740	12966760	38.967351	-95.237045	It would be highly beneficial & essential for people that live downtown like myself to be able to meet the bus downtown.
81741	12966903	38.962995	-95.23664	I'd rather not use up part of South Park for the station, and it's a bit far south anyway. The proposed boundaries seem good otherwise.

81750	12967388	38.962496	-95.234084	Needs to be near the police department
81751	12967447	38.973042	-95.238277	Nothing north of 6th Street. Crossing 6th Street is asking for trouble as a bicyclist or pedestrian.
81752	12967447	38.963009	-95.237307	11th Street should be the southern boundary for consideration of a downtown bus station. South Park is too widely used by the community throughout the year for the city to be including it on this map.

81753	12967447	38.971097	-95.238243	Yes, Watson park and the swimming pool are downtown-adjacent but they are a good transition between the downtown business district and the family housing to the west of downtown. We shouldn't be considering this transition zone for increased traffic when current traffic is dangerous to bicyclists and pedestrians.
81754	12967447	38.969286	-95.234661	I understand New Hampshire street is an integral part of the downtown business district. What would be the plan for parades and buses that are coming from 6th Street?

81764	12968372	38.970978	-95.236925	I don't wish to see a change in the boundary " only an improvement in the quality and security of the facilities. The station should be more than a parking zone; it should include facilities for the convenience of riders; and it should be regularly patrolled by downtown foot patrols for safety and approachability.
81765	12968477	38.96122	-95.235878	Need Mass between S. Park for parades and food trucks!
81766	12968477	38.962496	-95.234084	Need parking for S.Park events and judicial center.

81790	12968926	38.972319	-95.231413	I don't think this should be the final location of the transfer hub but think it should be included in the boundary so it can be evaluated by the criteria selected by the steering committee.
81791	12968926	38.970747	-95.229825	Again, I'm not sure I would consider this downtown currently but it's a site that will be brought up enough that it should be evaluated.
81792	12968926	38.960375	-95.235447	This is close enough to downtown that it could be considered as well.
81793	12968938	38.962789	-95.235686	The bus station should not be placed near South Park. The busy active use will negatively impact the park's use as a passive recreation area, and conflict with the many events that take place there throughout the year.
81794	12968938	38.965731	-95.23469	The new bus station should not be placed near the arts center facility to avoid conflicts with the events there.

81806	12969929	38.969129	-95.233857	Keep the bus station away from Green Space areas.
81807	12969929	38.964524	-95.234887	Location needs to be near patrolled areas monitored by police so it won't be a location for drug deals and shootings like the library/across from library is now.

81810	12970232	38.963736	-95.234254	I would like to see the bus station boundary focused on this area so that it's nearer to the courts. It would make it easier for people to get to/from court, but also would help prevent some of the crime that occurs near the library due to the buses parked there.
81811	12970718	38.956937	-95.235702	I think the downtown boundary could be extended south to 15th Street
81812	12970718	38.967548	-95.228793	Perhaps it should be extended east to include this arts, restaurant, and living area
81813	12970718	38.968616	-95.237161	I do not think the station should be near the library, pool, arts center, or either of the parking garages near those locations.

81837	12974748	38.977764	-95.228449	the old train station could serve as a great location for a downtown bus depot. it is relatively unused and has lots of parking and space around it and is already owned by the city and has restrooms and indoor space already built.
81838	12974748	38.971254	-95.23035	a bus depot at or near the Lawrence train station makes great sense. This way people coming to town with no transportation will be right on the bus line. this area already has indoor space and restrooms and is relatively unused.

81886	12994478	38.967653	-95.237095	This issue was already discussed and resolved. The only boundaries that should exist are 8th to 9th Street on Vermont. The city owns that space. It is more centrally located for all the types of visitors that come to Downtown Lawrence. 81914	13009232	38.965111	-95.234704	It looks on the big map like it extends onto Rhode Island. Staying on New Hampshire is better than getting into that residential area.
81915	13023966	38.970064	-95.238792	I dont think the park should be considered for the station
81916	13023966	38.970668	-95.238674	I dont believe the park should be where the station is placed.

81918	13026917	38.972975	-95.23714	I am heading for keeping downtown downtown and not extending the boundaries. Loosely, Downtown is from 6th and Kentucky east past the bridges and City Hall to 7th and new hampshire, including the north and east sides of those blocks. It continues south down both sides of new hampshire and on down to 11th street. It then goes west on 11th all the way to Vermont street. Go south down Vermont to 9th, take a left to Kentucky and continue south on Kentucky to 6th. The parks are generally not downtown.
81919	13026917	38.971245	-95.230574	The Amtrak station is not suitable as a bus station. Too many idling buses too close to a residential neighborhood.
81922	13028428	38.967417	-95.236959	I think the downtown station boundary should be narrowed to make sure only truly downtown locations are considered for the downtown station. The boundary should be 6th Street to the North, New Hampshire to the East, the northern edge of South Park to the South, and Vermont to the West.
81923	13028513	38.973623	-95.238805	The north boundary should be 6th street and not take in the parks north of 6th.
81924	13028513	38.963616	-95.235924	Southern boundary should be 11th Street and not take in South Park. All these extensions are invitations to move the "Downtown" station away from downtown proper.
81925	13028513	38.972265	-95.238821	The boundary should exclude the block of Watson Park between 6th and 7th, and should stop at Kentucky Street.
81926	13028515	38.97312	-95.236861	North boundary should be 6th Street and should not take in the park land north of 6th.
81927	13028515	38.973137	-95.236507	North boundary should be 6th Street and should not include the parks north of 6th.

81931	13042878	38.970711	-95.237322	Emailed public comment: I am writing re: the placement of the downtown transit hub. While I am sure it is difficult to find an ideal place, I strongly urge you and the others making this decision not to put it so near the Lawrence Public Library. The Library offers many services, all free for the public, and the bus riders could walk there from wherever it is located in the downtown area. I feel it would be beneficial for the entire community not to have a congregation of folks across from the entrance. I don't envy you this decision, but appreciate your work on the behalf of all taxpayers. Thank you for your consideration.

81966	13043068	38.970678	-95.237054	Paper survey 4/4: Needs to be cleaner. Current spot is good. Keep the homeless away.
81967	13043068	38.97239	-95.235445	Paper survey 4/4: Maybe the Journal World building on Mass St. would be good too.
81968	13043070	38.970705	-95.237356	Paper survey 4/4: Like the current location downtown. Like that it's close to the library.
81969	13043072	38.970758	-95.237376	Paper survey 4/4: Current spot is convenient. Live on Mass St, so not too far from there is helpful.
81970	13043074	38.97047	-95.237097	Paper survey 4/4: Proximity to library is helpful. If you could improve current location with more shelters, that would be awesome.
81971	13043076	38.970394	-95.237032	Paper survey 4/4: Current spot is convenient. Close to the library, post office, Mass St. If you moved it 5 blocks south, everyone would be pissed.
81972	13043078	38.970378	-95.237118	Paper survey 4/4: Close to Mass St. shops. North-south not an issue, but helpful that it's close to the library.
81973	13043080	38.970378	-95.237118	Paper survey 4/4: Useful to be close to the library, Senior Resource Center. Good central location.
81974	13043082	38.970287	-95.237113	Paper survey 4/10: Current spot is central and convenient. Close to Mass St. is important.
81975	13043084	38.96906	-95.235895	Paper survey 4/10: Between the park and the river is convenient. Dillons on Mass St. is too far. Close to Mass St. preferred.
81976	13043120	38.970328	-95.237097	Paper survey 4/10: Current spot is convenient. I just transfer from the 6 to the 1, don't need it close to anything specific.
81977	13043122	38.970378	-95.237075	Paper survey 4/10: Library is a common destination. Canopy would be great. Wind barriers are very important.
81978	13043124	38.970411	-95.237075	Paper survey 4/10: Close to library is good. Safety and security is important. Canopies and heaters are good. 2-3 blocks over is okay.

81979	13043126	38.966578	-95.237001	Paper survey 4/10: Think you should move it a couple blocks to get out of area with homeless.

81981	13043130	38.970402	-95.237145	Paper survey 4/10: There is good traffic flow in the current location.
81982	13043132	38.970411	-95.237118	Paper survey 4/10: 7th & Vermont has too much traffic.
81983	13043132	38.962963	-95.23626	Paper survey 4/10: Down by Fuzzy's at South Park would be better, less traffic conflicts.
81984	13043134	38.970361	-95.237118	Paper survey 4/10: Keep it at 7th & Vermont
81985	13043136	38.972332	-95.236791	Paper survey 4/10: Could use parking lot by Dempsey's
81986	13043136	38.972259	-95.238298	Paper survey 4/10: Across from the train park. Access from all points and across the bridge.
81987	13043136	38.970096	-95.237236	Paper survey 4/10: Include across the street from current location.
81988	13043138	38.970359	-95.237052	Paper survey 4/10: 7th & Vermont is good and functions.
81989	13043140	38.964859	-95.236861	Paper survey 4/10: Unused parking lot good to consider.
81990	13043142	38.964859	-95.236861	Paper survey 4/10: Unused parking lot good to consider.
81991	13043142	38.969861	-95.239543	Paper survey 4/10: Over by the park on Tennessee, more room for buses to line up.
81992	13043153	38.968843	-95.236217	Paper survey 4/16: Close to Mass St., but not on Mass, because there are too many people. It would take the bus a long time to get in and out.
81993	13043155	38.970336	-95.237068	Paper survey 4/16: Current location is convenient. Wish that buses didn't have to loop around so much to get pointed in the right direction after leaving downtown. Takes too much time.
81994	13043157	38.970361	-95.23699	Paper survey 4/16: I go mostly to the Library.
81995	13043159	38.970405	-95.237035	I like nearness to the library.
81996	13043161	38.970328	-95.237097	Paper survey 4/16: I like the library location.
81997	13043163	38.972096	-95.238706	Paper survey 4/16: Watson park would be a nice location.
81998	13043165	38.970411	-95.237118	Paper survey 4/16: I like the current location of the hub.
81999	13043167	38.96989	-95.235745	Paper survey 4/19: Current boundary looks good
82000	13043169	38.972763	-95.247997	Paper survey: Extend west to Taco Johns and Burger King
82001	13043169	38.967235	-95.243384	Paper survey 4/19: Extend west to Jayhawk Liquor
82002	13043171	38.991011	-95.23512	Paper survey 4/19: Extend to the DMV
82003	13043173	38.967755	-95.240723	Paper survey 4/19: Include more of 9th St.
82004	13043175	38.968159	-95.235638	Paper survey 4/19: In general, more would be better

82005	13043177	38.960868	-95.237655	Paper survey: Extend boundary south from 11th/Kentucky to same southern extent as South Park. I like that Kentucky and Tennessee are included.
82006	13043179	38.964071	-95.22493	Paper survey 4/19: Extend east along train tracks to Delaware, then south to 11th. Include Hobbs Park.
82007	13043179	38.960144	-95.235616	Paper survey 4/19: Extend south to 13th St.
82008	13043181	38.970894	-95.238469	Paper survey 4/19: Place on Kentucky around nature. Less traffic.
82009	13043217	38.969794	-95.23714	Paper survey 4/19: Common trips are to the library, Kinkos, and Mass St. generally. Open to anywhere downtown though, able to walk.
82010	13043219	38.968359	-95.236217	Paper survey 4/19: Central, close to Mass St. on Vermont or New Hampshire, 8th or 9th St.
82011	13043221	38.96312	-95.236539	Paper survey 4/19: Somewhere near downtown. Even out to Tennessee or down at South Park would be ok.
82012	13043223	38.970595	-95.237505	Paper survey 4/19: Within 1 block of the library is important.
82013	13043225	38.969904	-95.237027	Paper survey 4/19: Current location is convenient. Mostly use it for transfers.
82014	13043227	38.97069	-95.237133	Paper survey 4/19: Current spot is convenient. Mostly use for transfers to/from LMH.
82015	13043229	38.970401	-95.237122	Paper survey 4/19: Current spot is convenient for where I go to/from
82016	13043231	38.970284	-95.23712	Paper survey 4/19: Current spot is central and convenient. Other places within 4-5 blocks from current spot would work.
82017	13043233	38.970299	-95.237058	Paper survey 4/19: Current spot is perfect. Willing to walk a few blocks.
82018	13043235	38.970534	-95.237466	Paper survey 4/19: Proximity to the library is important.
