82091	13120220	009	Old Allen Press site	38.964	-95.2356	The corner of Mass. St. and 11th is a parking lot that is frequently empty. Plus, it has the distinction of being adjacent to the location of the old Bus Depot, as I understand the local history. It's centrally located within downtown, and it would be nice to see something useful on that corner (other than a high-rise apartment complex, that is).
82092	13120443	029	Amtrak	38.97071	-95.2298	Parking Area Between Kennedy Glass and Amtrak Station
82093	13120443	016	Rueters	38.97194	-95.2341	Parking Lots between Reuter Organ Building and Midco Switching Building and the Eastern Side of that Block
82094	13120443	008	DGCO Law Enforcement parking lot	38.96218	-95.2339	South of the former police station and east of South Park
82095	13120443	017	New Hampshire Lofts future site on NH between 10th & 11th	38.96461	-95.2344	Open Parking Area Across the street from Macelis
82096	13120549	004	City parking Lot #3	38.96782	-95.2368	The northeast intersection of 9th & Vermont St.
82097	13120551	017	New Hampshire Lofts future site on NH between 10th & 11th	38.96483	-95.2343	Just off 11th and New Hampshire
82098	13120551	015	Central Bank of the Midwest parking lot	38.96873	-95.2389	Across from the pool
82099	13120826	025	City parking Lot #8	38.9684	-95.2338	The parking lot between New Hampshire & Rhode Island Streets, occupying part/all of current Farmers' Market (assuming FM finds new home, e.g., on 7th Street between Kentucky & Tennessee Streets).
82100	13120874	Outside boundary	Outside boundary	38.96027	-95.2354	Deserted church at Mass and 13th
82101	13121207	029	Amtrak	38.97034	-95.2307	Adjacent to Amtrak station with buffering if near any residences

82102	13121207	006	City parking Lot #9	38.96575	-95.2379	On Vermont between 8th and 9th where the city parking lot is located -- if a parking garage is built elsewhere
82103	13121209	010	Old Border's site	38.97017	-95.2346	This is one block off Mass, there is not a hill to get to Mass for accessibility concerns, and there is not a neighborhood park to overtake.
82104	13121209	018	Current site area	38.971	-95.2371	This site has already demonstrated it is a useful site, coupled with the fact that current users don't want you to move the site significantly.
82105	13121209	015	Central Bank of the Midwest parking lot	38.96854	-95.2384	This giant parking lot is a huge wasted space. Instead of decreasing the size of Watson Park, which the Old West Lawrence neighborhood uses for myriad events, THIS is a much better location for a manned bus terminal. We need to negotiate with the people who own it. The potential of this project being able to attract new west-side riders for special events is important enough to make sure we have the RIGHT spot, not just the EASIEST spot.
82106	13121233	009	Old Allen Press site	38.96411	-95.2356	Parking lot from old Allen Press building (I think?)
82107	13121233	026	City parking Lot #4	38.9683	-95.235	Some portion of this parking lot (or build a garage and incorporate bus into it!)
82108	13121233	011	Old LJWorld site	38.97234	-95.2352	Surely some of this parcel / parking lot is up for re-do?
82109	13121233	013	Riverfront Parking Garage	38.97285	-95.2336	Somewhere along here?

82138	13122383	019	East side of Kentucky across from Watson Park	38.972	-95.2382	Site recommendation from Step 1 survey: East side of Kentucky, across from Watson Park
82139	13122385	018	Current site area	38.9702	-95.2371	Site recommendation from Step 1 survey: Current location, Vermont between 7th & 8th Streets
82140	13122387	012	Parking lot across from Dempsey's site	38.97235	-95.2368	Site recommendation from Step 1 survey: Parking lot across from Dempsey's
82141	13122996	009	Old Allen Press site	38.964	-95.2356	Empty private lot across from the courthouse. The absolute perfect location - doesn't affect parking, close to downtown center, enough space.
82142	13122996	010	Old Border's site	38.97093	-95.2344	Empty building on the corner of New Hampshire & 7th.
82143	13122996	017	New Hampshire Lofts future site on NH between 10th & 11th	38.96484	-95.2344	Lot off New Hampshire near Douglas County Community Corrections
82144	13122996	009	Old Allen Press site	38.96433	-95.2355	Empty building lot on Mass St. near Einstein Bros
82145	13122996	Outside boundary	Outside boundary	38.96438	-95.2374	Site of Swims & Sweeps
82146	13123664	018	Current site area	38.9698	-95.2367	8th and Vermont
82147	13123664	Outside boundary	Outside boundary	38.97371	-95.2388	6th Street Constant Park area

82148	13123664	008	DGCO Law Enforcement parking lot	38.96273	-95.2351	11th - 12th and Mass, South of Police Station
82149	13123664	017	New Hampshire Lofts future site on NH between 10th & 11th	38.9649	-95.2344	10th - 11th & New Hampshire, East Side of New Hampshire
82150	13127276	004	City parking Lot #3	38.96837	-95.237	East side of Vermont St. between 8th and 9th. This is the best location for the Downtown hub. The consultants knew this, as did the previous site location committee.
82151	13130266	029	Amtrak	38.97125	-95.2304	near the amtrak station
82152	13130274	001	8th St. between Kentucky & Tennessee Streets	38.96937	-95.2389	Street side in this area on 8th. Less impacts to parking.
82153	13130334	029	Amtrak	38.97125	-95.2304	Either next to or combined with the Amtrak station. (Makes transfers easier and gets more use out of the station.)
82154	13130334	Outside boundary	Outside boundary	38.96882	-95.2181	
82155	13130378	013	Riverfront Parking Garage	38.97261	-95.2331	1Riverfront Plaza parking garage
82156	13130378	029	Amtrak	38.97101	-95.2296	Train depot
82157	13131176	018	Current site area	38.96968	-95.2369	8th and Vermont. Across from the Senior Center and Library.
82158	13131176	001	8th St. between Kentucky & Tennessee Streets	38.96914	-95.2389	8th between Tennessee and Kentucky, across the street from the pool
82159	13131176	004	City parking Lot #3	38.9678	-95.2369	9th and Vermont across from the Carnegie building
82160	13131739	013	Riverfront Parking Garage	38.97272	-95.233	There are many spots around Riverfront Plaza that would work.
82161	13131739	010	Old Border's site	38.97074	-95.2342	
82162	13131739	020	7th St. between Kentucky & Tennessee Streets	38.97138	-95.2389	The south side of the park seems possible.

82163	13131739	028	City parking Lot #7	38.96355	-95.2371	The community center seems like a good site in terms of convenience and traffic flow, but I don't know about impact on parking.
82164	13131739	007	City parking Lot #10	38.96493	-95.237	This lot is often underused. It seems like a good spot for a bus stop, especially for traffic flow. I don't know what impact that would have on parking, though.
82165	13131739	023	City parking Lot #17	38.97281	-95.2354	The area north of the old Journal-World plant seems like it would have the needed room.
82166	13131739	009	Old Allen Press site	38.96406	-95.2356	The area around the old printing plant is an eyesore. A bus station would be a big improvement if the land were available. That is also close to the historic site for a bus station, which was just south of the Granada.
82167	13132739	015	Central Bank of the Midwest parking lot	38.96898	-95.2389	
82168	13132739	012	Parking lot across from Dempsey's site	38.97195	-95.2371	
82169	13133017	008	DGCO Law Enforcement parking lot	38.96326	-95.2351	This is the best place BY FAR! Ridership is more focused in the surrounding areas. This is under utilized, city-owned land. Perhaps we wouldn't have the bus-stop antics that we have now if the police station/courthouse is there.
82170	13133017	Outside boundary	Outside boundary	38.97632	-95.2318	Nothing is happening in the Depot now. Again, city owned, under utilized property.
82171	13133017	013	Riverfront Parking Garage	38.97291	-95.2342	This parking structure is under-utilized as well. Particulary the surface lot off of Rhode Island
82172	13133017	029	Amtrak	38.97138	-95.2306	This also make sense for rider-ship.
82173	13137655	029	Amtrak	38.97125	-95.2304	
82174	13137655	029	Amtrak	38.97047	-95.2292	
82175	13137885	029	Amtrak	38.97124	-95.2304	Train station
82176	13137912	027	US Bank at 9th/Mass	38.96731	-95.2357	usa bank. big and ugly need i say more

82177	13138182	015	Central Bank of the Midwest parking lot	38.96898	-95.239	Bank parking lot on 8th street between Kentucky and Tennessee. This parking lot is large, underutilized, and well-situated for busses going in multiple directions.
82178	13138182	010	Old Border's site	38.97084	-95.2339	Old Borders parking lot. This parking lot has been largely off limits for the past several years, so would have little impact on the downtown parking landscape. It's huge and is well-situated for busses arriving and departing from multiple directions.
82179	13138182	026	City parking Lot #4	38.96833	-95.2351	
82180	13138182	004	City parking Lot #3	38.96845	-95.2368	
82181	13139529	008	DGCO Law Enforcement parking lot	38.9625	-95.2334	As close to the sheriff station as possible
82182	13139529	Outside boundary	Outside boundary	38.95356	-95.2412	
82183	13139738	013	Riverfront Parking Garage	38.97304	-95.2344	Parking riverfront...3 buses at a time
82184	13139738	016	Rueters	38.97165	-95.2336	
82185	13139738	029	Amtrak	38.97147	-95.2279	
82186	13140060	010	Old Border's site	38.97105	-95.2342	South side of 7th Street, moving east
82187	13140060	028	City parking Lot #7	38.96383	-95.2374	Generally in this area: near other services.
82188	13140060	017	New Hampshire Lofts future site on NH between 10th & 11th	38.96466	-95.2345	Concrete barriers have been up for-ever, blocking any existing parking. Eminent Domain? This is a blank slate and would serve the community well in this position.
82189	13140068	026	City parking Lot #4	38.96712	-95.2346	
82190	13140068	029	Amtrak	38.97101	-95.23	Train station!

82193	13140148	013	Riverfront Parking Garage	38.97248	-95.2338	

82194	13140160	004	City parking Lot #3	38.96835	-95.2371	This is the best location. Close to the library, post office, and right in the center of downtown. We need to preserve as much parking as possible and it needs armed security to keep people safe.
82195	13140160	008	DGCO Law Enforcement parking lot	38.96233	-95.234	Good location. Close to everything, and close to law enforcement to keep riders safe
82196	13140160	013	Riverfront Parking Garage	38.9728	-95.2339	Underutilized parking area. Right by City Hall. Minimal impact to residential area from increased bus crime.

82208	13141543	003	11th St. near DGCO Law Enforcement Center	38.96359	-95.235	Somewhere on the same block as the Sheriff's office and County Courthouse.
82209	13141543	004	City parking Lot #3	38.96785	-95.237	East side of Vermont St. just north of 9th
82210	13141592	016	Rueters	38.97185	-95.2341	Area is pretty barren, only one business I believe in the area

82216	13141826	017	New Hampshire Lofts future site on NH between 10th & 11th	38.96383	-95.2346	Empty lot
82217	13141874	028	City parking Lot #7	38.96336	-95.2369	The SE corner of Vermont and 11th. It's right by the community building. Easy access to the whole of downtown. Proximity to courthouse.
82218	13141874	009	Old Allen Press site	38.96399	-95.2355	Open lot and old Allen Press building between Mass and NH on N side of 11th. Easy access to the whole of downtown. Proximity to courthouse. No excessive parking loss.
82219	13141874	017	New Hampshire Lofts future site on NH between 10th & 11th	38.96462	-95.2345	Open lot North of Lutheran Church on New Hampshire. Easy access to the whole of downtown. Proximity to courthouse. No excessive parking loss. Would be incredibly easy to expand the alley - super easy access site for bus movement - lots of room.
82220	13141985	007	City parking Lot #10	38.9649	-95.2369	Parking lot 10.

82305	13211230	010	Old Border's site	38.97112	-95.2345	7th and New Hampshire - get rid of the old unused building and put the station here

82306	13211232	016	Rueters	38.97161	-95.2339	Having the station on the corner of 7th and Rhode Island will maximize walkability to key points of interest like Mass St/downtown AND the Amtrak station. Additionally, since Rhode Island terminates at parking lot 16, the traffic is light and there is less need for the buses to wait for lights or worry about high foot traffic like they currently do in front of the library. Plus the sidewalks along 7th and Rhode Island are already in good shape so there is less need to rebuild existing sidewalks to accommodate heavier foot traffic.
82307	13211232	008	DGCO Law Enforcement parking lot	38.96244	-95.2338	Having the downtown bus station at Rhode Island and 12th has several advantages. Firstly, it is relatively close to Mass St, the court house, and South Park, a lovely venue while waiting for a bus. Secondly, it is not on a busy street with a lot of foot traffic or cars meaning that the buses will be able to move more freely. Lastly, it is close to the Law Enforcement building which may help encourage positive social behavior amongst the transient population which relies on public transit. Its disadvantages, however would be the neighborhood surrounding this area could be negatively impacted by an influx of the transient population. It is further from points of interest downtown like the Library, the pool, the Amtrak station, and the downtown shops.

82382	13215949	008	DGCO Law Enforcement parking lot	38.96237	-95.2341	The only viable option is adjacent to the live station. The bus station in is current form has led to violence and depravity near the library. Yes, it's not everyone but it' takes just a few unhinged people to ruin a place. I've had to explain things to my children that I should never have had to even think of.

82394	13218108	013	Riverfront Parking Garage	38.97203	-95.2342	The riverfront parking lot or the old borders building and parking lot would be convenient locations near downtown & Amtrak. Minimal effect to current parking, traffic, and businesses. Proximity to city hall may reassure some in the community and be perceived as a safer location.
82395	13218108	015	Central Bank of the Midwest parking lot	38.96904	-95.2386	Large parking lot near the bank. Close to 6th, 9th, Kentucky, & Tennessee - convenient for riders and drivers.
82396	13218108	008	DGCO Law Enforcement parking lot	38.96229	-95.2339	This parking lot is a convenient location for going north/south to & from Amtrak, going downtown, or going east/west on 9th or 19th. It's also near the police & courthouse which would reassure some community members and may help increase ridership if people perceive the location to be safer.
